

THE WONDER OF DUVALL EASTER

This is THE town egg hunt. It is moving from McCormick Park.

DETAILS: Join us for the first ever “Wonder of Duvall” Easter! After many wonderful years at McCormick park, we are excited to bring the town Egg Hunt to the Dougherty Farmstead. The Duvall Historical Society is excited to host this event and share some of our amazing town's history, along with the theme inspiration, the Wonder of Duvall book. Come hunt for eggs and join in the many festivities. You will leave with more community and more love for Duvall. It's going to be historic (literally!).

Our title event sponsor, **Buddy Buck Real Estate**, will assist you in contributing to a community art piece that will one day become a historical artifact for the Dougherty House! They will also provide resources & ideas to stay connected to the community and remain involved after the event...along with giant bubbles!

LUNCH & FESTIVITIES - 1PM.

La Pasadita is coming back to visit us & bringing their food truck, **La Riviera Maya!**

EGG HUNT - 2PM (3 age groups).

RAIN OR SHINE! If it rains, bring your boots and we'll embrace it together. Activity booths will have covered tents.

FREE event. Food & merchandise available for purchase.

PARKING:
