DEDICATION

It is now over 60 years ago since Mae Spoelstra started saving the Hi Times paper published by the Duvall High School. I suppose that most of these papers ended up in the waste baskets after orbiting the room a few times as paper airplanes. The ones that were saved were most likely lost years later as people moved from place to place. Mae took each issue home and carefully put it away in a box to be read again years later by her or her friends reliving those old high school days.

Mae's class of six that graduated in 1940 would be followed by the last class to graduate from Duvall High in 1941. To those that read this collection of papers, be reminded that these papers not only cover the last years of a High School that began in 1904, but also it reflects the spirit of faculty and students through those difficult Depression years of the 1930's.

As Duvall was without a newspaper of its own from 1916 to 1952 these Hi Times give us a glimpse through the merchants' ads of who they were and of prices charged then. Also the names appear of most of the students and many of the teachers, school board members, and other local citizens.

FOREWORD

The original Hi Times newspapers, now yellowed and brittle, are faithfully reproduced here in book form with additional photographs from Mae Koster's collection.

The student editors in the 30's were struggling with manual typewriters and blue-gelled spirit masters and messy, inky, hand-cranked mimeograph machines. Errors were not easily corrected and lost letters or lines during copying not replaceable. Some few omissions have been penciled in and white-outs made over ink spots, but otherwise, the copies are not changed nor amended. With the technology available, the students did an admirable job of writing and printing.

Their youthful enthusiasms, tempered by the background or worrisome times comes through in stories of classes, sports, and community events. The cartoons and jokes are so reminiscent of another time but are also fresh and funny now. Those who lived through the 30's will smile in remembrance and those who are younger can enjoy a better understanding of "the good old, bad old days."

- Tove Burhen

A special thanks goes to Tove Burhen for the many hours spent in compiling, organizing, editing, proofing, and as managing publisher producing this volume for publication.

- The Duvall Historical Society

III
The first school in Cherry Valley, built in 1878 from a single cedar log.

The second school in Cherry Valley, built in 1893 at a cost of $714.50.

The third school built in 1907 housed all grades.

The fourth school, Cherry Valley Elementary, built in 1911 in front of the third school which became the Duvall High School.

Initiation

With Friday approaching the classes are thinking of a stunt to perform on the Freshmen. The upper classmen are getting their heads together thinking of pranks to play on them and we promise to give the greenies some merry thrills.

Freshmen News

The green Freshmen are anxiously waiting for initiation. We'll show the rest of the High School what Good Sports are!

Athletics

The Duvall lower classmen will play the Tolt freshmen Thursday at Duvall. Although we don't know what material Tolt has, we expect to chalk up a victory for Duvall.

The girls Athletic Club is learning the fundamentals of basketball.

Miss Patterson

Miss Patterson's absence today is due to the fact that she is attending a meeting of the King County High School Librarians Association. This meeting is being held in Monroe.

Debate

The following Debates are to be held Oct. 11, 12, 13, and 14 by the English IV class.

Group I

Resolved: That voting should be compulsory in the United States.
Aff.--George Anderson and Albert Verschaeve.
Neg.--Verle Chipman and Velma Franke.

Group II

Resolved: That machinery has caused the depression.
Aff.--Helen Weber and Ed Bow.
Neg.--John Bow and Victor Michalson

Group III

Resolved: That the United States should recognize the Soviet Gov.
Aff.--Donovan Minshull and George Taylor.
Neg.--Richard Doughty and Dwight Funk.

Group IV

Resolved: That Initiative No. 62 should be put into effect.
Aff.--Don Pryor and Agnes Williams
Neg.--Lester Glover and Albert Verschaeve.

Lost!

An ever-sharp pencil, return to Phyllis Strang.

Editorial

This year both the girls and the boys have very good athletic instructors. We expect to win a good number of games. If we do it will be largely due to our coaches. For example, how can any person expect to win games when he believes that he hasn't any good material. This year we've two good coaches. Coaches that are going to do everything they can toward carrying Duvall to victory. If Duvall fails to bring home the bacon this year, we can't blame Mr. Soley and Miss Poyhonen.

What Some of the Classes are doing.

English IV--Debate.
English I--Studying Grammar.
U. S. Hist.--Constitutional Gov't.
World Hist.--Early European Wars.
French II--Reviewing Verbs.
Sociology--Primitive Race Reports.
Physics--Bernouillis Principle.
Latin I--Conjugating Verbs.

Grade School Amusements

Several old tires have been hung from the rafters of the play shed for the lower grade school children to swing on. These are a source of great fun for the children who enjoy them very much.

Thanks to Mr. McCormick!

Grade School News

Fifth and Sixth

The Fifth and Sixth grades were asked to take charge of the grounds. We would like to have the cooperation of the other children in keeping the grounds clean.

Bill Lupo
Roy Allsop

Third and Fourth

The children have had much pleasure from the swings in the play shed which our janitor, Mr. McCormick has kindly fixed for us.

We are going to have a Columbus play. Maybe if we get it well enough we will invite the first and second grades to see it.

We are trying to keep from throwing papers in the school yard and have been gathering them up and putting them in the garbage cans.

Mary Jane Miller

Jokes

Three girls were conversing one day. The first said to the other two: "I'm going to marry a doctor so that I can get physical aid for nothing."
The second replied: "I'm going to marry a lawyer so that I can get legal aid for nothing."
The third concluded: "And I'm going to marry a preacher so that I can be good for nothing."

Young Lady to a clerk: "Have you any Life Buoy?"
Clerk: Lead the way beautiful!

BEWARE FRESHMEN!
Car New Faculty Member, Mr. Soley.

Mr. Soley was born in Everett where he attended the grammar schools and also High Schools. He graduated from High School in 1927. He entered W. S. C., and played four years of football, then graduated with honors both scholastically and athletically in 1931. Mr. Soley has the heartiest cooperation of all students for he has shown that he is a competent man and one to be respected.

Mr. Soley was married this summer.

New School Year.

We begin the new school year with a great deal of pleasure and anticipation. Every attempt will be made to make this a most successful school year; and in order to accomplish this end, we ask the support and whole hearted cooperation of the patrons of the school.

L. G. Crawford

General News

We have twelve new freshmen in High School with us this year and we promise to give them a merry time at the annual classic, "The Freshman Initiation". We also have three new arrivals, Lester Glover, Donald Pryor, and Otis Hanstad who are, Senior, Junior and Sophomore respectively.

Athletics

Athletics for the boys, headed by Mr. Soley, have started school year with much fun. Two teams have been organized and are practising a few plays.

The girls under the direction of Miss Poyhonen are taking dancing and learning tap dancing.

We expect to start basketball in about a month when the weather sets in. We have good material this year and a good coach.

If we can get the girls to help us, we'll give Duvall the honor of having a triple championship school record. (Even if we can't win we'll come in second.)
Editorial

Well school has started with a bang and we are one and all back in the little yellow school house absorbing our studies. The only change in the school this year is that we have a new faculty member. Altho he has only been here two weeks we all feel that we are going to swell along with him! All the boys that have turned out for football believe that he is a first class coach and if he is as good in basketball as he is in football we expect to come out with a much higher standing in the league this year than last.

We are making a few regulations this year and we want the student body to live up to them. One of them is: When the paper is being printed no one other than the staff is allowed to hang around the table where the paper is being put out. The other is: When the paper is passed around we would like to have you read it of course, but when you're through with it take it home for the family to read instead of dropping it on the floor and the grounds. You should remember that your family would like to read the paper and find out what is going on at school as well as you do.

Seventh and Eighth

The Seventh and Eighth grades have elected the following for their class officers:
President--Vernon Larson
Vice Pres.----Wilfred Segering
Secretary----Lillian Carlson
Seargents----Ivan Gustafson
Floyd Engstrom
Football Captain
Lawrence Meyers

Freshmen

President---Care Rosen
Vice President-Ted Spoester
Sec. and Treas.--Chester Clark
Rep. for S.A.A.-Pearl Platt
Class Adv.------Miss Hinni

Sophomore

President------Harry Jacobs
Vice Pres.------Maude Verschaeve
Sec. and Treas.--Evelyn Larson
Rep. for S.A.A.-Kerst Brandson
Class Adv.------Mr. Soley

Junior

President------Donovan Minshull
Vice Pres.------Helen Weber
Sec. and Treas.--Verle Chipman
Rep. for S.A.A.--Agnes Williams
Class Adv.------Miss Patterson

Senior

President------George Anderson
Vice Pres.------Lester Glover
Sec. and Treas.--Julia Blake
Rep. for S.A.A.-Valma Hix
Class Adv.------Mr. Crawford

Officers of the Student Activity Association

President------Vernon Owen
Secretary------Adelaide Jolicoeur
Treasurer------Dwight Funk

What Some of the Classes are Doing

The French Classes are absorbing vocabularies.
The U.S. History students are studying the Social and Industrial conditions of the Colonies.
Sociology--The Development of Personality.
Physics--Application of Pascal's Law.
English II--Enlarging the vocabulary.
English IV--Public Speaking.
Shorthand Class are learning how to form letters.
Student Meeting

The High School met and discussed ways of making money for the school. It was decided that an all school play be given. A Committee consisting of Donovan Minshull, Phyllis Strang and Vera Ellis was appointed to meet with Miss Patterson and choose a suitable play. The play will be directed by Miss Patterson.

It was also decided that each student would pay dues of ten cents a semester.

The High School girls met with Miss Patterson at 12:45 Wed. to discuss Glee Club. Nothing definite was decided.

Senior Rings

The Seniors have decided to buy their rings from an agent who came here Monday. The controversy over the type and price of the ring was quite lengthy but one was finally decided upon. The rings are of 10 carat gold with the gold letter "D" set in black onyx.

New Subjects

Three new subjects are being taught this year. French I is not being taught but Latin I takes its place. Advanced Algebra is being given for the first semester and Solid Geometry for the last semester.

Athletics

The boys turned out for basketball Monday and had a little scrimmage. Mr. Soley gave the boys quite a few pointers about football and basketball. He thinks they have good material for a basketball team.

The girls' athletics consist of stretching exercises and folk and tap dancing. They expect to start basketball very soon.

Debate

A meeting of the students interested in debate was held with Miss Patterson, who is in charge of the debate, on Wednesday. There was quite a large turnout.

The question for this year's debate is; Resolved: That at least one-half of all state and local revenues should be derived from sources other than tangible property.

There are a few changes in the system of debating this year. Two speakers on each side will take the place of three in the old system. There will be only one judge instead of three. After he has reached his...
General News

The Freshman class appeared in special dress on Friday in accordance to the Sophomore's request.

The Boys will have to wear sand-paper collars with green bows and carry wooden swords. The girls are to bring flour sacks full of anything (just so they're full) and are to wear green ribbons in their hair. The whole class will begin at five minutes to nine and talk until the bell rings for the first class at nine. They are to bow to all Sophomores and are required to carry all Sophomore books. They are also supposed to go up and down the stairs backwards.

Physics Hike

The physics class under the direction of Mr. Soley went down town to inspect the Duvall pumping system. When they reached the pump house it was locked, but Mr. Douglas was kind enough to come down and open it up. He gave us a very interesting explanation of the operation of the pump and told us all about the well.

Athletics

The boys of the Junior class defeated the Senior boys 13-2 in an indoor baseball game Wed.

As long as the weather remains as it has been for the past week we are going to have more outdoor athletics.

What is a Boy?

He is a person who is going to carry on what you have started.

He is to sit right where you are sitting and attend when you are gone to those things you think are so important.

You may adopt all the policies you please, but how they will be carried out depends upon him.

Even if you make leagues and treaties, he will have to manage them.

He is going to sit at your desk in the Senate, and occupy your place on the Supreme Bench.

He will assume control of your cities, states and nation.

He is going to move in and take your prisons, churches, schools, universities and corporations.

All your work is going to be judged and praised or condemned by him.

Your reputation and your future are in his hands.

All your work is for him, and the fate of the nation and of humanity is in his hands.

So it might be well to pay him some attention.

D. P. I.

To thine own self be true
And it must follow, as the night the day,
Thou canst not then be false to any man.

Editorial

Fellow Students----It is a duty of every one of us, whether in high school or grade school, to take the proper care of school properties and we use, particularly books and desks. This applies especially to those who have reached the high school age and who by this time should realize the importance of respect for other people's property.

Do you ever stop to think that perhaps someone else besides yourself would like to use the books that have been written in or on the pages that are decorated with a number of masterpieces of some beloved teacher or friend? Do you ever stop to think of what these desks and chairs are made for? If you enjoy carving, why not do something worth while? For the benefit of you people that enjoy carving and drawing, we have a manual training room. There is plenty of lumber even if this is in the depression and a teacher that can give you the fundamentals on this subject.

Let's watch how we take care of our books and desks from now on; it will save work for us as well as the teachers and the money of our parents.

Seen off and On.

The Freshies wearing off some of their greenness with sandpaper collars.

The Sophs sitting back and enjoying the misery of the Freshies.

The Juniors trying to get in their nickel's worth of initiation.

The Seniors indignant with such triflings.

Grade School News

1st and 2nd.
Helena Farrell is back in school. We are glad that she is well again.

Betty Larson is a new pupil in school. She is in the first grade.

Peggy Miller

7th and 8th.

Robert Roney has been ill for several days and hasn't been able to attend school. We all miss his good humor. The sixth grade has written some letters to him.

Roy Allsup
Bill Lupo

7th and 8th.

The Eighth Graders gave a demonstration in Current Events to the Seventh Grade.
Gerald Funk has found a new way to come to school. He comes now on his stilts.

POEM

If you think you are beaten, you are;
If you think you dare not, you don't;
If you like to win, but think you can't,
It is almost certain you won't.

If you think you'll lose, You've lost,
For out in the world we find
Success begins with a fellow's will,
It's all in the state of mind.

Life's battles don't always go
To the stronger or faster man;
But soon or late, the man who wins,
Is the man who thinks he can.

The Gregg Writer
General News

The Freshman initiation of last fall went over with a bang with every one having a swell time. It started with the Freshmen being blindfolded and made to push a golf ball across the gym with their noses, plus the aid of a paddle wielded by Sophomores. Another important trick was making the Freshmen eat oysters flavored with lots of pepper. There were several other tricks played on them which are too numerous to mention.

After it was all over refreshments were served in the Home Ec. room. The lunch consisted of jello and cookies. Everyone returned home feeling that he had had an enjoyable evening.

Duvall takes Tolt 12-0

With a 6-0 lead due to a touchdown by Leyde the Duvall lower classmen carried themselves to a victory over Tolt Thursday. Due to their excellent coaching this year, Duvall worked out their plays very nicely. The second touchdown was made in the third quarter by Jones, making the score 12-6.

Although Tolt put up a good battle, Leyde, Jones, Minshall and Jacobson with the support of a capable line were too much for the Tolt gridsters.

Glee Club

The girls glee Club meets on Monday at 2:30. They are practicing reading and the part

Vote No on Initiative No. 64

40 mill limit bill

Passage of the 40-mill limit bill would mean an average cut in school support from all sources of about 30%. Such a cut following those already made would close hundreds of schools—all schools at or near the 20-mill maximum dependent on equalization, and all of the fifty union high schools. It would mean temporary ruin to Washington's prized state school system and demoralization for years to come. This is an attempt of the State to shift its responsibility to the local community.---W. E. A.

The School and Depression

During this year, it is the earnest wish of every teacher in our school to make to the community the highest return possible for the money being spent here. It is also the duty of every pupil each day to make the very best use of his days opportunity. This is true at any time but especially so now.

The school and its facilities belong to the community and should be used as fully as possible according to the wish of the people. With the aim of determining the Community opinion in regard to the need for an Adult evening school, we are preparing a questionnaire to be sent next week to each home in the district.

Are you interested in discussion of current topics; in Music, Commercial subjects, United States History and Civics? Let us know.
Contest

Here is something for the pupils of the first, second, third and fourth grades to work for. A contest will be held to obtain the best story from each room. Prizes will be awarded the winners and the winning stories will be printed in the Hi Times.

The stories should contain approximately fifty words. The contest ends Oct. 28, so get busy.

Diphtheria Innoculation

Two weeks ago last Tuesday on the 27th of September Mr. Crawford announced that Dr. Dixon, the King County health officer would be able to give inoculation against diphtheria with the signed permission of our parents.

Seven took the inoculation from this vicinity and six from Novelty. Two pre-school children also received the preventive.

The inoculation will be given again soon.

Miss Patterson: "What is the national air of Italy?"
Miss Hix: "Garlic."

Miss Minnick (looking around the class), "Well I don't see anyone here that is absent."

Mr. Soley: "Young man do you know anything about this course?"
Ed Bow: "A little sir, What would you like to know."

The Seventh and Eighth grade have elected new class officers.
They are:

President------Cleo Michalson
Vice Pres.-------Lawrence Meyers
Sec. and Treas.---Vernon Larson
Searg. at arms--Joyce Ellsworth
Billy Roetsisender

The sixth grade is studying Greek History. Today our class was divided into teams, the Athenian education and the Spartan Education.

By Kathryn Spoelstra
Evelyn Owen

We are taking a state test today in Spelling and hope we will do well.

The New seat work pads for the 3rd Grade came and we are enjoying them very much.

Noah Brown has been ill this week and is not in school. We miss him.

We are having History tests this week about Columbus; yes and no, completion and Multiple Choice.

The second grade finished their Columbus poster. We will have our Halloween Party Friday, Oct. 28.

The first grade are making pictures for a scrap book.

Helena Farrell

Father: "What do you expect to be when you finish school?"
Son: "An old man father."

There is a bright side to everything, even last years clothes.
Student Association Affairs

All members were present at the Board of Control meeting October 12, at 12:50, in the office. We discussed having 10% of the money received by organizations or classes selling candy, etc. be given to the S.A.A. to strengthen our loyalty to it and lend it financial aid. We also discussed other ways of raising money and then we adjourned.

On Friday, September 28, the regular meeting of the Student Association was held. As no special program had been planned, the group first participated in the singing of favorite songs. After discussing the amount of dues to be assessed, the students voted that dues be 15¢ a semester or if paid within two weeks of the meeting 25¢ for the year.

A motion was made that the classes or organizations wishing to sell candy or popcorn at any entertainment apply for a concession to the Board of Control to obtain the privilege. Under this plan 10% of the net profit would go into the student association treasury. After some heated discussion the motion was passed.

Radio Program

On Tuesday morning, October 9, the entire school went over to the gym for the first all school assembly of the year to listen to the radio program sponsored by the Washington Parents and Teachers Association. The president, Mrs. Hays, was the first to speak. N. D. Sho-walter, State Superintendent of Schools, then gave a short speech of welcome. Governor Martin then gave us a very interesting talk on the condition of the schools, saying that the schools of Washington are rated the highest in the whole United States. He stressed particularly the benefit of athletics in the school, and made the statement that pupils whether in large or small schools have practically equal advantages. He also explained that, as Washington is a comparatively young state, nearly all of our office holders up to this time have been men born in other states. The generation now in school, native born, will be the office-holders and statesmen of tomorrow. He himself is the first man born in this state to become governor. In closing he invited all students to come down to Olympia to inspect the Legislature in session and the different state departments.

Miss Nettle, a primary teacher, then gave a story about cats, of special interest to the lower grades. A selection by the Renton band, and Leonard Anders gave an instructive talk about the activities of the Schoolboy Patrol. Broadway High School's a capella choir then sang two numbers.

This was a state wide broadcast, which lasted from nine to ten in the morning. There is to be another one in the near future.
Literary Contest

Due to the inability of the first and second grades to write 50 word stories we omitted the first graders and cut the second grade stories down to 30 words. This did not alter the third and fourth grade stories.

The contest judges were Verle Chipman and Agnes Williams.

Contest Winners

First Place
Arthur Allsop, Grade 2
Jack Hill, Grade 3
Mary Jane Miller, Grade 4

Second Place
Kathleen Malloy, Grade 2
Noah Brown, Grade 3
Ruth Marshall tied with Elsie Kain in the 4th Grade

Joe

One day my dog was lying in the back yard. My four kittens ran over his head. Joe woke up. He barked and growled. When the kittens ran away my baby chicks came running to tease him.

Arthur Allsop
Grade 2

Laddie

Our dog is a very smart animal. He gets the chickens in the coop. He likes to dig for beavers. He gets the cows in the barn and takes them to the pasture. We don't have to do this work because he can do it.

Jack Hill
Grade 3

Attention!

Library Book Drive.

Fellow students of Duvall High School, we are starting a drive, the purpose of which is to gather all the library books together. In order to do this we need your cooperation. Look around at home and see whether you have any of the books belonging to the school library. You can tell very easily if they do or not; just look for the little blue sign on the front page of the book. It says, "Cherry Valley School, Dist. 14."

So come students, bring back all those books you have around home, so that they may be of use to everyone.

The Honor Roll for the first six weeks is as follows:

Honor Roll

Verle Chipman
Helen Weber
Donavan Minshall
Dwight Funk
Velma Hix
Adelaide Jolicoeur

Honorable Mention

Vera Ellis
Elnora Funk
Pearl Platt
Ted Spoelstra
Maude Anderson
Vernon Owens

For some unknown reason, Tolt asked for the postponement of yesterday's game till next Tue.
My Kitten Snookums

My cat purrs very often. I like to hold her and she likes to be held. Her name is snookums. She likes to roll over on her back and bite my hand. Sometimes she tries to follow me to school. I like my little pet.

Mary Jane Miller
Grade 4

Community Mixer a Success

Assembled in the school gymnasium Wednesday night, a large gathering of friends, patron, and teachers of School Districts 14 and 15 enjoyed the well planned Community Mixer arranged by the Women's Civic Club.

An entertaining program which consisted of orchestral selections by Dick Roselle, Kenneth Hix, Barney Bagwell, William McCormick, and A. Simmons, readings by Elsie Leyde and Mrs. Newton, a trumpet solo by Dick Roselle, a piano solo by Virginia Gainer, and vocal solos by Mrs. Dainard and Kurt Patusch were presented first. Following the program the time was spent in group contests, setting up exercises, and folk games directed by Hi Wallace, Miss Poyhonenan, and Mr. Soley.

Later the orchestra played again while an appetizing lunch was served in the home economics room which was charmingly decorated with autumn flowers and candies.

The ladies of the Civic Club have contributed another genuine community service in giving this event, for all who attended felt the spirit of friendliness and became better acquainted.

Grade School News

3rd and 4th

We are going to have a Hallowe'en picnic. We will have a peanut hunt and bob for apples. We have our room decorated for Hallowe'en. We have new curtains at our window.

We have Hallowe'en poster made by both grades. We are studying Indians and are making a collection of articles.

We have some new library books and are delighted to have them. We thank the School Board very much.

A Mean Trick

One time Dick, Joe and I were at Cherry Creek. Joe started wading in the water with his clothes on. I had my boots full of water so I started wading too. Dick saw us wading deeper and deeper; we were just about up to our waist, all of us were soaked when we started home.

On the way home we saw a fire in one of the fields. We went down and Dick and I got quite dry, but Joe was still a little wet. When we got home Joe told his mother I pushed him in. I never went out to Cherry Creek with him again. (Note: real names have been withheld.)

Columbus

Columbus was a good old scout
But had a hard time setting out
That old man—he was a dear
And not a thing he did fear

When he was sailing away from Spain
He was hoping not in vain
That he could see his home again
When he was sailing away from Spain

It was a dark and dreary night
And not a star was there in sight
When all his men thought they were right
Said: "Turn around or we will fight."

DUVALL GRIDSTERS CHALK UP ANOTHER VICTORY

With a strong offensive and defensive play of the line along with the skill and accuracy of Rosen's passing and cool steady head of Minshull, the Duvall eleven took Tolt 12-0 at Tolt Tuesday. While the backfield usually gets all the credit, Duvall has a line to be proud of. Lenard Larson and Don Pryor, Duvall ends, were in there every minute of the play along with Don McCallum, our exceptionally good center. Don is one of those boys that has the ball in the right place at the right time and never misses. The first touchdown was scored in the 2nd play of the game on a pass, Rosen to Jones. In the second quarter the score was raised to 12-0 by a lateral pass from Rosen to Minshull who packed it over the line for another six points. The game was a good one and it was good to see Duvall beat Tolt again.

Election Day News

The Ladies Aid will serve hot cooked food to the public on Tuesday November 8, from 11:00 A. M. to 9:00 P. M. in the Sunday School Hall. There will be special service to children during the noon hour. Teachers are especially invited.

ADULT NIGHT SCHOOL

Questionnaires were sent out for the purpose of getting the wish of the people of the Community in regard to an adult night school. Only a few of these have been returned, and if more interest is not shown by the community as a whole; the idea will be dropped.
What is it?

Has anyone seen it? We know it must be here. Otherwise how could these things be happening? By it we mean the strange animal that is suspected of visiting the Duvall Grade and High School. No one has seen it, but we are certain it is here. The proof is very evident. Have you ever been writing some theme and be almost through when all at once your pen sinks down into one of those holes in your desk where that “something” has been carving with his knife.

Yes, but you’ve never seen any students put it there. Of course not! So it must be this strange monster. Who else could it be?

There is but one thing to do: That is Everyone be on the lookout for the beast and shoot him at sight.

-------------

Basketball Season Starting

Mr. Soley announced that the basketball season turnout would start Thursday, November 3. Mr. Soley has a complete new system having studied personally under Mr. Leanwell, sometimes called the “father of basketball.”

Most of the boys are expected to turnout on the above date and we promise to have a much better season this year than last.

Grade School News
3rd and 4th

The following children were neither absent or tardy during the past eight weeks of school: Irene Vonhulle, Luella Taylor, Margaret Stromberg, Ruth Marshall, Elsie Kain, Josephine Hart, Joyce Barker, Anthony Vonhulle, Johnny Spoelstra, Ren Roetsciscender, and Victor Brown.

We are learning a new Pilgrim Play. We are starting on our Thanksgiving Play. We are eating our lunch in the school room now. We are reading a very interesting new Library book, “The Young Alaskans.” We enjoyed our Halloween Party very much.

5th and 6th

The sixth grade have studied Greek History and now are preparing to tell some Greek Myths.

The fifth grade are studying Hiawatha and are preparing Indian Legends for Thanksgiving.

By Kathryn Spoelstra and Evelyn Owen.

****

Remember the future.
Debate

Remember this date, Nov. 22, for it is the day Duvall's debate team will beat Tolt's debate team at Tolt.

If you go to this debate you will find it most interesting because, as you know, last year the debate consisted of main speeches and rebuttals. This year a different method is being used in which both the affirmative and negative speakers are cross examined by their opponents. In the new method there is only one judge in place of the three in the old method.

---------

Contest

The contest which was held a couple of weeks ago in the lower grades is to be extended to the fifth and sixth grades. The topic will be Thanksgiving. You may write any story on this subject. The stories are to be approximately 60 words long. They are to be in by Friday, November 18.

All School Play

"Kid Colby" a comedy in three acts will be given in the Duvall Gym on December 9. With the all star cast that has been selected it is bound to be a success, so save the date.

Meeting

A meeting of the Student body was held Tues. Lester Glover was elected basket-ball manager and Ralph Leyde and George Anderson were elected yell leaders.

---------

The Student Critic

The student says the paper that he reads ain't put up right. He finds a lot of fault, no does purusing it at nite. He says there ain't a single thing in it worth while to read. And that it doesn't print the kind of stuff that people need. He tosses it aside and says it's strictly on the bum—

But you ought to hear him holler when the paper doesn't come.

He reads about the assemblies and he snorts like all get-out, he reads the social doin's with a most derisive shout;

He'll read about the parties and fume and fret and groan,

He'll read the sport page stories—always ending with a moan,

He says of information it doesn't have a crumb—

But you ought to hear him holler when the paper doesn't come.

He's always first to grab it, and he reads it plumb clear thru.

He doesn't miss an item or want-ad that is true.

He says: "They don't know what we want, them darn newspaper guys; I'm going to take a day sometime and go and put them wise, sometimes it seems as though they must be deaf and blind and dumb"

But you ought to hear him holler when the paper doesn't come.

---------

NOTICE:

The American Red Cross has a limited supply of flannel, prints, gingham, cotton, and birdseye for distribution to needy families. Anyone in need of some should see Mrs. J. I. Miller, Duvall, Mrs. Eleanor Boggess, Cherry Gardens, or Mrs. Baisden, Berry Gardens, at once.
Editorial

Well! Well! Well! Dear little students we are back on the air again.

And this time it's the library that's going to be the subject. I want to tell you we're building up a library that'll make a horse bark. But without your cooperation, dear students, the library will flop. If the library goes on the rocks what will the study halls bright and shiny face do without books to read? We also have some new books, that's something else to make your heart beat faster. So in ending I will say that if you treat the library right it will treat you all right. So the Old Maestro bids you all Au Revoir.

This Thrift Question

If a person puts a certain amount of money in the bank each week he is considered thrifty, but if the same person spends his time in class loafing and just barely passes isn't he a spendthrift? Isn't he wasting valuable time, both of the teacher and himself. For when he wishes to enter the university and finds he has too many low grades the thing he does is to return to high school to raise the grades. In this way he is taking up more time. Not only is this person wasting time but he is an added expense to the school. He is a liability.

Wouldn't it be wiser to put a little more time and study into a subject when one enrolls rather than spend time and money taking it over?

Franklin Tolo
YELL DUDES PLEAD FOR YELLS

The two yell dukes of Duvall High School plead to the students for any yells they have in mind original or otherwise as long as they pertain to High School spirit. The best will be chosen by the Dukes, and the name of the persons sending them in will be put in the next edition of High Times.

The Yell Dukes say: "We'll yell 'em off the map. We'll make the other yell teams think they've lost their voices when we really get started. All we need is your cooperation, students, so come on with your yells. Let's get into the spirit of the thing and start things off with a bang next Tuesday at the first game. Will ya? Wontcha? Can't we coax ya? Aw ya said ya would."

Let's go, RAH, RAH, RAH, DUVALL!

-------------

PEP RALLY

Everybody come to our pep rally at 3:15 today in the Gym. We want all of you, not a half dozen of you, we want to raise the roof or sompin' when we start. Are ya listenin'? Huh?

-------------

BASKETBALL GAME

Tues, Nov. 22nd there will be a triple header basketball game between Tolt and Duvall. The first and second teams of boys and also the girls team will play.

This is the first game this season and Duvall expects to take Tolt on the cleaners. Remember the date, TUESDAY OCT. 30 in the Gym.
Duvall Wins Debate

The debate with Richmond Beach on Nov. 30, was won by Duvall. Ruth Carlson and Albert Verschaeve had the negative side of the question which was: Resolved: That at least one-half of all state and local revenues should be derived from sources other than tangible property. The Richmond Beach team consisted of Shirley Waite and Dolly Olson.

Duvall’s debate with Tolt on Nov. 15 ended in defeat. Duvall had the affirmative and Tolt the negative. The decision was close but Tolt somehow managed to win.

A DEBATE IN DUVALL

Monday night, Dec. 5; at 8:00 P. M. Duvall meets Bellevue in a debate. We are arguing the affirmative side of the question, with Bellevue on the negative. The judge or critic will be sent out from the University of Washington.

REPORT CARDS

The report cards were given out this last Tuesday. This is the second six weeks report that has been given. One more period will end this first semester.

The honor roll for this six weeks is as follows:

Honor Roll
Donavon Minshull
Verlo Chipman
Phyllis Strang
Florence Funk

Honorable Mention
Alta Funk
Lilly Taylor
Vera Ellis
Pearl Platt
Richard Rozelle
Adelaide Jolicoeur

The following handed in yells: to the Yell King, Ralph Leyde:

Pearl Platt
Miss Poydenon

The yells so far handed in are very satisfactory but we would like to have a lot more handed in so come on students and do your stuff.
High Water

After coming to school with beaming faces, and a grin from ear to ear, we notice, as soon as the bell rings, that many of the seats are vacant. A lot of things rush through our mind. We think of scarlet fever, measles, whooping cough, chicken pox, and what not, then we think that maybe they have drowned on the way to school. When we think of drowning our mind naturally runs to water, and from there, you guessed it—it's nothing else but the high water. We sorrowfully think of those poor students in the valley who are nursing wet feet, and, well we miss them very much.

Absent.

Due to illness, Velma Hix has been absent for the passed six weeks. We all miss Velma very much and hope to see her back in school very soon.

Vacation

Next week there will be only three days of school. As the High School students take their second six-weeks exams then, the two days vacation will give them a chance to recuperate.

As there will be no paper printed next week, the winning stories from the Literary Contest will be printed the following week.
Basketball

Football has faded from the picture and basketball is taking its place. Will the Duvall quintet have the undivided support of the student body that this years football team had? Duvall has a good spirit this year so let's keep it.

With a good crop of boys this Joach Soloy has a fine chance to build a good team but without the support of the students it can't be done. We have a good yell lead or this year to lead you in your walks and to keep you peped up. So eat grape-nuts or do something to keep that good old school spirit.

Duvall's 1st. and 2nd teams vs. Clarks

We all like to see a good basketball game. We also like it much better if it's free, don't we? We like to see a game between boys we all know, don't we? It's needless to say that there is paradise for a basketball fan. It just happens that this is just the kind of a game that will be played here tonight when Duvall's first and second teams clash. So let's have gym packed tonight at 7:45. Remember it is a FREE GAME.

The following won the contest this week:

Fifth Grade
Roy Gustafson's "Catching a Turkey" won first place.
Bessie Trim's "Turkey" won second place.

Sixth Grade
Mildred Doughty's "A Narrow Escape for the Turkey" first place.
George Richers' "Thanksgiving At a Turkey Farm" won second place.

A Narrow Escape For the Turkey
"Whoa! that was a close shave" said Mr. Bantylegs as he climbed into the old cow stall, "I wish those people would let me alone."

(Cont. from the last column)

"What is it?" He cried in terror, "It is that man again I hope he doesn't come here."

With this he floundered out of the stall to the meal barrel. With a bang the lid fell on. Here Mr. Bantylegs stayed until two weeks after Thanksgiving Day.

Catching a Turkey

We were going to have a turkey on Thanksgiving Day. When we went out to catch it it was gone. We saw it in the grass. We went over to catch it. I jumped at it and it picked at me and bit me. Then it began running down the road. We ran after it but we couldn't catch it, it got out of our sight. We lost that turkey so we bought a duck instead. I bet that turkey gave thanks on Thanksgiving Day.- Roy Gustafson

Grade School News

1st and 2nd

We are decorating our room for Christmas. The second grade made some reindeer for the sandtable.

The first grade had a word test. Betty, Jimmy, Gerald, and Rozelle had a perfect score in the test.

3rd and 4th

We have just finished our new Eison Gray Readers. We enjoyed them very much.

We have our Xmas. Pictures up on the Bulletin Board.

We are going to begin to study on the Christmas Play and we are also learning Christmas songs.

5th and 6th

The sixth grade are studying about the Barbarians. We have studied about so many kinds we can't spell right. If you see us prancing around like savages you can blame it onto the history.

COMING!!

"KID COLBY"

**ALL SCHOOL COMEDY**-THREE ACTS

DECEMBER 9, 1932

Adults 25¢  Children 10¢
"KID COLBY"--ALL SCHOOL PLAY

What is it people first wait for on the radio, what is it people like to see better than anything else, and what is going to happen at the Duvall Gym at 8:00 O'Clock tonite? Have you guessed the answer? Well tell you--It's a PLAY. It is not an ordinary play, it is an exceptionally good one and it has an all star cast featuring Maude Anderson and Gilbert Nielsen. Shakespeare is known as the greatest playwright in his history, but when you see the play tonite you will leave the building saying, "How did they do it?" My, what talent!" etc, This is one time Shakespeare will take a back seat.

EVERYBODY COME !!!

---

IMPROVEMENT! EXCITEMENT! VICTORY!

If you want to see the basketball team in all its trim
Spend Saturday evening in the Duvall High Gym

The 1932-33 edition of D. H. S. Basketball machine, under the leadership of Coach Soley, is rapidly rounding into form. Though practice of late has been cut down by the All School Play, the boys have improved by leaps and bounds since the Poit game.

At center, Vic "Towhead" Michelson has come along at a tremendous rate and at present time is rated as one of the best in the league. The forwards, Dwight Funk and Phil Bow are beginning to sink them from all angles. "Chief" Jacobsen and Vernon "Bonos" Owen, the guards, are rocks on the defense and Lightening on the offense. In the subs we have men like Jenos, Larson, Ed Bow, John Bow, De Groot, Jakie, Little Minshull, and a lot of others to take their places.

LET'S GO GET 'UM!!

***************

DEBATE

Next Thursday afternoon, December 15, at 2:15, the Duvall debate will meet Bothell in the last debate of the season. Duvall will have the negative side of the proposition. Resolved: That at least one-half of all state and local revenues should be derived from sources other than tangible property. The critic judge will be a teacher from the speech department of the University of Washington.

The new system of cross-questioning introduced this year is causing much favorable comment from those who have heard it. It is shorter as it lasts an hour; there is a direct clash between the two sides; and i-
The Grand American Pastime

Teachers are standing on tough ground. The H. S. students are standing on desks etc., trying to see who can make a Yo-yo operate on the greatest amount of string. What causes this degeneration of American Youth? How such a simple toy such as the Yo-yo can thrill High School students to the heart is beyond the understanding of sane people. Now listen students, why not grow up? Give up this little toy in school. If you want to return to infancy, do it at home. But while in High School students should know about it.

**********

Belleview Debate

Last Monday evening in a debate with Bellevue, Duval lost the affirmative side. This makes two lost and one in the win column. So we will be working to even things up in the Bothell debate.

**********

(Cont. from page 1) demands that the students do more thinking on their feet.

You have one more chance to hear a debate next Thursday and to learn something about a subject which concerns us all--taxation. School children will also have an opportunity to attend if they wish. As admission is only 10¢ let's have a good audience to help the team do its best.

**********

Young naturalist gazing at mother's fur coat: "How that poor beast must have suffered, that you might have that furcoat!"

Mother: "Hush Sidney, don't speak of your father in such terms."

000

Don't forget: All School Play tonight, Basketball game tomorrow, and debate next Thursday.

Grade School News

First and Second

The first grade finished the Elson Primers this week. These books have been replaced by new readers.

The Second grade are coloring pictures for a Mother Goose Poster.

---Kathleen Malloy

Fifth and Sixth Grades

The Sixth grade wrote original legends. "Why Some Clovers Have Four Leaves" by Jennie Brown was one of the best.

"Why Some Clovers Have Four Leaves"

When the world was very young all the clovers had only three and two leaves. One day when a girl was out in the meadow she found a three leafed clover. She said to herself, "Why can't some clovers have four leaves?"

She got a clover with three leaves and another one with two leaves and pulled one leaf off. She glued this to the three leafed clover. From that day on some clovers have had four leaves.

---Jennie Brown

Seventh and Eighth Grades

The seventh graders are making a booklet on Shakespeare. They have read Mary and Charles Lamb's version of Shakespeare's 'Tempest'.

The Eighth grade pupils have read "A Midsummer's Night's Dream."

---Margaret Toyer

Geometry---Convex polygons
Algebra II---Quadratic Equations
French II---Reading book and studying Grammar.

English IV---Reading
U. S. Hist.---Civil War
Physics---Expansion of Metals
DUVALL VS REDMOND TONITE, 7:30

In the first league game of the season, Duvall tangles with the Redmond basketball team in the Duvall Gym. Redmond is an unknown quantity at they are expected to put up a good scrap. Duvall has lost its first two starts, but the third time sharp. Come on folks let's give them a big send off in their first league game of the season.

DEBATE

The debate with Bothell, which was to have been held on Thursday afternoon, has been postponed until Monday afternoon, December 19, at 2:15 P.M. Won't you give us your support by coming to hear the team? The admission will be only 10¢.

SCHOOL PLAY

A sizable crowd was in attendance at the all school play given last Friday nite in the gym. The play was very well acted throughout and in this respect we wish to congratulate Miss Patterson. The school also hopes that all those who attended the play enjoyed it and will come to our plays in the future.

JUNIOR CANDY SALE

Tonite at the Redmond-Duvall game, the Junior Class will sell candy. The candy is being made by the members of the class and the proceeds will go to the Class treasury. So if you want to taste some good home-made candy come prepared and in so doing help the Junior Class.

PLANS FOR CHRISTMAS

The holiday season is just around the corner. Make it a real Christmas for yourself by doing your bit to help someone else.

The women's Civic Club has a very limited amount of funds, but with your help the club is planning to send Christmas basket to every home in the Community where there is special need. The Community Sunday School is cooperating in this move and asking its children to bring donations next Sunday.

If you have out grown shoes or clothing, toys or dolls, send them to the club rooms or to the school. Food that can keep a few days, jams and jellies are welcome. On Thursday, Dec. 22, the club rooms will be open all day. Pound parcels of staple goods should be wrapped and the contents labelled so as to speed sorting and packing.

Tea will be served and a short program given between 3 and 4 o'clock. All women are welcome.

HIGH SCHOOL CHRISTMAS PROGRAM

The high school will hold its Christmas program in the gym. The program will consist of singing of Christmas Carols by the boys and girls, some readings on the spirit and real meaning of Christmas. Several solos by trumpet, violin, and piano will also be given. The frolic of handing out and receiving presents will follow the entertainment program.

All parents will be welcome if they wish to come. The program will be from one to two.
PEP RALLY
There is going to be a pep rally this afternoon at 3:15, there is also going to be a game with Bedford tonight at 7:30. This is the first league game and we have a team that has been practicing every minute they get. We also have a group of students that have no school spirit at all. Last Wednesday we had a pep rally. Seven students turned out to the rally, five were freshmen and two were Sophs. There wasn’t an upper-classman within a mile of there. That’s the kind of school spirit Duvall high has. So tonight let’s have a radical change and have everybody turn out.
The stage will be reserved for High School Students Only.

FRESHMAN NEWS
We are glad to say that Clarence Sommers, who has been ill for the past few weeks, came back Monday. With his return, came the sunshine.

DUVALL HIGH
Midst gobs of sobs, and tiers of tears;
I write this poem of the Duvallers.

Some take French, study day and nite;
A Frenchman would say, "They murder it right."

A few take math, and study the rules;
I will have to admit, I am one of those fools.

A number take courses of science and gym;
While others add to it, a ho, she or him.

You may laugh or groan and snicker or sigh,
But there’s one good school, and
That’s Duvall High.

Grades School News
Third and Fourth

Monday, Tuesday, and Wednesday everyone in the 3rd and 4th grades had a perfect spelling lesson.
Jack Hill brought us a nice little Christmas tree for our Reading Table. We are making Christmas posters and cards. We are working very hard on our Christmas program.

Fifth and Sixth
How I Learned Not to be Greedy
One day I said to my brother, "Let’s go hunting." He made me promise that I would not shoot the bear if he saw it first. I agreed. He saw the first bear all right, but I forgot my promise and shot it. Then he said, "I will never go hunting with you again."
(Original Fable)
By Alex Stokes
Fifth Grade

Why Some Clovers Have Four Leaves
Many years ago a clover was dying. He gave his best friend a leaf to remember him by. That is why some clovers have four leaves.
(Original Legend)
By Wayno Miller
Sixth Grade

Seventh and Eighth
The Eighth graders are reading poems written by Edgar Allan Poe. We have rec'd two of his poems, "The Raven," and "Annabelle Lee" We find them very sad.
The Seventh graders are reading some descriptive poems of winter, which are very fitting to the occasion.

Mothers' Luncheon
The domestic science class gave a luncheon Friday noon for the mothers. Other guests were substituted for the mothers who could not come. The color scheme was red and green.
TOULT—DUVALI BASKETBALL GAME

The Tolt High School first team defeated Duvall's first string in a game Wednesday night. The game was much closer than indicated by the score of 25-8. In the third quarter Duvall broke loose with some very fine aggressive basketball and had Tolt worried throughout the game. The second teams played in the final minutes of the game and played scoreless ball. Morrow of Tolt was high point man with eight. For Duvall, Jackobsen was high with four points. Larson of Tolt went out of the game via the personal foul route.

In the game we noticed one big improvement in the local quintet this was the closer checking. Very seldom did a Tolt man get completely in the open. The home squad is working hard on their shooting as this seems to be their main drawback at the present time.

*******

THANKS!

We wish, through the columns of this paper to give thanks to everyone who contributed to our Christmas donations. (Both supplies and cash)

We also want to thank the members of the Methodist Sunday School for their "White Christmas" donations for our supply baskets.—Women's Civic Club

*******

WE WONDER

Why is everybody going around with that intense, worried look? Is the world coming to an end? Ah! we have it, next week is the final week of the semester and those who have loafed the greater part of the term are beginning to worry about the incompletes and E's. In order to get a semester credit for a subject, passing work must be done and if the credit is not earned the subject has to be taken over at some later date which is not so good from the viewpoint of the victim and also the teacher. But another semester will be here a week from Monday and then we'll work into the open again.

*******

GIRES' GAME

Alas! Alas! The girls also went down to defeat with the Tolt girls by a score of 13-7. This score was not quite as bad as in the boys' game. Evelyn Larson played a good game at forward for the home girls. Phylis Strang, after playing a good game at guard was evicted on personal fouls. Cleo Michalson, an eighth grader made a good showing as side center. All in all the girls made a good showing and deserved a better fate.
LOST! FOUND!

Found a pair of ladies kid gloves and a handkerchief; also a pair of knitted ladies gloves.

Inquire Janitor

***************

DUVALL TO MEET RICHMOND BEACH

The second league game of the season will be played tonight when Duvall meets Richmond Beach at Duvall. Duvall lost every game played for some time now, but they have a good chance to do something in tonight's game because statistics show that the teams are evenly matched. Doesn't it make the game much better if all the teams are full? Well it sure does, so let's have the gym packed tonight. The admission is only 25¢ and 10¢ for students. You will get your money's worth tonight.

***************

SO FAR we have been lucky. George Taylor is the only one who is absent from the flu. We sincerely hope that we will not have to close our school so many of the others did.

***************

OPPORTUNITY

With doubt and dismay your are smitten, you think there's no chance for you, I say the vest books haven't been written.

The best race hasn't been run, the best score hasn't been made yet, the best song hasn't been sung, the best tune hasn't been played yet; cheer up, for the world is young!

For the best verse hasn't been rhymed yet, the best house hasn't been planned, the highest peak hasn't been climbed yet, the mightiest rivers aren't spanned. Don't worry and fret, heart-ached. The chances have just begun.

For the best jobs haven't been started, the best work hasn't been done.

***************

GRADE SCHOOL NEWS

3rd & 4th

We all enjoyed our vacation very much and are all working hard now.

We have taken down our Christmas pictures and have some of the New Year up now. We are also learning New Year Songs.

We are struggling with the multiplication tables.

David Hillier is absent this week as he is having his tonsils cut. We also miss Daisy Franko who is sick this week.

***************

5th & 6th

The fifth and sixth grades are preparing science talks for next week. The fifth grade is making a Daniel Boone poster.

By Wayne Miller

***************

7th & 8th

The eighth graders are getting ready for their Geography and Spelling exams which will come in about two weeks. Most of them took their books home during the Christmas vacation.

***************

JOKES

Abs: "Do you think the airplane will ever replace the auto?"

Ad: "No, who wants to park in a damp cloud?"

***************

FOOTSTEPS ON THE SANDS OF TIME

Frosh: "I want to go out tonight, mamma."

Soph: "May I go out tonight? I'll be back by ten."

Junior: "I'm going out tonight. Dad."

Senior: "Goodnight, folks. I'll bring in the milk."

***************

"Dwight go fetch the old horse."

"Why the old one father?"

"Wear out the old ones first, that's my motto."

"Well then father, you retch the horse."

EXTRA! EXTRA! EXTRA! EXTRA! EXTRA!

A GREAT BIG CANDY SALE TONIGHT AT THE BASKETBALL GAME. ALL THE MONEY TO GO INTO THE JUNIOR CLASS TREASURY.

DOESN'T THE SOUND OF CANDY MAKE YOUR MOUTH WATER? YUM! UN! YUM!

BRING YOUR NICKEL FOR SOME GOOD CANDY
BASKET BALL GAME

Tonight, the Duvall quintet takes its first road trip of the season, playing Kirkland at Kirkland. Kirkland is supposed to have about the best team in the league outside of Bothell. Kirkland is a much larger school than Duvall and will probably win the game but the Duvall team is going to show there full of fight and vim and before the evening is over, expect to show Kirkland that size doesn't count, at least with Duvall. Coach Hoy is proving that he is not superstitious by taking a squad of thirteen over there on Friday the thirteenth and if that is superstition, the editor will insert his false teeth and chew long and lustily on this sheet of paper. The second team also goes along on the trip to show their wares. The team leaves Hix'n Store tonight at between 6:30 and 6:40. How about a gang there to give them a rousing sendoff? Let's all be there.

LUNCHEON A PIG SUCCESS

The Home Ec. class gave a luncheon Wednesday noon in the Home Ec. Room. The luncheon was served cafeteria style and was attended by many pupils and all of the teachers. The class made a profit of over five dollars which is to be used in the purchase of supplies for the Home Ec. room.

REPORT CARDS

Today is the last day of the semester and consequently everybody is taking exams and wondering if they will pass. The report card grades go to the office tonight and the students get their cards about next Tuesday. I'm hoping that everybody wears a happy smile after the cards are received, for a gloomy face indicates a sad looking report card. So next week let's have "Everybody Happy."

BLUE MONDAY

Once again the waters of the mighty Snoqualmie stormed over the banks and flooded the valley with dirty water. The land in the valley will be quite suitable for rice soon if the present conditions continue. Not only does it hurt the soil but it keeps some of our students from coming to school unless they have a boat or some other means of getting out. This is a loss of money to the school and as money is scarce already, it makes it tougher
GRADE SCHOOL NEWS

1st and 2nd

We are writing stories and making
drawings for a class booklet on the
Eskimos. We have an Eskimo sand table.
The first grade have new readers.

3rd and 4th

Daisy Franke and Ruthie Marshall
are out this week on account of illness.

Our new art posters are up. We are
learning a new winter song.

The third grade are learning their
table of 5's. They are nearly thru
with histories also.

We thank Miss Taylor very much for
the kind donation of pencils to our
room.

5th and 6th

Last week we received our report
cards. Those who had the highest
grades were:

Mildred Doughty
Eric Carlson
Jennie Brown
James Bow

Fifth Grade

Bessie Trim
Margaret Vanhulle
Roy Gustason

7th and 8th

Miss Peytonen will give tap dancing
lessons to the girls of the seventh
and eighth grades. During their play
period.
The eight graders will take their
exams next Friday, the 20th.

FRESHMAN FLASHES

The Freshman had a class meeting
Wednesday. The class officers elected
were:

President--------Vera Ellis
Vice Pres--------Pearl Platt
Sec.------------Georgia Unnopules

The election will be continued in the
next meeting.

JUNIOR NEWS

The Junior class is in keenly the
loss of two of their members, Helen
Jober who is ill with the "flu" and
Harold Ellsworth who has undergone
operation for appendicitis.
LIBRARY OPENING

The Women’s Club announces the opening of its library to the public on this Saturday afternoon with hours from 2 to 5 p.m. Books may be borrowed at no cost with the exception of one shelf of newly purchased volumes for a charge of 5 cents will be made when the book is taken out. Magazines and newspapers may be used in the reading room or borrowed for home use.

************

ENTERTAINMENT

The Home Ec. Dept. is having an exhibit and program Friday, Jan. 27 at 2:45 p.m. After the entertainment tea and cookies will be served to the guests.

************

NEW CLASSES

As we start in on this next inning of our school year we have made some substitutes or changes in our subjects. They say that change is as good as a vacation. Well, be that as it may, but at least let’s not lose on these new subjects that we have.

Algebra II is now Solid Geometry Public Speaking is Lit. IV English I to Lit. I U.S. Hist. to U.S. Govt. Civics Sociology to Economics Cooking was changed to Sewing in Home Economics.

************

GAME—TONITE

EVERY BODY COME TO THE GAME TONITE. PRICES ARE REDUCED TO 10¢ FOR STUDENTS AND 25¢ FOR ADULTS.

ROTHILL VS. BULL DUVALL

HONOR ROLL

THE NEW SEMESTER

This week is the first week of a new semester. The first semester, according to the viewpoints of the different teachers was marked by some hard work on the part of some students and a lot of leafing on the part of some of us. This does not make the semester as much of a success as it could and should have been.

Along with the change of semesters, we have various changes in our routine. One of these is a new staff for Hi-Times. If the paper is to be as successful as it was the first semester, we must work together. If we have something to do, let’s jump in and do it and not wait for some one else to do it for us. If we follow this plan we work in co-operation with each other we’ll soon have a high school of which we can be justly proud.

31
THE SPORT PARADE

In the game at Kirkland last Friday night, the Duvall lads were defeated quite decisively. This game was on a much larger and strange floor and the offense couldn't just seem to click.

Tonight is the third home conference game of the season between Bothell and Duvall. Let's everybody come and see Duvall give them a real run for their money. THE NEW PRICES ARE: STUDENT'S 10¢ and ADULTS 15¢. So let us have a big crowd.

In order to raise funds for athletic purposes, the boys have agreed to put on several wrestling and boxing matches for the amusement of the community. There will be reasonable prices. The dates of the sucker will be given at a later date.

CANDY SALE

The Junior Class will again sell candy at the game tonight. It is good health giving, home made candy. And it costs only 5¢ a bag.

The proceeds will go into the Junior Class treasury.

Come on! We need your support and in return we will give you good candy.

GRADE SCHOOL NOTES

1st and 2nd

The first and second grades went out to the Novelty School yesterday to see a puppet show of Red Riding Hood and Little Black Sambo. We played games after the program and then came home on the bus. We had a good time.

3rd and 4th

We have had many pupils absent this week on account of illness.

We are all enjoying the snow, and snow balling.

We are making rugs in art work.

In the 3rd grade Arithmetic, we are learning fractions of numbers.

The fourth grade is learning to multiply by two numbers.

7th and 8th

Those on the honor roll in the seventh and eight grade are as follows:

8th grade
Lillian Carlson
Vernon Larson
Margaret Toyer
Joyce Ellsworth
Floyd Engstrom
Ivan Gustafson

JOKES

Phyllis: Do camels come in herds or droves?
George: I always thought they came in packages.

World History
Miss Kinnick: In which of his battles was Alexander the Great killed?
Cornellius: I think it must have been his last.
HOT BED

Mr. McCormick is going to construct a hot bed for the use of the Botany Class in the very near future. The class is going to use it to grow seedling plants for use in the class room.

The bed is to be three feet by six feet. It will be located on the south side of the gymnasium. The purpose of this, as explained by Mr. McCormick is to give it a southern exposure and the Gym will keep off any North wind that should happen to arise.

*************

DAY DREAMS

Wouldn't it be wonderful if; Ad came to school on time!
Solid Geometry was easy!
The basketball team won a game!
The Fresh would give the Sophs the return party!
Everybody in the valley came to the smoker!
Some of the Fresh and also some others would grow up!
We could go to school the rest of our lives.

*************

LET'S REMEMBER THAT--

Education is a conquest, not a bequest--it cannot be given, it must be achieved. The value of an education lies not in its possession, but in the struggle to secure it.--Elbert Hubbard

*************

Thanks and we hope you liked our candy.--Junior Class

GIRLS' BASKETBALL GAME

Wednesday the girls played Redmond their first game away from home and also their first league game. They were defeated 26-9 but certainly put up a good scrap. The Redmond team played quite a rough game but everyone emerged much better for the experience. Center toss was used in place of center throw, this put our center at a disadvantage, being not as tall and not having quite as much "jump" maybe as theirs. The forwards played well earning our 9 points. The guards also kept up on their tocs throughout the game. All the Duvall girls ask is that you wait until they get the Redmond team on their home floor--then watch the feathers fly!

*************

PEP ASSEMBLIES

Before basketball games and other athletic events between schools, it is customary to have what is known as pep assemblies, the purpose of which is to instill a lot of fight in the team, etc. Duvall has a lot of pep but it isn't expressed in the right way. When we go over to the gym we do a lot of yelling and so on, but we do not do it in unison. Unless we do yell together there is no sense in having pep assemblies. So the next time we have a pep assembly, let's leave the talk to the student who is leading the cheering and yell when he wants us to. If we do this we will have a lot better rooting section at our games. The time for pep assembly is given to us by Mr. Crawford and if we continue to abuse this privilege in the future, we will soon find ourselves without it.
THE SPORT PARADE

Last Friday nite, the Bothell Hi basketball teams pulled into town and left a few hours after they came with both games under their belt, and there was room for them after the furious encounter with Duvall. The game turned out to be more of a joke than a game of basketball but Duvall continued to show improvement and hope to give Redmond a trimming tomorrow and follow up for one on Skykomish next Wednesday night.

oooo

Tonight there will be two busses leaving Hix's store for Redmond. One will be loaded with the team and the other will hold the ardent rooters. With this support going along, Duvall hopes to come home on the long end of the score. This is the second game of the season with Redmond and the second game away from home.

oooo

The much talked about smoker will be held next Friday, Feb. 3. Let's all come and support the boys as they go into battle. Come and see a few of the headlining bouts such as:

"Dynamite Brandsma Wrestling
"Slaughterhouse" Meyers
"Cyclone" Michelson boxing
"Typhoon" Funk
"Pony" Jones boxing "Wildcat" Minshall.

and there are a dozen other equally good bouts, so don't miss it.

**********

Dan "How come you go steady with Vera
That "She's different from other girls
Dan "How's that?"

"She's only one who will go with

GRADE SCHOOL

1st and 2nd

The first and second grades attended the talk by Mrs. Newton held in Mrs. Strang's room. They enjoyed it very much.

3rd and 4th

Joyce Barker, Margie Stromberg, Mary Jane Miller and Ren Retticis-cend are back in school again after recovering from illness.

The 3rd grade have finished their Histories.

The 4th grade are coloring maps in their geography books.

We all greatly enjoyed the talk that Mrs. Newton gave us on Alaska and the Far North. She told us many interesting things about the Eskimos, especially the boys and girls. She brought many fine pictures which she took in Nome. She also had many monuments carved in ivory. Mrs. Newton also sang a song in Eskimo which sounded very funny to us.

5th and 6th

We have two new pupils this week. Maxine Orton joined the fifth grade and Irene Henry returned to the sixth. The fifth graders have the unlucky number thirteen, while the sixth grade have 22 pupils.

--Wayne Miller

7th and 8th

The eight graders took their final spelling and geography exams last week. Results of these exams were very good.

**********

JOKES

Miss Patterson: "What are the products of the West Indies?"
Gilbert: "I don't know."
Miss Patterson: "Come, come! Where do you get sugar?"

Gilbert: "We borrow it from the next-door neighbors.

Dan: "How's that?"

"She's only one who will go with REMEMBER THE SMOKER!"
EXTRA!!!  Not even Madison Square Garden could equal such a Boxing and Wrestling Show that is to be put on in our High School Gym tonight... Don't let such an opportunity slip by and then regret it the next day when someone tries to explain a show that cannot be expressed by words, but only by seeing it with your own eyes.

Such bouts as Elmer Thayer vs Ray Roetcisender, Donovan Minshull vs Ralph Leyde, Vic Michelson vs Dwight Funk, Richard "Battling" Nothy vs Gilbert "Slicker" Neilson and many more bouts. No where will such a show be equalled.

That talked about, read about, and what about referees, the one and only Mr. Brown.

ON WITH THE SHOW

Children 10¢
High School Gym

Adults 25¢
Time: 8 P.M.

The girls were to have played Issaquah Thursday afternoon but they received word that the other team would not be down.

Next Monday they are going up to Fall City to play. Last year they slipped by one basket ahead of us. There will be no slipping by this year—we're out to win!

quilts—Old and New

Duvall is to be honored today by Prudence Penny, economic expert in the Seattle P.I. who comes to judge quilts on display. There are not very beautiful ones being shown. Prizes will be awarded.

DREAMERS MOVE THE WORLD

It is dreamers that move the
world. Practico men are so busy
being practical that they cannot
see beyond their own lifetime.
Dreamers and visionaries have
made civilizations. It is trying
to do the things worth while.
And the dream of today becomes
the common custom of tomorrow.
But if there had been no dream,
there would have been no common
systems of civilization, and we
would still be living in caves
and clubbing each other to death
for a mouthful of food.

Cecil Rhodes.

TALKING PICTURE PROGRAM

WITH BYRD AT THE SOUTH POLE- Feature Story. The Duvall School is fortunate in being able to book the wonderful picture made by Commander Byrd, depicting his trip to the South Pole. This picture does not need any praise, it is known as one of the greatest exploration pictures of the past decade. This picture is produced entirely as a talking picture and will be exhibited with fine equipment.

There will also be two other selections, A Comedy, and an Educational Film. This picture will be presented Tuesday, February 14th at 7:45 P.M. Adults 25¢, H.S. Students 15¢, and Children 10¢

EVERYBODY COME

FIRST ANNUAL CAMPUS DAY

In high schools and colleges throughout the country it is customary, about the beginning of spring, to have a cleanup day or campus day. In colleges they take a couple of days, but in the high schools it is limited to about one day.

The purpose of Campus Day is to create more pride in our school campus. Everybody gets in and does his share of the work and then towards the end of the day there is usually an athletic event of some description.

It seems that Duvall High has never had an event of this kind, so this year will be the inaugural of a new program. The High School is going to procure a tree of some description which will be planted on the grounds with due ceremony, and at each Campus Day, every year there will be a tree or some other object of ornamental value added.

In a short time we will have a student body meeting and discuss the program for the first annual Campus Day and in the meantime, be thinking the matter over.

**************

SENIOR NEWS

The Senior Class in their final semester at Duvall High School is scouting around for a play to be presented this spring. Mr. Soley had agreed to coach the cast.

The selection of the play is made doubly hard due to insufficient number of students in the class. But it is hoped that the play will be selected in the very near future and, that when presented, will be a success.
The smoker put on by the students of the high school which included two bouts of outside talent, was a big success. There was a big crowd and everybody declared that they had got their money's worth. It is believed that in March there will be another smoker in which there will be more talent from outside of school. Watch this column for further announcement.

************

GIRLS' BASKETBALL

Last Monday the girls journeyed to Fall City. They came home on the short end of the score. It seems like the girls just didn't take along any luck because the Dwall forwards were constantly rimming the basket but the ball refused to go in. Let's hope the next time they play, they have a little better luck.

************

When the boys journey over to Richmond Beach for a return game, if they put up the battle they put up against the seconds in practice yesterday, they will be bringing home the bacon tonite. Let's hope so.

************

LOST!!

Victor Brown, a third grader, lost a jack knife with a light blue handle. Victor received the knife for a Xmas. Present and he values it very highly. Any one finding the knife will please return it to him.

************

SCHOOL NOTES

1st & 2nd

The first grade has been enlarged by a new pupil, Louise Herzog. The second grade has new readers. They are also making February book-lets.

3rd & 4th

Most of the children who have been absent on account of illness, are back in school again. We are learning to multiply by three numbers in the 4th grade. We have a valentine box and are making valentines. We also learned a valentine song.

The 3rd grade are learning their table of 6's this week. We are also studying the lives of Washington and Lincoln.

5th & 6th

We elected new officers for our club last Thursday. The following officers were elected:

President--------Evelyn Owen
Vice Pres.--------Eric Carlson
Secretary--------George Richer
Monitors--------Jack Button, 6th
    Basic Trim, 5th
Line Monitors----Annie Carlson
Jim Bow
Reporters--------Virginia Battle
Irene Hony

7th & 8th

The boys basketball team was again defeated by Tolt with the same score as before, 6-8.

************

JOKES

Phyliss: "What has kept you so late?"
George: "I was fixing a new ribbon on my typewriter."
Phyliss: "You ought to be ashamed. You get rid of her or there'll be trouble.

A group of Washington physicians has been observing a man who has been laughing steadily for twenty-five years, the Congress has been out of session frequently during this time."
POSTER CONTEST

During the past week, a poster contest, conducted by the Student Body was held. The posters were for the basketball game tonight. The Sophomores won first prize and as a reward will go to the game tonight see. Good work Sophomores!

MOVING PICTURES

The show Tuesday night was a big success, as far as entertainment concerned—although the sponsors and high school did not reap a large reward, due to the fact that a very small crowd attended.

The first reel told in an educational way how a certain secretion of the harmless poppy is made into a rug that is one of the world's most harmful enemies.

The feature picture was an eye-opening revelation of the hazardous undertakings which Richard E. Byrd and his men experienced while in the arctic region.

These were followed by a comedy that literally kept the youngsters on the edge of their seats in observing the actions of a "cat and dog."

DECLARATION

The annual declamation contest is now open for entries. There are three divisions to the contest, oratorical, dramatic, and humorous. The county is to be divided up into districts. The winners from the individual schools will meet in the strict contest and the winner from that meet will go to the county finals.

All the students who wish to enter will please see Miss Patterson. There will also be a grade school division.

PHYSICS CLASS DEMONSTRATION

Last Wednesday the following students gave demonstrations of scientific value for the benefit of the Women's Civic Club. Ad. Jolicoeur and Julia Blake demonstrated Pasteur's Law of Fermentation; George Anderson and Albert Verscheeve showed the workings of different types of pumps and their relation to Galileo's Law; Ed Bow and George Taylor showed how steam under pressure is of value.

FIELD TRIP

Today the Physics Class is to go on a field trip for the purpose of studying the velocity of sound, echoes, vibrations and of other sound and wave motions.

LOCAL INVENTOR FETED

Dwight Funk, local scientist and ingenious inventor has found a new method of growing lightning corn. Mr. Funk grew his corn so fast that the corn bore dies of old age before he could get to the ear.

He also invented an ingenious method of planting beans in the same hill as the corn, thereby, saving the work of putting up bean poles. The only fault in this method was that the corn grew so fast that it pulled up the beans.

NOTICE

A caucus will be held at the High School Assembly, Monday Feb. 20, at 8:00 P.M. for the purpose of nominating candidates for school directors.
SPORTS PARADE

Basketball

The Duvall boys play their last game tonight with Kirkland at 7:30. We are determined to do at least something in this game and it would be worth while to come out and see it. There will be three games and the first one will be called as close to 7:30 as possible. Be sure and come.

Defeated at Richmond Beach last Friday night the boys lost a hard fought game, 20-8. This was on a strange floor and we couldn't get our fast breaking offense clicking. The score at the half was 6-4 in favor of Richmond Beach.

******

Along with the boys game tonight the girls will play Issaquah. This will be the first scheduled game for the girls on their game floor.

Let's all turn out and give the boys and girls some good support.

Admission is 10¢ and 15¢.

-----------------

The Juniors will be on deck with their good home made candy again, selling at 5¢ per bag.

-----------------

My experience and observation have been that those who promise the most do the least.

--Lincoln
TRUE EXPERIENCES
Written by the English II Class

MAIL ORDER CATALOGUE

My father had just received a mail order catalogue from the Florsheim Shoe Company.

One day he went to bed, that afternoon I went to have a look at this too. It was full of shoe pictures and a few samples of the leather in their higher priced shoes, I don't know want possessed it, but I tore one of the blunks and filled it out in my father's name. When I had finished the order was for a $10.00 pair of shoes and to be sent C.O.D. and rush. A week later the shoes came, and I went out to the woodshed.

(The name of the author is withheld by request.)

LADIES' AID

Verle and I wore two-year-old and we had often begged to go to the office to walk home with my father, and mother getting ready for Ladies' Aid, decided it would be a very good way to amuse us.

We started down the street. Having been out of sight of the house we immediately started to take off our shoes and stockings and put our dresses around us we proceeded to a large pond, each carrying two large tin cans. We amused ourselves for at least half an hour catching Pollywogs and playing in the mud. When my father found us we were busily engaged in picking the mud out from between our toes and throwing it at each other. He picked us up and carried us home. Verle was taken home and got a good spanking. I got out of it as I was to be taken to the Ladies' Aid.

Mother then proceeded to dress me again, and in white, but this was a very foolish idea. To were greeted at the door by the appointed hostess and making sure mother and this uninteresting lady were busy talking, I sneaked away. I do not remember whether it was the fantastically decorated table, on which were dozens of pumpkin pies with the bread on top, cakes, sandwiches, etc., or, a sudden thought of mischief, but, I let out a shriek and dashed thru the group of ladies and headed for the table. I stopped at the edge, selected the largest; thickest and best looking pie and with all my might landed both my hands square in the middle of the pie and then smeared it over my face.

This experience too much for my mother she took me home, to stay with my father.

That afternoon my bedtime was three hours earlier although I went to bed thoroughly satisfied.

Did you know, That only two Americans so far have had their likenesses printed on foreign stamps--George Washington and Charles Lindbergh?

The the Lame D uck Amendment will shorten the interval between the time to pick the President and the time we pick on him.
SPORTS PARADE

Last Friday night after the girls' game, the boys met the Kirkland quintets and came out on the short end of the score each time. Both of the games were hard fought from start to finish.

Last Friday the girls played Issaquah here. They all played a good game but it seemed that the Issaquah forwards just would slip around and put the ball through the basket.

The Fall City girls came down Monday for a game. The Duvall girls didn't fare so well as far as the score was concerned but they are improving and are getting that well known experience.

The girls, to conclude a busy week traveled to Tolt Thursday and played the best game of their career. The score was 8-17 in favor of Tolt but the score does not tell the true story so don't lose hope girls.

Due to the fact that the Bothell High School is presenting their annual Operetta tonight, the game between Bothell and Duvall, originally scheduled for tonight is to be played this afternoon at the Bothell Gym. This is the final league game of the year for both teams and is expected to be a good game.

***********

FROSH

The Freshmen class has a great time delivering and redelivering notes. Come on Freshmen, forget your baby stunts.

***********

"ZIPPY"

SCHOOL NOTES

1st & 2nd

The first and second graders are still writing Jingles. A couple of the best are below.

I have a hen
Who is very red
And every day
She is fed.

Peggy Miller

I saw a butterfly
Who was yellow
His wings were stuck
In a bowl of jello.

Mary

3rd & 4th

We all enjoyed our program Tues. We had a George Washington play with ten children in it. The first and second graders and their teacher were our guests.

We are learning a new song called "Jimmy, Our Puppy."

The 3rd grade have finished their reader and taken a new one this week.

5th & 6th

Tuesday we had a Lincoln and George Washington program. Everyone took part.

Irene Henry has left again and John Do Groot is also going to leave.

7th & 8th

Wouldn't it be a miracle if:
Miss Poyhmen should stop giving us lectures?
The eighth graders had heads to use?
Lawrence got a high grade in English?
John Branda would hear an assignment.

Ed Bow: "Any mail for me?"
Post Man: "That's your name?"
Ed: "You'll find it on the envelope."
SCHOOLS ARE MEETING THE CHALLENGE

The aggregate expenditure for common school education, in the state, has been lowered five million dollars during the last three years.

With the largest pupil enrollment, the state has ever had, we are operating with a thousand teachers less, than three years ago.

Our teachers, generally speaking, have not only accepted lower salaries, but have at the same time taken upon themselves extra work without complaint. - H. D. Showalter, State Supt. of Education.

HONOR ROLL

The following pupils were on the Honor Roll for the last six weeks:

Donovan Minshull--------20 points
Verle Chipman-------------15 "
Alta Funk--------------------15 "
Dwight Funk-------------------15 "

The following received honorable mention:

Helen Weber 13 Vera Ellis 12
Ad Joliceour 12 Lilly Taylor 13
Ted Spoelstra 13
Hinora Funk 13
Maude Anderson 12
Phyllis Strang 13

COMING AND GOING

During the past week or two there have been a couple of changes in the membership of the student body.

First Lenard Larson returned from La Connor and then Cornelius De Groot left for Snohomish and this week there is an addition to the Freshman Class, Mabel Thompson, who comes from Bothell.

WHAT THE CLASSES ARE DOING

Solid Geometry---Dihedral Angles
Plane " ---Plane Circles
Algebra-------Fractions
Physics-------Properties of light
Economics-------Production
Bookkeeping-------Capital and Drawing Accounts.
Gen. Science-------Heating Plant
Botany--------Alge and Liver worts
World History-------Industrial Rev.
Civics--------Debate
English IV--------MacBeth
French---------Translation
Typing---------Business Letters
Shorthand-------Translations
English I--------Lady of the Lake

FLOOD

Yesterday, due to a clogged drain pipe, the Domestic Science room was flooded so that it looked like a small ocean. Don Pryor was very enthusiastic over the presence of water as it gave him a chance to try out his new rowboat. One of the reporters found him with one of the opposite sex in his boat who, it seems was enjoying it very much.

Don, on returning to school this morning, was very blue because of the absence of water in which he could take his boat and fair-headed lass riding again. But he claims he'll either flood the room again or put the boat in the river.

INAUGRAL DAY

Tomorrow, in the presence of the Chief Justice, Chas. E. Hughes, the thirty-second President of the U.S., Franklin D. Roosevelt will be sworn into office and President Hoover becomes Mr. Hoover once more.

Prosperity will soon be here.
Last Friday the Duvall basketeers journeyed over to Bothell for a real game of basketball but they fooled us and played ring-around-the-rosie. After the smoke of the battle had rolled away it was found that Duvall was on the very short end of the score of 74-16. The one bright spot of the afternoon was the good playing of Glen Jacobson. "Chief" began to roll about the second quarter and how he rolled. He scored eight points up until about the third quarter when he went out of the game via the foul route. The second team lost their game 25-11.

This coming Wednesday night winds up the High School's hoop season, then they meet Skykomish in a return game. The game was originally scheduled for up there but due to the disagreeable weather they have agreed to come down here. It is hoped that we will come thru with a win and all the boys will be out there fighting to do so.

This afternoon the girls go to Issaquah for another return game. It is expected to be a hard, close fought game.

THE STUFF LUCK IS MADE OF

He worked by day and toiled by night,
He gave up play and all delight,
Dry books he read, new things to learn,
And forged ahead, success to earn.
He plodded on—with faith and pluck—
And when he won, they called it luck.

Do you know that
The total mileage of state highway systems is now 330,000 with more than 440,000 miles surfaced?
When President-elect Roosevelt becomes President tomorrow he will be faced with a public debt of approximately $21,000,000,000.

SCHOOL NOTES

3rd & 4th

Mrs. Streng, our teacher, has been ill this week. Mrs. Soley has taken her place.

5th & 6th

Report cards were received in the room. George Richers and Mildred Doughty tied for first, Eric Carlson was second and Jim Bow and Roy Allsup tied for third in the sixth grade.

In the fifth grade, Bessie Trim was first, Margaret Van Hulle, second, and Roy Gustafson, third.

7th & 8th

The honor roll for this period is:

8th
1. Margaret Toyer
2. Lillian Carlson
3. Ethel Schuler
4. Margaret Schnepper

7th
1. Vernon Larson
2. Ivan Gustafson
3. Joyce Elsworth

FRESHMEN

The freshmen held a business meeting Wednesday.

The Frosh are giving a return party Friday at 7:30. We hope everybody has a good time.

JOKES

Judge: "How old are you, madam?"
Madam: "Around 20, Your Honor."
Judge: "Yes I know you are—but how many years is it since you got around it?"

Dwight: "They say Dame Fortune knocks on every man's door at least once."
Ed. Boy: "Well, I had a knock but it turned out to be her daughter, Miss Fortune."
DUVALL VICTORIOUS!!

Duvall Beats Skykomish

In the final game of the season, the Duvall High quinted rose to the heights which they are capable of attaining and put the skids under the Skykomish basketball team to the tune of 28-29. In direct contrast to their past performances of this season, they were a valiant fighting outfit. They shot and shot well and in the end they had proven to themselves and to the crowd that they could play basketball.

Vic Michelson, playing hands up basketball, scored fifteen points to lead the scoring. Glen Jacobsen played an inspirational game at forward. When anyone is looking around for a good fighting man, send them to see "Chief." Phil Bow played very good at the other forward position scoring 9 points, he also played guard after Jones replaced him at forward. Honore Minshall and Dwight Funk, the starting guards, played very good ball also. Ed Bow was the other man in the fray during the last part of the game. This was Ed's last game as he graduates at the end of the year.

The complete outfit that started the game Wednesday night will all be back next year and with additions from the Fresh and the incoming class it is expected that the Duvall basketball team is about to swing out of the cellar and go places. We wish to congratulate Mr. Seley on the fine showing of his team.

Today, March 10, marks the 47th anniversary of the day the telephone first came into use. Evelyn Larsen has written the following history of the telephone.

The first patented telephone was invented by Alexander Graham Bell. The Bell telephone was first exhibited to the public at the Centennial Exposition in Philadelphia in 1876 and the new invention was received with incredulity and ridicule. Bell was called "a crank who says he can talk through a wire." He had to prove the worth of his invention. To do this he borrowed a telegraph line in Boston, having a length of two miles, and with a friend held a conversation over the wire, the first sustained conversation by telephone. Soon after this, Bell lectured in Salem, and a report of the lecture was sent by the telephone to the Boston Globe, the first news transmitted by telephone.

In May 1877, a young man named Holmes, who installed burglar alarm in business houses in Boston, borrowed five telephones and set them up in five banks, connected to the floor of the burglar alarm. The five telephones could be connected by a switch in Holmes' office. This was the first telephone exchange.

After many hardships the Bell Telephone Company was organized and by 1898 the company had installed its first million telephones. So large has the telephone business become that the Bell patent is recognized as the most valuable patent ever issued in this country.

EDlTORIAL

Wednesday a change was made in the paper staff. Foster Glover gave up the place of editor leaving it to the next in line.

The new editor hopes that with the cooperation of the student body he can carry the paper to the end of the year with as much success as it has had previously.

The new assistant editor has not been appointed yet.

-----------

CIVIC CLUB

The Study Group of the Women's Civic Club will hold its regular fortnightly meeting next Tuesday at 2:30 P.M. in the club rooms.

A special program has been planned combining the "special day" features with that of the regular study. An invitation to visit our study club is offered to any lady interested. The motive of the day is green and each member and visitor will be invited to tell or read her favorite Irish joke.

-----------

RENOVATING DONE.

Anyone having old furniture that is in need of repair can have it made over to look like new. The only charge will be for additional paint, glue, lumber, etc.

This is your chance to get that old chair out of the attic and make it look new.

First come, first served.

HIGH SCHOOL

SCHOOL NOTES

1st and 2nd

The first and second grades are making a Dutch sandtable. We are making Dutch booklets too.

Jimmy Ellis

3rd and 4th

We had a little visitor this week, John Henry Roetciscender who recited some Mother Goose rhymes for us.

Our teacher is back again and we are very glad.

We are pleased to be able to welcome a new pupil from Snoqualmie, Junior Holcombe.

7th and 8th

The seventh and eighth grades congratulate the High School first team for their marvelous victory, 28 to 29.

They should have a banquet.

-----------

FRESHMEN RETURN PARTY

The Freshies entertained the High School Friday, March 3 with their long expected party. Most of the evening was spent playing games that the students were familiar with. The refreshments served in the Home Ec room followed. The menu consisted of jello, coco and wafers. The Home Ec room was nicely decorated, green shades covering the lights. After the refreshments, a treasure hunt was given in the gym. All present boasted of a good time and were sorry that the evening passed so quickly.

He who puts up a "bluff" will sooner or later stumble over it.
HONOR ROLL

At the end of the fifth six-week period we find that the following have attained special rating.

HONOR
Donovan Minshull 20
Alta Funk 17
Vearl Chapman 15
Ted Soelstra 14

HONORABLE MENTION
Adelaide Jolicoeur 13
Ruth Carlson 13
Helen Weber 13
Phyllis Strang 12
Elnora Funk 12
Lilly Taylor 12

TYPING CONTEST

Saturday, April 1st. the mid-semester typing contest was held at Renton. The winners of the 1st. year contest are:

First Place
Cyril Randell, Kirkland Hi 53 words

Second Place
Eleanor U-Ren, Highline Hi 45 words

The outcome of the 2nd year typing contest was:

First Place
Niyaka Tanese Highline Hi 69.05

Second Place
Ada Heppenstall, Foster Hi 60.00

Due to lack of transportation ourriter typists were unable to attend the contest.

HONORS DECIDED

The seniors adding up their grades throughout their entire high school career find that Velma Hix is to be valedictorian of the class of '35 having 93 as an average. Adelaide Jolicoeur is salutatorian with 91 for her average. We congratulate these girls on their good record of high school work.

YE DIARY

The following is an excerpt from the pages of a diary of a literature IV student.

April 14--This morning up very early for it to begin a days work on the country road. I walk lightly briskly to the road and begin shoveling the dirt and rocks. But anon, after a few hours my back to begin to ache nightly and my hands very hot and sore. So through this day of till and so to my home and to bed.

April 18--Early up this morning for it be a school day, and I must needs have my work done early. In the afternoon we do be playing this new game called baseball and I do be struck with the accursed object. A box on these sorts for they do be for more nimble fellows than I! In the evening to the showhouse where I did witness a ribald comedy. Late to bed.
SENIOR NEWS

The Senior Class held a meeting Tuesday afternoon for the purpose of discussing graduation. We have ordered our commencement announcements and name cards. We hope to have them by the 5th of May.

AIN'T IT THE TRUTH?

Talk about sneak day all you want to, but we believe that every day is sneak day lately, what with all the Junior and Seniors sneaking around spying on one another.

He placed a kiss upon her lips,
She begged for him to linger;
And as she stroked his curly hair,
A cootie bit her finger.

MORE NONSENSE

A youngsters from Amazon
Put nighties of his Gramazon;
The reason's that
He was too fat
To get his own pajamazon.

INSPECTION

Yesterday Assistant High School Inspector Dimmit and County Inspector Hulse visited this school. Their verbal report after their inspection was very favorable.

GRADE NEWS

1st and 2nd.

I have a little kitten. His name is Junny. He sleeps with me. I like him. He keeps me warm at night. I roll a spool on the floor and he runs after it. I give him some bread. He catches it in his paw and eats it. He plays with the dog and when the dog gets him he slaps him and runs away to hide.

Clydie Kain

3rd and 4th

We are painting pictures and learning songs for our exhibit and program.

5th and 6th

We have taken our county spelling tests. The following got 100%:

Elva Keen
Kathryn Spoelstra
Betty Redmond
George Richers

We had election of officers yesterday. The following were elected:

President--Iennie Brown
Vice President--Jack Button
Secretary--Kathryn Spoelstra
Sergeant-at-arms (fifth) --
Evelyn Owen
Sergeant-at-arms (sixth) -- Roy
Monitor, girls--Elva Keen
Monitor, boys--James Bow

7th and 8th

The eighth graders are reviewing for the state tests which are to be taken in four weeks.

FRESHMEN NEWS

The Freshman Class sent a bouquet of flowers and a card to Elnora Funk, Tuesday.

We all hope she is with us again soon.
CAMPUS DAY

Fellow students—here is the best chance and test to prove your ability and sportsmanship.

This year for the first time in the history of the Duvall High School, a Campus Day is being planned. With the cooperation of the Student Body this ought to be a very successful and worth-while event.

The purpose of this Campus Day is to create a spirit of better sportsmanship among the students, but remember this day has not been set aside merely that everyone can get out of studying, but rather to get out the pick and shovel and see if we can't make a few improvements on the grounds.

The work is to be largely managed and done by the students. They have already been divided up into groups with a "boss" at the head of each group, appointed according to his ability by Mr. Soley and Mr. Crawford. Miss Patterson and Miss Kinnick have charge of arranging the girls in groups.

The boys are going to lay out and build a 100 yard track, a handball court, baseball back-stop, etc. The girls will have charge of planting new shrubs and bulbs and ALSO preparing the noon meal.

The day has not yet been set but start saving up your energy for this worth-while task.

BUY AMERICAN!!!

Mr. Rockman of Seattle spoke to the students of D.H.S. Wed. afternoon on the subject "The Buy American Movement of Today". His talk brought out the necessity of "Buy American".

THRILLS! LAUGHTER! PATHOS!

Senior Class speaking: "Zippy"—a real gangster play is based on records 5,000-x files of Duvall High School. Real clues, real places, and real people, but fictitious names are used throughout. Gangsters, gangster's molls, bank president, dope peddlers are just a few of the characters. Don't fail to see "Zippy" the 7th. of April.

JUNIOR DRAWING

Are you lucky? Well, even if you think you aren't you can always "try again"! The Junior Class is sponsoring a drawing. The holder of the winning ticket will receive TWELVE jars of good fruit and vegetables.

The drawing will be held the night of the Senior play, April 7, so get your ticket now from many Junior member—the price is only 10¢.

BANQUET

Tuesday evening, March 14 a banquet was given the boys by Mr. and Mrs. Soley celebrating the recent basketball victory.

After the dinner each member of the squad was called on for a little talk to sum up the season's work. Among some of the different points brought out were discussions of possibilities of a good team next year and a more successful season. Mr. Crawford gave a talk on the improvements of the team. Mrs. Soley concluded by giving a general summarization of the season's work.
he confounded his enemies by bringing darkness down upon them. At his death, so great was the glory that there was no night for twelve days.

To this day he is still remembered and St. Patrick's Day is celebrated in nearly all countries of the world.

000000000000

ST. PATRICK

St. Patrick for whom we celebrate today was an Irish Bishop living about 400. He influenced strangely the Irish mind and Celtic imagination has surrounded him with picturesque legend.

For instance: he brushed the snakes and toads out of Ireland.

(Continued in next column)
CAMPUS DAY

This Friday, the High School will go on a clean up day. The boys are going to make a cinder rack with Vic, Albert, and Ed in charge; a handball court with Donovan commanding the workers; baseball backstop with Les in charge.

The girls are serving refreshments. They will also give an entertainment in the YM.

Each boy is required to bring some sort of tool and some food for the refreshments.

SPRING HAS SPRUNG

Tuesday was the "Vernal Equinox" meaning in astronomy the beginning of "ye good ole" springtime.

The equinox is that time of the year when the day and night are equal. The length of the day then is 12 hours, and the sun is ascending six hours, and descending the same time.

This is the case twice a year, in spring and in autumn when the sun is on the equator. When the sun is in this situation the horizon of every place is divided into two equal parts by the light and darkness.

The term equinoctial gales is applied to the storms that are popularly supposed to be due to the sun's crossing the equator. There is no reason for such belief however, and there is nothing in the position of the sun or its effects to cause storms at the equinoxes than any other time.

JUNIOR DISPLAY

The Junior Class has placed their appetizing display of fruit and vegetables in Jones' store window. Anyone knowing of a better display let us know and get a free ticket.

Tickets are selling like "buttered hotcakes"—so don't wait! Buy one now at 10¢!

The drawing is to be held at the Senior Play, April 7.

STUDY CLUB

The Women's Study Club will have as guest speaker next Tuesday afternoon, Mr. Cecil Solly, (of radio station K. O. L.), who will address the club on problems of home landscaping and garden culture.

All persons interested in better gardens and flowers are invited to attend the meeting which will be held in the Assembly room at the Grange Hall in order to insure sufficient room for all who wish to be present.

DECLAKATION

Cleo Michelson, winner of declamation, of oratorical selections, entertained the High School Tuesday, with her interesting piece, "The Highwayman." It was very much enjoyed by all.

Cleo is very talented in that line. She will go to Bicol, Friday, 24th, to compete in the semi-final county contest.

"Good Luck Cleo."

SCENES SEEN

The Junior Class admiring their display in Jones' store window.

The painstakingly typed news for the High Times.

The effects of Scarlet Fever on most of the students.

Ames using cave-worn tactics on Dick to the great enjoyment of
the onlookers.

Don violently chasing Gib. in History; Class----much to the dismay
of the teacher.

Les. sporting a "Made in England" sign on his collar.

ROTARY CLASS'S HOT BED

About three weeks ago our Rotary class got all their flowers and
vegetables into the hot bed.

We planted our flowers and vegetables: tomatoes, cucumbers,
cabbages, zucchini and polynuts, each in separate boxes in good
rich soil.

The majority of the plants are over an inch high, so it looks
their true leaves already.

All we need now is a little more sunshine.

EVERYBODY BUY DUVALL!!

Remember a dollar spent for a Duvall product is a dollar in the
pocket of some local laborer; and that means a dollar's worth of
cheer and comfort for some Duvall family.

Remember--Buy Duvall!

GRADE NEWS

1st. and 2nd.

Glen and Robert Smith are no
boys in our town. The first
grade have not writers.

Arthur Allsop

3rd. and 4th.

Martha Weidner and Mary
Hane Miller had birthdays this
week.

We have a new pupil, Geraldine
Scrissel from Toit.

We are about to take up long
division in the 4th. grade.

str. and 5th.

The sixth grade have had in-
teresting reports on musicians
and their instruments, artists
and inventors. We are also
about to have some reports on
four great scientists.

The fifth grade has a new
pupil, Barbara Palmer.

Alta Stoles

Jeanie Brown

7th. and 8th.

We all ico Glen Mack's
good luck on her trip to Bothell
Friday.

We have a new girl in the 8th.
class. Her name is La Venne
Smith.

ATTENTION 7TH. AND 8TH GRADERS

"Hi Times" is having a contest
and we wish each student of the
7th and 8th grades to write a
composition consisting of not less
than sixty words on any subject
or incident you prefer. The
compositions must be in Wednesday,
March 26, then will be judged
Thursday, and the winning composi-
tion published in the paper,
Friday, March 31.
CONTEST

The following composition, the winning one of the contest sponsored by "Hi Times" was written by Ethel Schuler, an eighth grade pupil. Congratulations, Ethel for your good work.

THOUGHTS OF SPRING

It seems an up hill pull for the Hi Times to sponsor a contest in the midst of spring days.
Our thoughts are far away, dwelling on sandy beaches, shady brooks and ideal camping spots, We picture in our minds a vacation, we really enjoy, away from the cares of school, examinations and even our daily chores at home. We have a camp fire to brighten the evening, we toast marshmallows, hum a few familiar tunes and then we slumber under the stars, only to be awakened by the teacher's command, "Have you finished that composition?"

TOURNAMENT

Yesterday, marked the last game of the "Round Robin Tournament". It was a hard fought, breath-taking game between No.3, the championship team of the tournament, and No. 1, a team that proved to be its equal as shown by the score 18-17 in favor of team No 1!!!

IMPORTANT !!!

Don't forget "ZIPPY", the Senior Play, April 7. The admission is only 25¢ for adults, and 10¢ for children. Come and bring the family, it will be well worth your while, for it will provide an evening of fascinating entertainment.

SENIOR CLASS NEWS

Anyone interested in earning his and his friends' way to the Senior Play, will be interested to know that a free ticket is given with every ten sold. For details, see Ad Julicoeur.

JUNIOR CLASS NEWS

The Junior Class will be on the job at the Senior Play with their good home-made candy at 5¢ per bag. Good service and good candy! Watch for the "green and yellow booth"!

The class will also sponsor the drawing of the lucky number in its big contest!!! So come and see the play; buy some candy; and see who wins the twelve jars of fruit and vegetables.

TYING CONTEST

The mid-semester county typing contest will be held in Redmond tomorrow. The best typing student from each school will assemble and compete for the championship. The returns will be published next week's paper.
CAMPUS DAY

Our first Campus Day, on March 34 proved to be a great success. Although the day was cloudy with several light showers, everybody worked hard and a great deal was accomplished.

When the noon bell sounded all tools were laid aside and everybody partook of a very good meal. Beginning at 1 o'clock everybody worked again until 2:30.

At this time we had the tree-planting ceremony. Velma Hix planted the locust tree after which Lilly Taylor, Elnora Fund, and Pearl Platt gave talks pertaining to Arbor Day.

The tree planting being finished everyone went to the gym where they were entertained by games and a tap dance given by Pearl Platt.

The work done on the grounds while it doesn't seem to be so much now will be more discernible when the weather clears up.

SOPHOMORE NEWS

Last Wednesday the Botany Class spent their lab period in making more flower beds to finish from Campus Day. We were divided into two groups, and due to the poor soil, and rain one group didn't get theirs completed. The bed that was completed looks very nice.

We're planning on a hike today if the weather permits

We all wish to thank Mr. Gustafson, the King County District foreman for the load of sand he so willingly gave us for our tennis court.

GRADE NEWS

I have a little cat. He does not like dogs. One day a little puppy came near him and the cat slapped the dog's face. The puppy tried to slap him back, but the cat scared him away.

Mary Stromberg

We have been busy playing baseball. The girls hope to play against the boys soon.

We have been learning new spring songs.

The fifth grade exhibited imaginary pets by describing them.

The sixth grade are giving history reports on four great scientists, three great painters and two great musicians of the Renaissance.

The girls all fall for cute little Stub

The girls both young and pretty.

Though Lawrence and Bill they make a pair,

But Stubby is most able, if he could wear a tux

He'd be most handsome as Clark Jable.

Clark Hillier

SNICKER AND SIGH

Two golfers, strangers to each other happened to meet on the links.

Soo that girl over there? asked one. Imagine her parents allowing her to appear in plus-four.

Just copying men's clothing.

That sir is my daughter, said the other.

Oh pardon me, I'm sorry but I didn't know you were her father.

I'm not: I'm her mother.

Vacation! Vacation! A whole week’s rest. Spring vacation begins April 8 and lasts until the 17th.

The staff wishes the Student Body a pleasant convalescence from their six week’s exams and hope that they will come back prepared to launch themselves into the remaining few weeks of school.

BASKETBALL NEWS

The boys who won their letters in basketball this are to receive a fine sweater, Chinelle letter, and any number of stripes for the number of years that they have been lettermen.

The D. S. A. A. are furnishing the letters which are a plain "D". The boys are buying their own sweaters.

EFFECT OF PRESSURE ON BOILING

The temperature at which a liquid boils varies with the atmospheric pressure. When the pressure is reduced, water boils at a lower temperature than 100 C. At the top of high mountains, the atmospheric pressure is so low that eggs and vegetables can not be cooked by boiling. In such places pressure cookers are used. The lid of such a cooker fits so tightly that the steam adds its pressure to that of the enclosed air and the boiling point is increased. Water at 110 C. will cook vegetables tender in about one half the time required when the water is only 100 C.

1st and 2nd NEWS

I have a big rooster. He will not stay at home. One day he went to Killers! Their little banty rooster ran after him. It chased my rooster all the way home. After he came home, he looked at the banty and said, "Cluck-Cluck." Then the banty looked at him as if to say, "Do you want some more?" Then the banty rooster went home to mind his own business.

Arthur Allsop

PEARY

Yesterday marked the 24th anniversary since the discovery of the North Pole by Peary.

Peary was born at Cresson, Pennsylvania, May 6, 1856. He studied engineering at Bowdoin College and entered the U. S. Navy as an engineer. He helped survey the site for the proposed Nicaraguan Canal and then made several trips to Creceland and Northern Canada.

July 6, 1900, his party started on their exploration of the region of the North Pole. They had the boat "Roosevelt", a ship especially built for this trip. They used this boat as far as they could go and traveled from there to the North Pole via dog teams.

September 6, 1909 word was received that he had reached the North Pole April 6, 1909.

Many people had tried to reach the pole, but he was the first to reach the long-sought goal.

SCENES SEEN

Mr. Soley and "Bill" fighting over the relationship of a small town dog to them in 5th period typing class.

Ed Bow bursting out on the Junior Class meeting after ten minutes of concealment.
SKIP DAY

Thursday morning at 4:30, the Seniors left Duvall for a "Glorious Adventure". Our only mishap was a "blow out" in starting, much to the joy of the Juniors. However, to their dismay, we left some of them upon the street corner awaiting their taxi.

We arrived in Burlington at 7:00 a.m., then to Anacortes and Rosario Beach where we had an early "feast". We enjoyed the beauty of the beach and then started for Seattle. Just outside Silvana, we passed a Service Station where we saw three of the Juniors. Never-the-less, we left them in a cloud of dust.

We arrived in Everett where we stopped to fix a tire. We were about fifty feet from the Hi-Way on a side street when some of the Juniors drove up, stopped to examine their car and drove on without even seeing us.

We drove to Seattle via Edmonds. In Seattle we were separated. Both groups attended the same show, unknown to each other. From there we came home tired but well satisfied with our trip which totaled two hundred and thirty-five miles.

JUNIORS CATCH SENIORS

4:30 Thursday morning the Seniors sped out of Duvall—followed by the Juniors!!! The long awaited skip day had arrived. Faster and faster the Seniors went and faster and faster the Juniors followed, until the Seniors were stopped by a "blow-out"!! After exchanging complaints with the unlucky group the Juniors returned to Duvall rejoicing over the fact that they had caught the Seniors. From there they departed on their own hook, line, and sinker. They proceeded to the Coon Chicken Inn where they talked the "situation over". One automobile full of Juniors decided to go up past Everett and the other car was decided in favor of Seattle.

In Seattle thrills of all sorts were unearthed and the Juniors sure did "go places and do things"! Shows were seen; Government Locks were inspected; the Seattle-Hollywood baseball game was attended. It was a good game all the way through—especially in the ninth inning when Seattle won the game with a 6-5 win over the "Stars".

We visited Hooverville and Shanty Town, the unemployed's little Williams.

We journeyed to Boeing Field where Tour experienced the thrill of their first airplane ride.

Better than best though was the fact that we caught the Seniors. Not only when they left Duvall—but also, they were surprised by one car of Juniors near Stanwood; and in Seattle a carful of Juniors followed up a car of unsuspecting Seniors. At 11 o'clock the last car of Juniors reached home.

Everyone had a wonderful time and the hopes are for a bigger and better "Skip Day" next year.

TARIFF

The last week four students of the Economics class have been having a debate, "Tariff," being the subject.

The following are some of the points from both sides.

For High Tariff
1. If we will not allow the foreign worker to enter this country, or at least greatly restrict him, why should we allow the foreign worker's product to enter this country?
2. It makes the United States a unit which is a complete and self-sustaining unit in time of war, through diversification of industry.

For Low Tariff
1. Protection fosters monopoly because it makes the home producers compete.
2. The protectionists appeal to the wage earners is two-faced, for highly paid American labor need not fear the competition of poorly paid European labor so long as the American laborers are more productive than the European laborers.

Mr. Soley making big Skip Day plans for the Seniors.

GRADE NEWS

1st and 2nd grades

The first and second grades are practicing a Mother Goose play for the program.

5th and 6th

In hygiene yesterday we had a posture contest. Kathryn was chosen the best in the whole room.

7th and 3rd

We are working dramatizations for the program, which will come shortly.

GENERAL SCIENCE

The general science class have been having many interesting lab lessons lately, one, the most recent is;

THE RADIO

The radio is a system of electrical communication without connecting wires between the sending and receiving stations; a device together with the wireless telephone, possible ranking as the greatest marvel of inventive genius. Radio waves are of the same nature as light but are sent out at a much less rapid rate. The radio, about the hardest instrument to understand, is an important step in civilization.

TRACE MEET

This afternoon the boys from Tolt will meet those from Duvall in various track meets. It will include 100 yard dash, javelin throwing, shot put, broad jump, high jump, and pole vault.

Our boys will be at a disadvantage due to the fact that they had hard day yesterday on sneek day but we hope that they will come out on top.

Today when this nation and the world search for a leader the United States presents him—Franklin D. Roosevelt.

Up go the prices of corn, wheat, cotton and other commodities putting millions of dollars into circulation and thousands of people to work.

A ripple of hope is felt around the world as American business feels this surge of activity.

Working at a terrific speed under the guidance of Mr. Roosevelt the new Congress is scoring many legislative hits and the country registers a great surge of confidence.

There is a grave danger in the pace and we may not land precisely where we intend to but if swift action and decision, swift political power and the willingness to use it are the prime requisites of leadership then Franklin Roosevelt is a great leader.

Although the emergency legislation is chance-taking and dangerous Mr. Roosevelt apparently has no such misgivings. Insuring Congress to three times its normal pace, rushing through legislative measures of tremendous importance to quickly that the country finds itself delighted—but a little dizzy.

The present conditions call for action. For action increases confidence and if confidence and leadership are the basic essentials in our "back to prosperity" drive then the "new deal" is really arrived and we are already looking for "results."

E.D.

EXHIBIT

The annual exhibit of the Cherry Valley School will be held on Friday May 13th. The exhibit will be from one o'clock until two.
At three the grade school is giving a very entertaining program in the gymnasium.

We will be glad to have everyone come and see the results of the students' hard labors.

TRACK MEET

Coming through with a total of 43 points to our 24, Tolt took the track meet held here last Friday, April 28. It is the first to be held here at the Durall High school for some number of years. Owning to a lack of equipment and lack of time in which to train for the various event, our boys could not do that they might have done if they had trained more.

The events were as follows:

100 yard dash:
   First—Juall
   Second—Roselle

Javelin:
   First—Juall
   Second—Young

Shot Put:
   First—Tolt
   Second—Clever

Broad Jump:
   First—Court
   Second—Prince

High Jump:
   First—Jones
   Second—three-way tie

Pole Vault:
   First—Jacob and
   Second—Flinner

Discus:
   First—Juall
   Second—Jaco.
TO THE SENIORS

It is with a feeling of regret that we bid farewell to you, seniors. We have enjoyed our fellowship with you, both in work and play. The Juniors add that they have appreciated the friendships you have offered from the time you initiated us to the present time.

We all wish you much success in your future undertakings—may you never forget good old Duvall High.

BASEBALL GAME

Much to our sorrow the Duvall baseball team lost the first game of the season last Tuesday. The score of 10-4 was due to the superior playing of the Toll team combined with the large number of errors made by the home team. This is the first game of baseball Duvall has played for quite a number of years and we were sorry we lost it, but we will do better next time.

PICNIC

On Friday the 26th, the Duvall High School will hold its annual frolic or picnic day at Cottage Lake. This day is always one of joy for everyone. With refreshments at noon, swimming (if the weather permits), boat riding, horseshoes, and several other different games making this day, the last of the term, the merriest.

CONVOCATION

For the last time the class of '33 announces their graduation of Friday, May 19 at 8:15 P.M. in the gym. The speaker for the evening will be Mr. Klerma.

The Seniors are now about to take another step out in the wide open spaces, each to find his place and task in the general stream of the working world.

CLASS DAY

Wednesday afternoon the Seniors bid farewell to the Hi School with their annual Class Day.

With the sweet strains of "When it's Darkness on the Delta" sung by Duvall's Famous Quartet the Class Day program opened.

Then amid applause and laughs of the Hi school the History of the Senior Class was read, (and we too must add, while Los looked on shyly)

Our budding young genius, Richard Rozelle held the audience spell bound with a banjo solo.

After this Vernon gave the prophecies of the Senior Class, Good work Seniors——heroes for bigger and better careers.

Next came the Senior Will. Here in this moment stillness the Juniors heard their gifts bestowed upon them by the Class of 1933.

Then again Duvall's quartet swept us off our feet with their big song hit "Elihu".

Lastly the Seniors gave their farewell song——while the Juniors fought bravely to hold back their tears.

JUNIOR-SENIOR DINNER

The Junior-Senior dinner is a thing of the past once more. Last Saturday evening the Juniors entertained the Seniors in the Home Economics room with a dinner. The room was pleasingly decorated and the table looked lovely being set with green and lavender. After the cocktails Mr. Crawford gave a talk contrasting High School life today with that of his High School days. Mr. Scley, Miss Hinnick, and the Seniors gave short talks at different intervals during the dinner. Afterwards they enjoyed a show at Monroe.

DANCE

The dance which is to be given May 26 in the gymnasium is to be sponsored by the Civic Club in honor of the Juniors and Seniors. Admission will be 40¢ for gentlemen and 10¢ for ladies. You are requested to come.

ADIOS!!!

This week being the last week that a paper will be published the staff wishes its friends a pleasant vacation. We'll be seein' you next fall.

SWEATERS RECEIVED

The boys finally received their letters and sweaters for which they had so anxiously waited.

The letters and sweaters were presented by Coach Scley, after the class day program. The senior boys receiving them, each delivered his little message.

GRADE NEWS

1st and 2nd

Today the second grade girls were going for a walk in the woods. We found a cat. His eye was hurt. I had a dish in my hand so I asked Jimmy to get some milk for the cat. I put the milk in the dish and gave it to the cat.

Peggy Miller

5th and 6th

Both the 5th and 6th grades are reviewing variety of practice.

We hope that the 7th and 8th graders will get good grades in their exams.

7th and 8th

The eighth grade took their final state examinations yesterday and today. The seventh grade takes physiology today. So far all reports are favorable.

TRACK MEET

Saturday May 20, nine boys—Vernon Larsen, Bill Marshall, Robert Miller, Clark Hillier, John Brundsm, Floyd Engstrom, Lawrence Meyers, Philip McMahon and Bill Rootioender—will contest in the King County track meet at Renton. The main events in which they will take part are: pole vault; broad jump; high jump; shot put; relay races; and 50, 100, and 220 yard dashes.

EXHIBIT

The exhibit last Friday was a big success. It aptly represented the work the students have done throughout the past year. The grade school presented a very entertaining program at one o'clock, songs and skits being among the attractions.
Editorial

There are several duties in school for which everyone is responsible. First and foremost: "Keep Our School Clean!" There are some students who strive to carry this out and others when asked to pick up a piece of paper reply: "We have a janitor in this school. What's he paid for? He's not here just to ring the bells. I come to school to study, not to clean house."

If everybody would make use of the waste paper baskets there would be no extra work to it and it would make the school grounds look much neater.

Visitors

Miss Oliviya Funk and Miss Dot Jolicoeur were visitors of the High School Thursday afternoon.

Jokes

Phil: "The artists say that five feet is the divine height for women."
Verlie: "You know I'm five feet four inches."
Phil: (quickly) "Oh, you are more than divine.

Coach Soley: (to squad) "Now, have you any questions to ask?"
Veak and Weary Dick: "How much is your correspondence course?"

Grade School News

3rd and 4th Grade

We have 21 enrolled in our room. We are starting a new Unit on Indian Life.

The 4th Grade is making a frieze on "Life in the Desert." We have our new Progress Books in Language and enjoy them very much. The 4th Grade has its new seat work Note Books in Geography.

5th and 6th Grade

The Fifth and Sixth Grades organized their club last week. The following officers were elected: President-------Virginia Battle
Vice Pres.-------James Bow
Secretary-------Robert Roney
Seargents-------Roy Gustafson
Bud Brown
Line Monitors-------Eric Carlson
Kathryn Spoolstra
Roy Allsop
Bill Lupo

7th and 8th Grade

The 7th and 8th grade boys have elected Vernon Larson as basketball captain. The boys appreciate the help that Mr. Soley has been giving them.

The girls chose Cleo Richardson for their captain, but they have not yet done any practicing.

Hard Work

The best verse hasn't been rhymed yet.
The best house hasn't been built.

BASKET BALL

The first basket ball turnout of the season was last Wednesday night. It was the most successful turnout in the history of the Duvall High School. Twenty men turned out and a few were missing because of colds.

Coach Soley spent the time giving the fundamentals and new plays to the casaba tossers. The practice ended with heavy scrimmage for the squad.

The team looks better, acts better, and plays better than last year. We all have a hope of a successful season.

The outstanding players of the evening were Junior Jones, Vic Nicholason, Glen Jacobsen, (Chief) Phil Bow, Dwight, Mark Emerson and also the fighting little guard Donavan Minshull.

Come on High School, give those boys some real backing this year.

********

SIX WEEK EXAMS

Our six weeks exams arc upon us. It seems as though some are always too hard. It certainly is a dreaded time, but if we keep up the midnight oil burning, (and hot) maybe we'll pull through. We see the same names on the Honor Roll every time, so let's see some different names added to it for change this time.

********

DUVALL-VAHSON DEBATE

In the debate held Thursday evening, November 23, in the Gym. The Duvalll affirmative team consisted of Haudo Anderson, the main speaker and Donavan Minshull who did the cross questioning. Haudo Anderson, very successfully brought out many points in favor of the affirmative side of the question, "Resolved that the United States should adopt the essential features of the British system of Radio operation." Donavan Minshull chose his questions well in the cross questioning, and he stressed some points in our favor. Though there was but a small margin, as to which side was the best, the negative, according to the judge, Paul Olson, from the University of Washington, was superior. The judge gave a talk giving the reasons why he had judged as he did. He stated that the negative references were better and the summary given in the negative rebuttal was a point for them.
STAFF

EDITORIAL

The school spirit is getting worse. Some of the pupils have been heard to say that Duvall nev-
er win, won't win, and can't win. This is not true; it is only because of the failure of some of the
students not working. If you don't pull together, there is going to be a dwindling line somewhere.
If the pupils this year will work together and obtain a title for "Dear Old Duvall High" it will be
easier for the pupils "Coming up" to keep the title.

program to be given by the grade
school on Thursday, Nov. 26.
MIKI

Miki was one of the homeliest and yet one of the most companionable looking dogs pup ever born of a Mackenzie hound father, and a mother, half Airedale and half Spitz.

With this tragedy of blood in his veins nothing in the world could have made the pup more than "just dog". His tail, stretched out straight on the sand, was long and lean, with a knot at every joint; his paws, like an overgrown boy's feet, looked like small boxing gloves; his head was three sizes too big for his body, and an accident assisted Nature in the perfection of her masterpiece by robbing him of half of one of his ears. As he watched his master, this half of ear stood up like a galvanized stub, while the other—twice as long—was perked forward in the deepest and most interested inquiry. Head, feet, and tail were Mackenzie hound, but the ears and his lank, skinny body were a battle royal between Spitz and the Airedale. At his present inharmonious stage of development he was the doggiest dog-pup outside the alleys of a big city.

By Margaret Toyer

ORIGINAL THANKSGIVING PLAY

(Includes three poor boys and two rich children and a woman)

The scene is on a street outside of a house.

One of the poor boys says, "All the people are rejoicing because it is Thanksgiving. They do not think of us poor children without even a crust of bread to eat."

"We have nothing to rejoice about," says another boy. "Look at those clothes I am wearing! Nothing but rags. It would not hurt a rich boy to give me a pair of pants."

"Yes, but you are lucky to have a pair of shoes on your feet. I have not even a piece of leather to cover my bare feet."

In the house the family is about to sit down the girl says the children out in the street.

"Let us ask them in to eat," she says.

"Yes, we have more than enough," says the woman.

"I will call them in," says the boy. He goes to the door and asks the poor boys to eat with them.

"We have had nothing to eat for two days," says one poor boy.

"Why, you poor boys," says the woman, "come sit down and eat. You surely must be starving."

The boys sit down to eat remarking how good the food is and how it is the best they have ever eaten.

"When you have finished eating I have I have something to show you," says the rich boy.

The poor boys leave the table and go into another room where the rich boy brings them some pants, shoes, hats, and other clothes from a sack.

"They are all for you," says the rich boy.

The poor boys utter many exclamations and the curtain is pulled.

By Vernon Larson

You can fool all of the people some of the time and you can fool some of the people all of the time, but you can't fool all of the people all of the time.

BASKET BALL

Duvall's prospects for a successful basket ball season are very bright, for there is an abundance of material. Although the first team is practically the same as last year, they are having plenty of competition from the squad. The boys are putting in lots of practice and should be ready to go before long. This Friday night a practice game between the first and second team is scheduled.

Next week, on Tuesday or Wednesday night, there will be a double-header practice game with Monroe here. The admission will be 10¢ and 15 ¢. Watch for announcements and posters giving the night, and come out to see the boys in action in the first game of the season.

***************

CHRISTMAS PROGRAM

The Christmas program this year will be divided into two programs. The all-school assembly, to which the public is cordially invited to come, is to be on Thursday afternoon, December 21, and will contain numbers from both the grade school and the high school. On Friday afternoon, the different rooms will hold a Christmas party. The high school will give a short program for the members of the high school, after which presents will be distributed from the Christmas tree.

The freshmen will be given the privilege of getting and decorating the tree.

***************

DEBATE

Duvall is taking the negative in the last two scheduled debates of the season. Ralph Loyd and Rich rd Boughtry, our representatives, have been working hard to develop a good team. On Wednesday afternoon of this week the team from Bothell came over for a practice debate. Both teams felt that the experience they gained was invaluable.

Yesterday afternoon the team went to North Bend for its first scheduled debate. We're glad to say that they brought back the judge's decision. The last debate of the season is to be held next Thursday afternoon, December 14, at 2:30 in the school gymnasium. The admission will be 5¢ for children and 10¢ for adults. Come and hear discussion of problem of interest non-, do we, in America, have the best system of radio operation, or should we put it in the hands of the government and eliminate advertising?
Results of Thanksgiving

Tommy heaved a big sigh. At last Thanksgiving was over! But not exactly for him, because down in the bottom of his tummy it felt as if something was tumbling over and over. "Mama," he called, "Mama, I feel awful funny down here," he pointed down to his center region.

"Tommy boy, I told you not to eat so much turkey and cranberries yesterday," she gently chided. "Here, take this," invitingly she held out a spoon containing something familiar looking. She couldn't fool him, no sir—ee.

"But mama, I don't want it."

"Do as mama tells you, Tommy, it will help your tummy." Again she held out the spoon. This time Tommy took it and swallowed the contents with a gulp.

"Ugh, Oh, what nasty stuff!'
His face echoed his words.

"Here is some orange juice, Tommy it's nicer." Now the other won't taste so bad." Obediently Tommy took the dose. Later on in the day he told his mother that he was glad he had taken it.

We Meet Snoqualmie

Tuesday night, December 18, the Duvall High School bus, packed full with the team and eleven girls made a trip to Snoqualmie for the scheduled game there. Both the second and first teams lost, the second team game score being 29-7 and the first team coming out on the short end of a 50-8 score. No matter what play the boys tried to work the Snoqualmie fellows were too quick for them. The coach put in a weaker team, but still they could hold us.

Tolt-Duvall Debate

An experienced team from Tolt defeated our debaters in the opening debate of the season Thursday afternoon at 2:30 in the study hall.

The question being debated this year is a very timely one, the proposal to have the federal government equalize educational opportunities over the whole United States by giving annual grants to the states as a permanent plan. The question is of interest to everyone, as everyone is interested in the schools or at least has an interest in the way that they are supported.

The Tolt team, consisting of Helen Carlyle and Orville Johnson, had the affirmative side of the question, while the negative was upheld by Nellie Trim and Ethel Schuler.

The judge of the debate, sent out from the Public Speaking Department of the University of Washington was Mr. Newhouse.

There will be three other debates, one to be held here. The girls have had the experience now of actually being in a debate, and they are going ahead to improve their work.

***********
Editorial

The end of the first semester has arrived and everyone is anxiously awaiting his grades. There have been many absences the last week from sickness, but we hope that everyone will soon recover and catch up with the rest of the students.

With the examinations soon at an end everyone will be able to settle down to his old routine, putting all he can into his work. The seniors especially, as the following is their last semester, are going to put all they can into it. We wish them luck.

**********

School Attendance

The per cent of attendance is of vital importance to a school for two very obvious reasons. In the first place, the school cannot educate the pupil unless he is present, and secondly, the absent pupil draws no attendance money, which amounts to 5 cents per day from county and 16 cents per day from state, multiplied by 7/5 for high school pupils only. Loss of this revenue from state and county places an extra burden upon the local district, as there are only the three sources of school revenues.

The attendance in our district averaged over 97%, for the first 3 months. That is a very good record. However, due to epidemics of ringworm, whooping cough, and colds, the attendance for December and January will drop far below that mark.

(Continued in next column)

The average in the Elementary School is still well up, but in the High School the percentage is down to about 80% at present.

**********

Christmas Program

The Friday before Christmas vacation, as a feature of the Student Association meeting, a group of students, under the direction of Miss Peltier, put on a one act play, The Christmas Party, a story of a young girl who almost let selfishness and thoughtlessness ruin her Christmas, but who saw her mistake in time so that all ended happily.

The presents were then given out to the children by good old Santa Claus, and the faculty passed bags of candy as their Christmas treat.

Student Association Affairs

All members were present at the Board of Control meeting October 12, at 12:50, in the office. We discussed having 50% of the money received by organizations or classes selling candy, etc., be given to the S.A.A. to strengthen our loyalty to it and lend it financial aid. We also discussed other ways of raising money and then we adjourned.

On Friday, September 28, the regular meeting of the Student Association was held. As no special program had been planned, the group first participated in the singing of favorite songs. After discussing the amount of dues to be assessed, the students voted that dues be 15¢ a semester or if paid within two weeks of the meeting 25¢ for the year. A motion was made that the classes or organizations wishing to sell candy or popcorn at any entertainment apply for a concession to the Board of Control to obtain the privilege. Under this plan 10% of the net profit would go into the student association treasury. After some heated discussion the motion was passed.

Radio Program

On Tuesday morning, October 9, the entire school went over to the gym for the first all school assembly of the year to listen to the radio program sponsored by the Washington Parents and Teachers Association. The president, Mrs. Hays, was the first to speak. N. D. Sho-walter, State Superintendent of Schools, then gave a short speech of welcome. Governor Martin then gave us a very interesting talk on the condition of the schools, saying that the schools of Washington are rated the highest in the whole United States. He stressed particularly the benefit of athletics in the school, and made the statement that pupils whether in large or small schools have practically equal advantages. He also explained that, as Washington is a comparatively young state, nearly all of our office holders up to this time have been born in other states. The generation now in school, native born, will be the office holders and statesmen of tomorrow. He himself is the first man born in this state to become governor. In closing he invited all students to come down to Olympia to inspect the Legislature in session and the different state departments.

Miss Nettie, a primary teacher, then gave a story about cats, of special interest to the lower grades. A selection by the Renton band; and Leonard Anders gave an instructive talk about the activities of the Schoolboy Patrol. Broadway High School's a capella choir then sang two numbers.

This was a state wide broadcast, which lasted from nine to ten in the morning. There is to be another one in the near future.
Halloween Masquerade Party

The Girls' Club is giving a Halloween party and it's a masquerade!

All high school students and their parents are cordially invited to attend. It is to be in the gym on Thursday evening at eight o'clock, on October 25. Now, fellow students, remember those costumes.

There will be dancing, games, and stunts intermingled—and cats. Come, don't let yourself be known and enjoy yourself immensely.

Duvall on the Air

Last Sunday at 4:45 p.m., Duvall High School news was broadcast over K.W.I., Tacoma, for the first time.

If you want to know just what the High School is doing, be sure to tune your radio in to this station.

Boys' Athletics

As fundamentals are important in basketball, the boys are starting turning out early this season so as to get them learned perfectly. Practically every boy in high school is turning out this year so we're going to give all teams a run for the pennant. Of the regulars back this year, we have Jones from the first team and Pat, Floyd, Willie and Don from the second all after first team positions.

As one of the activities of the physical education program, Mr. Soley is giving the boys instructions in tumbling. Later the boys will have a chance to show their ability in programs and entertainments.

Banking Day

The General Business Training Class will again resume banking day on Monday, Oct. 22, at 8:30 a.m. in the typing room.

All students, in high school and the grades, are urged to acquire the habit of saving now, as one always must be aware of the rainy day that is sure to come.

Any amount will be accepted from 1¢ to $1,000,000,000 or more.

Maud Anderson and Esther Arp will do the honors for the students.

TIME: Oct. 22, 8:30 a.m.
PLACE: Typing room

Inter-School News

This school has been asked to join with other high schools in providing news for a high school page of the Summamish Sentinel, a weekly paper published Fridays at Redmond. Maud Vorschnoe was elected to send in the news from this school. A paper is being sent to the school each week.

Student Leaders' Conference

For the first time in the history of Duvall High School, delegates were sent to the fourteenth Annual Student Leaders' Conference. This Conference was held on the University of Washington Campus, the 8th, 9th, and 10th of this month. The delegates elected by the Student Association were: Maude Anderson, President of the Student Association, and Ted Spoelstra, the vice-president. At the same time that this Conference was going on, a Conference for the Girls' Advisors was taking place, which was attended by Miss Peltier.

There were approximately four hundred and fifty delegates at the Student Leaders' Conference from schools all over the state. The boys were lodged at fraternity houses and the girls at sorority houses. There were many interesting and instructive lectures given by eminent men of the University and other men of statewide renown. A few of the meetings were for open discussion, where the students talked over the problems and affairs of their schools and received any new ideas that they could filter out.

The first evening there was a banquet, at which there were some very humorous speeches, and others that were not so humorous but, nevertheless, very interesting.

On Friday afternoon we had the choice of a visit to the Times Plant or a tour of the S. S. President Grant. We chose a tour of the President Grant, and found out quite a few things about a ship we never knew before.

Ted Spoelstra

Boys' Athletics

On the 8th of November, the freshmen boys played the sophomore boys in basketball a very good game. Friday the junior-senior boys versus the freshman-sophomore boys played another good game. With Harry and Ted out of the game the junior-senior boys lost to the score of 15-13.

Monday they played again and this time the senior-junior team, with all their good players in, had things their own way, swamping the opposition 20-6, even though the younger boys put up a very stiff fight.

The boys are going to play Skykomish soon, here, in a practice game. We're all hoping it will be a good game. Watch for the announcement of the date.

Senior Play

The senior class play, Phillip For Short, given November 2, proved to be quite successful; that is, it was if everyone calls getting a large crowd and getting them to laugh real success.

The senior class took in the sum of $30.85 on the play, with which they expect to go through the year. They wish to thank the public for supporting them by coming to the play.

Betty Redmond won the box of candy for selling the most tickets.
Grado News

First and Second

Last Thursday was Kenneth Trim's birthday. He brought a cake and a box of candy to school. He put eight candles on the cake. We had a piece of cake and some candy for lunch.

Small Boy: 'Scuse me, aunt! I hate to bother you—but I really think you are sitting on a small snake I mislaid. (Written by Elsie Kain)

Seventh and Eighth

This week we had election of officers. We also elected a basketball captain, Howard Myers. On Monday the 7th and 8th grade basketball players played the freshmen, but the high school came out with an 18-13 victory.

Banking Day

Two banking days have rolled around and still our deposits are not as high as they should be. Peggy Miller showed her spirit by having the highest of grade school deposits, $1.25. Alta Funk, with $1.00, was on top of the high school deposits.

It seems that since the fog of depression has lifted, there ought to be more money around than we have been seeing, so don't forget you should have yours at school next Tuesday morning to deposit. Also, remember that this is for your own benefit.

Hard Time Dance

The Grangers next dance is to be a hard time dance; everyone is to come wearing old clothes. A prize will be given to the one who wears the oldest clothes.

This dance takes place in the Grange Hall in Duvall.

Admission: Men 25¢
Women 15¢

January 19, 1935

Como and support the Cherry Valley Grangers.

*************

Fall City Game

On December 14, the Duvall team put up a hard but unsuccessful fight against the Fall City team. Fall City is considered one of the strongest teams in the league and proved it in their game as they came out of the hard fight with the long end of the score 16-6. Although the boys lost, they gave Fall City a run for their money. They hope to prove in the coming games that the first defeat didn’t squelch their spirits.

Grade School

The Duvall grade school boys played Tolt grade school on Wednesday afternoon in the gym. Although they were defeated by the score of 19 to 8, the Duvall squad gave all they had until the final whistle blew.

More New Year's Resolves

Coach Soley—To make his boys pass and break.

Jones—To keep his blonde at any cost.

Goon—Hold that pose, boys.

Don—To be shy and retiring.

Student Body—To make lots of money.
Field Trip

The Physics class went to Toll to inspect the gauge on the Snoqualmie river on the farm of Charles Larson, who maintains it for the government geodetic survey station at Tacoma, Washington. This instrument is used for the purpose of flood control statistics compiled by the government in order that they may not have to rely on heresay or opinions of private individuals but will have records to go by.

This trip was probably one of the most interesting field trips that any Physics class in this school has ever taken.

Mr. Jenne has promised the Physics class several such interesting field trips.

Basketball

The game between Duvall and Skykomish turned out to be a sizzling affair. The two teams were pretty evenly matched and the score was close until, as the game was nearing a close, the spirited Sky quintet piled up the score to end the game with the score 40 to 22 in favor of Sky.

As it was the first game of the season the boys are not in the least bit discouraged over their defeat. They will have a better idea of their weak points and will work to strengthen them. The only mishap suffered was that in the last three minutes of play Lawrence Meyers, our veteran guard, sprained his ankle. There will probably be one or two more practice games before the season opens. Watch for them.

Duvall has just received the glad tidings that they are to be in the Snoqualmie Valley Basketball League. This is good news for the squad because in this league the schools will be more of the size of Duvall.

Girls' Game

Friday night the girls played Skykomish the first game of the year with the score of 25-6, with Duvall on the small end of the score. The girls all played a very good game, considering the number of practices—only four—that they have had. The girls worked very hard at center and also guarding, but that doesn't mean that the forwards has it easy, either. Their Miss Evelyn Langelen, but they're doing the best they can be working hard. They hope they won't have to play any more games without an opportunity for sufficient practice.

Although the girls are going to keep on practicing, they are not planning to join any league, at least this year.

Editorial

We, the English I Class, are freshmen and sophomores, the lower classes in High School. The sophomores have had practice in putting out the paper, but the freshman class hasn't done this before.

Therefore, we are trying to do our best in putting out a good paper, and we should be able to do so with our large class and all the talent that we have. I hope everybody enjoys this issue of Hi Times because we have made an honest effort to have a good paper.

**************

The following story was chosen by vote of the class as the best and was written by Margaret Toyer.

Smoke Eaters

A hazy mist of smoke and cloud hung low over the hills. A solitary figure trudged to and fro, around and around the raging demon forest fire. The flames leaped high; the smoke rose in volumes. All at once there was a loud hiss, and a long ribbon of flame leaped into the sky. The dry needles on a fir tree crackled and blazed, then died down again.

Around a large stump another dirty, dusty, sooty-eyed fire fighter came.

"How is it here?"

"Okay, Jim, she hasn't gained much headway."

"Well, hope our luck holds out. See you later." Away he went, disappearing through the smoke filled trail.

Crack! Boom! A large stump, twenty-five or thirty feet high, suddenly toppled and fell to the ground. There it is, a smoldering, smoking mass of burning wood. Tiny blazes sprang up on the trail where the small blazing particles had lit. Up came the shovel, stamping and heaving it out. The weary patroller put out the tiny flames.

Another figure loomed up out of the smoke.

"Need any help, kid?"

"No, guess not. I got 'em all out! How's your area?"

"All right. While I was resting some burning trigs fell on the other side of the fire trail. Thought of calling you but Frank came along. Okay, no."

"Good thing. Got a cigarette?"

"Uhh! here!"

"Thanks, got's tiromsome walking 'round all the time."

"Well, I'd better get back."

He turned and fought his way through the dense clouds of smoke.

The welcoming hail of relief fighters came to his ears. Gladly he laid down his shovel and gave his place to another, and with no regret in his eyes he slowly went to the ranch for food and rest.

**************

Candy Sale

The Student Association candy sale last Friday night at the basketball game netted $3.50. All the candy brought was sold. Let's have more of the students do their part and bring candy next time. The seniors were in charge this time; at the next game another class will be appointed to handle the selling.

We have a new girl in our room, Virginia Ford.

Seventh and Eighth

In our noon we have a new student who came from Chicago, name is Richard Ford. We are glad to have him with us.

None seems glad that we are here. The weather is very wet.

Thursday, and we do chalk until then. We all hope

Banking News

There was slight increase in deposits this week over Nov. 20.

A person should realize that a bank affords a safe and moderately profitable means of investing small savings. It encourages persons of moderate incomes to form habits of thrift by giving a return on savings in the form of interest.

The student and parent should realize the necessity of such a habit. A good habit is just as hard to break as a poor habit.

SAYS NOW!!!

Peggy Miller was high depositor for the grade school, and Hortense Rivers was high for the high school.

***************

Science Club

Mr. Jenne, the sponsor of the Science Club, called a meeting for last Thursday. A committee was elected to meet with Mr. Jenne to draw up a constitution for the club. A meeting was called Monday, November 20, and the officers of the club were elected. The president was required to have had two years of science.

Otis Irna, who was elected president; Edna Anderson, vice-president; and William Carlson, secretory-treasurer. A membership committee was appointed whose work is to interest and encourage new members. The program committee is to secure outside speakers for the monthly meetings and to arrange for reports from the members.

The purpose of this club is to let the members satisfy their curiosity in matters of science by performing experiments and investigating some subject in which they are interested.

***************
Tuesday, November 30, the doctor and nurse from the County Health Office were here to give the inoculation for diphtheria. About twenty-five children were inoculated including outside children who were under school age, and several of the teachers.

The inoculation immunizes for life and has done much in the prevention of diphtheria. In the city schools the pupils have to be inoculated or else kept out of school, but it was not made compulsory here.

On December 7, the S. A. A. meeting was called to order by the president. Minutes were read and approved. We discussed the need for money to finance basketball and decided to continue the candy sales. Donald McCallum read his letter of thanks to Billy Ellis, as Billy made a cork which Donald was appointed to make.

We drew names for Christmas gifts, and the sophomores continued with a delightful program, consisting of a musical selection by Cheo, Floyd and Gerald, and a humorous one-act playlet by Florence and Mary. The Christmas play was scheduled as the program for our next meeting, and the meeting adjourned.

************

Monroe-Duvall Basketball Game

Thursday, Dec. 6, the Duvall basketball team skipped down to Monroe for a practice game. Although they came out on the short end of a 27-19 score they played very good ball. Skykomish beat Duvall 40-22 while Monroe beat Skykomish 12-11. This proves that Duvall has improved very much since the Skykomish game, and should be ready to go when the season opens Dec. 14, with Fall City.

Coming

Remember to save the date, December 14. Come to the game to see the fight between Duvall and Fall City in the first scheduled game of the season.

Bring your nickels and dimes for the candy the junior class will sell for the benefit of the Student Association.

Prices: Children 10¢ Adults 20¢

At 7:30 o'clock

Come and support your High School Team

Double Header

************

Christmas Greetings from Hi Times
Science Club

Individual interest, effort and initiative on the part of its members will spell success or failure to the newly formed Science Club. Reading and browsing in science literature in the school library and elsewhere will help the student discover the special phase of science in which he would like to experiment and study. A tentative selection should be made immediately so that work can commence. The biggest handicap will be found in the cost of apparatus and supplies for experimental work. However, much apparatus can be improvised, and much interesting work can be done at no cost, so the problem of expense need not frighten members unduly.

Students who are interested will start nature collections. Others will experiment in chemistry while still others may try to satisfy their curiosity in force and motion, heat, light, or electricity.

**************

Clinic

On Wednesday, the 5th of December, the school was used by the W.E.R.A. for the examination of the children of families under its supervision.

Approximately 50 children, coming from Duvall, Tolt, Fall City, Snoqualmie, and North Bend, were examined for medical and dental defects. Work that is needed to be done by the doctor or dentist will be taken care of at a later date.

This clinic and service is a great boon to the citizens of this valley; as the children are thus given the care they need.

Two nurses assisted the doctors in the examination, the doctors in charge being Dr. Yowell and Dr. Pfeffer.

**************

Grade News

Fifth-Sixth

The fifth grade students are studying fractions now. They are getting along quite well. The whole room is writing original Christmas plays. We shall choose the four best and dramatize them for the third and fourth grades. We are also making Christmas pictures.

A Joke

Mary Jane Miller

Third-Fourth

We have been having lots of fun making Christmas presents. We have made tooth brush holders, a rack for pot holders, jumping jacks and coat hangers.

Editorial

Come on, students, the last stretch of our race is at hand, and we want every one to add a successful finish to the first semester. Why not put all we can into our work as we get out of it no more than we put in?

We also should show our interest in our Student Association by turning out to all the games—let's have some co-operation this Friday night and have you show your colors by attending the first league game of the year, which we hope will be a victory for Duvall.

*************

A Visitor

Friday, the seventh, Mr. Cole, Professor of Education at the University of Washington, honored us by a visit.

He visited various classes in the morning; and in the public speaking class paid a few compliments of which we were duly proud, besides making comments and giving us some sound advice pertaining to the work at hand.

*************

Banking Day

Everyone must be doing his Christmas shopping, judging from the fact that not one person deposited any money this week.

Christmas over, we shall count on New Years' resolutions to begin the habit of saving and so send the deposits up again.

*************

Untidy Desks

This week there is a war on untidy desks; in other words, this is the week that the students are to take extra precautions against leaving things on their desks when they are not sitting at them. Mr. Solcy has kept a list of the students who don't clean off their desks. The ones with two or more offences are as follows: Maud V., Mary, Floyd, Otis, Karst, and Joyce. The ones who have offended only once are: Margaret S., Alta, Wilfred; Gerald, Victor, Bill E., Bill R., Ethel, Hortense, Lawrence, and Clarence.

*************

Christmas Party

Tuesday night the girls of the high school made merry at their club party, held at the home of Miss Peltier.

Various games tested the girls' ability as conversationalists, contortionists, detectives, in charades, and in the keenness of their sense of smell. Vera Ellis won two prizes, and Miss Peltier and Miss Patterson one each.

Refreshments were served in buffet style from a table decorated in the Christmas motif. The closing event of the evening was the distribution of gifts from the lighted Christmas tree.

Alta was in charge of the entertainment and Cleo the refreshments.

The Civic Club is going to gather up all the old newspapers and magazines and sell them. All persons with extra magazines and papers please let Mrs. Roney know and put them on their front porches. They will be collected either Monday or Tuesday.

***************
Fall City Victorious Over Local Baskeeteams

The home hoopsters tried mightily to uphold the Duvall traditions Tuesday night at Fall City and they played a marvelous game, but they were against that is rated one of the fastest teams in this league. The boys did remarkably well in the game with the Fall City team, which is, in this writer's humble opinion, one of the best in sportsmanship, as well as ability, in the league.

Jack Fromer was the high point man of the local quintet, scoring six points of the total score. Broneman was the opponent's high point man, having eight points to his credit. The Fall City boys also took the preliminary game.

------------

Banking News

--- For the last two weeks Alta Bank has had the highest deposits. The number of depositors is still not what it should be. Surely there are more of you students "in the money" than those who are banking. All of you should use enough energy better to remember to bring your pennies to us. It's a good investment. The time is still every Tuesday running between 8:30 and 4.

Big DOUBLE HEADER Basketball Game

DUVALL vs NOQUALMIA

Tonight, January 25 in the gym at 7:30

Adults--20¢
Children--10¢

The candy sale is in charge of the freshmen

Don't miss this game. It will be played flood or no flood.
**High School**

**Honor Roll—Second Quarter**

Of a total enrollment of 48 students in high school, 13 made the Honor Roll during the second quarter. They are:

Vernon Larsen  
Ivan Gustafson  
Joyce Ellsworth  
Lillian Carlson  
Margaret Schefer  
Ethel Schuler  
Kathleen McMahon  
Ted Spoelstra  
Vera Ellis  
Chester Olson  
Esther Arp  
Lilly Taylor  
Maude Anderson

By classes there were 3 freshmen, 4 sophomores, 5 juniors, and 1 senior. Nearly 30% of the enrollment made the Honor Roll, a very good showing.

**Senior News**

The seniors have been in deep thought lately as to what kind of announcements and name cards they will get, and have sent for more samples from different companies for more variety.

Also, the girls have been discussing the materials for dresses for Commencement.

**Just Imagine**

The Goon being "High Point Man" in a basketball game.  
Kurt Antony Brandsma paying his dues.  
Don being really clever.

---

**Tolt-Duvall Hoop Tilt**

Friday, January 18, the Tolt quintet came down and played the Duvall five in Duvall's own backyard.

Duvall made the best showing of the season and for a while it looked as if they might turn the tide, but Tolt's strong defense proved too much for them and Tolt came out on the long end of a 22-9 score. Outstanding for Duvall were Floyd, Jack and Lawrence while Tolt's outstanding player was Harry Young.

**Duvall—Tahoma Debate**

On Thursday, January 17, Duvall debaters, Nellie Trim and Ethel Schuler accompanied by Miss Patterson, Lilly Taylor and Ted Spoelstra who drove, made the precarious journey through the snow to Tahoma High School to match their wits against those of the Tahoma team.

Both teams put up a good argument, and the cross-questioning was lively. However, when Professor Windesheim, the judge, gave his decision he said that Tahoma had a slight edge over the Duvall contestants; and, therefore, to Tahoma went the victory.

The next debate is with Issaquah here on Monday afternoon, January 28, at 2:30 p.m. In this we will take the affirmative, which seems to have the stronger case.

Lilly Taylor and Ethel Schuler will be the team for the first debate. We wish you luck, team.

Jake, the barber: "Haven't I shaved you before, sir?"
Chetty: "No, I got that scar in France."

Mr. Soley: "Bertil, come up here and give me what you've got in your mouth."
Chetty: "I wish I could—it's the tooth-ache."

---

90
News Broadcast

The X V I broadcast of school news has been discontinued, but will be continued next fall if enough interest and encouragement are shown.

We have expressed our wishes to the company on cards sent to us for that purpose.

We wish to encourage this broadcast as it not only gives other folks an idea as to what we are doing but it helps advertise our activities to other schools.

***************

Ping Pong

A new activity has entered into the lives of the students, and has captured everyone. Ping Pong is a game for a he-man? We'd have you look at our brawny athletes in hot competition at—Ping Pong. Through Gerald Funk's kindness we are able to have this sport, because it is his equipment that we are using.

At noon; before school, or after school, Mr. Soley's room is the scene of the sport.

Who can tell; maybe, some day, the world's greatest Ping Pong player will be from Duvall High School.

***************

Town Team Victorious

Last Friday night the Duvall town team played a return game with Secas Roebuck. This time the game was played on the latter's home floor. Duvall won but not by such a wide margin as before. The final score was 23-22, in Duvall's favor.

The players were: Pickering, center; Morcrocu, guard; Trim, forward; Michelson, forward; and Schmidt and Bourke, guards.

Engstrom, of the high school, went along and substituted.

Good work, team.

Editorial

We say spring is coming, despite the fact that we have had a few snowfalls. We are anxiously looking forward to the spring vacation, which will be here within a very few weeks. However, we are not expecting to see the decrease in attendance which we had after our other vacation. Guard your health, fellow students and don't let these expectations crash!

***************

Duvall Wins Smashing Victory

In the most spectacular and exciting game of the season, the Duvall Varsity gave Skykomish a thorough trouncing. The first quarter ended with Sky in the lead of a 12 to 4 score. The local boys, undaunted, followed this by rallying to a score of 12 to 12 at the half. The Duvall hoopsters shot points from every angle to WIN the game with the score of 29 to 22. This is a much larger margin than was registered in the final game of last season—23 to 29—with Duvall also winning.

Duvall Points: Skykomish Points

Engstrom—5—C.—Nutson—7—
McCallum—6—F.—Hines—5—

**Announcement**

The Science Club will hold a meeting on Tuesday, the twelfth, in the school laboratory. All members are urged to attend. Refreshments will be served.

Better to have loved and lost than to have won and then be bossed says the school critic.

---

**Declamation**

The winners of the grade school declamations contest were: oratorical, Mildred Doughty; dramatic, Elsie Kain; and humorous, Martha Wiederrecht.

Mae Redmond and Lilly Taylor will represent the high school in the humorous and oratorical divisions.
HEAR YE!  

The town crier now wishes to take the opportunity to announce the biggest and last game of the season. It will take place on the home floor February 15 in the year of our Lord 1935 at 7:30 o'clock.

This game will be the most interesting game of the season (I hope to scribble it will—Ed.) as the boys have a little controversy to settle that started at the last game with this squad, which beat them by a wide margin. On their home floor the boys hope to make a better showing.

The local five are in the pink of condition and wish to see you all there at the game.

Don't forget: It's the last chance to see the Duvall boys play.

Yo Town Crier and Dog Catcher

P. S. There will be a candy sale, too.

Tolt Game

Tonight the Duvall hoopsters journey to Tolt for their second engagement with that team. A few student rooters will accompany the team there.

*************

Debate Season Closes

In the debate with Issaquah Monday afternoon, January 28, the decision, though close was against us. But, not disheartened, the team went to work again and, yesterday, finally realized the reward for all their hard work with a win over Foster in the last debate of the season. Lilly Taylor was the main speaker and Ethel Schuler the rebuttal speaker. Nellie Trim, Margaret Toyer, Alta Funk and Miss Potter accompanied the party.

Those who have worked on the squad feel that the activity has been very worthwhile, affording training in public speaking and learning to think on one's feet that is invaluable. More students should enter this activity in the future.

*************
"Scraps from the Waste-paper Basket"

Route 1
Monroe, Wash.
We listened to the discussion in the house until after twelve o'clock and then left before they had adjourned.

S-Club 39
Oxford, Florida

Dear Sir:

We are two lonely twin brothers. Ronald and Donald are our names. We were 21 last summer, and our object in writing to you is matrimonial problems. We are sons of a wealthy farmer, as, indeed, all the rooms in cattle owner in this community. We have been told by people that we are handsome. We crave correspondence with young folks of our age.

We will gladly exchange snapshots with your clients. We are of Norwegian descent and are very healthy.

Expectantly yours,

Ronald and Donald McCallum

Olympia

Leaving Duvall last Friday morning shortly after six o'clock, we arrived at the capitol building about nine-thirty. The group, nineteen in all, finally assembled, and, led by Mr. Dimmit, the high school inspector who invited us to make the trip, went into the senate gallery to watch the proceedings.

We sat down and listened to them for some time, and were amused as well as surprised to see how informal they were while the business was being carried on, some reading newspapers or chatting with their neighbors and seemingly paying little attention to the progress of the meeting.

Shortly after Mr. Maxwell, our senator, announced us we left for the house.
Grade News

Seventh and Eighth

We are sorry to lose one of the seventh grade pupils, Richard Fox. He left for his home in Chicago Monday night. On Friday afternoon Richard gave us a talk on the World's Fair and on the city of Chicago.

Fifth and Sixth

We were very happy to get the hour off last month for having the best attendance.

We are very sorry to have Virginia Fox leave us.

We made some new bird houses from tin cans and limbs of trees.

Anthony Vanhulle made the best one.

The fifth grade traced the growth of the United States through outlines and maps.

—Josephine Hart

Third and Fourth

The fourth graders have made some relief maps of North America. The third graders are just finishing their study of the Eskimos.

First and Second

The second grade wrote letters to Donald. We had a letter from him.

We are making valentines. Next Thursday we are going to have a valentine party.

---Bernice Vanhulle

Duvall—Snoqualmie Mix

The local boys were playing a marvelous game Friday night, January 25, when the inquiring reporter stepped in to watch the battle for a while.

The boys played through the entire game without a substitution, another fact for which I think the quintet should be commended; and no one went out on fouls in this game, either.

Ted Spoelstra was high point man in this encounter with 4 points to his credit; William and McBane were the high point men of the opposing team, having 6 points each to their credit.

The line up was as follows:

Snoqualmie       Duvall
McBane           RF     McCallum
D William        LF     Larsen
Blood            C      Engstrom
Phelps           RG     Fromer
Bothell          LG     Spoelstra

The substitutions were: Emrich, William, both of Snoqualmie.

The preliminary game was also lost by the local five.

***********

Seen Off and On

(At the capital)

Police making good use of the capital's spittors.

Jones changing from one blonde to another.

Lilly flirting with the garage man.

Mr. Brown's shortcuts.

Alta getting shaking knees from climbing to the dome.

Vera blushing as the governor tipped her back in his chair.

Kerst (among others) initialing the capitol dome.

Esther getting up early for once.

(Around school)

Miller escorting Cleo to school.

The boys out for baseball.

The averages on the typing chart creeping up.

A group of English II students down to see "Anne of Green Gables."
Change in Classes

There has been a change in subjects at the beginning of the second semester. Both the English classes are studying literature; United States government takes the place of United States history; and vocational civics is now being given instead of community civics.

Student Association

The girls' club entertained at the last meeting with a program.
This rollicking story is of a YOUNG BUSINESS man, John Randolph, who for two years has been corresponding with a girl Ann Gregory, whose address he got from a shipment of merchandise into his shop. The action begins on the day when Ann is expected to arrive. Some of John's friends concoct a scheme to keep the lovers apart but they only succeed in getting themselves all mixed up. The fact that it is election day and John's father is running for mayor is another peg to hang the mix-up on.

Grade News

Seventh and Eighth

We received our report cards last Wednesday. The following were on the honor roll:

Eighth
1st Mildred Doughty 1st Bobby Rosen
2d Jenny Brown 2d Bessie Trim
3d Eric Carlson 3d Roy Gustafson
4th Krank Toyer 4th Lyle Mac
5th Duane Jacobs

---Bobby Rosen---

Fifth and Sixth

Honor Roll
Sixth
Martha Wiederrecht Noah Brown
Elsie Rain Daisy Franke
June Spurling Geraldine Schessler
Lucille Colson

Fifth
Mary Jane Miller has returned from her siege of whooping cough.

Third and Fourth

Everyone has come back to school now. We had perfect attendance yesterday for the first time since Christmas.

We've started working on our spring program.

First and Second

Dear Donald:

We had the hour off last week. We went for a walk. We looked for frog eggs but we could not find any. David K. brought some pollivogs for us. We are going to leave them in school until they hatch into frogs.

Your friend
Bernice

Students Meet

At the meeting of the Student Association on February 21, the meeting was called to order, the minutes were read and the financial report was given. Mr. Soley gave a report about the smoker which is to be given in the near future.

Esther was in charge of the program which consisted of a number of reports on books and magazines. The following students gave reports: Maude Verschaeve, a report on the magazine American Forest; Otis Hanstadon the Book of Operas; Margaret Toyer on Moby Dick and The Scarlet Letter; Robert Miller on Jim Davis; Carl Rosen on the magazines Forum and Readers' Digest; and Lilly Taylor on Finding A Job.

The program, planned to create interest in the books and magazines of the school, was enjoyed by all that attended, and proved beneficial as well.

***************

Spring Vacation

Everyone is looking forward to that week of vacation, for it means a whole week with no studies to bother us and a chance to do with it what we please.

But there are still two weeks before this delightful occasion, and in those two weeks we will have to, and are working as hard as we can to get ready for the vacation.

Here's hoping that everybody will have a good time and get over the Spring fever, so that everyone will be able to buckle down to work when he gets back.

Grade School News

Seventh and Eighth

Last Thursday and Friday the eighth graders took examinations in spelling and geography. They all passed with good grades. Those are the examinations sent out by the state.

Monday there were only 19 students in our room. In the afternoon we played a geography game and made original designs out of colored paper.

Fifth and Sixth

The sixth grade made snow scenes. They are also making bird houses. Noek, Martha and Elsie drew birds on the blackboard.

Mary Jane has been absent. We hope she will get well soon.

We have organized a club; Martha is the president.

—Daisy Rranke

Third and Fourth

The third graders are studying about Eskimos so we built an igloo in the snow. We are also cutting out things for an Eskimo booklet.

The fourth graders are learning long division.

First and Second

The second graders have not readers. We are making a black Scambo poster. We made some snow flakes for our windows. They are falling off now.

—Johnny

Junior Class

Tryout for the junior class play was held Thursday. It looks as if the juniors are really serious about this play business. Mr. Soley, junior class advisor, will turn dramatic and coach the performance. Rehearsals will begin immediately upon the arrival of the books, which should be in the very near future.

If the cast encounters no unforeseen complications the show will go on during the first of March. It is something to look forward to so watch your HI TIMES for further announcements.

North Bend Game

The North Bend High School gave the basketball team a good work out at North Bend, Friday night, January 18, and the local color did a bang up job of playing, considering everything that happened, as you have probably heard. North Bend kept the lead during the entire game and emerged with the victory.

Francys of North Bend was the high point man in scoring for them; McCallum and Engstrom divided the honors in scoring for Duvall, Engstrom making a spectacular shot from the side of the floor with one of those hard hook shots that he has been practicing. The first team line-up was as follows:

North Bend

Francys----------RT----------Larsen

McCallum--------Le----------Engstrom

Scott-----------G----------Nelson

Welther----------Ed----------Fromer

Subs: Cocklo N. B. Gevings and Spoelstra, Duvall.

In the preliminary game North Bend also emerged with the victory.

Soon Off and On

Maud Versachoeve with the Hives.

Correspondence Courtship

The Junior Class play, "Correspondence Courtship", was such a hit with the home folks that it will be introduced again at Tolt on April 5.

The play was a huge success and the returns from the second showing of it will go to swell our much flattened Student Association fund. Persons who missed the play here are advised to see it at Tolt as it is well worth their money.

The Juniors didn't know they had such a talented class, but maybe it isn't what, maybe it is Coach Soley's coaching and the pride and faith he has in the Junior Class that urged them on to what is called a smashing "Hit". Anyway, the Juniors take this opportunity to thank Mr. Soley for his splendid help in putting over the Junior Class Play.

Science Club

On March twelfth, sixth period, the meeting of the Science Club was called to order the the minutes were read and approved.

It was decided that we charge members only ten cents to join instead of paying monthly dues. Our program consisted of a report from Floyd on "A Unique Terrarium and Aquarium". Mr. Janne showed us an example of the law of moments of the pendulum. He also gave a short talk on each of the different things we could work on during our spare time in connection with the Science Club. Miss Feltier gave suggestions on different collections and other hobbies that the girls might be interested. She also gave some suggestions for boys' hobbies.

The meeting was a very interesting one, and the Science Club hopes other people in the high school will join.

Party

We are all looking forward to the party to be given by the English II class. It is going to be on the twenty-second in the gym at eight o'clock.

There will be good entertainment and an excellent lunch prepared by the sophomores and freshmen. The sophomores and freshmen invite the juniors and seniors and the faculty. Parents are also welcome.

I

Some people work their way upward,
Others care not where they roam,
They drift from one place to another,
With neither a name nor a home.

II

Now if you care to be someone;
Tackle your work with a smile,
And all the burdens will vanish;
And you'll be happy all the alike.

(Who'll give us some more poetry?)

New Books on Hobbies

The school has added to its library a few new books which should be of great interest to some of the pupils who do not know that to do with some of their leisure time.

These very informative books give many of the hobbies which are now available in this good old world of ours, and give a very good self analysis, that is, they have a section in one of the books which deals expressly with the kind of hobby and what a certain type of person would like to do in his leisure time. It explains that every person needs a hobby, whether he works hard for a living or not. A hobby is one way to get rid of or work out some of the surplus dreams and ambitions that have never had a chance to materialize.

Seen: Goon outperforming everyone in P. E.

Spring Program

Since spring vacation is due, the faculty has decided to give a program in which the whole school will take part. This program is to be given on Friday, March 22, beginning at 2 o'clock. The entertainment offers a variety of songs, plays, recitations, dances, and tumbling acts. There is one play by the first and second grades; the third and fourth grades are giving three acts, also three acts by the fifth and sixth grades, and four acts put on by the seventh and eighth, with two acts put on by the high school. The whole sounds like a very interesting afternoon of entertainment.

Dear Father: Please send me a cheque;
I fell into last night with a cheque;
What little I knew
Didn't carry me threw;
And I got it, alas, in the sequel.

Spring Vacation

Students and teachers are in good spirits as the long anticipated spring vacation has at last arrived. Everyone has been working hard with studies with the thought of a week of rest in mind.

The vacation begins March twenty-third and lasts nine days which will go too fast to students who are tired of school.

It will be likely be spent in a great variety of ways. Some will be out of doors playing, gardening, and hiking. Others will be indoors, sewing, sweeping, and doing other housework. Regardless of how the time is spent, it will be a rest and will be greatly appreciated by all.

The teachers as well as the students will welcome a vacation. After toiling and struggling with a group of impatient, impulsive youngsters, with perhaps a touch of spring fever in their blood, they certainly deserve a vacation.

The purpose of a vacation in the spring is not only to give a rest from school, but also to make us appreciate it more when we return.

Grade School News

Seventh and Eighth

The Ladies Auxiliary of the Renton-Pickering Post, American Legion, sent us a card asking us if we wanted to submit some essays on "The Duties of a Good American Citizen". We sent them essays written by Mildred Doughty, Eric Carlson, Kathryn Spoolstra, Roy Allsop, and Alice Carlson.

---Bobby Rosen

Fifth and Sixth

We finished our silhouettes. Bill is calculating our boards.

We are having a school play, "The Proud Princess", in the gym at 2 o'clock, March 22, 1935.

Third and Fourth

We have a new girl in the fourth grade. Her name is June "right. She comes from Brown Station.

First and Second

The first grade have new readers. They made circus posters. The second grade made gingerbread costumes for the play.

---David Knittle

Basketball News

The boys played a dandy brand of ball in the game with Monroe Wednesday night, March 20. The score was 19-13, with Duvall on the long end. This ends the basketball season with two successive games to our credit.

Smoker!

Boxing
Wrestling
Jujutsu

Duvall High School Gym
Friday, April 26, at 8:00 P.M.

The people of Duvall and surrounding country have the opportunity
of seeing the best boxing and wrestling show ever staged here.

The committee is working fast to line up real talent. Boys from
Tolt, Duvall, Rosen's farm, Unger's farm are on the card; and Otis
Hanstad is now corresponding with Officer Jorgensen of the Seattle
Police Department to demonstrate Jujutsu. Come and see Otis tie in
knots, flipped in the air and ready for the handcuffs.

Really, Fans, don't fail to see this show. What I mean, it will
be a show. Being at the ring-side is better than hearing about it.

Just Look at This Card of Events——

Peder Ronnie vs. Nick Strompede
"Goon" Funk vs. "Long Legs"
Ellis
Vernon Larsen vs. Robert Miller and many others as: Floyd
Engstrom, Bertil "Swede" Berg, Bill "Wildcat" Lupo, Alex "Dynamite"
Stokes, Frank "Rough-house" Toyer, Howard "Bull" Myers and numerous
others.

Anyone wishing to enter this smoker or have word of any good bouts
should get in touch with the committee. The committee—Otis Hanstad,
Jack Jones, Ted Spoolstra, Wilford Ueving, Vernon Larsen, Harry
Jacobsen, Ivan Gustafson, and Mr. Soley.

Big Juicy Hamburgers will be sold. Bring that extra Dime.
Come early for the good seats, but come, anyway.

Admission
15¢ 25¢

Declamation

The county declamation contest was held in Bothell last Thursday
night. Here the entrants from the three divisions of the county
competed for final honors. As a part of the program, the junior high
school orchestra played several numbers. Several students from this
school attended.

The banners were awarded as follows: Richmond Beach, oratorical;
North Bend, humorous, and Vashon, dramatic. Lilly Taylor placed third
in the oratorical.
Grade Items

Fifth and Sixth

We are very glad to have
Geradine and Hazel Splattstoesser in our room.
We had a track meet last Thursday.
We were very glad to have Kate Crawford visit our room. She gave a talk on her school in Seattle.
The sixth grade made product maps.
We are sorry that Joyce Barker and Irene Vanhulle have to stay at home.

Original poems — Sixth Grade

Winter Time

Late lies the wintry sun abed,
A frosty fiery sleepy-head,
Blinks but an hour or two and
then she goes back to sleep again.
—Ruth Carlson

Spring

Spring is near,
The birds are here;
Skies of azure blue
Plants and trees
Birds and bees
Colors of every hue.
—Junior Holcombe

Third and Fourth

We have been having lots of fun stuffing Easter Bunnies.
Friday we are going to dye eggs.
The third grade readers taught us how to make a Japanese kite. We made six of them and now we are waiting for a windy day to test them.

First and Second

David Knittle had a birthday last Wednesday. He brought a big cake and some candles to school.
Each of us had a piece of cake for lunch. David was eight years old.
—Bernice Vanhulle

Special Levy Election, April 27

A public hearing on the 1935-6 School Budget was held Wednesday evening at the high school. The meeting was fairly well attended by leading citizens and taxpayers of town and community.

At this meeting the Budget was explained and discussed and in connection with it, the question of transferring the high school to Monroe or Bothell was considered. A report showing the financial aspect of the proposal was made.

Sentiment was divided for and against discontinuing our high school in the future, but in view of the fact that this district would lose financially by transferring its high school to Monroe or Bothell at this time; a resolution was carried unanimously to maintain the high school for another year. Meanwhile it is thought that more favorable negotiations can be made for a future transfer, if the people so desire.

The proposed Budget of $16,098 is approximately the same as last year's, but instead of a 5 mill excess levy, necessary last year, the Directors are asking for only 3 mills which will be sufficient to raise this amount since the state appropriation has been increased from 22¢ to 22½ per pupil day.

As for extra levy needed, it is interesting to note that under the best offer that now exists for a high school transfer agreement, where a 3 mill extra levy is now called for, a 5 mill levy would be needed to run our elementary school in future years. This is so for two reasons. In the first place, the absence of the high school would not greatly reduce the total cost because the overhead costs remain about the same. Secondly, the district would lose 3½ mills of its 10 allowed. These 3½ mills would go into the State Non High School Fund.

(Continued on the last page)
The P. I. plant, which interested the students very much, was visited last, the sight of the huge press, turning out the complete papers, even neatly folded, providing a thrilling climax.

We then departed for home, plum tuckered out, but feeling that we had spent a most profitable day.

Said one student, voicing the opinion of the others, "On one of those trips I learn as much or more than studying a whole book in the ordinary way."

Special Levy Election--Cont.

There was practically unanimous approval of the budget as proposed. A fine cooperative spirit prevailed throughout the meeting, and it was plainly evident that the people were unwilling to let the educational facilities of their community’s children suffer impairment by failure to pass a 5 mil excess levy April 27.

Superintendent: C. F. Johne
Front row: Vera Ellis, Nellie Trim, Evelyn Larson, Clara Hammerquist, Lillie Taylor, Miss Peterson
Back row: Ted Spoelstra, Chester Olson, Carl Rosene, Bertle Berg (Eggstrom), Clarence Somers
In back: Bill McCormick, custodian
Ted Spoelstra's valedictory speech of 1936 gives us a thoughtful insight into the times:

"Tonight our high school careers are finished. To you, perhaps, it is just another commencement program. For us, it is one of the few really crucial points of our lives. Up to this time, we have been treated as adolescents. have led a more or less relaxed and protected life, but now we shall be thrown upon our own resources, to make of our lives what we can. The school has done its part in preparing us, giving us a background of a business and vocational nature, as well as in cultural lines, in order that we may be a success in our life work, and also enjoy the finer things of life.

"We, the Class of 1936, wish to express our appreciation to those who have made our school days possible, to the taxpayers who support our educational system, to our parents, who have made countless sacrifices to put us through, especially do we thank the teachers, who, throughout the entire twelve years of our schooling have taught us, helped us in our difficulties and have been our guiding hand throughout; and lastly we wish to thank the God who has given us this world of opportunity in which to live.

"Although we have done our share of procrastinating, still, as a class we have worked fairly hard, and what we have gotten out of our schooling will be a lasting influence on our future. Although the school has played a definite part in the molding of our characters, still we realize that our education has only begun, and whether we go on to schools of higher learning or not, our education will continue through reading, observation and experience. Certainly the desirable thing would be that everyone attend some college or vocational school, for of knowledge Franklin has said, 'If a man empties his purse into his head, no one can take it from him. An investment in knowledge always pays the best interest.' But, due to the depression the great majority of those graduating from high schools are not able to go on. This makes it a greater challenge than ever to the individual to fight for his place in society and an even greater honor to succeed. The challenge to the youth of today is greater than ever before, and one must put forth more effort than ever to achieve success. There are about a million and a quarter students graduating from high schools this year, and of this vast number, but comparatively few go on to college, and a very few others will be absorbed by industry, and what the rest will do is one of the major problems confronting the country at the present time. The outlook today, perhaps is somewhat better than it has been, still it is far from a rosy future which we have to look forward to, and it is going to take the utmost of effort and concentration on our part to make successes of our lives.

"That there is something seriously amiss is only too evident. Potentially our country is one of the richest in the world, and certainly if things were properly distributed, everyone could live a life of comfort, but there lies the trouble. Machinery has taken the place of man. Our problem today is to develop new fields of work, for it is generally known that private industry will never be able to absorb all the unemployed, and the army of unemployed becomes greater every year. It is probable that some of these fields of work will have to be developed in the expansion of public services, in the lines of health, recreation, education and the finer arts. This crisis which confronts us is our problem, and one on which the people of the country at large must take definite action. Especially is this the problem of youth, for our lives are still before us. Up to this time we have not been particularly concerned, but during the past few months, we have come to realize that we must take an active part in the life of organized society, and not lean back and say, 'let the other fellow do it.' We must learn not to evade life's problems, but to face them as we meet them with the courage and patience that is necessary to succeed.

"In parting, the Class of '36 wishes to convey their best wishes to the underclassmen, especially the Juniors who will take our places next year. We shall never forget our happy days in school, and may we preserve the friendships we have formed. We have worked and played together, but the time of parting comes inevitably.

"Classmates, at times misfortune may beset our pathway, but let us have courage to maintain our ideals. Our parting thought may be expressed in the words of Babcock:

Be strong! We are not here to play, to dream, to drift; We have hard work to do and loads to lift; Shun not the struggle--face it; 'tis God's gift Be strong! Be strong! It matters no how deep intrenched the wrong, How hard the battle goes, the day how long; Faint not--fight on! Tomorrow comes the song.
SCHOOL BEGINS AGAIN

Those students--and teachers, also--who looked forward to the opening of school on Sept. 4 with dire forbdings, have found it not so bad after all. Like the swimmer trying to get wet, we find that the contemplation of the ordeal is more serious than the actual experience. Life is that way. While we like to be free from routine, we all recognize the necessity of well formed habit and routine in successful living.

Crowded classroom conditions have been eliminated by the use of one of the elementary schoolrooms by Miss Patterson's classes. New tables, new floors, and new varnish throughout the buildings add much to the attractiveness of the surroundings. New lockers will be built for the gym, and sanitation will be improved by the clearing of floor space.

The high school enrollment has increased slightly over last year's while the grammar grades show a slight decline due to the retention of two additional grades by Novetly school.

Some interesting events are on the school calendar for this year. Among them will be the annual Freshman versus Sophomore Supremacy Contest on Sept. 13, the Senior play on Nov. 6, a Christmas Cantata, a good schedule of basketball games, Junior play April 2, and others to be announced.---Mr. Jenne

WELCOME, FRESHMEN!

The three upper classes of the high school wish to take this opportunity to welcome the twelve new freshmen into their midst. You, freshmen, have experienced quite a change upon your entrance into high school from what you have probably been used to in the elementary grades, and you may have found it a little difficult at first. However, we feel sure you will soon adapt yourselves to the new routine of changing classrooms and more dependence upon yourselves in getting your studies in comparative ease, and we hope you will enter heartily into all school activities with a good will and succeed in all your undertakings here.

TEACHERS' STAFF

Miss Wilson is one of our new teachers and we hope she will enjoy teaching in our first, second, and third grades. Miss Bonlie has the fourth, fifth and sixth grades, and Miss Poyhonen presides in the seventh and eighth grades.

In the High School Mr. Jenne is the superintendent and principal and Mr. Adams the new commercial teacher, who we sincerely hope will like to work with us. Miss Peltier and Miss Patterson complete the staff.
The primary room had a real porcupine to study last week. The children were interested in finding out how it used its quills in protecting itself and why its teeth were so long. They drew pictures of it and read stories. The second graders make a newspaper of their own each day. The third grade has a new boy all the way from Pennsylvania. His name is Billy Douglas. Some of the third graders made an interesting project in the sand-table. It is a water festival as seen by David Juene at Coupeville last summer.

The sixth grade is going to make maps for geography. We have new geography books and new language work books. For art we are going to make silhouettes. There are twenty-four pupils in our room. We have two new pupils, Christina and Walter Thompson.

There are 29 students in our room, 12 in the 7th grade and 17 in the eighth. We are happy to have a new pupil, Virginia Batton. At our club meeting Frank Toyer was elected president, Besse Trim vice-president, and Mae Spoolstra secretary.

The only activities the girls are participating in at the present time are tennis and baseball. If the tennis players were on the team for the Olympic Games they couldn't practice harder. (See next column)

If you are interested in baseball, come out to the baseball diamond on Tuesdays and Thursdays. We have a pitcher that could compete with Dizzy Dean's sister. Baseball will be played as long as the weather reports "fair".

The boys, under the direction of Mr. Adams, have been working on the baseball diamond to get it ready for a season of softball. The boys have made a "dandy" backstop and home plate along with three freshly painted bases. The softball season will start immediately, among intermural teams, and terminate in October.

When this is over basketball will start. We are all looking forward to an interesting basketball season because we have dropped from the league and are going to arrange our own league with teams more our size.

We shall have more games in other sports, too, now that we have some new equipment bought by the high school.

REPORTERS English V Class

The editor, assistant editor and advertising solicitors for this first issue of the paper, which will be printed every other week, were elected by the English V class. With a better grade of paper being used and care in gathering and assembling our news, we hope to have a more attractive paper.

EDITORIAL

How's about making our new year a red letter one, students? Let's surprise our worthy instructors and get down to business right off. Also, let's see if we can't abide by the laws of this institution and be the orderly, studious and conscientious scholars we were cut out to be; as we all know, or should now, that schools have been built for the purpose of absorbing knowledge instead of a place to display our talents as wise-crackers and performers of nonsensical antics.

STUDENT ASSOCIATION

The first student association meeting of the year will be held next Monday, at which the activities of the year will be discussed and planned.

Officers, elected last spring are: president, Ted Speelstra; vice-president, Don McDowell; secretary, Cleo Michalson; and treasurer, Carl Rozor.

STUDENT ASSOCIATION MEETING

The first meeting of the year will be held next Monday, at which the activities of the year will be discussed and planned.

Officers, elected last spring are: president, Ted Speelstra; vice-president, Don McDowell; secretary, Cleo Michalson; and treasurer, Carl Rozor.
TO THE ADVERTISERS

We thank you for your interest and support of our school. We shall try to give you the best service that we can.

Patrons of the school will find it profitable to recheck advertisements carefully.

SEEN OFF AND ON

Wilfred wrecking "Fat's" car.
All the tomatoes at least half a head taller.

The seniors with that "grown-up" important look.

Clarence S., giving Evelyn O. and "Kable" Spoolstra a few "pointers" on home economics.

All the seniors rushing for graduation to come (?),

"Mom" not letting anything interfere with his domestic career.

Floyd and Clarence telling everybody about their adventure with the "Oregonian",

Heinz leaving. Sorry. We'll miss him.
BANKING NEWS

This week the total of deposits was just $1.06, a very small total, even for a beginning. We hope to see more and better deposits in the weeks that follow. It seems as though there is no spirit in the banking. If someone should start a "banking fad", now, so that interest rates aroused, we would have more banking done and every one would be happier in the long run. Let's do better next time.

SENIOR PLAY

Maybe you don't know it folks, but Duvall will soon be wide awake. Why? Because Jimmy Samson, of the "Bickley Slogan Company, Builders of Business and Wakers of Towns" will soon sweep down upon you. We'll tell you beforehand so you'll be prepared. The big event will come off on Friday night, November 8. Watch for it everyone, The Senior Play.

TAKE MY ADVICE—-and see it.

EXHIBITION SCHEDULED

Thursday Major G. H. Schoof, world traveler and lecturer, gave a brief talk at the school. He is a member of the Canadian Royal Mounted and has served in Canada, Mexico, and Africa. Next Tuesday in the gym at 11:00 a.m. he will give a lecture and will display his collection of animal skins, Mexican and African weapons, uniforms, and war trophies. Parents are invited to attend. Admission is 5¢ for grade students and 10¢ for others.

HOLIDAY

On Monday, October 28, there will be no school. Teachers will be in Seattle for the second day of Teachers' Institute.
GRADE NEWS

1-2-3

The first three grades have made a postoffice and are learning how mail is handled. Each day a new postman is chosen. They have had fun making illustrated song books.

4-5-6

The fourth, fifth, and sixth grades have their second reading books. Our reports will soon come. We are getting quite excited to know what our grades will be. We are rather enjoying our work now.

Irene, Lucille, and Daisy gathered maple leaves. We drew the leaves free hand, then colored them with pastels. Some of our silhouettes are finished.

We appreciate the rings that Bill put up. We are enjoying them very much. **************Daisy Franke

7-8

The following is a paragraph written by Mary Jane Miller for seventh grade English:

The early morning is the loveliest time of the day. To wake up in the morning with the sun streaming in the window, and with a gay bird giving a happy concert makes me deliriously happy. "Sniff," "sniff," toast and cocoa odors issue from the kitchen.

"Mary Jane, time to get up." The sun's magic is broken like a broken bubble, and I ferociously struggle into my clothes for school.

*******

ADULT EDUCATION

Evening School at Duvall last Thursday enrolled twenty-five on the opening night. It is hoped that more will attend in the future. Classes being offered at present are: sewing, typing, literature, chorus, mental hygiene, gym, mathematics and current events.

Much interest is being shown at present, especially in sewing, typing, gym and chorus, and what the other classes lack in number is compensated for in quality.

Your presence and interest will be appreciated each Thursday night from 8 to 10 o'clock.

**************

SENIOR CLASS NEWS

The senior class had a meeting Tuesday and chose the design for their rings. The price was within their limits and the design attractive; therefore they believe they have made a good buy. The order will be sent as soon as the deposits are in, and the ring should arrive within six weeks after the order is sent. The company handling the order is the T. V. Allen Company of Los Angeles.

*******

YE FORENSIC ACTIVITY

The King County debate season will open soon after the Christmas holidays.

The debate squad, however, is already at work, in order to be thoroughly prepared by that time. They hope to arrange a debate with a team from the Orange before long. Debate meetings are held every Tuesday night, and anyone who is interested may still enter.
BUSINESS NOTE

My! What lot of Scotch students attend High School here. Half of them haven't paid the small sum of 15¢ per year for the Hi Times which they themselves voted for support of this paper. Come on, students, it's not too late to subscribe is you really want it. Alumni and those not in school are free to subscribe at the same rate.

See the business manager (Lilly Taylor) about subscriptions.

PLAYGROUND

The lower classes are enjoying the six new swing chains in the play-shed, and they are looking forward to the four new teeter-totters which will be finished next week.

Donald—Why won't you tell me who writes all the jokes in the Hi Times about women?

Editor—Life is too uncertain as it is without making it any more dangerous for the poor fellow.

An editor who started about twenty years ago with only 65 cents is now worth $100,000. His accumulation of wealth is owing to his frugality, good habits, strict attention, and the fact that his uncle died and left him $99,000.

ATHLETICS

The two baseball teams that were chosen by Carl and Lawrence have finished their last game for the season. Carl's team came out on the long end of the score. Volley ball and ping-pong have both been the fad during the last few rainy days.

"BASKET-BALL!" will be here soon! The middle of next month will find the gym in continuous use by the boys interested in this sport.

An irate fan who had watched his home basketball team go down in defeat, stopped the referee as he was leaving the gym. "Where's your dog?" he commented.

"Dog?" ejaculated the referee. "I have no dog."

"Well," said the grouchy one, "you're the first blind man I ever saw who didn't have a dog."

TESTS APPROACH

A word to the wise is sufficient. Next week the quarter ends and tests come. Better brush up in all your subjects and be sure that all your work is in.

LIBRARY

Every week a list of books due for that week will be posted on the bulletin board in the hall. Leave books you are returning on the table near the door in the English room. Remember there is a fine of one cent a day due on overdue books. More students, also, might make use of the library.
Increased Attendance at School

There was a marked increase in attendance at evening school classes Thursday night at the Duvall School, there being a total of 67 enrolled in all classes offered. Thirty seven people attended 1 or more classes, averaging nearly 2 classes each. The teachers are rendering their services voluntarily and without pay, and their only wish is to have their efforts appreciated by a large turnout. It is hoped that the four who came from Carnation Farm will return and bring their friends with them.

New Improvements

New improvements at the school are a new bulletin board in the High School section, 6 new chain swings for the play-shed, and a new receiver tank for the furnace room, to replace the old one. Mr. McCormick is building some good looking concrete standards for teeter boards for the little tots.

School Visitors

The school was honored by a visit of Mr. N. A. Brown of the School Board last week. This morning Dr. Thomas R. Cole of the University of Washington visited the school and gave an address to the students on the topic "Making the most of our opportunities", It was very much enjoyed.

---

**JUST IMAGINE**

1. Prosperity around the corner.
2. Day Dreamers running on a different schedule.
3. An increase in population in Duvall.
4. Teachers giving tests the students know.
5. The ping-pong tables not in use.

SENIORS PRESENT CLASS PLAY

Tonight, after weeks of arduous preparation, the Senior Class of 1936 will present "Take My Advice", a sparkling three-act comedy by Eugene G. Hafer. The cast has worked long and hard on this production which will climax and end their dramatic careers at Duvall High, and the play promises to be one of the best and most unusual ever put on by members of the local school.

The opening of the play finds the town of Eureka so completely "dead" that Bob Mannion, who runs the "News" and is under the subjection of conservative, reactionary John Wargrim, believes that if gold were discovered in the middle of Main Street nobody would bother about it. But from the moment Jimmy Samson, professional town-waker, breezes into town things begin to happen. No signals screech extras, wires sizzle, and autos and airplanes speed through the night to Eureka. Eureka awakes so rapidly and in so energetic a manner that the audience scarcely has time to catch its breath from the amazing beginning of the first act to the surprising close of the last. There is mystery, there is romance; but, above all, there is high comedy and laughs sufficient to last a lifetime.

The cast includes Jimmy Samson, windy town-waker, played by Bertil Berg; Bob Mannion, editor of the "Eureka News", acted by Tod Spoelstra; Peggy Acton, a mysterious young lady from nowhere, played by Evelyn Larsen; Vera Ellis, as Bob's sister; Lilly Taylor in the part of Mrs. Nelson-Dodé, President of the Ladies' Uplift Society; Don McCallum as Jui Tenton, a town philosopher who has scruples against work; Clarence Somers in the part of John Wargrim, political boss who is trying to ruin Eureka; and Georgia Unnopolos as Marcia, Wargrim's daughter who is used to having her own way.

If you are one who enjoys an evening of good, clean fun with plenty of chuckles and plenty of laughs, "Take My Advice" and be there in the high school gymnasium, at 8 o'clock tonight. The admission will be twenty-five cents for adults, fifteen cents for high school students, and ten cents for children.

Remember: The Juniors are selling home-made candy at the play.
EDITORIAL

With the passing of the summer
And the exit of the fall
Winter comes in the wind
To make her yearly call.
She comes in late October
And stays until the spring
She takes away the flowers
While the birds take off by wing.
Then the snow begins to fall,
Jack Frost then takes his stand,
He brings the chilly mornings
And makes ice o'er the land.

Everyone with an open mind should be present to
hear what an acknowledged liberal leader has to say.
HONOR ROLL

Approximately 1/2 of the high school is on the honor roll this year as the quarter ends. Good work, students, but there is room for a great deal of improvement.

Freshmen: Mildred Doughty,
Sophomores: Bessie Hershey, Joyce Ellsworth, Vernon Larsen, Ivan Gustafson.
Juniors: Margaret Schefer, Kathleen McMahon, Ethel Schuler.
Seniors: Evelyn Larsen, Lilly Taylor, Vera Ellis.

***************

INSTITUTE

The teachers attending institute in Seattle on Monday report a very enjoyable day in renewing old acquaintances and listening to an interpretation of latest trends in the field of education by leaders in this state and others.

***************

BOYS' ATHLETICS

To decide the champion of the school, the boys are signing up for a ping-pong tournament to commence soon, the contest attracting the most interest shown so far this year.

Now that the senior class play is being held tonight, basketball practice will start in next Monday. A new ball has been purchased for the coming games and the squad boys are planning to buy some new sweat shirts. As a game with Skykomish is to be played Dec. 13, in the Duvall gym, the boys are in for some strenuous drill.

***************

The boys wish to thank the girls for the party given in their honor Friday night.

***************

GRADE NEWS

7-8

We got our report cards Tuesday, and the following were on the honor roll:

6th
First: Bessie Trim
Second: Jessie Trim
Third: Roy Gustafson
Fourth: Bobby Rosen
Fifth: Margaret Vanhulle
7th
First: Martha Wiederrecht

4-5-6

We have our report cards and some of us did very well. We are hoping to have better grades next time. Our honor roll was as follows:

6th
Noah Brown
Lucille Colson
Daisy Franke
4th
LouEllen Hudson
Rozella Olsen
Betty Larsen
We had a Halloween party which all enjoyed very much.

1-2-3

An old witch told the fortunes of the children in the primary room at their Halloween party last week. Twelve pumpkins were brought to school. The children had a parade of the pumpkins with the room in darkness.

Two first graders moved away—one to Bothell and one to Kent. There are twenty-six in the Sixteen children were added in our room last week.

Seen Here and There
Some of the sophomores and freshmen hitting it strong!
The Juniors learning how to read.
Judge Wright receiving many visitors the day after the night before.
Some students more adept at D's and X's than A's and B's.
SENIOR PLAY

The members of the senior class wish to extend their appreciation and gratification to the people of Duvall who were so well represented at their play given November 8, also to Mr. Adams and Miss Peltier who generously gave their time and patience in coaching them. The proceeds made a tidy sum for the class treasury, due to the cooperation of our faithful townspeople. Again the class thanks you.

JUNIOR CANDY SALE

The junior class candy sale, held at the senior play, was also successful. The receipts were $3.80, which will go to the junior class fund. The class thanks everyone who supported the sale.

ARMISTICE DAY

Monday, Nov. 11, 1935, was Armistice Day. The program began with musical numbers, songs popular during the War, by the students, after which Mr. Jenne gave an interesting talk about war, bringing to light the bad points of war, telling of the modern attitude toward war, and mentioning some very interesting books to read pertaining to war. Following this, Vera Ellis and Lilly Taylor gave some short readings on war. In the grade school, short programs were held in each room.

At the same meeting Alta Funk, one of last year's seniors, presented their class picture, a very nice framed group photograph, to the school.

About a dozen patrons of the Duvall school attended the Monroe High School P.T.A. program and exhibit Thursday of last week. They report a very pleasant evening spent in listening to a varied program or high school band music, songs,pleylet in French, etc. The school exhibit was very interesting, especially that of the science, home economics, and agriculture departments.
BOYS' SPORTS

The basketball squad has finally got down to steady drill. The boys are thinning considerably, now that training rules and practices are beginning to take effect. Practice sessions are coming night and day; and any sort of dissipation on the part of the boys will show. A permanent first team has not yet been chosen, for Mr. Adams is trying out different combinations to find out which will click best. Consequently, they are all out there fighting hard.

Most of the boys have new sweat shirts of the school colors while some have sweat pants to match, also. By the time the games start, however, all of the first spring outfit is expected to be "sporting" new uniforms. An order has also been sent for basketball shoes, socks, etc.

Sights and Sounds in Studyhall

Clank! Clank! Clank! No, it isn't an ancient knight in armor clanking by. It is merely one of two things, said things being either the shoes of Bill Ellis or the same of Vernon, as the owners tread noisily from desk to desk of their fellow sophomores in studyhall.

Evelyn L. always appears very studious in studyhall. If you can think of anything that could detract that gal from gazing concentratedly upon her books, I hope you'll let me in on the rare discovery.

Just Imagine

Ping pong balls not floating through the air with the greatest of ease.

Mr. Jenno surviving the freshmen girls' cake.

Being safe for attending school.

Mrs. wearing his glasses all day.

GIRL'S ATHLETICS

Basketball has been judged rather strenuous for girls from 13-16, or of high school age, so that the girls will not play basketball for more than fifteen minutes a period. For the remainder of the period they play such games as "dodge-ball".

The girls who do not participate in active sports, have found much fun in accuracy throwing and target practice.

Girls' Athletics

The junior girls not sightin themselves.
"An Orchid to You"

It has been fixed, students; the study hall door. Long has it been the bane of our studious young lives, but no longer shall all our front incisors be knocked loose by that irresolute door swinging into our unsuspecting, innocent countenances. We extend grateful thanks and appreciation to the beneficial philanthropist who so generously lent his time to fix this persistent enemy, our ever-reliable janitor, and we sincerely hope his carpentry is permanent. Goodbye to black eyes and smashed noses—and, an orchid to our janitor.

DEBATE

The debate squad is working hard, preparing for the season, which will open after Christmas. A practice debate will be held with the Grange in their hall, December 6, at 8 p.m. Joyce, Janet, Ethel and Robert listened to a radio broadcast of a debate at the home of Mr. Jenne Tuesday, Nov. 12. The debate was very interesting, and much valuable material was obtained. A practice debate with Bothell here is also planned in December.

Lost and Found

Don trying his best to chop off a finger, and very nearly doing it. Miss Peltier sporting a new Plymouth Coupe.

Willy reforming; how long will it last?

Cleo's socks "on the run".

Don't Miss the Fun!

Come to the Epworth League Basket Social Friday Evening at 8 o'clock at the Sunday School Hall (across from H.E. Church)

Men furnish the entertainment
Ladies furnish the baskets
Prize for the prettiest basket

Shop Activities

In the manual training class Carl Rosen is building a rowboat; Bertil Berg is about to finish a bookcase; Clarence is starting on a desk; Eric Carlson and Ed McNishon are making medicine cabinets; Wayne Miller is manufacturing a tea wagon; and William Lupo and James Bow are constructing end tables and magazine racks. As soon as some of these are finished several boys will build cedar chests for their mothers or for xxx for Christmas.

Lost and Found

The "lost and found" department of the school is already accumulating. At present there is a pair of gloves, and, to keep them company, a blue wool jacket is awaiting its owner. People may see and claim these articles in Miss Patterson's room.

It has been suggested that after articles are kept for a month and not claimed, that they be sold at auction to the highest bidder.

If you have lost or found any articles turn it in or call for it at Miss Patterson's room.

When will the junior and senior boys get over their cute little trick of removing girls' shoes? Who is it that must show his wit by changing notices put on the black board? Who always has the answers to his tests donated by generous classmates? What saves the lives of freshman girls after they have partaken of their own cooking?
Coming GAME Coming

The game with Skykomish will soon be at hand, and the boys are working harder than ever. Mr. Adams has had some of the Town Team come to the practices, and they proved to be real competition.

A game with Falls City will probably develop later on in the season, but, at present, attention is centered on the first tilt of the season, which always tends to be exciting. There will be both first and second team games, beginning at 8:00 p.m. sharp. Despite the fact that the date for this contest falls on Friday night, December 13, hopes are high; and the team is determined that the jinx shall be on Skykomish, not Duvall. The team needs the loyal support of the students. Be there to give them your encouragement.

According to Coach Adams, the probable starting line up for the first team will be as follows: center, Floyd Engstrom; left forward, Ted Speelstra; right forward, Vernon Larsen; left guard, Lawrence Myers; right guard, Carl Rosen. The second team members will probably be: Bill Rootcisendor, Wilfred Goyings; Robert Miller, Clarence Somors, Gerold Funk, with Ivan Gustafson, Bartil Berg, Chester Olsen, and Bill Ellis as substitutes.

Schools this year must pay a tax on admissions; therefore, the tax is included in the admission. Admission for grade school children is 11¢, for high school students 15¢, and for others 27¢. The tax is included in this amount.

The lockers for the dressing rooms are nearing completion, and it is believed they will be ready for use by the first game. After that a scoreboard will be constructed.

***************

DEBATE

The long anticipated debate between the Grange and High School on the subject of state medical care will be held Friday night in the Grange Hall, at 8 o'clock. The Grange contestants will be Dr. Beisden and Mr. Chesley Funk for the affirmative, while the negative will be upheld by Joyce Ellsworth and Ethel Schuler, or Lilly Taylor. We of the debate team wish to thank the Grange for offering their competition.

A practice debate will be held with Bothell next Thursday afternoon in the study hall at 2:00 p.m. Our team will have the negative. The admission for high school students is five cents and ten cents for others. Students, let's have a good representation at both affairs.

***************
Few students have enrolled in the Science Club so far, and more interest by the students has been requested. A meeting will be held in the near future for the election of officers, and we hope to see a large attendance. The few students have shown much interest in club and will carry on, despite the present small attendance. Anyone interested in some branch of science should join, because it will aid him in his research. We had a large turnout last year and hope to see as much interest shown this year. The students that have attended the meeting are: Joyce Ellsworth, Lilly Taylor, Annice Carlson, Jenny Brown, Mildred Doughty, Nellie Trim, Ethel Schuler, and Triyntje Mulder. Watch the bulletin board in the hall for announcements.

***************

FAMILIAR EXPRESSIONS

Mr. Adams—"Or something of that nature."
Mr. Jenne—"I just want to call to your attention."
Miss Pertler—"I wonder if the bell has rung yet."
Miss Patterson—"I think we'd better have a procession to the waste basket first."
Dor—"Save the answers for me."
Ted—"Perfectly simple. You see, all you do is—"
Vera—"Say, did you get this problem?"
Lilly—"But I can't see 'why'!"
Clara—"I wish I had something to do."
Evelyn—"I think Latin is fun."
Victor—"How many words did you make today? I made—"
Bill Lupo—"Let's go down and see what the girls made in Home Ec."
Bertil—"What good is this stuff going to do me?"
Chet—"O.K., Don."

Regardless of a few minor mishaps, the freshman entertainment given Nov. 26 was a noble performance. The master of ceremonies was none other than our golden-voiced young hopeful, Wayne Miller (Weenie to you). You have a future, my boy. All you need now is a couple of hundred hearty meals to develop that tenor. We enjoyed immensely the two timid maestros, William Lupski and Edward McMahon, the startling magicians who took the straw out of strawberries, and who also embarrassed many a damsel by uncannily revealing her age.

The whisker extraction episode, shyly portrayed by two blushing freshmen, gave us all a hearty good laugh. And congratulations to the other members who took part in the siege. We'll impose upon your talents again before long, my hearties.

***************

GIRLS' ATHLETICS

The girls are going to start playing basketball for fifteen minutes of the period as soon as playing technique has improved. We girls are not very successful at shooting baskets yet so we shall need more practice in shooting.

We have been running relays and playing "dodge ball" in our periods.

Girls not actively participating have inactive games they play.

***************

BOYS' CLUB

The boys have held no meetings lately, but in case anyone should forget, the boys still owe a party to the opposite sex.

So don't get impatient, girls, the boys will wake up in a short time.

***************
On Friday before Thanksgiving the S.A.A. business meeting was held in which a motion was passed to allow the faculty members to purchase equipment subject to approval of the group upon presentation of the bill. Informally, the juniors were accorded the privilege of selling candy at a majority of the entertainments and games.

In every high school class there are boys and girls whose mental endowment may be all right, but who do not take themselves seriously. They talk and act like children. They do not realize that they have reached the age when their minds should begin to function in an adult way.

Now I do not mean to suggest that students should not have fun. In fact, they should have all they can get. Life is a serious thing at best. A sense of humor is a great gift and should be cultivated. We should try to see the amusing side of things. A smile is to be greatly desired and so is a hearty laugh. But the highest grade of fun comes, I am sure, to those who mix it in with solid achievement.

The individual who tries to be funny on all occasions and the one who shuns intellectual responsibilities will find himself bored by his attempts at fun making. He will miss the thrill which comes from genuine achievement. He will miss the satisfaction which is derived from the respect of others. He will miss the finest things in life.

---

We have received some papers from different schools with the request that we exchange papers with them. In an English V class meeting, we decided to appropriate fifty cents to begin an exchange with other schools.

---

The mumps gaining on us. Ed McMahon baffling the seniors with a simple card trick. Dice chiseling going strong. First year typing students' pencils wearing out making mistakes. The initials and names on Jewell's recipe box beginning to overlap.

BASKETBALL

Seven of the boys journeyed to North Bend with the Town Team to play North Bend's second Town Team, while Duvall Town Team played the first team of North Bend last week, January 9.

The boys walked away with them in the first half with the score 13-2. At the beginning of the second half Duvall slumped and was almost in a dangerous position. However, the team rallied, and at the close of the game the score stood 20-16 in favor of Duvall.

The town team also won their game with a 27-22 score.

Tuesday night, January 14, Tolt brought their second team men to Duvall along with a few first team subs. They had a very hard defense and a good offense built around Ducken, their tall center. The Duvall boys played a hard game but not very effective during the first half. At the half the score stood 12-4 in Tolt's favor. In the second half a few changes were made and the machine started clicking. Tolt scored only one more point than Duvall in the second half and at the final whistle ending the game the score was 26-17 in Tolt's favor.

A return game will be played later at Tolt, and better results are hoped for.

Another hard fought game was lost Thursday night, January 16, to Battery C's second team at Shoohomish. The boys had hard luck with their shots last night. If even half of the shots that were tried had been made Duvall would have won by a wide margin. As usual a rather slow start was made by Duvall, but they kept the score down 12-9 in Battery's favor, an effort which was not as bad. A change was made in the center and guard positions in the second half. A more heads-up game of basketball was played, but still the breaks would not come and the Battery boys gradually dragged the score away to finish the game 25-17 still in their favor.

The town team played the first team of Battery C with two of their best men absent. They played a very slow game. The final score was in favor of Battery C 47-16.

See the notice on the last page for the game next week.
Grade News
7-8

We are very glad to have another pupil in our room. Her name is Agnes Sener. She is in the eighth grade.

Last Tuesday we received our report cards. The following were on the honor roll:

**Eighth**
First---Bessie Trim
Second---Roy Gustafson and Jessie Trim
Third---Margaret Vanhulle and Betty Williams

**Seventh**
First---Martha Wiederrecht
Second---Mary Jane Miller
Third---Elsie Kain

The Duvall grade team defeated Tolt's second grade school team by the score of 22 to 3. Alex Stokes scored 15 points.

***********

4-5-6

On January 3 we organized our club. The officers elected were:
Noah Brown, president; Lucille Colson, vice-president; and Ren Boetticher, secretary.

Those on the honor roll in our room are:

*Fourth grade*
Betty Larson
Rozella Jison
Lou Ellen Hudson

*Fifth grade*
Antone Herry

*Sixth grade*
Noah Brown
Daisy Frache
Lucille Colson

***********

Grade News (continued)
1-2-3

There are two new pupils in our room. They are Betty Sener and Gok Ming Long from San Francisco.

***********

Tongue Twisters

Many a wit is not a whit wittier than Whittier.
Little Tony Tittlemouse lives in a little house.
Nine nimble noblemen nibbling nasturtiums.
His suit showed spots of suet and soot.
Two tall Turks twirling twisted turbans.
The sea ceaseth and it suffices us.
Rubber buggy bumpers.
She sells sea shells on the sea shore.
Peruna placed a pepper platter on a pile of plate.
She shook six thick thistle sticks at six surly simpletons.
Down where the sunny shoe sign shines.

***********

Girls' Athletics

The girls are playing various games in the gymnasium, with the last fifteen minutes spent in basketball. They are showing an improvement in making baskets now.

They are to have the gym Tuesday noon now, as long as there are at least a dozen girls out.

***********

Debate

Wednesday afternoon, January 8, Ethel Schuler, Nilly Baylor, Nellie Trim, and Miss Patterson went over to Bellevue. The debate was non-decision but the girls got a good practice and showed much improvement over the last time.

***********

The children in our room have been making a stamp collection. So far we have seven countries represented. They are: China, Canada, Sweden, Philippine Islands, Great Britain, and the United States.
STAFF

Editor Mildred Doughty
Ass't Ed. Benny Brown
Reporters Freshmen
Business M'gr. Lilly Taylor

This issue of Hi Times, the first in 1936 and the first in the new semester is published by a new group, the freshmen. The editor was elected by the class members.

The Freshmen Speck

The impression of high school from the freshmen's viewpoint is going from bad to worse. When the term began, everything was hunky dory, but as time marches on things begin to snap. First, mental tests, in which freshmen score very badly. Then unit tests in each subject, and freshmen begin to look worried. Finally, the black semester tests, and freshmen are doomed. The seniors and juniors air of superiority, which at first worried them not, now grates on their nerves. Some day the freshmen will rise as one to assert themselves.

Notice to Voters of School District 14

All citizens residing outside of the city limits of Duvall, whether or not registered before this year, and also all citizens residing within city limits, not permanently registered, are required to register (permanently) in order to vote in the Annual School Election, March 7, or in any election.

Registration books are now open daily until 6:00 p.m. at the Duvall Bank, Mr. J. I. Miller, that they may be served to the Clerk. Books will close fifteen (15) members of the school board and days prior to the election. A special (statewide) election may be called by Governor Martin to fill the vacancy caused by the death of Representative Lloyd.

School Health

No new cases of mumps are reported in the Duvall school so it is thought that the epidemic has run its course. Chicken pox is still keeping a large number out of the lower elementary grades.

Evening School

The last session of evening school, January 13, featured a respect hearing of the Sonate Munitions Investigation, which proved very interesting and instructive. The evidence exposed the traitorous actions of certain high officials and the malicious effect of the international organization among armament manufacturers.

Honor Roll

Students on the honor roll for the first semester are as follows:

Freshmen: Mildred Doughty and Eric Carlson.

Sophomores: Ivan Gustafson.

Juniors: Kathleen McMahon, Margaret Schefer, Ethel Schuler and Elsie Hammerquist.

Seniors: Vera Ellis, Ted Spoelstra and Evelyn Larsen.

The girls seem to demonstrate their superiority in scholarship by outnumbering the boys in honor standing by 7 to 3. What are you going to do about it, boys?

GIRLS SERVE DINNER

The freshman girls in Miss. Peltier's home economics class received many compliments Wednesday night for the delicious dinner served to the faculty. Mr. and Mrs. Jenne, Mr. and Mrs. Spoelstra, Mr. and Mrs. C. A. Funk, Mr. N. A. Brown, Bill McCormack and the teachers attended.
DUVALL WINS DEBATE

Thursday afternoon, January 16, a debate was held between the Duvell and Tahome debate teams at the school. The students should be complimented on the fine attendance and the interest they showed in supporting their team.

Both teams presented excellent arguments, but Duvell evidently had the better of it as the critic judge, Mr. Newhouse, of the University of Washington, awarded the decision to Ethel Schuler and Lilly Taylor of the home team, who had the negative side of the question.

The girls feel much encouraged and are now at work preparing a case on the other side of the question.

**************

THREE LITTLE PIGS
As seen by Jim Bow

I went down to the Monroe theater and was most agreeable entertained by the three little pigs and the big bad wolf. Pretty soon the big bad wolf, the villain, invaded the first little pig's dwelling. He huffed and puffed and blew the house in. After the storm had calmed down the little pig found out that his domicile was very inadequate and insecure. It was no protection against the venomous wolf. So he took to his heels. He ran to the other little pig's house and met up. In the wolf was a close second.

The wolf again huffed and puffed and blew the second little pig's house in. Although he had been tricked once the wolf was confident of victory and supper. Instead of the little pigs leaving the house the house left the little pigs. Experience had taught the first little pig there was only one way to trick the wolf and that was to scream. So both he and the second little pig took to their heels. This time the two pigs tied for first, and the wolf was again a close second.

Now the wolf blew away for about five minutes, and when he looked around the house was still intact. He thought force useless and decided to resort to trickery. So he posed as the Fuller Brush man. The little pigs told him he acted a little tetchy. So he made a last vain attempt. He decided to pull a Santa Claus act and slip down the chimney. But the three little pigs diagnosed his strategy.

They built a fire and put on a pot of water, adding a quart of turpentine. When the wolf hit the water he decided there were lots healthier places for wolves. He didn't waste much time in getting back up the chimney. This time he took to his heels, just hitting the high places. He was the sole contestant in this race—and an easy winner. After this sad experience he left the little pigs alone and stuck to his diet of Red Riding Hoods.

EXTRA! BIG TRIPLE HEADER

Next Tues., Jan. 21, is the date set for three thrilling hoop contests on the home floor. The high's first and second teams are to meet Redmonds respective teams. Our famous town team will match its skill with the employees of the Paris Laundry of Everett.

11c 16c 20c
DUV'LL T'KES BOTHELL JR, HIGH IN OVERTIME PERIOD

With the score still tied at 15 to 15 and only seconds of the three minute overtime period remaining, "Stub" Larsen, Duvall's sharp-shooting left forward, sank a beautiful shot from mid-floor to win what was probably the most exciting game played on the local floor during the past season. From the first whistle to the last, both teams played an aggressive, fast-breaking, close-checking brand of ball which kept the fans in suspense until the very end. Although Rosén led the Duvall scoring with a total of eight points, every man on the team put up a splendid game and deserves credit for the hard-earned victory.

Handicapped by the absence of Miller, right guard, out on account of sickness, the Duvall second team dropped its preliminary game with the Bothell second squad by a score of 24-16.

ARMY AIR CORPS PLAY HERE NEXT FRIDAY NIGHT

On next Friday, February 21, the Duvall first and second teams are scheduled to meet the first and second teams of the Army Air Corps from Fort Lewis. The first game will be called at 7:30, and the admission will be twenty cents for adults, sixteen cents for high school students, and eleven cents for children.

3QUAD TR'VELS FOR T'WO G'ME3S

Tonight the high school first and grade school squad go to Skykomish determined to repeat their performance of December last and bring back the scalps in both games. Five or six loyal rookers have already volunteered to brave the perils of the icy trip. We need more like them.

February 18 the high school first and second teams are scheduled to play the Simmons Hardwood first and second teams at Mukilteo. The town team will go along to play a return game with the Paris Laundry.

BELLEVUE VICTOR

In the last debate of the season Thursday afternoon, Feb. 6, the two undefeated debate teams of Bellevue and Duvell met here with Bellevue winning the debate and thereby the championship by the narrow margin of one point. Lilly Taylor and Ethel Schuler deserve congratulations in their record of but one defeat and three victories.

GRADE NEWS

7-8

In our club meeting Monday we had the election of officers, and the following were elected:

Jean Anderson president
Roy Gustafson vice-president
Lyle McFall secretary
Rolande Sergeant-at-arms in the seventh grade
Roy Gustafson sergeant-at-arms in the eighth grade
Margaret Vanhulle librarian

Elsie and Agnes Senor were appointed to make the Valentine box.

4-5-6

We are all very happy to have a new boy in the fifth grade, Junior Olson.

We have five pupils absent in our room: Jimmy Ellis, Eugene Hudson, Lou Ellen Hudson, Joyce Barker, and Raymond Landers.

We are making Valentines new. Some of them are very pretty.

--Peggy Miller

1-2-3

A new pupil from Woodinville has come into our room this week. Her name is Selma Olson.

The Valentine house is almost full of pretty V lentines. The postman has plenty of work to do on Valentine's Day in our room.

Some new stamps dating back to 1902 and 1904 have been brought in for our stamp collection.

F is for freshmen, greener than grass.
R is for the rumpus they make in the class.
E is for efficiency that they never use.
S is for study; they can if they choose.

ORCHESTRA

The students are showing a great deal of interest in the orchestra. They may some day be world known musicians if they don't become bored and discontinue their practice.

Beginning next Monday Mr. Carr will come here only once a week.

There is still an opportunity for anyone to join who is interested in orchestra. Come, and don't hide your talent. Either beginners or those farther advanced are welcome.

The next practice will be Monday night at the school at 7:30.

JUNIOR CLASS NEWS

The junior class has finally decided upon a play and has sent for the play books. The cast will probably begin rehearsals the first part of March, as the play Sound Your Horn is to be given March 27.

FOUND

Several articles found at school have not yet been claimed. Among them are: a watch, jackknife, sweater, fountain pen, eversharp, bunch of keys on a ring. If these articles are not claimed soon they will be sold at auction to the highest bidder.

REGISTER 15 DAYS BEFORE SCHOOL ELECTION MARCH 7.

H is for hopeless; they're babies, yet, I say.
M is for mischief; they're in it all day.
E is for excitement; they think that it's swell.
N is for new, once—but not now.

EDITORIAL

Spring is lurking in the air.
Its atmosphere is everywhere,
In the classroom, 'mid each book,
In each corner, in each nook.

When its symptoms us surround
We are often heard to say,
"Why must we work all day
While such pleasures so abound?"

Beware, students, or you shall find
In your lessons you'll be far behind
And unless long hours in study you spend
A flunk awaits you in the end.

Scarlet Fever Breaks Out

One case of Scarlet Fever in this vicinity is reported by Dr. Yowell. His schoolmates are sorry to hear that Eugene Hudson is a victim of this disease.

The school is taking all possible precautions to prevent an epidemic, and parents are requested to do likewise.

TO FILL VACANCY

After serving on the Cherry Valley school Board faithfully and efficiently for six years, Mrs. Margaret Funk, clerk, will retire in March. Mrs. Funk states that she will not run for the position again, since others should have that opportunity.

Mrs. Funk deserves the gratitude of all school patrons for her diligent and faithful service.

To nominate a successor to Mrs. Funk an open meeting will be held on the evening of Monday, February 17, 8:00 p.m. at the school. All interested patrons are invited to be present.

Election will be held Saturday, March 7.

REGISTRER IS D'T3 BEFORE SCHOOL ELECTION M'RGH 8.

CHERRY VALLEY GRANGE
Future Farmer of Monroe will have charge of the lectures at the next Grange meeting on February 19.
It will be an open meet and the Grange extends a special invitation to all young people.
SKYKOISH GAME

The squad traveled to Skykomish the 14th of February to participate in a friendly game of basketball. We really enjoyed playing those boys, who showed very good sportsmanship. It evidently was Rosen's night because he was sinking them from all angles and in rapid succession. It seems that most of the players have a lucky night, and February 14 was Rosen's.

We had the misfortune of losing one of our star players just before the half. Spoelstra injured his ankle and couldn't continue playing the rest of the game. This was quite a drawback, but Bill Roetcisoender proved a very capable substitute. Both Larsen and Roetcisoender were particularly hot and had the Sky boys pretty well baffled with their fast breaking.

When the final whistle blew Duvall was on the long end of a 27-7 score, the Skykomish lads only being able to score one field goal just before the final whistle. Myers and Engstrom played a whale of a game at guard and were largely responsible for keeping Sky down to such a low score.

The grade school played a hard fought battle, but came out on the short end of a 25 to 16 score. Olson played a stellar game for Duvall.

After the game we were treated to sandwiches and cocoa, a reception which was just right to give us a good send off.

LAST HOME GAME OF SEASON

DUVALL PLAYS NORTH BEND FRIDAY, MARCH 6

Tonight at 7:30 Duvall High's first and second teams meet North Bend High's respective teams in what is expected to be one of the closest and most exciting games of the season, as the home boys are out for vengeance to even up the series between the two teams.

An additional attraction for tonight is the wrist watch, which will be awarded to the one holding the lucky number. Be sure to bring your tickets. Admission is as follows: Adults 20¢ High School Students 16¢ Children 11¢.

Don't forget, also, that the sophomores will sell candy.
A surprise is promised for the game. Come to see what it is.
DUVALL BETAS ARMY AIR. CORPS

In a hard fought tussle Feb. 21, Duvall came out on the long end of a 28-25 score. As Ted Spoestra was out of the game with an injured ankle the team was not at full strength. But Roetcisoender, who played right forward in his place, held down the position well on both defensive and offensive play. It was a nip and tuck game throughout with first one team taking the lead and then the other. After the half the boys seemed to find the basket with more consistency and built up a lead which held good to the end of the game. "Stub" Larsen led the boys on offense with 17 points.

Army Air Corps 25 ... Duvall 28

Archer, f. ... 0 Roetcisoender 2
Shepherd, f. ... 29 Larsen 17
Neely, c. ... 10 Rosen 6
Taply, g. ... 4 Engstrom 2
Taylor, g. ... 4 Myers 1
Carlson, f. ... 0

The second team lost a rough and tumble basketball game by 15-11. The boys held the lead until the third quarter when the much aroused Army boys started sinking shots from all angles. This was one of the hardest fought games seen in the home gym.

After the games the Army men were invited to a little feast in the home economics room where chili and coffee was served.

These games were of particular interest to the home fans because the Army teams were managed and captained by a former Duvall High player, Jesse Taylor.

We are glad to report that practically all of the students have recovered from colds, flu, or mumps, and are back at school again after our last week's "spring vacation".

************

SENIOR CLASS NEWS

The seniors are awaiting the arrival of their invitations, which were sent for last month.

Having been appointed to entertain at the next Student Association meeting, they are all taxing their able faculties in getting up their program.

************
HARMONICA CLUB

There are approximately fifteen students taking harmonica lessons every Thursday from Mr. Woodard, at 2:45 to 3:30. If there are any more students interested in taking lessons they still have a chance to enter.

EDITORIAL

When with studies you are toiling And a friend disturbs your task By stopping near your desk Some trivial thing to ask Don't you often wish he would be gone So your work could keep right on?

Then read ye this and hood ye, Students—all of you And never pause to chat When there is work to do.

But if over it is finished Ero your study time is through Choose a magazine or book And gain in this way, too.

GIRLS ATHLETICS

The girls are having a basketball game with the grade school and teachers Friday noon. As yet, the girls' team is not chosen. After this game, if the weather is warmer, the girls will play baseball, or go for walks. Tuesday we played baseball for the first time this year.

DUVALL-Paris Laundry Tilt

Journeying to Everett to play a scheduled game with the Paris Laundry the Duvall hoosiers walloped the Laundry boys 30 to 24. Playing on a comparatively small floor the Duvall lads wore right at home. High point honors went to Floyd Engstrom, who sank four field goals and two free throws for a total of ten points. This the same team that the Duvall Torn Team beat by one point earlier in the season so give the High School team a cheer.

In the second team game the Laundry talked off with a 38 to 8 victory over the Duvall seconds.

NOTICE ELECTION NOTICE

An election for school director will be held here tomorrow, March 7, from 1 to 8 p.m. One director to serve for three years is to be chosen. Remember to vote.

NORTH BEND GAME

February 18, the basketball squad traveled to North Bend and played a thriller that certainly surprised a few N.B. people.

The team played an outstanding game on both offense and defense. The score was tied at 12 all at the half, but, after losing Rosen and Engstrom on fouls in the early part of the third quarter, the game was finished with four men. The final score was 34 to 21 in North Bend's favor.
As a freshman sees it.

NOAH'S ARK

One night I attended a theatre and feasted my eyes on Walt Disney's silly symphony NOAH'S ARK. Now it happened that a guy named Noah had an idea that the earth was going to be flooded by continual rains. The other people told him to keep his idea. They said it would be hard telling when he would get another one. Noah's reputation as a prophet was at stake. But Noah still had faith in himself and his ideas. So he set about the business of building an ark. "If it does flood," he said to himself, "old Noah is one guy who will be on top."

Just after they had finished the ark the earth did flood, much to Noah's surprise and somewhat to his delight. As the flood was rising they started loading the animals on. The animals included Noah, Mrs. Noah, his two daughters, and a couple of somebody else's sons, just enough for a nice start, eh? The other animals ranged from the highest social elite, the giraffe, to the lowest dregs of mankind, "the skunks". They tried to lift anchor in time to avoid the company of the aforementioned skunks. But they had to use sign language, and so it took an unusually long time to understand Noah—he had been so busy using his thumb that he had sprained it, and it made him stammer. Of course the skunks did not enjoy the trip because they were careless and offended others with their body odor. They felt like microbes at a horse-fly convention.

After forty days and forty nights of wandering about in the ark they ran aground on something. Investigation proved it to be an island.

Noah yelled "All Ashore". He didn't have to yell it twice. The animals all jumped off except the skunks. The other animals gave the boat a shove in an attempt to put the skunks to sea again but without success.

The skunks resented this action. They firmly believed what Lincoln was going to say about 4,000 years from then—that every one is created equal. The others remarked they were glad they hadn't been created with an equal scent. The skunks being outnumbered retreated into a hole, and they've stayed there ever since except to come out occasionally to eat a chicken after giving her ether to kill the pain caused by amputating her head.

After taking inventory Noah found out that he had a bigger load than when he started.

Noah thought he had instigated a great trip. He was glad he had managed to keep someone on the earth other than fish.

There you have Noah's mind in a nutshell the same place Noah had it.

When 'ere I hear this silly phrase.
Lilies for him, who when I'm around
Says "okey-doke" with joy profound.
This year the annual junior play furnishes a new setting for plays here—a hot dog stand! Christine Elliot, smart young business woman who owns the stand, is being forced off the property by Mrs. Van Dyke, self-made wealthy owner of the property which the stand occupies. Through a series of exciting and comical events the play finally reaches its conclusion with Christine remaining on the property and the enmity between the two women ended.

Other members of the cast include: Diane and Ted Webster, niece and nephew of Mrs. Van Kyke; Angus, her attorney; Peasley, caretaker of the property; Phyllis and Drusilla, two young girls; Homer Bird, contact-man for Empire Bottling Works; and Etta Lamb, a waitress.

The juniors, under the supervision of Miss Peltier and Mr. Adams, have been working earnestly on this play and expect to present an evening of enjoyable comedy.

We'll be expecting you!
The Women's Civic Club announces a Progressive Dinner to be served from 6 to 8 p.m., Friday night, March 21. (Tonight to you.) The cocktail course will be at the Burgess home, the second course at the Jonne home, the main course at the Anderson home, and the last or dessert course at the library, following which games and cards will be played. The tickets are sixty cents each. Come, enjoy an appetizing dinner and an evening of entertainment.

-----------
A LITTLE CHECK UP

What became of the Girls' Chorus?
What became of the juniors' bright eyes?
What became of the good marks we used to get?
What became of the pencils we bring?
What will become of the school that marked up our gams?
What became of the typing paper we leave in the typing room?

SEEK OFF AND ON

Two junior girls always together.
Hans busily pulling off the tams of the girls.
Bill McCormick raking the tennis court.
Kate trying to type without paper in her typewriter.
Bettie trying to get control of hogs' moving fever.
Len and Chet going to Seattle on a business trip during a week day.
Elsie and Gean taking the V3 out for a spin. (Car. Elsie drive)??

-----------
NORTH BEND GAME

Duvall beats North Bend 26-22

In what proved to be the most exciting game of the season Duvall defeated North Bend to even up the series between the two teams.

Immediately after the whistle started the game, Duvall was off with a bang as a field goal scored. But right then is where Duvall stopped with but one foul goal to count during the first half, while North Bend counted 17 points. A much inspired bunch of basketeers paraded to the floor in the second half. There was a continual barrage of shots and the Duvall boys held their defense so tight that North Bend squeezed in very few chances to shoot. With 23 points in the last half, Duvall gathered more points in that canto than North Bend did in the whole game.

-----------
Seconds defeated 16-11

The second team also showed better ball than they did at North Bend, and lost the game by a small margin.

-----------
BOYS' CLUB

The Boys' Club met on March 17 to decide upon the type of entertainment to be given at the S.A.A. meeting on March 27. A surprise has been planned for all who attend.

The lettermen's meeting was held afterwards to decide upon the letters to be obtained for the squad. It was decided to have the same type of letter as last year.

Mr. Adams offered the basketball squad the choice of having a feed or attending the playoff of the Pacific Coast Olympic trials.

SENIOR ENTERTAINMENT

The entertainment given last Friday by the senior class for the benefit of the Student Association was a supercolossal success. That old king of radio, Major Doze, was portrayed by Bertil Berg, who kindly encouraged his struggling amateurs. A few of the numbers were: "The Hill Mellies" from Kentucky, consisting of the six senior girls; Franz Snodgrass, saxophone solo; Clarence Somers; the trio from Colorado; three senior girls; Baby Sue Brown; piano solo; Lilly Taylor; Sonia Metrovetsky, Russian tap-dancer; Evelyn Larsen; Barbara Bowman, soprano who at the inopportune moment suffered a severe case of stage fright, Nellie Trim; and still others, but space demands omission.

The seniors enjoyed their performance as much as the students.

FIELD TRIP

A field trip being planned by the English VI class and scheduled for April 2, 1936, promises to be of great value. The different places that are to be visited are: Seattle Times printing office, Police Station, Radio Station KJR or KOKO, Art Museum, U.S. Immigration Station, and possibly the County Court House. The day's program is to be used exclusively for education and widening the pupils' knowledge. Previous field trips of this sort have proven highly successful in the school program, and just as much value is expected from this one.

DEBATE LETTERS

Debate letters are to be awarded Lilly Taylor and Ethel Schuler for their time and effort put forth. The girls won 3 debates out of 4, a good record considering the fact that there were only two on the whole squad and that they, consequently, had to prepare both sides of the question.

WHAT THE CLASSES ARE STUDYING

Algebra: Powers and roots
Geometry: Areas of polygons
Vocational: Civics, Vocations, manufacturing and building
Botany: Leading families of flowers
Manual Training: Cedar chests, tables, writing desk, footstool
General Business Training: Commercial Law
General Science Complex machines
Physics: Complete study of sound and beginning on light
Home Economics: Sewing of cotton
French IV: Sight reading and short story translation
French II: Future and conditional of verbs and story translation
English: Patriotism in literature
English II: Short stories and ballad type poems.

Miss Peltier--How long and when does the evolution of plants begin?

PAUSE

Bill--From chapter nine to the end of the book.

SEW ON OFF AND ON

The juniors busily studying their parts for the play.

The teachers practicing what they call basketball.

GRADE NEWS
7-8

The Duvall Grade Team defeated the Tolt Grade Team up at Tolt by a school or grade school, to take the score of 12 to 1. Alex Stokes was high point man with a total of 6 points.

4-5-6

We are very sorry that Clyde Kein is in the hospital. We are writing letters to him.

We have two new pupils, Delore Primeau and Margaret Elrich.

We are making a border of irises for the back of the room.

We intend to entertain the Primary room with original stories.

---Clara Powers

1-2-3

All the absentees have returned in our room except one--Selma Olson. Next week we hope to have 100% attendance.

We have been studying Holland this month in the third grade.

A new country--Japan--has been added to our stamp collection.

S. A. I. MEETING

In a short S. A. I. meeting last Friday we decided to award debating letters. Tod announced that the Boys Club would entertain March 27.

EDITORIAL

Fellow students--It is a duty of every one of us, whether in high school, grade school, or at Tolt by a school, to take the proper care of school properties that we use, particularly books and desks. This applies especially to those who have reached the high school age and who by this time should realize the importance of respect for other people's property.

Do you ever stop to think that perhaps someone else besides yourself would like to use the books that have been written in or on the pages that are decorated with a number of masterpieces of some beloved teacher or friend?

Do you ever stop to think for what these desks and chairs are made? If you enjoy carving, why not do something worth while? For the benefit of you people that enjoy carving we have a manual training room with plenty of lumber.

Let's watch to be sure we take care of our books and desks from now on; it will save work for us as well as teachers and the money of our parents.

PRIZE OFFERED

The juniors are offering a prize of a 2 lb. box of chocolates to the person selling the most tickets to their play. Also, each person selling ten tickets will receive a free one.

Come and get those tickets!

GIRLS' GAME

In a hard fought game Wednesday noon the high school Girls took the victory by one point from the faculty and grade girls. Judging from the attendance, the contest was of interest to the students, who should all agree that both sides showed basketball talent and good sportsmanship.

-----------

BOOKS--MAGAZINES

So many students sit about chatting with their school mates when they could be reading. Duval Hi can boast of a fine collection of periodicals, as well as a considerable number of books. Students, you can profit by reading some of these books and magazines. It is entertaining as well as profitable to read the collection in the study hall and library. There are many interesting articles in the papers and magazines dealing with the state of affairs of the world. Follow these articles and you will find class discussion much more interesting.

-----------

TESTS AND STUDENTS

Why do negligent students wear such a gloomy, hopeless expression at this particular time of the school year? Because they know that once again, ever inevitably, the quarterly examinations are facing them, and they are unprepared on account of too much attention paid to idle, silly little, nonsensical tricks, things that the thinking, grown-up high school students would find too utterly ridiculous for their growing, sensible minds. For those who have an honest desire to learn, there is always a chance. For the others, Success is an elusive, intangible something they will never know.

BASEBALL

Lo! Behold! Come all! The grand baseball Nine is again in action. The players include Carl; Gok, Stub, Mae, Norman, Fritz, Lupo, Tryintje, and Eddy.

"Placing the pill is Carl's feat."
"Catching them is Gauk's defect."
"Lupo is an indispensable short-stop."
"Due to Mae's professional acrobatics the pill simply whizzes through the air, right into her outstretched hands."
"Fritz is the team's homing pigeon."

"The wizard of the fly catchers is little Edward McMahon. (Thanks to spinach)."

Little shivers of anticipation will go creeping up the spines of the spectators as they behold the baseball Nine in action.

-----------

SCOREBOARD

The school appreciates the considerable work that Mr. Jenne, Mr. Adams, Mr. McCormick, and the students, especially Vera, have done in erecting a score board over in the gym. This scoreboard is the only one of its type in the valley. It is operated by four switches at the officials' bench. Mr. Jenne is happy at the successful completion of his plan, and we should all feel proud of the effort made to benefit and improve our school.

The scoreboard runs by electricity. When a basket is made the scorekeeper presses two buttons, and the score registers, in white light on a black background.

Four rotors, each with ten numbers, rotate by the action of four solenoid coils which pull push rods back in such a manner that when released, a coil spring pulls the coils around 1/10 revolution each time the 110 volt circuit to those coils is closed. Further improvement are planned for next year.

Diane Webster ... her niece ... Mary Verschaeve
Theodore Webster ... her nephew ... Lawrence Myers
Mr. Beasley ... caretaker of Van Dyke estate ... Bill Roetcisoender

Synopsis

Time ... The Present
Place ... The interior of Christine Eliot's refreshment stand on the State Road.

Act One ... A morning in May in the interior of Christine Eliot's refreshment stand, on the State Road.

Act Two ... The same. An afternoon a month later.

Act three ... Evening of the same day.

Intermission

Overture ... School Orchestra

Piano Solo ... Daisy Franke
Vocal Solo ... Martha Wiederrecht
Accompanied by Mrs. Wright.

Dance and Song ... La Verne and La Verta Hobson

Vocal Solo ... Mr. Stanley Lamm.
FACULTY PLAY

The faculty play Bashful Mr. Bobbs will be presented in the Duvall High School gymnasium at 8:15 p.m. Friday, April 17. An "Amateur Hour" featuring Major Doze and his company, will be presented by school students before the curtain rises. Between acts a number of old favorite songs will be sung by a mixed quartet composed of Miss Joan Wilson, Miss Alta Funk, Mr. Fred Wiederrrecht, and Mr. Carl Jonne. The three-act play to be presented is a comedy that should afford good entertainment with its many humorous situations and some moments of drama. All of the faculty, Bill McCormick, Vera Ellis, Evelyn Larsen, and Vernon Larsen are in the cast. The members of the cast are producing the play to aid in paying for the new steel chairs purchased for the gymnasium, as all proceeds will go for this purpose. Admission will be fifteen cents for all school and pre-school children and thirty-five cents for adults.

**************

GIRLS' PROGRAM

Leave it to the feminine half of our noble institution to concoct unique ideas for an entertainment. Last Friday proved their ingenious ability; and we are sure everyone, including the boys, enjoyed it. The theme was the country school of yesteryear, with numerous little lassies wearing voluminous hair-ribbons; and there were even some school bullies. Recitations, songs, and dances were given by the children, albeit amid much squabbling and tossing of spit-wads.

The girls enjoyed presenting their little play, but they are glad that next time they will be included among the spectators.

**************

LETTERS AWARDED

Last Friday at the S.A.A. meeting Mr. Adams awarded letters to the basketball squad as follows: Ted Spoelstra, captain; Vernon Larsen; Floyd Engstrom; Lawrence Myers; Carl Rosen; Bill Roetcissoender; and last, but not least, our worthy manager, Clarence Somers. A brief summary was given by our capable coach, Mr. Adams, of the games lost and won. The boys have had a good season this year, winning 8 games and losing 5. High-point man of the squad was Vernon Larsen (f), 79 points; Carl Rosen, 60 points, trailed close behind Floyd Engstrom, second, with 64 points.

**************
DEBATE LETTERS

To show the appreciation of the S.A.A. for their hard work and time spent on debate, Ethel Schuler and Lilly Taylor, our undaunted debate team, have been awarded letters. We all feel that they justly deserve them, and we are proud of their school spirit and of the very good showing they made for the school in this activity.

GIRLS' CLUB

Interesting reports were given by the delegates that attended the conference in Kirkland. They got many new ideas which we hope to use in the future.

Four delegates were sent from each school in King County, omitting panel. We have some fish completed. The following also made vases with Indian decoration: Lilly Taylor, signs on them. Ethel Schuler, Joyce Ellsworth, and Mildred Doughty.

Beiden's Monroe
ENGLISH VI FIELD TRIP

Thursday, April 2, the English VI students, accompanied by Miss Patterson, journeyed into the city of Seattle to visit various points of interest. Quite a number of the students had never seen the Government Locks, so those were first visited. After watching these for awhile, the students continued to the Emigration Station, where they witnessed a successful applicant for citizen's papers being questioned, and also saw a candidate rejected after questioning. They were shown through practically all of this building and were told several interesting things. The stay here lasted almost two hours so that it was time for lunch when they were ready to leave.

Immediately after their repasts the students drove to the Times Newspaper Plant and were shown through it. It was indeed interesting to see how the different departments here worked and especially to watch the giant presses turn out the finished newspaper. Many students were heard to remark that in the future they certainly would appreciate their newspapers more.

Following the Times tour radio station KJR was visited and the different aspects of broadcasting explained very interestingly by a member of the staff.

Next they ascended to the top of the Smith Tower where they received a good view of the city. Last, but not least, came the City Police Building. Here they were taken through the several departments and allowed to visit the jail.

Everyone felt that the day had been spent well and that each one had learned much. Students were interested to learn that the Tolt Civics class had made a similar trip only the day before. Everyone joined in hoping that other such trips may be arranged in the future.

SPRING SPORTS

The baseballs are flying fast on the playfield these days--so fast that a new one is initiated every few weeks. Girls as well as boys are taking part in this sport. The tennis court also is seeing use every day.

GRADE SCHOOL OPERETTA

The Prince of Peddlers, an operetta, is to be presented, free of charge, for the public at 1:45 on Friday afternoon, May 8. All of the pupils in the grade school from the fourth grade to the eighth grade have a part in it, either in the choruses and speaking parts or in the starring. Lyle McFall and Martha Wiedenrecht have the leading roles, assisted by about six other speaking parts.

Miss Bonlie directs the speaking parts, Miss Wilson the music, and Miss Poyhonen is in charge of costuming.

All patrons of the school are cordially invited to attend the performance.

**************

TENNIS

Wednesday, April 29, the tennis team, composed of Vera, Ethel, Evelyn, Lawrence, and Stub, journeyed to Redmond to play some practice games. Although not gloriously successful the team didn't come back empty-handed. Lawrence Myers and Bill Roetscinder won the doubles match 6-4 and Stub Larsen the singles 6-2 although Vera Ellis and Ethel Schuler were defeated in the doubles 6-3, Evelyn in the singles 6-4, and the brother and sister combination, Evelyn and Stub in the mixed doubles 6-2. Mr. Adams has high hopes for the players in future matches. Probably Ethel and Vera afforded the greatest surprise of all by winning three games after having practiced only three times this season. With more practice they are likely to go places in a tournament.

**************

S.A.A. MEETING HELD

At the S.A.A. meeting Friday, April 24, we were entertained by the sophomores with a terror-gripping play. At Mr. Adams' suggestion we voted to buy two soft-ball bats, a discus, and a shot to begin assembling some permanent equipment for track events and to supplement the baseball equipment on hand. We also voted to go to Silver Lake for the annual school picnic, to be held on Saturday, May 23. Committees appointed by Donald McCallum, acting president, were: refreshments, Victor Marty, Lilly Taylor, Gerold Funk; Lillian Carlson; transportation, Cleo Michelson, Lawrence Myers, Bill Roetscinder; arrangements, Margret Schefer, Ethel Schuler, and Verson Larsen. Mr. Jenne and Mr. Adams announced that articles not claimed would soon be sold at auction. The faculty was appointed to entertain us at the next meeting.

**************
JUNIOR BANQUET

The juniors will give the annual banquet for the seniors and high school faculty on Friday evening, May 1, at the Library building. After the banquet the group will attend the show in Monroe.

Girls serving at the table are Hortense Myers, Kathryn Spoelstra, Joyce Ellsworth, and Jewell Pierson. Girls serving in the kitchen are Jenny Brown and Mildred Doughty.

HARMONICA CLASS

Mr. Woodard, teacher of the harmonica class, plans to have his students from here together with his classes from the other schools go to Seattle the 23rd of May to play over station KOL and on the stage of the Paramount. People interested are invited to attend to encourage the students.

NOTICE---EXHIBIT---NOTICE

The annual school exhibit will be held on May 15, Friday afternoon from two until four, and in the evening from seven-thirty to nine-thirty. Everyone is urged to attend.

SOPHOMORE OUTING

Thursday after school the English IV class went over to Cottage Lake for an outing. Some, who went in for a swim, reported the water "fine", "warm as could be". The others contented themselves with rowing about the lake. A little later a spirited game of "scrub" ensued and after that food was welcome. After more rowing the group returned home having enjoyed the picnic.

PRIVILEGED LIST

Beginning Monday, April 20, the study hall rules were changed. Under the new system everyone to begin with is placed on a privileged list and remains on until he has five demerits against him. Students on the privileged list have a considerable amount of freedom. If a student shows that he cannot use this freedom for his own benefit and that of others he is removed from the privileged list and his freedom is curtailed. Special privileges are withdrawn for a month. If a student is withdrawn from the privileged list a second time his removal is permanent.

FACULTY PLAY

The faculty play on the night of April 17 was a success, netting $37.40. All of this amount goes to the district to help pay for the new steel chairs. Total expenses were $6.28 plus $2.72 state tax. The faculty all wishes to thank everybody who attended or helped in any way for their kind support.

GIRLS' CLUB

The Girls' Club has been given a portion of the cloakroom in the English room to use as a restroom. The room has been partitioned off so that it includes the window in the restroom. It is to be painted in a gay color and to have a chair, a couch, and a table with books and magazines on it. The window will have full length curtains with a small glass curtain for the lower half of the window.

Who is the Tarzan of the sophomores? Which sophomore is the best outdoor crooner?

How are the sophomore boys as cooks?
EDITORIAL

With the coming of spring it is bank. The natural thing for students to eat their lunches out of doors. In last week. In spite of comments and suggestions on the part of the instructors some of the students do not seem to be aware of the garbage cans placed about the grounds for the purpose of holding sacks and refuse. As allowing papers to lie scat—good lately. Clara Powers

4-5-6

Antone's side won the baseball championship. The attendance has been very good.

"Good news is coming, girls!" After a long period of waiting the girls are going over to Silver Lake to a skating party as guests of the Boys' Club on Friday night, May 8.

ATHLETICS

Friday, May 1, the baseball squad with Carl Rosen; pitcher; Victor Marty, catcher; Bill Roetsisender, first base; Lawrence Myers, second base; Floyd Engstrom, third base; Bill Lupo, shortstop; Vernon Larsen, short fielder; Bob Miller, left fielder; Norman Williams; center fielder; Ted Spoelstra,

SENIOR SNEAK

Last Wednesday there seemed to be a notable absence of seniors from Duvall High School. Wondering students gradually assembled for morning classes, but still no seniors appeared. And no wonder, for those noble creatures suddenly took it into their heads to "sneak". They arose at the ungodly hour of 3:30 and sneaked all the way to Vancouver, but very nearly only as far as Blaine, for Fate had decreed that Bertil should be born in Sweden and was to appear at the Customs House at the border of Canada on this particular day without his passport. After much difficulty and fearful foreboding, Bert was finally admitted, and sighs of relief were heard all over our sister Dominion. Ask Donald McGallum about the Customs House episode. I'm sure he will oblige.

Vancouver welcomed us with open arms, already hoping to grasp our pocketbooks. After separating at 11:30 until 1:30 the group went to the C.P.R. docks to make a tour of the Empress of Russia with a little Chinese as guide. We all vowed to take an ocean voyage as soon as school should be out.

Then we went to Stanley Park, one of the main attractions in Vancouver, and visited Hastings Park, only to find it still closed.

At 4:45 we started for Seattle and as we had had breakfast in Portland, dinner in Vancouver, and lunch in Vancouver, we thought it would do nicely to have dinner in Bellingham. (Continued in next column)

We reached Seattle in high spirits, so high that we had the courage to attend a show, after which seniors were arriving home all the way from 2:45 to 4:00 in the morning. Next day we were not vitally concerned with what went on at school.

There were no casualties to speak of except one flat tire, Bertil's being an alien, Doig getting his face powdered, and Ted's being mildly rebuked by a polite Canadian policeman.

The senior class, at least, will not forget their sneak-day.

OPERETTA

The operetta given by the grade school students on last Friday afternoon proved to be quite a success. Many patrons were present to witness the ability of the grade students. The teachers who instructed the operetta deserve much of the credit for its success.

There will be no more entertainments this year except the exhibit, which is being given this afternoon and tonight from 7:30 to 9:00. All of the grade school rooms have displays and some of the high school departments.

COMMENCEMENT

Sunday, May 17, M.E. Shureaat 8:00 o'clock p.m. Baccalaureate service. Thursday afternoon class day.

Friday, May 22, gymnasium at 8:00 p.m. commencement exercises. Saturday May 23, school picnic.
GRADE NEWS

7-8
The seventh and eighth grades are preparing for the state examinations, which are to be given Thursday and Friday of next week.

Miss Pouhonen's room will go to Silver Lake with the high school next Saturday for the picnic.

**********

4-5-6
The pupils voted to go to Silver Lake for their picnic.

Class officers chosen at the last election were: Irene Vanhulle, president; Clark Powers, vice-president; and Clarence Zylstra, secretary-treasurer.

**********

1-2-3
We have some interesting new stamps from Sweden, one from Greece, and a new one for the United States.

Selma Olson has been absent for two days during the past week.

The third grade has made a frieze of Holland after a month's study of that country.

**********

JUNIOR-SENIOR BANQUET

The annual Junior-Senior banquet was held May 1, in the Library Building. The room and tables were very beautifully decorated, carrying out the May day theme. A large May pole adorned the center of the room with green and white streamers hanging from it.

Cleo Mitchell was Queen of the May and made a charming hostess. The speakers were: Nellie Trim, Going on a Journey; Evelyn Larsen, May Baskets; Ted Spoelstra, May the Past Be Related; Don McCullum, What May Become of Us; Clarence Somers, Come Into May; and Miss Patterson, Maybe.

(Continued in next column)

**********

(Banquet continued)

The dinner was served in three courses: first, molded fruit salad and ritz crackers; second, chicken a la King, mashed potatoes, buttered asparagus and hot rolls; third, ice cream, cake, and coffee. The sophomore girls served the dinner and the freshman girls were in charge of the kitchen.

After the banquet the group attended the show in Monroe.

The banquet was one of the outstanding features of the year.

**********

SCHOOL BOARD PARTY

The teachers were invited to attend the meeting of the school board on Thursday night, May 7. After that everyone adjourned to the Home Economics room to enjoy refreshments and conversation.

**********

SKATING PARTY

On May 8, the Boys' Club sponsored a skating party for the girls at Silver Lake. They traveled by busses. On the way, everyone was in good humor, as could be told by the singing, but what a change a few hours of skating can make.

Many students took the floor through their own mismaneuvers, or through those of others. But, despite numerous bumps, bruises, floor-burns, a good time was had by all.

**********
All this agitation about the Old Age Pension inspired one of the students (Name withheld by request, but it is ——— ———) to these stanzas.

Cheer up, Grandpa, don't you cry, You'll wear diamonds by and by. Uncle Sam has money mills, Made to grind out brand new bills. He will help you in your cause, With his old age pension laws. No more worry over bills, Bather's duns or doctor's pills; No more panic over rent, Leave that to the government. Dine on squab and caviar, Sport a streamlined motor car. When the blizzards bliz a bit, Off to Palm Beach gayly flit. Lead a life of pleasure bent, But you must spend every cent. Whoopee! Grandpa, stay alive; Life begins at sixty-five!

The next lines picture the probable effect of the pension on the rest of the family.

Grandpappy's getting quite a bit of attention, Since all of this talk about the old age pension; The old man used to be nothing but a bother, Now everybody's happy, and they all call him father; Father, dear father, stay home with us now, We will bring in the wood, and take care of the cow; You won't have to dig with the pick and the spade. And when you get up all the fires will be made. The straight back chair in the little old room, Is a thing of the past since the pension boom; In a big arm chair by the old fireplace, (Continued in column to the left)

Front row: Florence Unnopulos, Ethel Shuler, Mary Verschaeve, Lillian Carlson, Cleo Mickleson, Kathleen McMahon, Elsie Hammerquist, Alice Franke

Back row: Laurence Myers, Vic Marty, Gerald Funk, Bill Roetcisoender, Miss Trompen, teacher
School opened September 4th with a group of happy students. We have an increase in attendance. In the high school we have 59 students. Of 8:40 School day has been lengthened. We start school at 8:40 instead of 9:00. The longer day has many advantages. There are more study periods and extra subjects.

Duvall Pupils Climb Mt. Si

A group of 30 pupils, accompanied by Messrs. Roesch and Jenne of the faculty, and Mr. Donald Owens of the School Board, left the Duvall School at 6:45, set, and by 7:30 were on the trail up Mt. Si.

The smoke from brush fires obscured the view of valleys below, but neighboring peaks and Mr. Runiner in the distance, seemed to float on a sea of smoky haze. The party was thrilled at the sight.

All of the group excepting 4 girls reached the top of rocky Mt. Si. These tried gamely but were obliged to turn back after having come most of the way. Mr. Roesch demonstrated his peak-grabbing ability by ascending the south cliff to the peak, via a fault in the rock.

The party was disappointed in not finding water pockets, at the top, which they hoped would result from recent rains. This experience was valuable to many who had always taken a ready water supply for granted and never fully appreciated it.

The party returned, without mishap, at 3:00P. M. Those who made the trip were: Virginia Allen, Norman Williams, Hans Romann, Robert Miller, Mike Clark, Jean Anderson, Roy Gustafson, Lena, Torre, Elsie Kain, Howard Biers, Billy Hines, James Jones, Joe Spoelstra, Martha Wildrech, Albert Steck, Irvin Stokes, Elsie Hammarquist, Alex Stokes, Edward Mc Mahon, Hortense Byers, Frank Vanhulle, John Spoelstra, Villadam Ellis, Jewell F Тепер, Pessie Hershey, Ivan Gustafson, Kathleen Mc Mahon, W. L. Roesch, C. P. Jenne, D. A. Owens.

WELCOME, FRESHMEN!

It was a bright summer day in the early part of September. The friendly floors of Duvall High School had swarm open for enrollment. Groups of students stood about chatting gaily and renewing red (Cont. Page 3 etc.
There are thirty numbers in our class--12 in the eighth and 18 in the seventh.
We had election of officers last week.

Junior Holcombe-----Vice Pres.
Rolanda Williams-----Sec.
We are sorry about Elsie Kain, who became ill after the hike Sat.

The new pupils in our room are Richard Fuller, Hazel Splattstoesser and John Comely.

There is a table in the back of our room which we use when reciting. We like to sit back there.
Some of us are selling blue birds for the Washington's Children Home. --Peggy Miller

There are seventeen first graders this year, all anxious to learn to read books for themselves.
We have added a number of new, interesting stamps to our last year's collection.

C'r'l Simms has left our school to go to California.

HUMOR

Lit. Si Scenes

Fans, Ivan, and Bob getting lost.
Mr. Jeane loaded down with coats.

The original W. P. A. Duvall School Project included clearing and grading the east end of school lot, painting the exterior of all school buildings, renovating of three classrooms, installing of two unit heaters in the gymnasium to be connected with the efficient stoker furnace in the main building and building of a 48-foot addition to the south side of the gym, to increase the size of the stage and dressing rooms, and to provide floor space of 36-feet by 66-feet for general shop space to include a shop room, a tool room, drafting room, finishing room, and a lumber and steel room.

Later, in July, an application for additional improvements was approved. These included raising of driveway for coal trucks, repairing and painting of all roofs, moving of storage room, and the construction of new fences.

The total cost of all materials will be borne by the school district. all dit $6.00

Notwithstanding the facts that there are district funds sufficient to handle its share for materials, without an excess levy due to a technicuity in the law requiring a popular vote for capital outlay, a levy of 2 mills may have to be voted in the near future. If so, this will not increase the total budget and will not increase the present district levy of 10 mills, but will merely enable funds already provided in the budget to be legally used for completing the new addition.

After numerous delays in securing materials, the work is now progressing quite well, considering the short working day of 6 hours and a week of four days.
Welcome, Freshmen!

occurrences. But that is this we see? For over in the desks
by the wall are seated twenty four bright, unfamiliar faces. Or are
they so unfamiliar? No, for they are last years' eighth graders--
the incoming freshmen.

How fittingly they are named, for are they not truly fresh and es
eager to join in this new experience? It is the desire of the rest
of the high school that you, the freshmen, learn quickly to feel as
one of us, so we now take this opportunity to invite you to en-
gage in the activities offered you here and to make the most of your time.
By this time all the High School students are becoming well
acquainted with our new teachers, but here is the low down on all
the teachers.

Miss Trompen is a graduate from Stadium High School Tacoma
also from the College of Puget Sound, graduating from in 1935,
she taught one semester at the
Mason Intermediate in Tacoma.

Miss Larsen is also a grad-
uate from the College of Puget
Sound, graduating in 1936. She
taught one semester at the Jason
Lee Intermediate school. She is
also a graduate of the Lincoln High
High School, Tacoma.

Mr. Roesch graduated from
North Central High, in Spokane.
He went to the University of Idaho
and graduated from there twice.
(They were exceptionally nice to
him and let him graduate twice.
1933-34 so he says). He taught
at the New Meadows High School in
Idaho and also at the University
of Idaho.

Thus we have a general idea
of their education, so we can't
teach them anything more.

Initiation

Lo and behold what has entered
into this high school? What do
see in the night hand side of the
study Hall. A group of green
teenage boys and girls who do
not know what its all about.
However you needn't worry freshman
because boy have something to look
forward too.

Perhaps some of you have heard
someone speak of initiation, and
then there maybe others of you
are wondering what that means
but we suggest that you wait till
the day we start initiating you.
Perhaps then you will know all you
care to know about it.

Besides on Supremacy Day,
October second, we will see who
is supreme, the sophomores or the
freshmen. Contests will be held
to test the strength and endurance
of the worth freshmen.

ROBINSON CRUSOE'S STORY

I thought they think and hazy
Then the "Piecedilly Daisy"
Carried down the crew and captain in
And I think they drowned 'em
For they never, never found 'em
And I know they didn't come ashore
with me.

I spent no time in looking
For a girl to dormy cooking
As I'm quite a clever hand at making
stews;
But I had that fellow Friday,
Just to keep the tavern tidy,
And to put a sundy polish on my shoes.

Charles Edward Carryl

Editorial
Are all the High School boys going
to be evirors? Or why have they made paper airplanes to
throw around?
Now that you boys are in High School, why can't you behave your-
selves and not act like a group of
grade school children? Do you
ever think of those who go to school
to learn and not fool around
like you do? There are some in a
high school that are here to learn
Think of them the next time you
feel the urge to throw spitwads and
paper airplanes.

Humor
A party of tourists were enjoying
the wonders of the Grand Canyon.
A native passing by was asked by
the driver of the car:
Gerald: Say, neighbor can you tell
us what caused this terrible
gorge?
"Well, they say a Scotchman once
owned a ranch near here, and one
day he lost a golf ball down a go
ger hole.

Familiar Friends
This worthy never borrows,
Except your fountain pen, and
then--and if--I give it back--
It never writes again.

A compliment is when you say some
thing to another that he or she kno
knows is not true.

CURTIS CONTEST

The Curtis Contest ended last week with a total of $58.00 in sales. Laurence Myers and Margaret Schaefer sold the most magazines. Laurence's side sold $32.00 worth of magazines and Margaret's side sold $19.00 worth. There was a total of forty-three subscriptions which entitled us to a "Bonus Certificate" of $4.35.

There will be two certificates of achievement awarded. Margaret will receive one with a red star; and Laurence one with a gold star.

The school will keep $25.00 and we are entitled to one sweater which has been ordered for Laurence in view of the fact that he sold the largest number of subscriptions.

We wish to take this opportunity to thank the patrons of the school for helping us in this contest. We especially thank Mr. Hible and Joe Dougherty for subscribing to the "Country Gentleman" and "Ladies Home Journal" for the Duvall High School.

THANKSGIVING AFTER-EFFECTS

Maybe you think Thanksgiving is past for the year of 1936. Yes, possibly it is over in one sense; but, yet, it lingers in the atmosphere. Some of us are still suffering from the irresistible menu of the dressed turkey, cranberries, and plum pudding, and some from the after-dinner chocolates they were munching.

But that is not all—let us journey out to the farm yard among the domestic fowls. What is that commotion? Why, it is among the turkeys. They haven't accepted the new commander of the group. He possesses an inferiority complex! No, he cannot take the place at the head of the flock as the (now-masticated) fellow who once ruled over his kind, as a dictator over the people of his nation. When Thanksgiving after effects have finally diminished and all is well, once again, Christmas is introduced with its well—-you know.

EDITORIAL.

It has been the custom for some time in this high school to begin blue Monday in song. However, until recently, the singing has been rather weak. There has been an improvement lately, possibly due to that familiar phrase from Miss Larson, "More Voices, please."

Had Miss Larson heard the singing which was being done on the way to the Telt basketball game Tuesday night, she would have been stricken with one. Gone on students, let's sing like that on Monday mornings.

SLIP N' MYERS CAFE

We are here to satisfy you.
CLASS NEWS

Freshman News

The freshman class is most quiet. When interviewed for news they said "Nothing ever happens."

Through sheer force we found out that the number of freshman students has been depleted by three. Bud Lyon has left school, and Albet and Irvin Stokes have moved. Ballard, where they are attending school.

Junior News

The Juniors, always different from everybody else, have ordered their class rings this year, and are anxiously awaiting their arrival. Mr. Jenne is constantly hearing the question, "Have the rings come yet?" ringing in his ears. There are six Juniors which have ordered them. They are very distinguished looking rings with the initial of each Junior on his own ring, and Duvall written across a flat surface.

Senior News

The Senior class entertained the student body, Thursday with a great melodrama, Wild Nell, the act of the Plains. The characters of the skit were:

Wild Nell—Kathleen McMahon
Handsome Harry—Victor Marty

(Con't on next column)

Senior News (Con't)

Lady Vere de Vere—Lillian Carlson
Elsie Hamerquist and Mary Verschaeve held the silver screen.

BOOKKEEPING CLASS
SEEN OFF AND ON

Wallaces Turkey shoot comes but once a year, boys.
SCHIJER...finding the question unimportant.
HANS...looking a bit depressed these days.
FRENK...snitching debate notes.
ADOLPH...learning to wink.
ADOLPH...refusing the girls' requests.
MILLER...handing out borrowed typing paper.
SCHIJER...Acting silly (unusual)
ELSIE...receiving an unsigned note.
NCML...snoring in French.
An impertinent little mouse making its appearance during Seniors Rehersals.
HANS...remaining aloft as a result of the "Mumps".
A correspondence Club in full swing.
MILLER...receiving his long awaited pay-check.
Stub bidding the History Class adieu with an affectionate glance in Miss Trppen's direction.

DEBATE

The debate teams are working every day trying to get more information on the subject. Resolved: That all electric utilities should be governmentally owned and operated.

Mr. Jenne is debate manager for the district in which Duvall is situated. Our school has the following debate schedule for this season:

Jan. 7. Aff.--Vashon at Duvall--Neg.
Jan. 28. Neg.--North Bend at Duvall Aff.
Feb. 4. Aff.--Duvall at Bellevue Neg.

(Con't next column)

If present plans work out, it is expected that the affirmative team will be composed of Vernon Larsen and Ivan Gustafson; and the negative team of Joyce Ellsworth, Kathleen McMahon, and Margaret Schefer.

In each debate there will be two on a side. The three girls on the negative will take turns representing the school in inter-school debates. Before the official contests, several practice debates will be held with teams from other schools. The debaters have worked independently on their speeches.

The debaters have been coached only in the form of debate.

CENTURY OF PROGRESS

1905--Oh! Look, there's a car!

FOREIGN CORRESPONDENCE

The French classes have joined the International Students Society. Last week we received our first sample letter and are printing it in this issue of the paper. The letter was written in English and French. We are printing the English as the way they write seems very queer to Americans. We do not dare say what our French seems like to them. This letter was sent to Anna Redmond by Robert Desmet from Tourcoing, France. It was written exactly as follows:

Tourcoing le 6 France

Dear Mae,

I have duly received your letter and I have happy to correspond with you. I am sixteen years old. I stand 1 m, 63 i.e. 5 feet 2 inches and am black fair curled with blue eyes.

I am clerk of office in the firm Desurnont-Bradford. My manufacture is very large, there are near 3000 workmen. There are two years my factory makes trade with U.S.A and England.

"I was born in Tourcoing where I live. Tourcoing is a great town (90,000) inhabitants. My town is situated near Belgium (Belgique) that is to say (Cu Nord de la France) Tourcoing is grew to 70 km. or 30 miles of sea. "Mar du Nord" also summer

(Con't next column)

Correspondence (Con't)

we make a stage near the sea when done the holidays."

A picture of the correspondence was enclosed in the letter. Bessie has also received a letter from Roger Colletier.

THANK YOU

The Camp Fire Girls wish to thank the students for patronizing the candy sale in the hall on Wednesday noon.

SMALLPOX VACCINATION

Children of school age and pre-school age will have the opportunity of vaccination free at the school. Wed. Dec. 10. at 9:00 A.M.

174
We know have fourteen people who put money in the bank each week. We are working toward 100%.

Franklin and William Stokes have moved to Ballard to live.

Several people in our room have had to stay out with very bad colds. They are: Dick Walker, Eldridge Splattsotoesser, Virginia Jenson, Floyd Carlson, Janet Owens, and Owen Knowles. We have a collection of several different kinds of rock.

Our room is going to make some large colored maps of the United States, Europe, and South America. We have two new pupils, Shirley and Virginia Gockerell.

We have a reading chart which shows how many books we have read. Betty Larsen has read the most books which is twenty this year.

We are glad that Eldridge Gockerell has joined our class. We are very sorry to have Marion Stokes move to Ballard. Last Wednesday we made funny paper characters, and this week we drew stream line cars.

The pupils are preparing their Christmas program. A little play entitled, "Waiting for Santa," is to be given by the primary grades. The upper grades are planning their own presentation, "Through the Christmas Window".

The serving of hot lunches is on the rapid increase. An attractive chart above each dining table displays a picture of a tempting bowl of soup, and a credit mark for each day's hot lunch for each child.

RASKEBALL

Fall City Game

Tuesday, November 24, the Duvall High Hoopsters suffered a defeat by Fall City High. As it was just a practice game there was nothing at stake but it showed up our faults which we hope to correct in the near future. The final score was 23 to 5.

Tolt Game

Tuesday, December 1, Tolt High School defeated a highly improved Duvall squad 26 to 13. No one likes an alibi, but if they ever get any heat in our gym so we can practice, we are surely going to try to bring home a few victories to Duvall.
The girls have started to practice passing the ball and shooting baskets. We intend to have a team when we learn something about basketball, and then we will play interscholastic games.

We are going to be privileged to buy athletic pins when we have earned enough points. Different classes have different number of points to gain before they can buy them. The Freshmen have to make 100 points. The Sophomores 800 points. The Juniors 700 points, and Seniors 400 points.

CAMPFIRE GIRLS

The meeting was called to order and we had election of officers. The following were elected:

President---Hortense Myers
Vice Pres.--Jean Anderson
Secretary----Jean Brown
Jean Anderson and Agnes Sener were appointed to make posters for the candy and popcorn sale. We then discussed different ways to make account books. Mrs. Minshall gave us some very interesting examples of books that had been made by other girls.

There were also a discussion of different ways to raise money other than the dues we pay.

We obtained health charts and also decided that we should start checking up on them the first of December.

The meaning of the honor beads was explained to us by our leader Mrs. Minshall.

Saturday, both the Juniors and older groups of girls went for a short hike and learned one of the many ways to build a fire without matches. (But in the long run we used many matches.) We took

Suddenly a shrill yell rent the air, "A mouse! A mouse!" The horseman dismounted and went after the small intruder. One of the horseman put out a ruthless foot, and cold, bloody murder was committed.

(The mouse, not the maiden died)

Gossip is one of the fastest things on earth. In some places it travels so fast the truth tires out before it can overtake a lie.

Virginia--Do you think late hours are good for one?
Handsome Harry--I don't know about one but I think they are fine for two.
VICTORY

Hooray! Hurrah! Duvall wins. Much to the surprise of the fans, the Duvall Hi School Basketball squad returned home Friday night December 11, victorious.

The victory was at the expense of the Skykomish boys, who were powerless to score at the hands of our fast-braking, sure-shooting team.

BILL ELLIS was the hero of the game with 13 points. As Skykomish was not fortunate enough to have a tall center, Ellis was able to stand under the basket and drop the ball into it. The final score was 27 to 14.

The Freshmen also were at the height of their glory Friday, December 11, when they defeated a much smaller Skykomish team 26 to 8. The Skykomish team put up a good fight but our boys were too big for them.

WHAT'S THIS! ! (SOMETHING NEW)

What—— Vacation!
When—— So on
Why—— For temporary relief!
Where—— Everywhere but school!

It's in the air, there. It's on every one's tongue. The faculties discussing it. It's as prominent as a conflict is on the fourth of July. There's excitement and confusion ringing throughout school.

What event will cause so much commotion and hilarity, for everyone but Christmas and its eleven days of vacation? Students! do you comprehend? Eleven days of happiness, freedom, ease, Zounda tis a good world after all, no studies, no latches. Such is the spirit of the Christmas holidays.

(Eleven days closer) AH! Tis grand to be loitering about in the study institution, back to the true routine of life again. Yes, we admit it gross monotonous and wearisome at time but there is no place so fine as the days spent in the good old Duvall Hi.
Hortense

on the

body meeting "which we hope will be

was held

attending were Messrs. Donald Funk, Pendleton, N.A. Brown, C.A. Funk; and from Snoqualmie Mr. Beden Hall and Mr. Wm. Hronek of the Valley Council.

A study was made of the Scout Census report and a tentative bud-
got prepared by Mr. Jenne. Thirty-
two boys of Scout age are available but probably only half that number will join, due to the distance which some live from town. As for the budget, a total of $50.00 will need to be raised to run the troop for a year. This will cover items such as merit badge pamphlets, 3 reference books, record book, first aid equipment, material for archery etc., awards, postage, camps equipment, and Seattle Area Council Service, which last will amount to $15.00.

It will be necessary for each member to raise $1.60, besides to cover his registration (50¢) Handbook (50¢) identification neckerchief (50¢) and R book (10¢).

It was decided that the School Directors would sponsor the local troop, and by unanimous choice a former Duvall Scout—Mr. Donald Funk, was appointed a Scoutmaster. An assistant is yet to be chosen.

The Troop Committee will be composed of Mr. J.I. Miller, Mr. N.A. Brown, Mr. C.A. Funk, Mr. Pu Baisden, Mr. Pendleton and Mr. Jenne.

The next meeting to be held Dec. 13, will be held for the purpose (Junior Club) of

JUNIOR RINGS

The Juniors who have finally received their class rings are:

Hans Homann, Joyce Ellsworth, Ivan Gustafson, Hortense Myers, Robert Miller, and Bessie Hershey. They are very distinguished looking rings, and I am sure Mr. Jenne was glad when they came so he would not have to say, "No, they haven't come yet."

BOY'S CLUB

The boy's club is working on the entertainment for the next student body meeting which we hope will be a success. We wish to tell the girls that we have not forgotten their party earlier this year.

BANKING

On Tuesday December 15, the deposits of the Duvall students were on the decline. Twenty-two dollars were withdrawn. The blame for the sudden fall in the bank deposits can be traced directly to old Santa Clause. We hope that the Duvall High School students will benefit both directly and indirectly from the money he has urged them to spend.

Prior to the Christmas withdrawal the students Banking account contained $138.01.

SEEN OFF AND ON

Bessie misseeing her self in French.

Carl Rosen going down the river road during Thanksgiving vacation.

Stu's leg mis-colored Friday Night.

Norman not shipping with the Sociology class. (Wonder why?)
GEOMETRY

Mr. Jenn’s geometry class has written themes on the subject "Geometry on the Way to School." Below are excerpts from two of the most interesting papers.

A Shingle

The shingle is a quadrilateral. It is used for roofs of homes and sometimes Dad uses one on me for a paddle. But as for Geometry, the shingle is a quadrilateral and has four sides and a rectangular shape.

Milo Clark

Geometry on the Way to School

"Who says there isn't any geometry scattered around? As I stroll out the door, I glance at the old-fashioned clock on the wall. It is octagon-shaped and the hands form an obtuse angle as they point to eight o'clock. A very symmetrical snowflake, and another, fall on my coat. Each one is very even, but no two are alike.

Something hard hits me on the head with force. I stoop to investigate and find that it is a very nearly round walnut. I am again lost in calculations. I stumble on a very round mountain-beaver hole, and fall headlong.

In the mud, tire tracks have left their geometric designs.

SEASON'S GREETINGS

'Tis Christmas time
And time to say
The same old wish in the same
Old way;
The same old words in prose or
Rhyme.
That cheer the heart,
At Christmas time!

----------Schefer

When Christmas comes we sing
And dance,
And parties go a-skating,
But do we remember, friends,
What day we're celebrating?

We ask, 'What were your gifts?'
Are, everywhere we hear it,
But when we're thinking of
ourselves
Is that the Christmas spirit?

So let us not forget
The purpose of the day
And drown its divine meaning
With frivolity and play.

----------K. Mc.

FOREIGN CORRESPONDENCE

The following information was
included in a letter received from
a French correspondent who wrote to
one of the students in our school.
A part of the letter follows:

"I, Rene Lesage, attend a boys' school which has an attendance of
two hundred pupils.

"My father is a manager of a
large factory, while my mother
remains at home caring for my 2½
year old brother.

"I enjoy playing football, but
above all I delight in the Alpine
excursions.

"As the subject of the war in
Spain which you asked about in
your well-written letter to me, I
enclose pictures of the war from
the French journals which define
the feelings of the French toward
the war.

CAMPFIRE

The Junior group is doing re-
markably well selling cookies.
The price varies from ten to fif-
teen cents a dozen, and they have
made over eight dollars already.

The Senior group is contemplat-
ing having a sale of hot food.
They are not quite sure whether or
not they will have it.

All of the girls have finished,
or nearly finished, their headbands.
Those are all painted with differ-
ent designs, signifying the indi-
vidual's aim in life. Some of
the girls have started earning
honors, but others haven't paid
their dues so honors are unattain-
able.

GIRL'S BASKETBALL

About twenty girls are over in the gym every P. E. period. We generally start out by just getting warm any way we can. Then we play basketball.

We intend to have a team this year and play other school. The girls have the gym the first half of the noons on Tuesday, Thursday, and Friday.

Those girls that do not play basketball play ping pong or study as they desire.

DEBATE

Last Friday Mr. Jenne listened to the debate teams.

The team hopes to debate with the Duvall Grange and Tolt High School. These will be practice debates with outside teams with no official decisions.

There has been a change in teams. The inter-school debate squad members are:

Affirmative
Margaret Schefer--Main speaker
Kathleen McMahon--Rebuttal speaker

Negative
Ethel Schuler--Main speaker
Joyce Ellsworth--Rebuttal speaker

The conference debates will begin Jan. 7 and continue until Feb. 4. There are to be two negatives and two affirmative debates. The judges are to be from the University of Washington.

JOKE

Miss Tromp--Ethel you and Joyce will debate interscholastic.
Etc.--What school is that?

IN HERE LIES MY DREAM
---Schefer

Hark! I hear a voice
It calls to me
I cannot escape it
It is the call of the sea.

I am but a dreamer
Of some far off shore
My ship is yet far off
Some day t'll come to my door.

My yearnings are unanswered,
But someday may come true
But until that time
I shall shape my thoughts for you.

FRESHMEN NEWS

Bessie Trim the president appointed a new secretary, Ray Nelson, and a news reporter, Margaret Vanhulle.

The committees appointed were: Eileen Nelson, Howard Myers, Alex Stokes to select a play with the aid of Miss Larsen.

The entertainment committees consist of Ray Nelson, Betty Williams, Mae Spolestra and Frank Marty.

PING PONG

The Sophomore class is sponsoring a ping-pong tournament for any students who desires to participate. As yet very few have played their matches, but we hope to have them finished by next week. Two prizes will be awarded for the winners.

BOYSCOUT (CON'T FROM 2)

of deciding whether to join the Everett Council and affiliate with the Monroe District or the Seattle Council and tie in with the Snoqualmine Valley group. A representative from the Everett Council is expected to attend the Friday meeting.

CHRISTMAS PROGRAM

The Glee Club opened the Christmas program by expressing their joy over Christmas with songs. After singing a jolly sleighing song, the girls sang, "Silent Night," "Calm as the Night," and "Hark the Herald Angels Sing." The girls were Virginia Battle, Agnes Sener, Mae Spoolstra, Kathryn Spoolstra, Kathleen McMahon, Margaret Schefer, Mildred Doughty, Betty Williams, Jean Anderson, Joyce Ellsworth and Mae Redmond.

The speech class acted a play known as "The Bishop's Candle Sticks," adapted from part of a novel by Victor Hugo, which was exceedingly good.

The characters were: Jean Valjean—Vernon Larsen; Mademoiselle—Kathleen McMahon; Madame—Ethel Schuler; Guards—Frank Vanhulle and Bill Ellis; Fisherman—Robert Miller; Inn Keeper—Ivan Gustafson; Lady—Mae Redmond; Attendant—Resie Hershey; Priest—Hans Hamann; Joyce Ellsworth was prompter; Margaret Schefer was the Master of Ceremonies.

Then there was the passing out of the presents which was the main part of the program and the most enjoyable part of all. The faculty showed their Christmas spirit by giving all students a bag of candy.

SOCIOLOGY TRIP

The Sociology class, including Bill Ellis, Ivan Gustafson, Hans, Vernon Larsen, and Frank Vanhulle, accompanied by Miss Larsen, went on a field trip to Seattle Wednesday, December 15th. They first visited the Government Locks. They also visited the Post Intelligencer offices. One of the special sports of interest on the trip was the morgue in the Post Intelligencer offices. It was shown to the class and explained by the manager of that section of the paper. Have you ever wondered how large newspapers get death notices in the columns so soon after famous men and women have committed suicide or died a natural death? Every important personage (and the importance is measured by the editors and owners of the newspaper syndicate), has his obituary already written. Every step of Lindberg's life has been followed. Every bit of it is in metal on tables at the Post Intelligencer offices ready for forms and ready to be printed upon a moment's notice. (Con't on page 2)
We got some very interesting new books.

Wednesday we had art so we drew peacocks.

We elected new class officers;
They are: President, Kenneth Bennett; Vice President, Peggy Miller; Secretary, Antone Marty.

7-8

No one in our room was ill affected during the Christmas holidays and all returned to school well pleased, so Old Santa must have treated them well.

We have a new girl in the eighth grade, Her name is Edith Hanson. We are very glad to have her.

1-2-3

Through out the cold weather we have had very little absence.

Doris Olson was out for several days with a bad cold last week.

We are enjoying the addition of five new books to our library.

Dick Walker had his birthday last week.

DEBATE

The Duvall debaters have participated in two inter-school debates. We debated the negative at both times. The negative team is composed of Ethel Schuler, the main speaker; and Joyce Ellsworth, rebuttal speaker.

We debated Vashon High School at Duvall. Vashon received the decision.

In the debate with South Kitsap High School at Port Orchard, no judge appeared. It was a non-decision debate.

The attendance for December was reduced by some illness. It is the hope of the teachers to keep the record good. Sickness, of course warrants absences and good care at home, but unnecessary absence is the first factor toward a poor term for any child.

Mid-year tests are to be given January 11-15.

Scott Wallace is taking private music lessons and Illa Mae Jacobs and Vionne Jacobs are enrolled in a tap-dancing class at Monroe.

###

SOCIOLGY TRIP (Con't)

moments notice. King George's death notice was on the front page of the paper, and the papers sold not later than fifteen minutes after the news had been wired to the United States.

The Samuel D. Ingraham, Coast Guard Cutter recently from the East coast, was seen from the top to the bottom. The class was shown over the ship by the Chief Gunnery Officer. We were most fortunate in being able to see and enter the bridge, the gallery, and the Captain's cabin, and the sick bay (Hospital). The final and most interesting place entered was the Armory. Here the officer dismantled a small machine gun for the class and explained other guns and ammunition.

###

JOKE

"Hey, I can go around the corner on two wheels with my new machine and it's perfectly safe. You'd hardly know you were going."

"Zat so? What kind is it?"

"It's a bicycle."
The concrete for the new shop floor has been poured. The extremely cold weather required that the furnace be kept going night and day to keep it from freezing.

Students are anxious to have the use of the gym for basketball and play production. It seems that this will be possible for two weeks.

The unit heaters will be installed this week, and the cyclorama for the stage will be installed next week by the J. H. Gill Co.

SEEN OFF AND ON

A piece of bread mold actually growing in the Home Economics room. (It was material for Sociology Class)

Kathleen McMahon going "Colbert" on us.

SENIOR PLAY

The Seniors are busy working on the play "Where's Grandma."

The cast includes:

Grandma ——— Kathleen McMahon
Croschen Blake ——— Lillian Carlson
Bob Blake ———— Bill Nobis
Jack Worly ———— Lawrence Myers
Lucy King ———— Florence Uppollos
Arlene Truesdale ——— Cleo Michaelson
Carol Worly ———— Ethel Schuler
Midnight ———— Gerald Funk
Dahila ———— Elsie Hammerquist

The production staff includes:

Tickets and publicity — Ethel Schuler
Stage Manager — Victor Hartry
Property and costumes — Mary Verschaeve

The plot concerns "Grandma" who is expected to reform the young people in a modern family. Complications arise when "Grandma" turns out to be the "most modern" of all.

The object of the first game was to get everyone to laugh. Then we played "Murder," which was enjoyed by everyone.

Miss Trompen introduced us to "Arnold," a very comical little fellow whom we all enjoyed very much.

During all this time we were eating peanuts.

Our menu consisted of ice cream and cake and coffee.

BOY'S BASKETBALL

The Duvall High School squad invaded Tolst the twenty third of December, and was met with defeat. The score was 42 to 14. This score might have been more even if Bill Ellis had remembered to take his tennis shoes. It would then have been possible for Duvall to get the tip-off over Tolst's center. The Duvall Freshmen team also met defeat at Firland by the score of 18 to 10. The Freshmen will play Issaquah here Thursday January 14 and there will be an even game.

YELL TEAM

Even before Duvall's teams play ball, now, half the game is won, since Elsie Hammarquist and Elizabeth Nelson have been elected yell leaders, for their abilities are unlimited. The fact that they have some one cheering for them, some one urging them on, gives the teams a new outlook on basketball. It gives them the first necessity which is encouragement.

GRADE NEWS
4-5-6

We had art on Monday. We painted a pot with flowers in it. None of them were any good.

We play in the gym now while it is cold outside.

The fifth grade is studying the north Central States in Geography.

The sixth grade had a test today on Czechoslovakia, Poland, and Romania.

7-8

We were quite disappointed Thursday when we were not permitted to attend the Freshman game.

Wednesday we listened to the inauguration of the President. Afterwards we wrote our impressions of the inaugural ceremony.

The eighth grade made up several imitation radio programs for English. Some of the leading participants were Elsie Keen as Susan Smart giving recipes for sugar housewives. Martha Woldcrnacht gave an imitation of a ventriloquist. Mary Jane Miller acted out Susan at the Switchboard and Junior Holcomb gave News of the Moment.

### EDITORIAL

You students all know that our S.A.A. treasury, like the recent snow, has been falling down, down, down. Now, it's rather difficult to lift the snow up again, but we have a very admirable way in which to build up our funds, and that is through the sale of basketball tickets. Every game we attend, not only gives us the benefit of wearing some good, clean suits to a good exciting sport, but also adds the pennies to our treasury. This will benefit us again, Come, on, Students, bring your parents, grandparents, and all the little ones, to witness the great game! Give the team a boost!

### JUST IMAGINE

- Bill Ellis --- short change
- Fritz --- going Gerbo
- Adolph --- exchanging debate notes with Ethel
- Frak --- becoming a great orator
- Bobby --- getting the inside dope at a Ladies Tea.
- Jim --- smiling sweetly
- Ivan --- picking posies for his tutor
- Gerald --- stroking his goatee
- Hans --- a roving cowboy
- Debaters striking

### HUMOR

There was a young boy named Bobby.
- Flirting was his hobby
- But he met one doll.
- That would not fall
- For she slapped him in the lobby.

There was a young fellow named Miller.
- Who was a real woman killer
- But he fell in a trap
- For Mae gave him the rap
- And no more do we hear of Miller.

### HALF A LOAF

FRESHMAN: "I'm going to quit school and live my native wit."
INSTRUCTOR: "Fine! Half a living is better than none."

LYERS CAFE
GIRLS' CLUB ENTERTAINMENT

The Girls' Club entertained the student body Friday, January 22. The skit took place in the Duvall Hotel. Kathleen McMahon was telephone operator, Jean Anderson was bell boy and Margaret Vanhulle was at the desk. Margaret Schefer played the part of an old lady and also the part of a younger lady. Bessie Hershey played the part of a busy business man. Joyce Ellsworth was a beauty expert. Margaret Schefer and Elsie Hammerquist played the part of the cake eaters. One of the important characters was Patches, the cat. The program was enjoyed by all.

TO THE ROACH

Scuttle, Scuttle, little roach
How you run when I approach!
Up above the pantry shelf
Hastening to secrete yourself.

Timid roach, why be so shy?
We are brothers, you and I.
For after midnight, like yourself
I explore the pantry shelf.

HUMOR

Mr. Roesch skiing.
Miss Trompen says attitude counts in grades, also.

STAGE EQUIPMENT

We are happy to report that the stage in the gym is near completion. A unit heater has been installed which will, unquestionably, give many years of excellent service. In addition we are securing the service of Gill and Company to aid in the installing of a new cyclorama.

DEBATE

On Thursday, January 14, our debate team journeyed to South Kitsap, to debate their team. The Duvall debaters were Ethel Schuler and Joyce Ellsworth. They were on the negative side. The judge failed to arrive and the debate was a non-decision debate. Thursday, January 28th we will debate North Bend at home and on February 4th we will journey to Bellevue. Duvall will switch to the affirmative. Also our debate team will be changed with Kathleen McMahon taking Ethel Schuler's place and giving the main speech.

JOKE

"Dad, if I saved you a dollar would you give me half of it?"
"Yes, Son, I would."
"Well, pay me. You told me if I passed you'd give me a dollar, but I flunked."

THE DUVALL STATE BANK

GIRLS' BASKETBALL

Because of the bad weather, Bellevue postponed the game which was to have been played Thursday January 21, at Bellevue.

On the first team are:
Forwards; Mae Spoelstra and Elsie Hammerquist. Guards; Anna Carson and Bessie Hershey. Centers; Margaret Scherfer and Kathleen McWahon. On the second team are: Forwards; Mae Redmond and Joyce Ellsworth. Guards; Jewell Pierson and Bessie Trim. Centers; Eileen Nelson and Betty Williams.

The girls are very sorry that Betty Williams sprained her ankle playing basketball. We all wish her a speedy recovery.

BOYS' BASKETBALL

Along with the much needed heat in our gym, the basketball boys can now settle down to serious business.

Friday night January 22, was the first time this season the boys have worn their suits on the home floor. The first game proved to be quite successful for the high school team, by 10 points, the score being 94 to 19.

Fast and accurate passing along with fast breaks and close checking proved fatal to the much older and more experienced players of the other squad.

Friday night, January 30, Skykomish will again attempt to hold off our charge. Everyone who attends this game can be assured of a thriller, because Skykomish is out for revenge. We need your whole hearted support.

The debate at Bellevue, on Thursday February 4th was a victory for Duvall. Inspite of the fact that the debaters skidded and slid through slush, the trip was much enjoyed. When the debaters arrived in Bellevue, the sky was very gray and dreary looking; but the old adage, every cloud must have a silver lining, was proved. While the wind and rain battered against the windows of the school our Duvall debaters were struggling within, in a hard-fought combat, which came to a victorious conclusion. Kathleen McMahon gave the first affirmative constructive speech, Joyce Ellsworth gave the rebuttal.

The Duvall High School won an easy victory from Skykomish boys January 29th. As usual, the game was played in the friendly spirit. Although Duvall remained in the lead the entire game, Skykomish put up a fine battle. The players, positions, and points scored as follows:

Refreshments consisting of cocoa and cookies were served after the game to all the players.

SENIOR PLAY POSTPONED

Due to the bad weather, the Senior Play is postponed until the evening of Friday, February 12th.

DON'T FORGET THE SENIOR PLAY IS TONIGHT.
SCHOOLDAZE

In the hills of Cherry Gardens
A little schoolhouse stands;
Where the teacher's words will
harden
And they rule with iron hands.

In the study classes—
You can hear a constant drone,
Of the airplane that passes
Up and down the room.

The English class commences
And the students will begin,
To fight with arms and lances.
To protect their life and limb.

The swords are a clashing,
And the bullets howl.
The soldiers are a dashing—
Now and then a fatal bawl.

Then a deadly silence
Amidst the fighting din;
For all the pupils sense
That the teacher's coming in.

The room is mighty still
And quiet as a mouse,
When the teachers presence fills
The room of the old schoolhouse.

But the silence is not lasting,
And the bullets not prolonged;
For the teachers eyes are fastening
With her back against the throng.

Once more the stillled cannons roar
And the bullets whine about,
The airplanes are flying about,
And the wounded soldiers shout.

So passed our hi-school days
And with them profound joy;
But I shall, to my dying day
Remember, each girl and boy.

———Vernon Larsen

ANOTHER VICTORY FOR HIGH SCHOOL

The first team completed its fourth victory last Friday by defeating the Town Team 20 to 11.
The first half, the High School boys couldn't hit the hoop. The score at the end of the half was 9 to 6. They made it up in the last half by making 11 points to the Town Teams 5 points. The points made by individual players were:

Bill R. ————- 7 points
Vernon Larsen——- 6 points
Bill Ellis———- 5 points
Gerald Funk———- 2 points
Ivan Gustafson—— 0 points
Lawrence Myers——- 0 points

EDITORIAL

What's the matter with our school spirit? Only nine people attended the Freshmen basketball game on Thursday, and I've heard tell it was a "rip-snortin'" good game. It doesn't cost much to go to these games, and if everyone attended, it would give our school a much better appearance and the athletics fund a decided boost.

Come on Students, let's give the players all of our support!

We feel that what this school needs is not a good 5¢ cigar, no, no, not that. What we need is yes, yes, but definitely our need is a contest. One wherein the upmost in feminine beauty maybe gloriously em-blos-somed with the queenly crown.

In short, a beauty contest. See the next issue for details!

DEBATE TRIP TO PORT ORCHARD

Although the judge failed to appear on the day of our trip to Fort Orchard, the trip was so much enjoyed, that the debate seemed a minor event of the day.

While we were still in Seattle, we were not sure where to find Coleman Dock, so Miss Trompen chased a handsome cop around the corner, but he disappeared so rapidly that she had to ask someone else.

We boarded the Kalkala about eleven-thirty o'clock for the most enjoyable part of the trip. When we started to eat our lunch a group of sea-gulls were following, decided to make friends with us. We forgot our hunger and greatly enjoyed throwing bits of sandwiches for them to catch. Later the sea-gulls lost all their fear, drew closer and ate sandwiches which we held in our hands.

On our way home we caught our boat by the skin of our teeth. As we were all famished, thanks to the sea-gulls, Miss Trompen treated us to pie, ice cream, and hot chocolate.

The trip was enjoyed by all who went: Miss Trompen, Mrs. Jenne, Kathleen McMahon, Joyce Ellsworth, and Ethel Schuler.

WATCH FOR THE NOSY REPORTER
We wrote letters to the children who are sick at home. We told them what we were doing at school.

We are learning a new song called "The Song of the Wind." Martin Hammerquist has been chosen librarian for this week.

Since Lincoln's Birthday and Valentine's Day come so close together, we will celebrate them at the same time. We drew names to exchange valentines.

We got a new world map which is very helpful to us. The fourth grade uses it most of the time.

In art we made sausage hounds and birds from hearts.

The maps that we are making of North America, South America and Europe are almost finished.

We are making a new Valentine box with cupids and hearts on a white background.

Miss Wilson: Fine show.
Miss Bonlie: Superb
Miss Poyhonen: Colossal
Basketball is a builder of habits in the sense that floor action requires the formation of definite physical relationships. The physical relationships so developed must, necessarily, go hand in hand with the players' "mental slant" on the importance of his newly acquired skills. If, through rapid development from a subconscious level, the player reaches the conclusion that the team is composed of himself "and four other mugs", there can be no mistake from the summation that his evaluation of this game is out of proper preparation. Briefly, a swelled head is far worse than swollen feet due largely to the players' inability to distinguish between mental and physical ills.

Remember if you want to cook your own goose the best possible method is to ascend skyward on the "hot air" of your own creation.
KIRKLAND JR. GAME

The Duvall students witnessed the most exciting game of the season, Thursday afternoon February 4th, when the Duvall Junior High lost to the Kirkland Junior High. Duvall was ahead until the closing minutes of the game. We led at the end of the first quarter 6 to 0. The half time score was 12 to 8. With about a minute to play, one of the Kirkland boys bagged one from way out to take the lead 12 to 10. The spectators were raising such a rampage that the whistle could hardly be heard.

Bauer of Kirkland was the leading scorer with 9 points and Stokes was second with 8 points.

The Duvall boys should be commended on their playing because of the size of the Kirkland boys. Three of them were six feet tall.

TOLT GAME

Even though the score was 33 to 5 in favor of Tolt, the Frosh played a very go game of basketball, Thursday night, January 28th at Tolt. The Frosh were up against a strong zone defense for the first time in their playing experience, and were unable to fathom such razzle dazzle tactics.

TOOLT GAME

January 28th, the Duvall girls won a contest from the Tolt girls. At the end of the first half the score was 12 to 10 in favor of Duvall. Mae Winnie Spoelstra scored all of the 12 points in the first half, but Elsie came up with the other 5 points in the last half. Tolt substituted every minute (or so it seemed), but Duvall elected to play the same 6 girls from start to finish.

SKYKOKISH GAME

Duvall started the game with Joyce Ellsworth as substitute for Elsie Hammerquist. At the end of the half the score was 18 to 2 in favor of Duvall. What the third quarter score has somewhat slipped our minds, but we do remember that the final score was 25 to 15 with Duvall resting on top.

The girls' line up is as follows:

Mae Winnie Spoelstra-------Forward
Elsie Hammerquist--------Forward
Margaret Schefer----------Guard
Kathleen McMahon---------Guard
Eileen Nelson-------------Side Center
Bessie Hershey----------Center

Although our victories were few, as we look back on our four debates of this season all see that we have learned a great deal and expect to profit by it in the future.

Our first debate took place at Duvall with a boy and a girl from Vashon. Vashon received the decision.

The next week we went to South Kitsap where we debated two boys. The judge failed to appear so that debate was considered a tie.

During these first two debates Ethel Schuler, main speaker, and Joyce Ellsworth, rebuttal speaker, upheld the negative side of the question.

On January 28th, we debated North Bend and North Bend received the decision.

But Duvall received its pig come back during the debate with Bellevue, from which we "brought home the bacon."

During the last two debates Kathleen McMahon has taken Ethel Schuler's place with the constructive speech. Also we changed from the negative to the affirmative side of the question. Since the (Con't next column)
DE MOLAY GAME

Although we came out on the losing end of the De Molay games, the boys worked their hardest and fought to the finish. In the Frosh game the boys had to play against boys that towered over them and considering that fact, they did extraordinarily well. The score at the end of the game was 16 to 14 in favor of De Molay. Stokes was our high point man.

In the first team game Mr. Roesch was an added attraction. His booming voice echoed through the gym. Our boys were working under the same handicap that troubled the Frosh. The De Molay boys had the edge in height and playing experience. At the end of the half the score was 14 to 21 in favor of De Molay, but we ended up 16 to 35.

A SKI

I think that I shall never see
A stick so tricky as a ski
Steer the darn thing as I will
It always rides me to a spill
It lies all quiet till I'm on--
Then without notice we are gone.
Down, down we run; I'm filled with glee
'Y gosh, I'm sunk. Here comes a tree!!
It's got me tilemarked—I'm back for more
Those are my waxed skis by the door.
Only God can make a tree--
But who in heck first made a ski??

DUVALL GRANGE
The Tanakwa group of Duvall Camp Fire Girls held its first Council Fire at the J. I. Miller home, Friday January 29th. After the customary procedure, the honors were given. Highest honors were earned by Agnes Sener, La Verne and La Verta Hobson and Mildred Doughty.

The whole affair proceeded with no more serious mishaps than several weenies in the fireplace. Everyone drank thick syrup, which, with the addition of milk, was supposed to be cocoa; but the worthy Camp Fire Girls forgot to add the milk.

The Camp Fire Girls have planned to hold a sale every Wednesday. Feb. 3rd a hot dog sale was held. It was surprisingly successful, considering that it was hardly advertised. Wednesday, Feb. 10th, a chocolate-coated-apple, and apple-pie sale was held. Just wait and see what will happen next Wednesday.

A tea will be held Saturday, Feb. 13th to celebrate Saint Valentine’s Day. Names were drawn for valentines. Further details are lacking.

In meetings the girls are working chiefly on first aid kits. These are old tea cans with the labels torn off. We are painting them white. They will contain the various ordinary articles usually found in first aid kits. When these are finished we hope to get started on our account books which will contain records of every Camp Fire activity. These records may consist of just write-ups but the more artistic girls will illustrate them.

---

(Doesn’t care whose toes he steps on!)

The nosey reporter thinks that Robert Miller should be a girl instead of a boy. It seems that every noon Robert is with the girls and every day after school he walks home with the weaker sex. Well Bob, if you can get away with it more power to you.

This reporter sees all and tells all. Last Friday Ivan Gustafson got hold of Hans’ Kates notes and enjoyed the reading of them very much. Look out Ivan! The Nosey reporter is on the loose.

What is this! Three Junior Boys staggering down the street of Duvall, Friday Night. You boys should be more careful. It seems that there are too many dogs on the school grounds. The nosey reporter thinks that the owner of these dogs and poodles should keep them home. Maybe a sign “No Dogs Allowed” would help———

BEAUTY CONTEST COMING

Who is the most beautiful girl in school? Wouldn’t you like to know? Watch this paper for details.
Ah! Would that I were a butterfly, so that I could have given my poor tired feet a rest! The gym was packed to capacity Friday, February twelfth, the evening of the senior play. I'll bet there were quarts and quarts of liniment used on necks that were craned around in order to see.

The curtain rose triumphantly after three attempts to dim the lights. After the first act, La Verne and La Veta Hobson sang a duet, accompanied by the harmonious tinkling of their ukuleles. Frank Toyer played "Swedish Wedding Bells," as it was never played before, on the accordion.

One of life's mysteries, which will never be solved, occurred in the second act. "My dear Watson, what were the lines omitted by that forgetful actress?" No one knows, and what's more, no one cares.

After the second act, Gerald (Goon) Funk came from backstage to play a selection on his saxophone. The Hobson twins sang and played another piece, and the third act began.

Approximately forty-eight dollars were taken in. The Juniors made about five and a half dollars on candy sold in the play. The crowd and gate receipts were the largest in several years.

**FACULTY PLAY**

To you who deal in simpler stuff, may we state that on the night of April 2nd the faculty's fortitude and yours will be pleasantly tested through the medium of a play bearing the graceful title "Romance in a Boarding House."

That the faculty is producing is no novelty, but that they are producing a play most certainly is. And what a play—the action of this dramatic epitaph is centered in Mrs. Smith's boarding house. Mr. Smith, the ne'er do well husband whose feet hurt, finds himself—-but why keep a good thing a secret? Come and let the faculty tickle your funny bone, or your toes if you prefer.

This play is guaranteed to make you laugh, cry and fidget in your seat. The faculty, according to a statement borne by the wind, is prepared to refund your money in case "Romance in a Boarding House" becomes Hash by Hams. Yet despite this omnipotent possibility the players guarantee a laugh, or your money back.

REMEMBER THE DATE— APRIL 2
Joanne Cockerell brought six-tech new stamps for our collection. They are from Germany, Austria, and Czechoslovakia. These are the first stamps we have for the last two countries. Her speaker brings his stamp book so that we can tell in which country new ones belong.

We drew pictures representing the songs we have heard over the Standard Broadcasts. Almost everyone drew a picture for a different piece. The "Nutcracker" and "The March of Giants" were very funny.

4-5-8

We have a new boy in our room. He is in the fifth grade. His name is Paul Sinn.

The sixth graders have finished their map of Europe. The other maps are not quite finished yet.

We elected new class officers.

President-----Peggy Miller
Vice Pres.-----Raymond Landers
Secretary-----Paul Sinn

EDITORIAL

There has been a new privilege system for signing out of study hall put into effect in the high school. Whether or not it will work we do not know, as it is a bit complex. We should not try too many systems, but perfect this one and stick to it. It is a system that will encourage the student to work as the privilege to sign out of study hall depends upon one's scholastic standing.

PERMISSION SLIPS

A new method of regulating the signing out of study hall has been inaugurated. Permission to leave the study hall is granted if a student's scholastic standing is worthy.

Each member of the high school faculty signs a "permission slip" thus indicating that the work of the student bearing the slip is passing. A student failing to secure a signature one day, and by raising his standard of work may secure a slip at a later date.

THOUGH they had only one day to prepare a program we were all pleasantly entertained Friday, February twelfth by the faculty. The program consisted of some very charming puppet antics Arnold. the puppet was highly incensed and rightly so, because he was asked to perform on the day of the Senior Play. But, contrary to Arnold's pessimistic forebodings, he shall have as big a write-up as space permits.

This young gentleman is proficient at the art of declamation, and he taps out no mean dactyls. He recited "The Ballad of the Oyster Man". We wish to thank Arnold from the bottom of our hearts for an extremely fine performance, and we extend a cordial invitation to him to return again sometime in the near future.

Miss Larsen and Miss Truemper assisted the puppet in his performance.

BUS MISHAP

Friday morning, February 12th, in the wilds of Ring Hill, Joe Dougherty had the misfortune of overturning his bus. Fate was kind. There were no school children in the bus, and Joe was not hurt.

THIS SPACE FOR RENT
FALL CITY GAME
(Fresh)

Last Friday the 19th of Feb-
uary Duvall's Fresh team played
a very exciting game with the
Fall City Second team, which con-
tained of Sophomores, Juniors and
some first-team men, but this did
not make the boys lay on the
job for they just fought all
the time. Then the game ended,
and Fresh were ahead with a win-
ning score of 33 to 12. Stokes
was the high point man in the first
half and Jim Olson in the last
half.

FIRST TEAM GAME
(Fall City)

On Friday, February 19th, the
Duvall boys played a very touch-
game with Fall City at Duvall.
With all of Bill Ellis's falling
around, we only lost by eight
points. The score was 26-20 at
the end of the game.

Camp Fire Girls

Mrs. Helen Minshull, Camp Fire
guardian, and her brother were host
esses last Friday to the mothers
of the Camp Fire Girls at the Du-
Vall library.

A delightful afternoon was spent
The mothers became acquainted with
each other, and our guardian and
the girls displayed some of their
work, such as book covers, splatter
work, and the making of first Aid
boxes. Mrs. Minshull also gave a
talk on Camp Fire work.

The mothers talked over and
planned a dinner to be given the
evening of March 16th.

A program was put on by the
girls after the dinner and prizes
will be given later. Coffee and
refreshments were served by the
Camp Fire Girls after the meeting.

Wednesday p.m. Mrs. Minshull
spoke at the Novelty Ladies Aid
about Camp Fire work.

Friday evening Mrs. John I.
Miller and Mrs. Verl Hobson will
be hostesses at a party given for
the benefit of the girls at Mrs.
Miller's home.

WALLACE S
BELLEVUE GAME
(Girls' First Team)

The girls certainly took Bellevue for a run Thursday, February 11th at Duvall. It seemed at the half that the Bellevue girls were extremely worried because the score was 3-4 in favor of Duvall. This score is remarkable in view of the fact the the Bellevue team had many substitutes.

In the last quarter of the second half our two first-team guards were put out on fouls, and Bellevue gradually gained. When the end of the game came, they were ahead, the score having turned to 15 to 11.

BELLEVUE GAME
(Girls' Second Team)

The girls' second team did not have a close game because part of the Duvall team was missing, and the first team did not want to waste all of its energy by sending in substitutes. Duvall came out on the short end of a 15-2 score.

Joyce Ellsworth made two foul shots which gave Duvall two points.

ISSAQUAH GAME

On February 18th the Duvall Junior High met the Issaquah Junior High at Issaquah. The offensive team had good breaking and dribbling, their height enabled them to obtain the ball most of the time. At the end of the first quarter the score was 10 to 7 in favor of Issaquah. At the half it was 12 to 10 and Duvall had low score. Issaquah gained until, at the end Issaquah had scored 32 points to Duvall's 14.

P. S. Mr. Roesch treated the boys to ice cream and peanuts at Fall City on the way back.

Ballard Christian Church Game

Thursday the 11th of February the Duvall first team played Ballard Christian Church, at Duvall. This game was very exciting with a score of 26-22 at the end of the last quarter. The Duvall boys made up their minds that they were going to win this game.

During a five minute over time period we scored two points and we scored four making a score of 30-22 in Duvall's favor.
NOSEY REPORTER

The boys of the Junior class seem to have airplanes on the brain. The night of the Senior play several of the Junior boys took pleasure in sending these real paper airplanes soaring over the heads of the crowd. But the majority of these crafts seem to have poor pilots because they crashed before going very far.

Two Sophomore boys wish to get excuses to work in the typing room one year from now. You boys sure plan your work far ahead.

The noisy reporter feels all "penned up" about these permission slips. How about it, Evan? The road to Eileen Nelson's seems to get rougher and rougher. Do you know why, Vernon? What is this? Two Junior boys longing for California—Is the climate too hot for you boys? Certain members of the faculty have a longing for Tacoma. We wonder why. Can it be the climate?

Hans: "My father's ad is photograph taken."
Jim Bow: "That's nothing. My father's ad is fingerprints took."

FACULTY PLAY

The faculty play, "Romance in a Boarding House" is developed around the keynote of hilarious action. Each of the four acts is crammed to the brim with comic, side-splitting situations. When the inhabitants of the boarding house try to put on the "Ritz" and pretend something other than middle class, the Gibson "Flop House" turns out to be a "med house."

Take a look at this cast; surely you can't afford to miss these characters:

- Mr. Smith---------Mr. Hoelsch
- Mrs. Smith--------Alta Funk
- Mr. Throttlebutton-----Mr. Jenne
- Mrs. Throttlebutton----Miss Poyhonen
- Mortimer----------------George Anderson
- Duke of Sussex--------Bill McCormick
- Mrs. Benson----------Miss Trompen
- Miss McGillicuddy------Miss Bonlie
- Bill-------------------Ralph Leyde
- Hettie-----------------Miss Larsen

Remember Faculty Play Friday April 2nd

CAMP FIRE NEWS

Due to the withdrawal of several of the members of the Senior group, the Juniors and Seniors have been combined into one large group.

The girls are prepared for a program to be enacted at a dinner given for the benefit of the Camp Fire Girls. The date of this dinner, as yet, is undecided. Tickets for this affair will be on sale very soon. Watch for them!

We are thinking seriously of attending the Camp Fire Girls Silver Jubilee in Seattle, March twentieth. If you have a black of dark blue skirt, girls, lock your doors and windows at night, for Camp Fire Girls minus dark skirts have vowed to get one by fair means or foul. Dark skirts and white middies are necessary for admittance to the affair.

HARRIS GARAGE
EDITORIAL

Last fall the freshmen gave the sophomores a party for which the sophomores were supposed to give the freshmen one in return. The freshmen are still waiting for their party. How about it Sophomores?

Basketball season is over. Many of the games that were played were lost, but the boys and girls that represented our school have still got the school spirit that carried them through. Many times they went out to neighboring schools and came back in-defeat. However, the next morning in study hall those that went had a cheery smile for everybody.

Let us hope that when next basketball season comes around we can keep up the school spirit.

DUVALL-BELLEVUE FROSH GAME

Twelve boys and their coach left Duvall for a very pleasant trip to Bellevue. It seemed that one of the boys fell heir to a small bottle of perfume. It was not long before every boy and the bus began to smell of the perfume. As a result of it the windows of the bus were opened. The game began with Bellevue immediately showing its superiority over our boys. The half ended with the Duvall boys at the short end of the score 19-23. The next half was much slower as no points were made by our boys and only 9 points by the Bellevue players. The game ended with a score of 31-19 in favor of Bellevue.

GRADE SCHOOL GAME

The Duvall Grade Team played the Duvall Frosh, Thursday, March 5, at noon. The Frosh had a hard time beating the grade team, but they finally succeeded. Amid cheers and boos, Lyle McFall, high point man, chalked up 7 points for the winners. Noah Brown, high point man for the losers as Grade Forward, scored 4 points. The final score was 17-7.
BEAUTY CONTEST

The first Beauty Contest in the history of Duvall is to begin. What a beauty she is to be! Is she little? Is she big? Is she fat? Who is the most extraordinary? If you want to know, then help us decide by stopping at the large box outside the study hall. Write down on a nomination ballot the name of the girl you think the most beautiful. Along with the name state your reasons. The best reasons will be given on the front page of the paper. This box won't be there very long so get busy. When the nomination ballots are counted the three highest will be placed on the beauty contest ballot. Vote for your favorite one.

Who will she be? That is for you to say. Yet we are certain at the end you will say "Why she looks just like me!"

NEW BUS DRIVER

Due to the rush of spring work Mr. Joe Dougherty resigned his position as bus driver. The position was taken over by Mr. George Anderson.

BOYS CLUB PARTY

The Boys' Club is going to sponsor a skating party to honor the girls of the Duvall High School, Friday, the ninth of April if reservations can be made. The party will be given at Silver Lake. Every boy who has paid his thirty-five cents is in for a big time. Every girl is invited and, girls, you can leave your purses home for the boys are bearing the full financial burden of the outing.

SCHOOL ELECTION

Considerable interest was shown in the school election held at the High School on Saturday March 6th.

Mr. Williams, Mr. Walter Godwin, Mr. Harry Fuller and Mr. Harry Miller filled as school board candidates. Mr. Harry Miller was elected by a strong majority, and will succeed Mr. Spoelstra, whose term has expired.

Warden- "I'm sorry. I find we have kept you here a week too long."
Convict- "That's all right, sir. Knock it off next time."

MYERS CAFE
TOLT BASKET BALL GAME
(Boys)

This was one of the most thrilling games played on our floor. The tall boys were confident, almost too much so. They expected an easy time, having won the previous encounter 35 to 5. But somehow times have changed.

Duvall sank the first field goal and took the lead. This they maintained through the first quarter, the second quarter, and the third quarter—and up until the closing minute held a 2 point advantage. Then Tolt sank a long one, and the game was tied.

In the extra five minutes Tolt "canned" two and Duvall missed three easy setups.

Result—Tolt 19, Duvall 15.

BELLEVUE GAME
(Girls first team)

The Duvall first team did not win the game played with the Bellevue squad, but they surely gave Bellevue a run for their money. In the first half Duvall didn’t play so well, and Bellevue was ahead 7-4. When the score was 13-13, Bellevue looked pretty worried. The opposing team steadily climbed until the score was 17-13 in their favor.

Mr. Myers treated the girls to candy for winning the game.

REDMOND

The Duvall frosh team played a return game with Redmond on Thursday, February 25th at Redmond.

In the first quarter Duvall was ahead 7 to 0. In the second quarter Redmond’s defense began clicking and at half time Redmond was ahead 11 to 8. In the second half Redmond was held to two baskets.

When the gun ended the game, Redmond was ahead 14 to 11.

Smith of Redmond was high point man with nine points, and Stokes was high point man for Duvall with 5 points.

ISSAQUAH GAME

The Issaquah Junior-High-School team met the Duvall-Junior-High-School squad on Friday, February 26th at Duvall.

Duvall started out with a bang and was ahead 5 to 2 at the quarter. Issaquah passed Duvall in the second quarter however.

At the half time, the score was Issaquah 6 and Duvall 5.

In the second half the Issaquah boys got going and sank in basket after basket with Evans sinking them from all sides.

The game ended with Duvall being at the short end of a 23 to 9 score.

Evans of Issaquah was high point man with 13 points.
In the Jr. play Vernon Larsen has to express his overwhelming love for Jewell Pierson. That is too bad, Vernon. What will Eileen say?

The nosey reporter found a note and this is what it said:
Dear Goon:

Say, do me a favor. Reach into my desk and give that note to Kate. You know that trust in me in all I do. Have the faith I have in you, etc. Well, it's in that brown notebook. If there is any other note in it please tear it out and scribble all over it. Thanks.

Hans

P. S. But don't tell her that I told you to give it to her.

What's this—Jean and Alex seem to be very close companions these days.

And well! well! well! Betty acting well pleased with that certain dark and handsome. How about it Frank?

The one-ring circus was in town, and the band was playing. The country folks recognized all of the instruments except the slide trombone.

An old settler watched the player for a time, and then turning to his son he said, "Don't let on that you notice him. There's a trick in it, he is not really swallerin' it."

JONES’
THE PRODUCTION OF THE SEASON

On the night of April 23, 1937, the people of Duvall and vicinity, and those from far away, if they care to show good judgment will see a play such as they have never seen before. There is a new group of actors and actresses that will really cause a sensation. They have talent and beauty such as Duvall has never witnessed. We guarantee that it will be a play you will never forget.

The play deals with Mrs. Fred Smithie, a middle-aged woman of social ambition and Mr. Fred Smithie, a man with a perpetual snarl. They have a daughter, Lucy Smithie, who is a problem as all young girls of eighteen are. She is in love with a young man named Jack Bird.

There is an art director, Harold Ainsworth, who becomes smitten with Barbara Hanson, a friend of the Smithies family. Guests of the Smithies for an evening are Mrs. Wonder, a socialite and George, her husband, a social-tail-lite. A crude line of the law, Hank Webster, calls and states that he is looking for Jack Bird. They have a maid, Evans, who is very concerned about everyone in the family.

Persons portraying these characters are:

Mrs. Smithie -------------- Mae Redmond
Mr. Smithie -------------- Ivan Gustafson
Lucy Smithie -------------- Jewell Pierson
Barbara Hanson ------------ Bessie Hershey
Harold Ainsworth --------- Hans Homann
Jack Bird -------------- Vernon Larsen
Mrs. Wonder -------------- Joyce Ellsworth
Mr. Wonder -------------- Frank Vanhulle
Hank Webster ------------ Bill Roetscisoender
Evans ------------------ Mildred Doughty

Come to the Junior Play for an evening of fun.
GRADE NEWS
1-2-3

We all made calendars with original pictures for April. Richard Dixon's was chosen to hang in the room. We are sorry Selma Olson is leaving school to attend the Berrydale School. We will miss her.

Most of the boys in our room have become cowboys and spend their spare time practicing rope tricks.

4-5-6

The following pupils are on the honor roll:
Fourth Grade: David Jenne, John Henry Roetciscender, Andrew Zlystra.
Fifth Grade: Betty Larsen, Rozella Olson, Oliver Powers.
Sixth Grade: Kenneth Benett, Peggy Miller.

Our new class officers are:
President-----Billy Trulson
Vice Pres.-----Richard Fuller
Secretary-----Kenneth Benett.

BOYS' BASEBALL

Basketball season is over and the Frosh have made up a softball team. Those who are turning out for it are: Ray Nelson, Milo Clark, Roy Gustafson, Bob Rosen, Lyle McFall, Jim Olson, Alex Stokes, and Eric Carlson.

The game schedule is:

Redmond at Duvall, April 8
Kirkland at Duvall, April 22
Duvall at Redmond, May 6
Duvall at Kirkland, May 13

Mr. Roesch and the boys are financing their trips away from home.

The boys other team rather than the Frosh have lined up games with Tolt, Fall City, and Monroe.

As soon as the weather breaks there will be a tennis tournament and a field day. Events of the field day will be: dash, high jump, standing broad jump, running broad, discus and shot.

GIrlS BASEBALL

The girls have decided to organize a baseball team and they plan to be in a league with the Tolt and Bellevue girls.

A team requires ten members. There are scarcely that many girls turning out but we shall try our best to secure a team. Practice is held every P. E. period, weather permitting.

BASKETBALL DINNER

Mr. A. Myers cordially invites the basketball squad and their coach, Mr. Roesch, to an oyster dinner to be given at his cafe, Tuesday evening, April 13, at 7:30 o'clock.

Had the girls not rushed their treat, they would have been invited, also.

NOSEY REPORTER

Jim Bow was seen making eyes at Jewell Pierson in singing last Monday. That is too bad, Jim. Better visit the Doctor.

So Hans and Frank Vanhulle quit playing baseball with the boys. They like to play baseball with Jae Speelstra and Eileen much better. So it seemed last Thursday at any rate.

The Nosey Reporter has discovered from a good source the reason that Eileen Nelson was absent from school Monday. In the first place she had to clean up the yard that Ray didn't do and also she didn't feel like going to school after being out so late Saturday night showing Stub how to improve his dancing ability.

227
BEAUTY CONTEST

The most beautiful girl in the High School has been picked. The winner is Jae Spoolstra, who won by an overwhelming majority. She was followed by Eileen Nelson in second place and Kathryn Spoolstra in third place.

Due to the popularity of this contest other contests are being planned for the future.

FACULTY PLAY

On the evening of Friday 2, 1937, the faculty of the Duvall School presented a play, the proceeds of which are being donated to the Duvall Public Library.

The play, entitled "Romance in a Boarding House", was a hilarious comedy all the way through. The play was centered around Mary Ann, the daughter of the Smiths, who went to New York and brought an aristocratic boy friend and his parents. Both families appeared aristocratic, but in the end both turned out to be made up of ordinary people.

There was a large crowd and the faculty took in $53, which will go to buy chairs for the library.

BOYS' CLUB PARTY

Forty-eight boys and girls of Duvall High School will leave Duvall Friday, April 9th, for the skating party at Silver Lake. The bus will leave the school house at 7:00 sharp, but for those less ambitious ones it will stop at Myers to pick them up.

We will go along the Bothell-Everett Highway.

All who want to come along and have not paid as yet, will have to pay 35¢. The skating will take place at the South Side Pavillon and we will stay as long as possible.

LAWRENCE: What has eighteen hands and ninety toes and catches flies?
VERNON: A baseball team.

NEW EQUIPMENT

The school has recently purchased two new pieces of equipment, a Mimeograph and a Ditto machine. They have already proved themselves very efficient in operation and results.

The Mimeograph machine is used to print various folders and also our Hi Times.

The new Mimeograph can be operated by one person and in less time, in contrast to three or four students who were necessary to a less efficient product on the old machine.

The new Ditto machine is a rolling type in contrast to our former rocking machine. It is used extensively by the entire faculty to enable them to carry on more class problems.

JUNIOR-SENIOR BANQUET

On Friday night, May 7, the Juniors honored the seniors with a Banquet.

The ship theme was carried out with two silver ships in the middle of the tables mounted on blue paper for the water. The windows were decorated with dogwood and maple. For the light we used blue candles with silver holders. There was a row of sword ferns through the middle of the table which gave the room an added appearance of spring.

For the menu we had bouillon, mashed potatoes, baked ham, buttered green peas, shrimp salad, cake, ice cream and coffee. Lawrence, Bill and Gerald, due to their late arrival, enjoyed their bouillon cold.

The Freshmen girls did the cooking and Eileen Nelson, Kathryn Spoelstra, Mae Spoelstra and Anna Carlson were the waitresses.

The ship theme in blue and silver was also carried out in the programs and place cards. These were hand-made with ships on them.

While we were eating we had speeches. Most of these were extemporaneous. Bill Roetioosender told us he liked blue hair ribbons best. Lawrence Myers told us about ankle socks. Miss Trompen spoke on all day suckers. Many other amusing talks were given. Frank VanHalle said he didn't like big brimmed hats because he couldn't see the face of the wearer.

Around 7:30 we finished eating and left for Kirkland where we attended the show "Green Light."

Everyone voted the banquet a decided success.

FALL CITY-DUVALL BASEBALL

One, two, three strikes, you're out, at the old ball game!

Revenge is willingly taken, and Duvall was certainly out after it, after having received a 17 to 7 defeat a few days ago. Our boys were socking the old pill all over the field for a total of 8 runs and 13 hits.

Fall City had a grand total of one hit and no runs and also many errors.

The final score was 8 to 0 with Duvall on the long end of the score.

COMMENCEMENT

The class of 1937 will hold its commencement exercises the evening of June 3, in the high school gymnasium.

The Valedictory, "Developing our Fields," and the Salutatory, "Building a Personality," will be delivered by Kathleen McMahon and Ethel Schuler, respectively. Lillian Carlson, the class speaker, will give the history of the class.

The speaker of the evening is to be Professor Neil R. Knight, who will speak on "Signs and Civilization."

Musical numbers will be provided by the high school glee club.
S. A. A. MEETING

Friday, May 7, at the regular meeting of the S. A. A.; the following students were nominated to the various offices: President, Vernon Larsen and Frank Vanhulle; Vice President, Ivan Gustafson; Secretary, Bessie Hershey and Alex Stokes; Treasurer, Hans Romann and Joyce Ellsworth. The final election will be held May 21.

TOLT PLAY

"The Bunny and the Humps" was presented by the people of the Tolt Church at Duvall, Wednesday, May 12. Duvall turned out with a fairly good crowd despite a schedule conflict with the high school skating party.

This play was very entertaining and it was everything that the players said it was, thrills, mystery and humor. The gym was in an uproar all the time.

The proceeds will be shared by the Boy Scouts, the Camp Fire Girls and the Tolt Church, which was damaged by fire.

LAWRENCE: "Are you doing anything for that cold?"

MISS TROMPEN: "Sure; I sneeze whenever it wants me to."

AIRPLANE TRIP

Thirteen brave students ventured forth May 8, to see what they could see, despite the howling wind and raging storm. Arriving at the Boeing Airfield in a particularly large gust of wind and rain, they cautiously alighted from their golden chariot, and made a hasty dash for a hangar.

After examining the different planes, viewing with due awe and respect the teletype machines and the radio broadcasting apparatus, they again found themselves on the field.

Eric Carlson, Milo Clark, Leonard Olson and Roy Gustafson were the first people to go up. When they landed, after ten minutes of suspense (on the part of those remaining on the good old Terra Firma), the second consignment took to the air. This load consisted of Miss Larsen, Betty Williams, Mildred Doughty and Virginia Battle.

The next delighted foursome were Ethel Schuler, Jewell Flierson, Kae Spoelstra and Margaret Schefer. Mr. Roesch and Mr. Styner were the last to go up.

EDITORIAL

Take care students! The end of
the term approacheth. Mend thy.
laggardly ways, lest the last day
of school shall find thee minus the
necessary credits.
Only two weeks remain of the
school year, but if you make an
honest effort, mayhap Lady Luck
will smile upon you, and reward
you with good grades.
Verily, I repeat unto thee:
Take care!

BACCALAUREATE SERVICE

The Baccalaureate service was
held in the M. E. Church last
Sunday evening.
Kathryn Spoelstra honored us by
singing "The Stranger of Galilee." Other
musical numbers included
"The King of Love My Shepherd Is," sung by
the choir, "My Faith looks Up to Thee" by the high school
gee club, and a solo "When with
Doubting and with Dreading" by
Miss Larsen.

CAMP FIRE NEWS

We had our Council Fire May 11.
The girls who took rank each re-
ceived the Trail Seekers pin.
Some of the girls who belong are
rather slacking down in their attend-
dance. Next time we hope to have
100% attendance. Come on, Girls!

GIRLS' CLUB PICNIC

On Wednesday, May 26, the girls' club is sponsoring a picnic for its members. It is to be held at the old place on Cottage Lake. The girls will leave school at 3:45.
There will be swimming, games, and eats.

SCHOOL PICNIC

The annual High School picnic will
be held Friday, June 4, 1937, at
Silver Lake.
Swimming, boating, skating and
games will be enjoyed. In addition
refreshments will be served.
Those on the food committee are
Eileen Nelson, Betty Williams,
Jenny Brown and Frank Vanhullé.
Those on the transportation committee
are Ivan Gustafson, Vernon Larsen
and Adolph Schöbeck.

NEIGHBOR: Where-is-your brother,
Freddie?
FREDDIE: He's in the house playing
a duet. I finished-first.

We have two new pupils in our room. They are Mildred Morse and Earl Bass from Seattle. Mildred is in the third grade and Earl is in the first.

The first grade have added two new stories to their "Story Book."

In art we drew trees using initials for the leaves.

We wish to thank Miss Trompen for letting us use her puppets during the grade school program.

The boys challenged the seventh grade boys to a game of baseball. The seventh graders won fifteen to one.

The boys and girls in our room had their track meets last Monday. The girls who won the highest honors were:

100 yard dash--------Jean Lyon
Baseball Throw--------Edith Hanson
3 legged race--------Daisy Franke
Sack Race--------Irene Vanhulle

Endurance Race--------Tie among:
(Con't next column)

EDITH HANSON
Irene Vanhulle
Rolanda Williams
Nail Pounding Contest
Irene Vanhulle

The boys who won first place in their events were:

Pole Vault--------Ervin Stokes
Discus Throw--------Noah Brown
High Jump--------Gene Clark
Shot Put--------Noah Brown

This Monday the girls made stages. Ribbons were awarded for the best ones.

BASE-BALL

Another victory to the Duvall Varsity base-ball team!

The boys had a very dusty ride to Tolt Wednesday afternoon but it must have been good for they beat the tar out of the Tolt team.

The victory was due in part to the splendid work of our third baseman (Frank Vanhulle) and the excellent pitching of Vernon Larsen.

After nine innings the final score ended with Duvall 10 and Tolt 0.

BAISDEN'S MONROE
REDMOND GAME

On May 7, Redmond played the Duvall Frosh a return game of baseball. The Frosh played a better game than the previous week, but they lost the game six to one.

Bob Rosen brought in the only run for Duvall, but they would have had one more run if Stokes hadn't led off on second.

There were a few errors in the game, but most of them were caused by the high wet grass in the field.

The Duvall Frosh will wind up their season with one more game with Kirkland.

SPORTS PROGRAM

With only three weeks of school left the sports program will be crowded.

On Thursday, May 20, the Duvall baseball varsity will play the Tolt team at Tolt. During the next week a return game will be played at Duvall.

There is a tennis meet scheduled with Monroe, to be held at Duvall that will be played next week. The singles elimination tournament is being played now, and the winners will represent Duvall in the meet with Monroe.

A return baseball game scheduled with Kirkland, for the Frosh, will be played soon.

SKATING PARTY

After waiting about fifteen minutes for a belated uncle and two nieces, thirty-seven students left Duvall for Silver Lake on the evening of Wednesday, May the twelfth. In other words, another party was in progress.

Upon arrival at the Lake, they waited about five minutes to get in. When the doors were opened there was a mad scramble to see who could get on the floor first. The winner of this event was Robert Miller.

It seems everyone had it in for Ray, for he and the floor were forever colliding. Goon was very rushed for fear he would not have time to skate with every girl; and of course, the manager was kept very busy chasing certain Junior boys.

After all the falls and fun were over, a happy group returned to Duvall.

HORSE-SHOE TOURNAMENT

The boys of the high school that are interested in horse-shoes are now holding an inter-mural tournament. The winner then will play Mr. Roesch for the prize, which is a 2 cell flash-light. It has been used but it is still serviceable. If Mr. Roesch wins he gets to keep the flash-light.

Front row: Wilfred Geving, Clark Hillier, Robert Miller, Frank Vanhulle, Vernon Larsen, Ivan Gustafson, Norman Williams, Irene Brown, Bessie Hershey
Middle row: Bill Ellis, Gerald Funk, Bill Roetcisoender, Alice Brown, Florence Unnopulos, Mary Verschaeve, Shirley Jacobson, Alice Franke, Mae Redmond, Margaret Scheffer
Back row: Floyd Engstrom, Laurence Myers, John Brandsma, Victor Marty, Lillian Carlson, Cleo Mickleson, Ethel Shuier, Hortense Meyers, Joyce Ellsworth
NEW AGRICULTURE COURSE

Much interest has been shown in the new Agriculture Course introduced in the high school curriculum for the first time this year. Mr. Burt, who teaches the course, divides his day between Monroe and Duvall.

The Federal Government and the School District share expenses necessitated by the new course. The government guarantees fifty percent of the cost.

The class, at the present time, is practicing cattle judging preparatory to judging cattle at the Puyallup Fair. The entire class will attend the Fair and three students will participate in the judging contest.

From time to time the class visits neighborhood farms to see and study practical farming.

One phase of the course is a farm project to be undertaken by each student, under the guidance of the instructor.

NEW EQUIPMENT

Some new equipment has been purchased for the school. New desks have been purchased for the English room in the old shop. There are also new seats and cupboards in the science room.

New linoleum has been purchased for all of the halls, and the stairs are edged with brass strips.

There is a new counter, desk, and desk chair in the office, along with two interviewer's chairs.

DUVALL CALENDAR '37-'38

The following calendar was adopted by the Board in its August meeting. School opening was set for Sept. 8; it is to close with commencement on June 2nd, and picnic on Friday June 3rd with holidays for students intervening as follows: Mon., Oct. 25, teacher's institute; Thurs. and Fri., Nov. 25 and 26, Thanksgiving holidays; Friday, Dec. 24, to Sunday, Jan. 2; Christmas vacation; Tues., Feb. 22, Washington's Birthday; Friday, April 1, teachers institute; and Monday, May 30, Memorial Day.
N.Y.A.

This year only a few students may enroll in N.Y.A., which means higher wages for those who do enroll.

The actual work hasn't begun yet as the students are now signing up.

TEACHERS ACTIVITIES

Miss Wilson decided our climate was too warm for her, consequently she went to the southern part of Alaska and the Queen Charlotte Islands. She saw oiling stations, a floating logging camp and a large number of sea lions. The rest of her vacation was spent at home.

Miss Poyhonen donned a pair of overalls and decided to acquire a good coat of tan working on the farm.

Miss Trompen, wanting to be a little different, decided to take a trip to the Olympic Mountains. She also went fishing, but refuses to comment on the fish she didn't catch.

Miss Larsen, thought she'd try Coplas Beach. This didn't satisfy her so she decided to do a little hiking and fishing at Ohanepecosh Hot Springs at Mt. Rainer.

Mr. Jenne, thought of the saying, "All play and no work, makes Jack a dull boy," so he did quite a bit of carpenter work in Mount Vernion and at the school here. For a rest he visited friends on the Peninsula.

Mr. Roesch probably thought the same as Mr. Jenne, for he worked for the Milwaukee Railroad in the District Accountant's office in Tacoma. He also spent 4 weeks in C.P.S.

Miss Kreutzberg, the third and fourth grade teacher, came to us from Riverton Heights school. She attended the North Western Teachers College in Bellingham and resides in Seattle. For pleasure this summer she visited Long Beach, Washington and part of Canada.

Miss Quigley, the fifth and sixth grade teacher came here from Minot, North Dakota, where she taught the Washington School.

Miss Quigley attended The State Teachers College, and the University of California at Los Angeles.

EDITORIAL
Green? Are Freshmen green? I have often pondered over the subject, but have not come to an accurate conclusion as yet. If we were to put ourselves in there place, I am sure we would not consider ourselves green. How did we feel as Frosh? We walked in their boots a few years ago, but now we feel very superior.

We understand your problems, Lower Classman, how you feel coming into High School, and we are going to try to make you feel at home.

"WELCOME FROSH!
Keep your eyes open."

THOUGHTFUL
"How come you write so slowly, fella?"
"I gotta. My girl can't read very fast."

S.A.A. OFFICERS FOR '37 to '38

We are all happy to be back at school. We have thirty-one pupils in our room, sixteen Second Graders and fifteen First Graders.

Peggy Wright, who was in our room last year for a short time, has come back again. We are glad to have her back. One new boy has come from Seattle, one from Monroe and one girl came from Tolt.

The First Graders are learning to write their names and to distinguish the names of the colors.

5-6

There are eight pupils in the sixth grade and thirteen in the fifth.

The fourth grade were with us the beginning of the week.

We all have new arithmetic books.

7-8

School has opened with 30 pupils in the 7th and 8th grade, 13 girls and 17 boys.

We have one new eighth grader, Gordon Sinn. Three seventh graders came from Novelty; Virginia Peterson, Maurey Schosbock and Scott Wallace. We extend a hearty welcome to all these new students.

So much has been said relative to the advantages of the larger school that it is time the special opportunities offered a student in the small school are brought to the attention of all.

In the first place life is a cooperative process: The accuracy and nicety with which a group succeeds. But to think and work together requires training, practice, trial, correction and re-trial. At best, no group has ever learned to think and act together in a manner perfect, when matched with the ideal.

It is in this field of education, (practice in right living) that the small school excels. Percentages of pupils participating in various activities in the small school are far greater than those in larger schools. In Duvall High there are eleven major cooperative activities, as follows: student activities association, with 10 officers; glee club for those interested; boy's athletics; girls' athletics; hobby club; boys' club; girls' club; interscholastic debate; class and group plays; school paper; and school band to encourage thrift and to give practice in accountancy.

Supremacy Contest

Well, Sophomores, all you have to do, is wait until the evening of Friday, Sept. 17, then you can once more air the good old class spirit by one and all turning out to eat as much ice cream and cake as possible, with the Freshmen footing the bills. For such is the reward for a worthy showing in the battle of brawn.

The Sophs certainly started out on the right foot, with Roger Duncan winning first place in the fifty yard dash for boys.

Then Bessie Trim, also a Sophomore, came forward to walk away with the first prize for the girl's twenty-five yard dash. Or perhaps I should say she ran away with it.

The Sophomores then won the Wheelbarrow Race with the greatest of ease. In fact, the Freshmen didn't have their great moment until Gene Clark won the chinning contest from Brother Milo. The Sophomores won first place in everything else, including the one-legged race, the running brood-jump, and the ball game.

But don't be discouraged, Fresh. Next year everyone will be rooting for you, instead of against you!

"Watch for the big event."

New Gym Equipment

The school has invested in some new gym equipment including: two five ft. by ten ft. mats for boxing, wrestling, and tumbling; two mat covers, and two basketball nets.

The gym floor was varnished and painted, and locker rooms have been renovated.

Girls Sports

The Girls are now playing baseball because of the nice weather. Later on when the weather becomes bad the girls will play basketball.

Freshmen Party

As a result of losing the supremacy contest, the Freshmen entertained the Sophomores with a party Friday, September 17th at 8 o'clock. Games and other entertainment were held in the gym and delicious refreshments were served in the home economics room.

Elsie Kain was in charge of the games. The refreshment committee consisted of Rolanda Williams, Edith Hansen, and Josephine Hart; the art committee, Ruth Marshall and Elsie Kain.

"Everyone reported an excellent time."

Your Duvall State Bank

Let us write you fire and automobile insurance. (Member Federal Deposit Insurance Corporation.)
SEEN AT SCHOOL

Anthony wondering which desk is his.
Wayne Miller burdened with financial worries.
Jenny Brown asking the teachers what they did this summer.
Some Juniors feeding flies to a green frog.
A Senior boy dreaming of a familiar feminine of last year.
J. well Pierson worrying about five subjects and diamonds.

On Wednesday morning the old school house on the hill was once more occupied. T. doors flew open and in rushed the "kiddies."

Now I will introduce a very outstanding character, a fellow who is well posted on the economic system of today, the "Little Giant." I believe he sprained his huge toe on his left leg trying to show the aforementioned "kiddies" how his hair grow.
WIll we can't blame you because these huge toes certainly put one up in the world don't they?
Next I will give you fellows who like puzzles a thrill. I shall present a young man that looks like somebody hit him on the left side of the right nostril and other nature forgot about seeing that it got back to normal. Will children there's your thrill. Guess Who? In this case one guess is as good as ten.
Perhaps you wonder why I pick these gentlemen to write about. Don't go around saying I didn't puzzle you.

SEEN THE FIRST WEEK OF SCHOOL

Miss Trompon timidly chasing a small green frog over her desk.
Eddy McMahon being distinctly discourteous to Miss Larsen.
Gee! W. thought Juniors were more sensible.

Pat: "I hear your brother-in-law is very bad off."
Patria: "Oh, he's good for another year yet."
Pat: "As long as that?"
Patria: "Yes, he's had four different doctors, and each one of them gave him three months to live."
The boy's and girls Club are going to produce a play which has all the possibilities of being one of the biggest hit plays this school has ever put on. It has three acts of mystery, adventure, and love affairs all written into one half-comic, half serious play. This drama has the Enthralling title "Hobgoblin House."

THE CAST

Darius Krupp------------The old caretaker---------Hans Homann:
Priscilla Carter-------The present owner---------Rolanda Williams
Marian Carter----------Her Niece-----------------Eileen Nelson
Jill Carter------------Mirian's younger sister-----Edith Hanson
Frank Harlow-----------Marian's fiance----------Lyle McFall
Jack Loring------------Jill's fiance--------------Roy Nelson
Susan Parkins---------The "Hinglish" housekeeper--Mildred Doughty
Henry Gooder-----------The darky cook------------Jim Bow
Delilah Worts----------His helper----------------Jenny Brown
Bluebeard Bronson------An escaped maniac---------Roger Duncan
Bill Wilkins------------His Keeper---------------Eric Carlson
The Headless Phantom-----?????????????----------Mary Jane Miller

STUDENTS ATTEND FAIR

On Friday, Sept. 24th the boys taking Smith-Hughes Agriculture went to the Fair at Puyallup. There were three boys who took part in the Cattle Judging Contest. They were Wayne Miller, Roger Duncan and Frank Vanhulle. Of Duvall boys who judged, Frank had the highest score.

The Duvall boys did not expect to win the contest because they had had only three week's training, the Agriculture Course having been newly instituted in Duvall High School. The boys competed against many judges who had had three years of training.

When asked whether he considered the trip to the fair worth while, Wayne Miller replied, "Sure it was worth while. I learned a lot."

FOREIGN CORRESPONDENCE

All the students in first and second year French classes in Duvall High School have enrolled in the International Students Society. The purpose of the Society is to promote international friendship and to give practice in the writing of foreign languages.

The letters are written half in English and half in French. The French students write poor English and much fun is derived from their mistakes. No doubt they derive just as much fun from our poor French. In about six weeks we expect to get letters from students in France.

We are anticipating a real treat, and much information from our friendly neighbors across the Atlantic. The six weeks can't pass too soon for us.
JUNIOR-SOPHOMORE PARTY

The Juniors entertained the Sophomores with a party on Friday, Oct. 1. This hilarious affair was presented in return for a party which was given last year with the then lowly Frosh acting as hosts.

After about two hours of games in the gym, the students retired to the Home Economics room and partook of hamburgers, coffee and cookies.

Although there were some accidents in the games, we were fortunate in that there were no casualties. A few skinned knees and bumped elbows were not too high a price to pay for the fun of "Flying Dutchman," "Three Deep," and "Scoot."

STUDENTS ATTEND FAIR

On Friday Sept. 24 the boys taking Smith-Huges Agriculture went to the fair at Puyallup. There were three boys who took part in the Cattle Judging Contest. They were Wayne Miller, Roger Duncan and Frank Vanhulle.

Of the Duvall boys who took no active part in the cattle judging contest, there is one whose name surely must be mentioned. We know him as the "Little Giant," but the Fair officials only remember the "Hamburger Kid."

N. Y. A.

Our total N. Y. A. Enrollment for the year is limited to six. Those working on N. Y. A. are as follows:

Kathryn Spoelstra, Mae Elwell, Anna Carlson, Jenny Brown, Ruth Marshall and Adolph Schoesbeck.

ASSEMBLY SPEAKER

Friday Oct. 1, we had the honor of hearing Mr. Wynn of the U. of W., who gave a talk on temperance. He was very frank and truthful. He said there was a difference between modern and excessive drinking. After you have a drink you forget your troubles. You drink a little more each time to secure the same effect. After the effect wears off your troubles are worse.

The body can take care of only two tablespoons of alcohol an hour. Life Insurance men do not give a drinker a large policy. He ended his speech by giving a poem called, "Invictive" by Stanley.

Seen Off and On

Jim Bow falling out of his seat in study hall. Several girls falling for the handsome Duncan boy.
EDITORIAL

This year we have missed our Monday morning sing and the good spirit which always follows. If we have not enjoyed school singing in the past, this year we have our opportunity to say what we do like.

Music should be a most important feature in every students' life. Through music, we can raise above our gloomy thoughts of the French test or the typing test and feel happy and fit to do better work. There is nothing like music to bring the classes and teachers closer together.

Come on, students, express your likes and dislikes so that we may have our weekly singing again.

CLASS OFFICERS

The class officers were elected as follows:

FRESHMAN CLASS
President--------Rolanda Williams
V. President-------Elsie Kaine
Sec. and Treas.------Josephine Hart

SOPHOMORE CLASS
President--------Eileen Nelson
V. President--------Alex Stokes
Sec. and Treas.------Roger Duncan

JUNIOR CLASS
President-------------Jim Bow
Sec. and Treas.------Kathryn Spoelstra

SENIOR CLASS
President--------Hans Homann
V. President------Frank Vanhulle
Sec. and Treas.------Jewell Pierson

CLEAN SCHOOL GROUNDS

There has been a noticeable improvement in the tidiness of the school grounds. Each class has been cleaning the part of the grounds used most by its members.

The school grounds are in good condition. Let's keep them that way.

UNPAINTED CABINETS
Put on your favorite color.

BILL SINN'S BARBER SHOP
The first and second grades have fixed up their grocery store and are doing business at noons and recesses.

Lee Brown has come back from a trip to South Carolina. He brought back a cotton plant for the students to see. Now we are all studying about cotton.

Louise and Rose Mae Hendrix have moved to Tolt.

We have a library chart. Every time we read a book and report on it we receive a small book on the chart.

We are selling Bluebirds to help the children at the Washington Children's Home who have no fathers or mothers.

We have new flower plants for our windows. They look very pretty.

We are all happy over our new baseball. We have branded it with a (4) so we won't lose it.

The fourth grade is taking an automobile trip across the United States. We're sorry that it's only in a book.

We were sorry that Betty Senor was ill Thursday.

DON'T FORGET THE ALL SCHOOL PLAY!

Shirley Gockerall went to the Fair at Puyallup Tuesday.

Miss Quigley was called away for a week and Mrs. Thayer has been teaching us.

The fifth and sixth grade boys are proud of their new baseball.

We have had three new students join our class: Elnora and June Andersen came from Montana and Evelyn Cable left South Dakota to join our ranks. We are happy to welcome these new students. This brings our enrollment to 33.

We are trying to develop courteous habits and wrote articles on courtesy one day. Nah Brown's was selected as one of the best. He wrote:

"Your parents are the first to be thought of. If you are impolite and harsh, you are apt to hurt their feeling. To try to do your best to your parents is to be courteous to them. Your elders and also your teachers should be treated with courteous gestures. Your friends appreciate kind actions more than meaningless words. Make courtesy part of your daily life."

EXCEPTIONAL OPPORTUNITIES IN THE SMALL SCHOOL
(Cont'd from last issue)

Since life is a cooperative process, it follows that the extent to which education succeeds in giving practice to students in cooperative activities such as athletics, dramatics, journalism, chorus, and hobby clubs, will determine its value.

The small school such as Duvall can offer its students greater opportunity for pupil membership and participation in activities than can the typical large school. The following examples will illustrate.

In athletics the percentage of participation ranges from 50 to 80% of all students enrolled. Compare this with the 5 to 10% in city schools.

In dramatics Duvall school boasts about 90% pupil participation at some time during school career, which looms large when compared with the 5 or 10% in large schools.

Debate shows a similar trend though both percentages are smaller. Duvall uses four complete staffs which alternate in publishing the Hi Times. Participation thus reaches nearly all.

This conclusion might fairly be drawn.—The selective process through which the small percentages are drawn into each activity in the large school, make for greater excellence, (more finesse in artistic and literary or dramatic productions, more skill and power in athletics, etc.) Against this the small school can well lay claim to a greater pupil opportunity to gain experience in varied forms of cooperative activity.

NEW MATS FOR GYMNASIUM

The gymnasium is now equipped with two new mats for wrestling and tumbling. They are the finest quality and are filled with hair. Inferior mats are filled with cotton and, in time, will pack and become bumpy.

They will be used as protection against bruises in wrestling matches and in tumbling classes. When placed side by side they make a good sized wrestling floor, and when placed end to end they make a tumbling space almost twenty feet long. When not in use, the mats will be hung on the gym wall under the baskets. Thus the shape of the mats will be preserved and the basket ball players will also be protected from the hardness of the wall.

Heavy canvas covers will be put around the mats to keep them clean. One a year the covers will be taken off and washed.

Join the Grange and Receive its Benefits.

No. 287

YOUR DUVAL STATE BANK

Let us write your fire and automobile insurance.

(Member Federal Deposit Insurance Corporation.)
GUESS WHO?

Well kiddies here we are. Time certainly flies doesn't it? This time I will present the second Rip Van Winkle. The only difference between this person and Rippy is that our Duvall hero has not awakened yet. Well I realize this is a hard one so I will give you a hint. He goes to school, but not for the purpose of learning. Just to sleep. Some Hint, eh?

Next in line comes a romantic fellow. Every time he comes the girls look the other way, but when the girls do look they fall for him. That is why he has to be so careful about fat girls. Now doesn't that chill you? If it doesn't you'll have to wait for December, I'm afraid.

BOYS' SPORTS

So far in athletics the boys have been playing baseball, but will soon be in the gym wrestling, boxing, tumbling, and playing basketball. Football along with three baseballs has been purchased by the school so on all the good days these sports will be played.

Seen off and on:

Wayne Miller thoroughly taken up with a little eighth grader. (Pick on someone your own size Wayne.)

Miss Trompen's room turning into a menagerie; Occupants: a mouse, a frog, and lots of baboons.

Two Junior girls going in for paper dolls. Too bad we couldn't find them any Dolly-Dingles!
COMMUNITY SINGING

The patriotic boys and girls of the Duvall High School started this year's Community Sing with "America." Most of them were on key. Then followed two cowboy songs in which the boys showed their true color, (or maybe it was voices, who could tell?)

This Community Sing was the result of a questionnaire answered by the students.

With much racking of the brain the students answered the questions and plainly indicated that they liked to sing. Some of the questions were as follows:
1. Do you enjoy listening to good music?
2. Do you like to sing?
3. Do you enjoy your assembly singing?

The students seem to enjoy cowboy and jazz music the best. Some of the songs the students sung were; "Empty Saddles", "I'm an Old Cow Hand", and "Down the River of Golden Dreams."

SOPHOMORE ENTERTAINMENT

The Sophomores entertained the Student Body, Friday, Oct. 8, with a radio program. The broadcast was given through a cardboard box fastened to a broom handle. The study hall was converted into a studio with the students witnessing the program.

Roger Duncan acted as master of ceremonies. Miss Larsen sang a song, which was a new version of "Polly Wolly Doodle All the Day." Bessie Trim gave a tap dance, with interruptions due to a faulty victrola. Margaret Vanhulle read a poem, and Mr. Roesch also helped with the entertainment by reading a comical baseball poem.

The students of Duvall High School are now fully initiated into the secrets of a broadcasting studio. They sympathize with the announcer, especially when the recording machine will not work!

"COUGAR THE KILLER"

A talking motion picture of the exploits of Jay C. Bruce official cougar hunter for the State of California, was presented Oct. 12th in the Duvall Gym.

This story showed the capture of several live cougars and other animals such as coyotes and bears.

There was an exciting fight between a King snake and a Rattle Snake. Ranger the famous dog also took part in the show.

The conclusion showed the hunting and capture of the biggest cougar on record.
Oct. 14 the students of Duvall High had their pictures taken. Many protested, saying that they would break the camera, but seemingly it has survived. The grade rooms had theirs taken separately, and each class in High School had its picture taken separately.

The first and second grade room was raided for chairs and the work shop supplied long boards upon which the boys posed. When a time exposure testor was brought forth, many declared that it would explode; but we still live to tell the tale. The price of the pictures will be 15¢ and they will be on sale after Oct. 18.

FRENCH CORRESPONDENCE

We have received our French names and are writing to people in Algeria, Brazil, Mexico, Holland, Belgium and Sweden.

Imagine writing to a person with the name of Flip Kor or Joop Jitroen with addresses like these: Maastrichtersteinweg, Heeksbergertropt or Aguascalientes?

GLEE CLUB

The Girl's Glee Club of Duvall High School meets every Monday from three to three-thirty O'clock.

CONVERSATION IN ENGLISH CLASS

The Junior English class has been studying the art of conversation. A discussion leader has been chosen to preside over each class session. Such topics as radio programs, movies, the causes and cures of suicide, have been discussed.

Mr. Jenne and Mr. Roesch visited the class the day we told about our childhood experiences. The guests joined in the conversation. It was discovered that Mr. Roesch talked out loud every time he went to the theater and that Mr. Jenne was spanked for using his father's animals water trough for a boat.

FUTURE FARMERS OF AMERICA

The boys taking the Smith-Hughes Agriculture course had planned to join the F.F.A., Future Farmers of America. Due to a misunderstanding between the boys and their instructor concerning the place of meeting, the boys were unable to attend the meeting at Monroe. (Cont'd from last column)

The members are: Edith Henson, Rollonda Williams, Elsie Kain, Ruth Marshall, Mae Elwell, Lois Stenfield, Margaret Vanhulle and Betty Williams.

The members are: Edith Henson, Rollonda Williams, Elsie Kain, Ruth Marshall, Mae Elwell, Lois Stenfield, Margaret Vanhulle and Betty Williams.

The members are: Edith Henson, Rollonda Williams, Elsie Kain, Ruth Marshall, Mae Elwell, Lois Stenfield, Margaret Vanhulle and Betty Williams.
The children in the first grade are reading their first set of books. They are very proud of their newly-acquired vocabulary. We have ten people who put money in the bank each week.

Twenty-seven children in our room went to see the moving-picture about the Cougars.

Last Friday our room took our lunches and walked to Walker's farm to see their ten new baby pigs. It was fun watching them.

We finished our Pueblo sand table. It was fun to make it. Martin made the pottery and ladders. Ellen used a salt, water, and flour mixture to make the boxes look like dried clay. Betty made yucca while Donelda cut the grass. Eldridge worked on the garden and Joanne and Ward made Indians and pottery. We used parts of the monkey tree for cactus.

We’re having a Cleanliness Contest in our room. Each person has a Brownie hanging on the wall. He is all black on one side. If we are not clean the black side shows that day, otherwise the Brownie shows his real side.

This week Betty Sener, Joanne, Ellen and Clara received buttons for being clean every day. The rest of us will try hard to get one next week.

The boys of the fifth and sixth grade room were much pleased by a surprise visit from Jimmie Ellis Thursday. Jimmie is attending school at Full this year.

Our sixth grade has just finished their first fall poster.

Eugene Sener was absent Monday.

Duane and Lowell Jacobs are on a trip to Minnesota. We miss them but will be interested in what they have to tell us when they return.

Scott Wallace has been ill for several weeks.

Elbridge Gockerell was elected class president. Geraldine Spreeser is the girls' monitor and Bill Hynes is the boys' monitor.

The Seventh Graders are making a study of rocks. They are making collections and identifying them.

EDITORIAL

Do forty good little boys and girls get up bright and early every morning, get cleaned up and come to school? We're afraid not. They are mostly just naughty children that sometimes even forget to brush their teeth.

Susie Soph, our little High School student, who was supposed to be such a good little girl, will not admit any shortcoming. She will come into school late, and dash behind someone hoping she has not been seen. When she is caught, she always has some alibi such as, "Oh dear our clock stopped so the alarm didn't go off", or "I had to stop on my way to school and leave my little sister at Aunt Susie's".

In General Science its "Oh, Mr. Roesch my little sister tore up my Science paper. I felt so bad I even wept." That's our good little alibi girl.

We should have exceptions and not always make alibis. We should always tell the truth, at least to

JONES HDW. CO.

(Con't from last column)

ourselves: and admit that we didn't have that lesson because we were just plain lazy. We should admit the truth to others also -(well anyway, part of the time.)

CAMP FIRE NEWS

Some day in the near future a raffle sponsored by the Camp Fire Girls will take place in Jones' store. The holder of the lucky ticket wins a case of canned fruit, vegetables, jams, jellies, and pickles. The people of Duval are urged to donate a jar of fruit or vegetables. You've lots to gain and nothing to lose.

We are now working for the national needlework award and many expect to win it.

Formally the meetings were held on Thursdays. They are now held on Tuesdays.

(Con't from Page 2)

The boys waited at the gymnasium, while their instructor waited at Mycr's Cffe.

The Agriculture students have spent much time learning the F.F.A. creed and expect to join later.

SPORTS

BOYS SPORTS

The new football is getting plenty of use. It is used in P.E. period and at noons by the mighty gladiators. Some of the fellows have gotten banged up but they are still kicking. Shorty has developed quite a technique in place kicking. When the rainy weather begins the boys will turn to basketball.

GIRL'S SPORTS

The girls climbed into their shorts on Tuesday and started tumbling. First they jumped back and forth over sticks. Then they did somersaults. Some of them tried to stand on their hands but without much success. On Wednesday we heard many of the girls complaining of stiff legs, necks and arms. We are going to have many periods of tumbling in girls' physical education.

The new mats recently purchased for us in the gymnasium, will be used by the tumbling class.

DON'T FORGET All SCHOOL PLAY

FRI. NIGHT NOV. 5.

THE RANSON FAMILY

Mrs. Ranson, our new fifth and sixth grade teacher, arrived Tues. Oct. 19. She has two children, Billy, who is an eighth grader, and Catherine who is a Freshman. Their home is in Seattle Wash. They are now staying with Mrs. Martha Rosen. Catherine and Billy formerly went to James Madison Junior High in Seattle.

****

OH DOCTOR!

Dear Dr.

Dr. I feel so bad. My girl Mildred Doughty is sick and I'm afraid she's going to die. Will you give me some hope?

Mike.

Dear Mike:

Well I think maybe she'll live, but don't build your hopes too high.

Dear Dr.

Dear Doc.

How can I win Eileen Nelson away from Stub?

Hans Homann

Dear Hans:

Just remember that (cont'd)

GUESS WHO?

Jemison threw Brutus the Ford out of gear, and let her coast. He then lifted his voice in a jovious yodel. (You couldn't hear it above the rattle of Brutus, but he enjoyed it just the same.)

Just in the midst of Jemison's happy yodel, something happened to Brutus. She sputtered, coughed, uttered one long sigh, and died. Jemison carefully adjusted the choke, juggled the spark, and then stepped experimentally on the starter. It was just as she feared; Brutus was having a stubborn streak and wouldn't go. He took off his carefully polished shoes and his gay striped red and purple socks, and leaped out into the wind and rain.

After fifteen minutes of unsuccessful cranking, Jemison began to get peaved, he became really angry. He jumped up and down, and hit Brutus a resounding crack on the radiator. He resumed the cranking process. To his surprise, Brutus actually started on the ninth revolution. "Well, I swan to goodness," murmured the puzzled Jemison, Whatever is the matter? She usually doesn't start "til the thirteenth crank." Still puzzled, he hopped into the Ford, hastily donned his socks and shoes and drove off with a mighty splash of mud.

[CONT'D from PAGE 5]

absence makes the heart grow fonder
--------of some one else.

Dear Dr.

SEEN DURING PLAY PRACTICE:

Rolanda slapping Ray's face especially hard.

A pair of sweat socks flying around back stage.

SEEN OFF and ON:

A love bug biting Hans.

Mildred wearing an exceptionally pretty bracelet.

Lyle hunting deer. Was it deer or dear?

Mr. Roesch doing his daily dozen after school.

Dignified (Lois) getting a snake wrapped around her neck. (You shouldn't do things like that Roger!)

Kate Spoelstra getting excited up on seeing a closed truck at school.

Joker doing a flip-flop and almost lading in the Study Hall waste basket.

CHOICE CUBE STEAKS
Hear ye! Hear ye! Tonight we will see the most colossal, super-magnificent production ever to be given by the Duvall High School, will take place.

Gone is the braggardly boasting of the players. These self-same boasters may now be seen muttering darkly over that familiar yellow playbook.

Hans Homann is frequently seen dragging his right foot lamely behind him, and remarking most unpleasantly, "You'll find out! You'll find out!" He is Darius Drupp, the aged caretaker. Rolanda Williams, in place of improving, becomes more snappy every day. She was heard to say, "I have to be snappy so I won't get out of practice." She is the crabby Old Aunt Priscilla.

Jenny Brown and Jim Bow dash hither, thither and yon, shouting inanely, "Ah done seen a ghos'! Ah done seen a ghos'! Oh my goodness goshness!" They are the easily-frightened darky cook and gardener, respectively.

Mildred Doughty now has a new slang expression which she is overworking, "My good Godfrey's Mary Jane Billy-goat." She is the Hinglish 'Ousemaid. Every now and then she gets in a Cockney accent. (It must be a mistake.)

Roger Duncan is exercising his mighty right arm in order to wield his butcher's cleaver the better. He is the escaped maniac. (A better player could never be found!)

(continued on page 2, col. 1)
HOBGOBLIN HOUSE
(continued from pag 1)

Eileen Nelson and Edith Hansen are being sweet and girlish all over the school, while Ray Nelson and Lyle McFall are being strong and handsome, for these four play the romantic roles.

Bill Wilkins, Eric Carlson, makes his appearance late (as usual) in the play, to try to capture Bluebeard Bronson, the escaped lunatic.

The mystery element is supplied by our own Mary Jane Miller, who is also official screamer, so if you have cold chills from the weird screams, blame her.

THE JUNIOR ENTERTAINMENT
by
Mary Jane Miller

Last Friday, the Juniors gave a most thrilling forty-five minute entertainment. Mr. Roesch played his violin and we judged a foot contest. Mildred Doughty, Anna Carlson, and Jenny Brown were models. They walked up and down the aisles and we were permitted to gaze at their feet.

After an intermission of five minutes three pairs of dainty feet protruded from under a blanket.

What a merry mix-up! Anna wore Jenny's shoes and Mildred's stockings. Mildred wore everybody's shoes but her own.

Those who got the prizes were Ruth Carlson and Josephine Hart.

The prizes were acclaimed to be most valuable, and valuable they were-to nobody. They turned out to be a pair of much worn sneakers!

SCHOOL PICTURES

No one seems to have broken the camera for the proofs of our school pictures were sent to us. They were very clear.

Due to some unknown reason, the Sophomores and 3rd and 4th grade room failed to receive their pictures. (Do you suppose they broke the camera after all?)

GIRLS' CLUB MEETING
by
Bessie Trim

The Girls' Club held a special meeting Friday, Oct. 22, in the Home Economics room with the president, Jenny Brown, presiding.

The meeting was to decide on a party of the Boys' Club.

After a few minutes discussion it was decided that the girls would give the boys a theater party at Monroe on November 12. If that date is not suitable the party will be postponed.

In case you get hungry boys, I warn you, take some of the well-known dough along.

EDITORIAL

What's happened to our once thrifty students?
Are we high school students going to sit by and let the little grade school children show us up in thrift?
Do we always have to buy small unimportant things, we simply think we have to have?
Come on, let's start putting a few pennies away for the proverbial "rainy day," and strive to see how much money we can save

ANNUAL BOY SCOUT DRIVE

The Boy Scout Troop Committees of each troop in the Everett Council are conducting their annual drives for funds to support the expenses of the Council organization, this week. The response of Duvall citizens has been very fine and generous, and the Duvall Troop Committee takes this means of thanking all who have contributed their support to the splendid character-building institution of Scouting.

AGRICULTURE EXPERIMENTS

The Agriculture boys have been working on the seed plots. They have most of the seeds in and some are up. This should turn out to be an interesting study.
They are going to build a testing table in the room. The school is to purchase testing equipment, and the boys will learn how to test milk.

PROPERTY MEN and STAGE HANDS

Among the ranks of the people in the play, we must not forget the property men, Frank VanHulle, Milo Clark, and Roy Gustafson. Frank will supply the thunder, and give the signal for the ringing of the ghost bell. Milo will take charge of the rain and thunder and Roy has the all-important task of prompter.
Mary Jane Miller having a minor role in the play, does all the wailing and shrieking.
Also, the painters must be remembered. They are Roy Gustafason, Ray Helson, Ervin Stokes, Anthony VanHulle, Abel Mulder, Jim Bow, and Charles Scoot. They have made all the signs advertising the play.

GRANGE CARNIVAL
NOVEMBER 20TH
CHERRY VALLEY GRANGE
No. 287
1-2

Last Friday we had our Halloween Party. Twenty-one jack-o-lanterns were brought to school. We had fun playing games and entertaining our visitors.

Janet Owens is our librarian this week and Floyd Carlson has seen that the front school yard is kept clean.

3-4

We have a Concert every Friday morning. Each person may choose a song he wishes us to sing. Yankee Doodle with all its ten verses seems to be the most popular one. We like the last verse the best, where the boy is so frightened at the guns he runs and hides under his mother's bed.

5-6

Shirley Gockerel has had her head batted by a baseball bat. We are sorry to lose her as she cannot play baseball with us. Although she bats the ball and John Henry runs for her—He doesn't like to run for her because he cannot get up to bats then.

7-8

Again we can report the arrival of two new students—Irene Scouliding from Marietta and Bill Ransom. We are happy to have these students.

Our Halloween party began with a treasure hunt and was followed by a costume-making contest. LeVerne Hobson and Irene Vanhulle won for the girls and Noah Brown and Gordon Sinn won first and second respectively for the boys. Clarence Zylstra won the apple-eating contest, with Raymond Landers as runner-up.

ONE-POINT LANDING

On the morning of Wednesday the third, a great catastrophe occurred in the Junior English Class. Eric Carlson, while poising precariously on the back legs of his seat, lost his balance and made a one point landing.

An expression of surprise and astonishment spread over his face like butter on bread. All of the class, including Miss Trompen, laughed so hard it was impossible to do any scolding.

From the results of this episode, Eric, you will have to get a lesson on flying or start sprouting pin feathers.

BILL SINN'S
EDITORIAL

The basketball season has opened with the promise of some games played differently than last year's games as Mr. Roesch has changed the system of playing entirely.

When you come to these games you will not only be giving the players support but will be watching one of the fastest, cleanest sports this school partakes in, and you will have a good time besides.

You will be posted on the dates of these games by large posters such as advertised the boy's and girl's club play. Do not miss these games! Support your team and your school!

HOT LUNCHES

It is possible that hot lunches may be served in Duvall High School from the first of December through the winter. A questionnaire is now being sent to parents to find out how many students would patronize such service.

The cost to each pupil for hot dish and drink to supplement sandwiches from home, or a complete lunch, would not exceed twenty-five cents per week.

The W.P.A. would furnish all labor except students who serve. The Duvall Civic Club would have to sponsor the service as it is not legal for the school district to enter into this financially.

ALUMNI ACTIVITY

The Seniors of 1937 who crowded the hall of Duvall High School last year have many and various activities at the present time.

Claro Michelson's voice may be heard frequently answering the telephone from the Duvall exchange for she is working in the telephone office.

Margaret Schefer is at home at present and is taking a correspondence course in business training from the American Technical Society in Chicago.

Bill Roetcisendorfer and Victor Martz are working on their parent's farms. Gerald Funk also is at home. Alice Franke, Kathleen McManus and Mary Vrachove are staying at home. (cont'd on Page 4)

Col 2
For sometime the girl's have been using their gym period for tumbling. Eileen Nelson, Mae Sroelstra, and Edith Hansen have all the other girls on their toes trying to imitate them. Rolanda Williams, Ruth Carlson, Mary Jane Miller and some of the others who have trouble standing up against the wall on their hands have mastered the sumer-sault, and jumping over a stick.

The girls' locker room is now being used for the first time by the girls. Tumbling is the first sport that has required gym suits.

Eileen Nelson, the girls' athletic manager has received the 1938 Girls' Basketball Rule Book and basketball will be played after the play comes off.

PING-PONG

Ping-pong is being played again this year on rainy days. There are a few good players including Wayne Miller, Roy Gustafson, Alex Stokes, and Ed McMahon. Wayne has a fast serve which is very hard to return. Roy has a slow one which sometimes is hard to return. Ed McMahon has a whirl-wind serve which fools the opponent quite often.

Students! I suppose you do not know that you have an ophthalmist in your midst. Well, you have! His name is Dr. Hans Honann.

His first big assignment is to put a contraction upon chickens' bills which prevents them from looking straight forward and which is supposed to prevent the dreaded catastrophe of cannibalism among chickens.

ADVERTISE PLAY WITH BELL

By Edith Hanson

Roger Duncan, Jim Bow, Edward McMahon, Wayne Miller, and Roy Gustafson, on Saturday Oct. 30, made a float from an old Model T. pick up. It was bedecked with large signs advertising "Hobgoblin House." Jim Bow and Wayne Miller ran the bell and little "Eddie" tenderly beat the drum. They went to Monroe, Tolton and all over Duvall.

Pound Cakes, Eh!

Johnnie was gazing at his one-day-old brother, who lay squealing and yelling in his cot.

"Has he come from Heaven?" inquired Johnnie.

"Yes, dear."

"No wonder they put him out."

GIRLS GIVE BOYS A THEATER PARTY

by

Bessie Trim

Friday, Nov. 12, the Girls' Club treated the boys to a party. At 6:45 P.M. a merry group climbed aboard the Cherry Valley Bus and started for Monroe.

We had no sooner started than Hans let out several calls for "Lights Out." Duke, however did not heed to his cries until he had quieted down.

The girls started their singing and the boys gave them good competition. This kept up until we reached our destination.

We saw two shows but missed "Mickey Mouse." "Mr. Dodd Takes The Air." the first show dealt with a small town boy that made good on the radio because of the way he could sing.

The second show, "Western Gold," was about the difficulty of getting gold to the East during the Civil War.

After the show a few were hungry and went to eat.

Coming home it was not quite as noisy as it had been going, for Mr. Roesch was singing and who wouldn't listen?

Every one reported a good time.

The question now is: "When do the girls get their party, boys?"

ALL-SCHOOL PLAY A SUCCESS

By

Margaret VanHulle

The Play, "Hobgoblin House," given Nov. 5, by the Boys' and Girls' Clubs of Duvall High School was a success.

Forty dollars and eighty-eight cents were taken in. This amount will be divided between the Boys' and Girls' Clubs. The Girls will receive twelve dollars and the boys will receive the remainder after all expenses are paid.

The actors played their roles especially well.

Eileen Nelson and Edith Henssen portrayed well the roles of two romantic young girls. Lyle McFall and Ray Nelson played the opposite romantic roles with equal zest.

Jenny Brown and Jim Bow were about the best negro girl and boy this side of the Mississippi and Mildred Doughty was an equally good "Hinglish 'Ousemaid."

Roger's eyes were made up to look like the eyes of a crazy man and Eric Carlson "who always got his man" acted the part of the guard like a veteran actor.

Hans almost walked away with the show in the part of the old caretaker and then, there is no one who can scream as well, or look as "spooky" as Mary Jane Miller.

Rolanda Williams with her long gray hair assumed the ways of a maiden aunt so realistically that she could scarcely be recognized.
On Friday, the 5th of November we had the pleasure of listening to the Glee Club sing "Santa Lucia" and "When Its Springtime in the Rockies."

Three girls then gave a skit written by Mildred Doughty. The actresses were Catherine Ransom, Betty Williams and Bessie Trim. Ruth Marshall was the daughter of one of the above ladies who was giving a tea for the "Ladies Aid."

The daughter very inopportune asked the mother when "the old scratch cats" were going home.

We soon learned that most of the ladies had failed to attend the meeting.

The three who were present began to talk about those who were absent. They spoke of the popularity of Mae Siegel and they mentioned the good news about Jewell Pearson (but they forgot to mention the ring).

The gentlemen came in for their share of the gossip too. We learned that Hans Homann shaves three times a day and that Jim Bow likes to fix telephones.

Proud Father: "Of course my son has studied a foreign language. Say 'hello' to the man in algebra, John."

It was Wednesday Nov. 10, and Bessie Trim, who had written the Monroe Theater, had received no reply. The girls were very much puzzled, so a meeting was called at 2:45 in the Home Ec. room, to see if we were to have the party Nov. 12 or not. Jenny Brown presided.

It was voted that Jenny call up the theater right away and ask about it. She returned about five minutes later with the news that she had not been able to get the theater manager. It was decided that if we had no news by Thursday morning we would post-pone the party.

After the meeting the girls went to the gym to play basketball. About ten minutes later Bessie Trim received a visitor. It was the manager of the Theater. She received good news, so the party was given after all.

Four nurses and Dr. Hunt came to the Duvall School Tuesday Nov. 9, 1937 to vaccinate the students against Small Pox. There were approximately thirty high-school and grade-school pupils vaccinated, free of charge.
HOT LUNCHES (cont'd)

such service.
The cost to each pupil for hot dish and drink to supplement sandwiches from home, or a complete lunch, would not exceed twenty-five cents per week.
The W.P.A. would furnish all labor except students who serve. The Duvall Civic Club would have to sponsor the service as it is not legal for the school district to enter into this financially.

ALUMNI ACTIVITY

The Seniors of 1937 who crowded the hall of Duvall High School last year have many and various activities at the present time.
Claro Michelson's voice may be heard frequently answering the telephone from the Duvall exchange for she is working in the telephone office.
Margaret Schefer is at home at present and is taking a correspondence course in business training from the American Technical Society in Chicago.
Bill Roetciscoender and Victor Martz are working on their parent's farms. Gerald Funk also is at home.
Alice Franke, Kathleen McMahan and Mary Varchave are staying at home. (cont'd on Page 4)

Col 2
BOYS BASKET-BALL

The boys have started their basket-ball season off with a bang. There are ten boys turning out. They are Roy Gustafson, Ray Nelson, Alex Stokes, Eric Carlson, Lyle McFall, Mike Clark, Shorty Clark, Roger Duncan, Jim Bow, and Charles Scott.

The boys are drilling on short shots, running dribble and pivoting. We turnout two nights a week, and during our gym periods.

TRAINING RULES

This year all boys playing basket-ball will have to take a pledge. This pledge will be: "I will not smoke, or drink, and I will be in bed before ten o'clock on school nights." Any one caught breaking the pledge will be put off the squad, says Coach Roesch.

 GIRLS SPORTS

The girls have now started basket-ball and all but two girls, Jenny Brown and Mildred Doughty, have turned out.

Although we lost the best players on last year's team, the girls hope we will have as good a team this year.

THE SAD TALE of a COUNTRY BOY IN THE CITY

Roger Duncan is quite a man, so he went to town one night; but he parked his car in an alley, and it disappeared from sight!

"Oh me, oh my" quoth he, and a tear sprung to his eye, "The car belongs to father!" Said Roger with a sigh.

He strode up street and alley, a worried boy was he; though he peered in every scrap heap no model A could he see.

He finally visited the police station, to find to his dismay, that a big and burly policeman had carted his car away.

He had looked all over Seattle, in every garage he saw; when he finally found the wreck, he took it right to Paw!

Mildred Doughty seen off and on:

Ed and Lyle searching vainly for spark plugs Wednesday. We wonder where they (the spark plugs) were.

MACDOUGALLS
OH! DOCTOR

Dear Doctor,
Can you tell me when the boys are going to break down and give the girls a party?

Esmirelda

Dear Esmirelda,
Probably at Xmas vacation when everybody's gone.

D. Doctor

Dear Doctor,
I'm crazy about a new girl. Edward swears that he will steal my stuff. What shall I do?

Jim Bow

Dear Jim,
Well, Jim you live closer than the rest of us. Go to it!

D. Doctor

Dear Doctor,
What shall I do? The high-school students won't let me take my eighth-grade girls friend along with them on any more of their parties.

Anthony

Dear Anthony,
Find yourself a high-school girl-friend.

D. Doctor

THE NEXT BIG EVENT IS
THE FACULTY PLAY

MANNING'S COFFEE
Served all day
Saturday, Nov. 20
Free
AT HIX'S MARKET

WALLACE'S
Annual Turkey Shoot
Sunday Nov. 21
Free lunch at noon

Seem off and on:
Frank slyly borrowing a pencil, which caused a regular war. (What do you mean, Frank?)

Alex admitting he cares for fat girls.

Margaret and Ed keeping each other company Fri. after the show.

Jim taking Bessie home.

Betty falling hard for Roy G. She is changeable as the weather.

Mae Spoelstra trying to imitate Eric Carlson in making one-joint landings.

Hans celebrating at Lillian's chivalry.

Mildred Doughty writing plays and poems about Jim Bow.

Eileen wishing Thanksgiving would come, Stud must be coming home.

Anthony being worried over a rival with his eighth grader. (Bigger than you, eh?)

Josephine: Brrrrrr its cold (better put on some more clothes, Josephine)
THE FACULTY PLAY
by
Catherine Ransom

Make way! Here comes the Faculty Play, "Miss Molly," the best yet! It is to be given December 14th in the Gym, so save up your nickels and dimes as the admission is 16¢ for children, and 27¢ for adults. It is being given to raise money for school necessities such as books, pictures, radios, and athletic equipment.

Why do we have more written work in class? The teachers want to study their parts. Mr. Roesch can be heard muttering, and then with a mighty roar he will give us some more work to do. He is just practicing, as he is the cross, domineering, fifty year old man who resents women and company.

Mrs. Ransom, his shy twin-sister, Annie, realizes she has been crushed by him all her life and now wants her own way.

Miss Wilson is their niece, Miss Molly, who is "just nineteen," and pretty as a picture. She is accompanied by Cissie, Miss Larsen, who is portrayed in the play as a person who has seen life and wants some fun.

There is a sissified artist who falls in love with Miss Molly. This part is taken by Miss Poyhonen, a very boyish actress.

The humor grows more hilarious when Mr. Jonny as George Washington Joseph Jefferson Jeremiah Aldolphus etc., comes in to comfort and protect his dusky sweetheart, Miss Trompen, as Pearly White. His eyes are rolling and knees are knocking in a nervous state of "disconbobulation."

The suspense reaches a climax when Miss Krutzbergh, as the titled Lady Elusia Mistan, enters and solves all the mystery and untangles all the knots and creates a riot of laughter. A better cast will never be found.

Come early and sit with your friends for everyone will be there.

CAST

Reginald Peters-------A crabbit old woman-hater--------Mr. Roesch
Julian Hewitt-------------His ward--------------Miss Poyhonen
Joe Johnson-----His colored servant, stout but timid---Mr. Jenne
Annie Peters-------------His twin sister---------Mrs. Ransom
Kolly Peters-------------His niece---------------Miss Wilson
Cissie Saunders--------A girl from 'Noo York"------Miss Larsen
Pearly White-----------A colored girl-----------Miss Trompen
Lady Elusia Mistan-------A guest---------------Miss Krutzbergh

Admission--------adults------27¢
Children---------16¢

Place--Duvall High School Gym

Date-------------December 14, 1937

Time------------------8:00 P.M.
The Freshmen started their entertainment with a heroic attempt at soul lifting music. "Ole Gray Mule" and "Springtime in the Rockies" were two of the numbers rendered by the "comb band."

An entrancing little playlet entitled "Elsie's Boyfriends" was presented. One boyfriend, Charles Scott, made his appearance and was seated by Elsie Kain's side. When he became comfortably settled another boyfriend appeared.

Altogether there were four boyfriends. Elsie had to hide them from each other. She threw a blanket over Charles and there stood a chair. A table cloth over another admirer, Abel Kilder, formed a tea table; and the last boy Junior Holcombe, became a hat rack. Ervin & Stokes sat in the chair and all came tumbling down.

Some charming little ballads concerning Duvall High School students were recited. Many of the students hearts quailed and they blushed.

Hans: "Doesn't that mule ever kick?"
Jim: "No, sah, he ain't yet, but he frequently kicks de place where Ah recently was."

The S.A.A., of which every Duvall High School student is a member, is held every second Friday of the month in the High School auditorium. These meetings are held to decide many things, such as a show we should spend our student body money, for athletic equipment or other things. The students also make and vote on amendments to the student body constitution. They receive training in student government as they elect their own officers and conduct their own meetings.

The S.A.A. appoints entertainers from the different classes, clubs and even the faculty. The Freshmen entertained last time. The Boys Club was appointed to entertain this coming Friday.

THE FLOOD
by
Josephine Hart

To the disappointment of the children the school was closed last Monday due to high water. The water has gone down enough to allow most of the children to return to school.

We should feel greatful toward Duke Thayer for saving the life of Mr. Wurster of Seattle, who was

The function of democracy has been given as follows: "To have as much freedom for each individual as is possible without hindering the freedom of others."

For instance: You may not steal apples from man's orchard because he wishes to sell these apples to make a living. You may not speed on a highway because it hinders people who wish to cross the highway. If a man with small sex desires to go out on the street, his freedom may be hindered it is true, yet he may not go out because he will give the disease to others.

Thus in our nation we have laws to prevent a mis-use of freedom. Thus we see, no one can have freedom unless others abide by certain rules which insure the utmost freedom for the individual without hindering the freedom of others.

A person may desire to whisper in school but he may not because he

Cont'd in next column

THE FLOOD
(Cont'd from Page 2)

hunting on the Snoqualmie River. The accounts in the newspaper said that it was the sheriff who rescued him, but we congratulate Duke for actually saving his life.

Witnesses say that it was he who went out in a boat and took the man from the river. The sherriff held a light trying to show Duke the way, but the brightness of the light blinded him and made the rescue more difficult.

Mr. Miller, Wayne Miller and the neighbors had to work hard to save Miller's barn. Wayne got a little chilly and while winding his hands by the lantern fell asleep. When at last he awoke, his hands were slightly burnt.

DON'T FORGET FACULTY PLAY.
DECEMBER 14th
H. Harold Bowers has moved back to Seattle, leaving the same number of pupils in the Second grade as there are in the First. Both now have fifteen.

We took a test on the radio broadcasts that we have listened to this year. Most of us recognized the pieces played in the test.

A class scrap-book is being made to collect interesting pictures. Many good Thanksgiving pictures were brought and now we are looking for Christmas ones.

3-4

We are very busy learning songs for the cantata "Santa's Vacation." The songs are very pretty and gay.

Betty Sener has the most books on the Reading Chart.

We are very anxious for Friday to come so that we can start our Christmas presents.

5-6

The fifth grade is making maps of the southern states and is marking the names of the important cities.

The sixth grade is going to have reports on the lowland countries of Europe.

We all had a nice Thanksgiving.

NEW STUDENTS
by
Elsie Kain

We are happy to have two more high school pupils, Virginia Close and Phyllis Spaulding. These two new student we now have eighteen Freshmen.

Virginia Close comes from North Bend and Phyllis Spaulding comes from Bellingham.

BOYS CLUB NEWS

On Thursday the Boys' Club held a meeting. Roger Durcan presided. They discussed the plans of entertainment for the students body and also the plans for the Girls' skating party for the Girls' sometime in the near future.
GIRLS' SPORTS
by
Ruth Carlson
The girls have now chosen the first and second team for basketball. The first team consists of:
Mae Spoelstra-Forward
Betty Williams-Forward
Eileen Nelson-Center
Catherine Ransom-Side Center
Anna Carlson-Guard
Jewell Pierson-Guard
The second team consists of:
Rolande Williams-Forward
Bessie Trim-Forward
Elsie Kein-Kein Center
Edith Hanson-Side Center
Josephine Hart-Guard
Ruth Carlson-Guard

THROUGH THE HOOP
Jim Bow limping on one foot chasing a basketball.
Alex Stokes walking 3 miles to evening practice.
Roger Duncan swimming the river (almost), so as not to miss a session with a basketball or was it a car?
Eric Carlson watching the ball go by-up-and through the hoop, Phoof! says Eric

BASKETBALL
The first big game of the season is on its way. On the evening of Dec. 10th at 8 P.M. the Duvall Girls' team tangles with the fair ladies from Skyrkomish. At the conclusion of this fracas, the boys pick up the hostilities and, no doubt, much to the amusement of the weaker sex are going to show the girls how the game should be played. The admission price is 15c. So bring your friends and enjoy the first basketball battle of the year; DUVALL vs SKYKOMISH.

Seen off and on:
Hans hunting snipe.
Gene Clark playing the pan and spoon in the Freshman Entertainment.
Duncan being sued by Dignified.
Several students industriously walking to school Monday.
Catherine no longer with pigtails.
She must be growing up!
Many disgruntled minds because of the fact that the high water didn't stay up!

MERRY CHRISTMAS
FACULTY PLAY
by
Mildred Doughty

All people attending the faculty play, "Miss Molly," enjoyed seeing Miss Trompen and Mr. Jenns blacked up like negroes, and Miss Larsen assuming the role of a hard-boiled New Yorker, rudely cracking her gum.

Everyone trembled when Mr. Roesch, as Mr. Reginald Peters, began to shout and wave his arms, but Annie Peters, played by Mrs. Ranson, was determined to show her spunk after being squelched for fifty years.

Miss Wilson, taking the part of Miss Molly Peters, deliberately led her relations to believe that she was Lady Elusia Miston. When the real Lady Elusia appears, in the form of Miss Kreutzberg, things were in a terrible state of confusion.

Julian Hewitt, the sissified ward of Reginald Peters, commonly known as Miss Poyhonen, ends it all (the play that is) by cheerfully embracing Miss Molly.

The faculty made $34 dollars on the play. Half the proceeds went to the Grade School and the other half to the High School.

CHRISTMAS ENTERTAINMENT
by
Anne Carlson

Christmas reached the high school on Thursday, Dec. 23rd.

The Junior English Class entertained the students by presenting a little play called, "Nonsense School."

Ed made one of the most mischievous, little negro boys ever seen. Eric and Jenny took the parts of a country school boy and girl. Jewell, with her Swedish dialect, played the part of a charming little girl called Olga.

Jim and Mildred were Jewish children. Wayne played the part of an English boy. The old maid teacher with her horn-rimmed spectacles and long sweeping skirt and old-fashioned blouse, was portrayed by Anna.

The boys' club entertained with a monologue, read by Jim Bow.

Gene Clark played a musical selection. Roger and Hans put on a mind reading act, which was much enjoyed by the students.

A pretty tree with all the trimmings was the center of attraction. Under the tree lay piles and piles of presents. At the close of the entertainment Santa Claus passed out the gifts and the faculty presented each of the students with a bag of candy.

Many thanks, Teachers!

CHRISTMAS CANTATA
by
Jenny Brown

Jolly old Santa Claus came to Duvall School on the evening of Dec. 21, in the disguise of Noah Brown with his jovial wife, Mrs. Santa Claus, played by Clara Towers. The occasion was the grade-school cantata, "Santa's Vacation."

Santa's helpers decided that he needed a vacation and tried to persuade him to take one. They promised that they would take care of the making and delivering of the children's toys.

Santa was finally persuaded; and he started, supposedly, for a much needed vacation. His helpers made a mess of his job and began to wish that he were there to straighten things out. Santa appeared at that moment, as if by magic. You see, Santa had planned on this very event happening. He took command then and things turned out fine for everyone concerned.

There were many parts in the play and all of them were portrayed very well.

The Fairies were: Peggy Miller, Clara Roetcscoender, Ellen Jenne, Joanne Gockerell, Betty Sener, Virginia Petersen, Lois Miller, Donelda Owen, Pearl DeJong, Vera Lane and June Brown.
(Cont'd in next column)
We have been busy getting ready for Christmas in our room. Each window has a lantern with a candle burning.

Barbara Jenne and Jimmy Roeterscender have birthdays this month.

The whole room together wrote a story about the flood. The best illustration was chosen to go with it.

Bertha Zylstra is paper monitor and Betty Jean Leyde the librarian this week.

3-4

We started our Christmas gifts last Friday. It will take another art period to finish them. We are surely enjoying making them. They are to be given to our Mothers at Christmas.

The flowers in our room are growing nicely. We even have a begonias in bloom.

We have had only one person absent in the past six weeks.

"OIL" RIGHT

Barber: (to young plaster-haired shrie) : "What'll you have, a haircut or just the oil changed?"

WALLACE'S MEAT

Orders taken for Turkey or Geese for Christmas.

Fresh Oysters-----29¢ pt.

GRADE NEWS

1-2

5-6

The fifth and sixth grades are decorating their Christmas tree. Each person is to bring one ornament to put on the tree and we also decorated the blackboard. It looks very nice.

We have a boarder of holly around the front board and book board. It looks quite nice.

We are going to have a puppetta December 21. The moonbeams are learning a dance. Catherine Ransom is teaching them.

We made several things for Christmas presents such as: pie plates with pictures in them, address and phone books, and Christmas cards.

We got some new books. The names are "Wagtaid", "Buried Cities" and "Mary Poppins" and some others. They are very interesting.

7-8

For art we cut out masks free-handed. Some are very amusing. We have Chinsmen, pirates, Englishmen in top hats, Satan, and also a very amusing one of Maurey.

The Eighth graders are dramatizing the "Christmas Carol" by Dickens, while the Seventh graders are going to write original Christmas plays. The best ones will be given for our own amusement.

EDITORIAL

"'Tis the season to be jolly," says a well-known Christmas carol. What's more, people take this advice especially around Christmas time. Why even the teachers are getting more lenient.

Serious, everyone does seem to be more genial. Whether it's the hustle and bustle of moving furniture to make way for the Christmas tree, or the rush of planning the extra-super-special dinner, it is hard to say. More likely the scramble to buy suitable gifts for all friends is responsible. At any rate it is a most desirable state of affairs, so by all means, don't try to squelch the feeling. Keep it up after the Christmas season is over!

Cheerfulness and good will is something that is welcome all the year through.

Silk and satin slips $1.00 to $1.95

All colored Oil Silk Umbrellas $1.95

Boost your home store at Christmas

JOKE'S DRY GOODS

SCIOGL YELLS

What no yells at the last game? Did we elect some well-leadcrs?

I forget.

We ought to show more school spirit. Let's get together and practice what we preach.

The teachers would be glad to help the yell-leaders work on some yells and motions to go with them.

Let's have a pep rally in the gym some noon! The more we practice the better we can yell. You know the old saying, "Practice makes perfect."

We could show any other school we can hold our own when it comes to yelling, if we get busy and do something about it!

DEBATE

Five girls have turned out for debate this year. They are: Mildred Doughty, Catherine Ransom, Bessie Trim, Roland Williams and Mary Jane Miller.

The question for debate is: "Resolved, That the several states should adopt a Unicameral System of Legislation." The first debate is at Duvall with Bothell. Duvall is to debate on the negative side of the question.

During the season the Duvall team will participate in two affirmative and two negative debates.

Haircuts 25c

Cigarettes

Tobaccos at

BILL SINN'S Barber Shop
BOY'S BASKETBALL TEAM
by Eric Carlson

There are 12 boys turning out for basketball. They have been separated into two teams, and we now play between the two teams. The lineups are as follows:

1st team 2nd team
Ray Nelson-----Guard-----Roger Duncan
Lyle McFall-----Guard-----Eric Carlson
Jim Bow-------Center-----Hans Roman
Roy Gustafason-Forward--Ed McMahan
Alex Stokes----Forward---Mike Clark
Junior Holcomb and Charles Scott

who are also turning out are extras for the teams.

GIRLS VS BOYS

On Monday noon December 5, the Boy's second team discovered that the first team girls were no cinch. It was a wild game, with the boys breaking rules one right after the other. Of course the girls will have to admit that they have been playing boys rules the girls would not have won 35 to 16, but they believe that they would have stood a good chance with the boys even so.

Another game was played between the first team girls and the second team boys, seventh period Tuesday, December 7. They played under girls rules and the boys won 26 to 22.

BOYS PLAY SKYKOMISH
by Eric Carlson

In a thrilling basketball game on Friday the 10th, the Skykomish Hopsters beat the Duvall Cogers 15-5. It was the first game of the season, and the boys got a bad case of stage fright.

In the second half the Duvall boys improved and made as many points as the Sky team, namely 3 points.

However, we know what our faults were and we will be able to remedy them before the next game.

This game was played at Duvall and a large crowd turned out.

GIRLS PLAY SKYKOMISH

On the evening of December 10th, the Duvall girls first team met the Skykomish girls on the home floor.

Though we lost the game the girls should be complimented on their good playing. Perhaps because it was our first game of the season, we didn't do as well as we should have. Three subs were used during the game. Rolanda Williams could not substitute because she had broken her arm in a practice game the day before. The final score was 21-17 in favor of the Skykomish team.

THE DUVALL STATE BANK, Duvall, Wash.
(Member Federal Deposit Insurance Corporation.)

We issue bank drafts payable in all parts of the world. They are convenient to use, and the rates are very reasonable.
YELL LEADERS

Yell leaders were elected Fri. They were as follows; Hans and Jim to yell for the girls and Eileen and Mae Spoelstra to yell for the boys.

S.A.A. MEETINGS

by

Anna Carlson

In the last issue of the Hi-Times it was stated that every high school student is a member of the S.A.A. This is incorrect as only those students who have paid their dues rightfully belong to the organization. By vote of the students 25¢ a year was to be charged for membership. The money collected is used to buy equipment, put on plays or parties, and pay expenses. The students have full control over the money and the faculty does not interfere except to give us advise occasionally.

As the money is still ours and paying the dues shows good sportsmanship and co-operation, everyone should pay his dues. At present there are ten students who have not paid their dues. Come on students, give your money to the treasurer and get your receipt. Enjoy the feeling that you have done your duty to your fellow students! Also, cooperate with your fellow students!

GIRLS' BLUB PARTY

by

Jenny Brown

Mrs. Santa Claus, Miss Larsen, was hostess to the Girls's Club at a very nice party in the Home Ec. room on the evening of December 15.

We started the evening out with a few games of Cootie. Ruth Maxwell came out on top with 116 points.

We then had a game of pinning the star on the Christmas tree. Eileen Nelson won this.

Two teams were chosen with Jenny Brown, captain of the green team and Mildred Doughty, captain of the red team, for a Treasure Hunt. There was a "Mad Scramble", with Miss Larsen and Miss Trompen getting a little bit messed up. The treasure, some all-day suckers, was found by the green team.

We played a game called, "Yes" or "No". The two words couldn't be spoken without forfeiting a peanut. Jenny Brown won this with a score of 24 peanuts.

We played a number game while refreshments were being made ready. They consisted of hot cocoa and cookies.

We, the Girls' Club, wish to thank Miss Larsen very much for her nice party and we are sure everyone who attended enjoyed herself.

The Duvall Boy Scouts met in the school gym last Thursday and were put through games and races by Mr. Jenne, of the Duvall Troop Committee who is acting as leader until a permanent Scoutmaster can be selected to fill the vacancy left by Mr. Donald Funk.

Scouts present were Charles Scott, Junior Brown, Billie Hynes, all Second Class rank, and Gordon Sinn, Elbridge Gockerel, and Bill Ransom, new Scouts. Three more new members will be registered in the near future. All the Scouts are enthusiastic concerning the next higher rank they hope to obtain at the next Court of Honor.

At the next meeting new Scouts will learn rope-knots.

Dear Doctor:

Everyone is getting mad at me. What can I do to regain my former charms?

Jim Bow

Dear Jim:

Why don't you get some new jokes?

D. Doctor

Some hungry boys at the "Girls' Club Party." Quotation by Wayne Miller, "They never got anything to eat or they would have been dead by now!"

Freshmen taking tinsel from one tree to put on another tree.

Bockkeeping class watching the grade school kids running from a broken window.

Eric, the strong man, walking the Library door right off its hinges. We wonder who was the most surprised, Eric, the door or the students in study hall.

Ervin spending quite a bit of his spare time talking to a certain seventh grade girl.

Elsie K., riding around with an unpaid chauffeur. (Or is he paid?)

CONVERSATION IN THE ENGLISH ROOM

"All right, Drizzle-puss."
"Oh, shut up, sour-puss."
"Why don't you think up some new cracks?"
"You're not so good yourself."
"The only people who laugh at your cracks are your stooges."
"Huh, you're jokes are so terrible you can't even get any stooges."
"Doughty, haven't I got a stooge?"
"Oh, Doughty's so dumb she don't count."
"I resent that!"
"Go ahead and resent. Is it doing you any good?"
"All right, Jewell and Jim, I'm going to build a fence between you!"

Heard: Hans saying that he's looking forward to making an honest living during Christmas vacation.

HAPPY NEW YEAR
DUVALL FIRST TEAM, TUALCO-GRANGE AT DUVALL

The game between the Duvall High School first team and the Tualco-Grange team was played on the night of January 4, in the Duvall gym. The game proved to be one of the fastest, most bang-up games witnessed in Duvall.

At the end of the half, the score was 29-15 in favor of Duvall. The third period proved the slowest of the game but the fourth started out faster, but very cautious. With three minutes to play, Lyle McFall was eliminated on fouls. The end of the game found Duvall leading with a score of 38-29.

The points scored were as follows:

DUVALL
Alex Stokes-------------------8
Roy Gustafson------------------3
Jim Bow------------------------10
Lyle McFall-------------------12
Roy Nelson---------------------5

TUALCO-GRANGE
Howard George------------------3
Ottini-------------------------10
Arselson-----------------------6
Salvadore----------------------8
Dedering----------------------3

PEN PALS
by Ruth Marshall

Some of the students have become interested in writing to people in foreign lands.

Among those who have pen pals are Mildred Doughty, Mary Jane Miller, and Ruth Marshall.

Mildred has a pen pal in Belgium, a boy who has written only one letter to her. They are not well acquainted yet.

Mary Jane has several pen pals, one in Hawaii, one in England and one in Australia.

Ruth Marshall has one in England. Her name is Doris Cook. She is very pretty and is very interesting to write to. She has sent some very interesting postcards from England. She told all about the coronation of the King which was very interesting.

FIRST TEAM GIRLS ELY AT SKYKOMISH

On the evening of January 7th, the first team girls, consisting of Mae Spoelstra, Betty Williams, Catherine Ransom, Ana Carlson, Eileen Nelson, and Jewell Pierson, played against Skykomish in a very interesting game.

Betty Williams passed out in the last quarter from a side attack. Edith Henson substituted in her place. The girls all played very well and came out the victors with a score of 18 to 13.

The other substitutes that went were Ruth Carlson and Margaret Vanhulle.
**TROUBLE WITH BUSES**

Wednesday, January 5, the two high school buses met a bad fate. Somewray or another some water got into the gasoline tanks of the two buses. The drivers had a hard time getting them started the afternoon of Wednesday, Jan. 5.

It was necessary to refil them with a different gas.

**DEBATE**

by Bessie Trim

Those that have entered debate are: Mildred Doughty, Catherine Ransom, Elsie Kain, Mary Jane Miller and Eileen Nelson.

The negative team has been chosen as follows: Main speech by Catherine Ransom, Rebuttal by Mildred Doughty.

For the affirmative team there is Mary Jane Miller as rebuttalist. The main speaker for the first debate is to be either Elsie Kain or Eileen Nelson. The other girl will speak in the second debate.

This year's debate schedule stands as follows: January 13, Affirmative Bothell at Duvall-Negative.

Feb. 10, Affirmative-Duvall and Bothell-Negative.

---

**CAMP FIRE NEWS**

by Ruth Marshall

The girls are working very hard so they can take Woodgater's Rank Tuesday. We had an election of officers December 8. The officers are as follows:

President-------Virginia Gockerell
Vice Pres.--------Mary Jane Miller
Secretary--------Clara Fowers
Treasurer--------La Verte Nelson
Scribe-------------Ruth Marshall

Our last Council Fire was at Mr. and Mrs. Marshall's home. We had the Council Fire and then went caroling. Afterward there was refreshments. Then we initiated the members who had not been initiated before.

**NEW BUS DRIVER**

The Fuller family moved away and we have a new bus driver, Philip Bow, a brother of Jim Bow, who goes to school here, now drives the bus.

**SCHOOL VISITORS**

Our school was very happy to see the good old "school spirits" still alive in our former students. On Jan. 6, Kathryn S. and Rollie Trim. On Jan. 6, Betty Leon came back to see the suffering Juniors. We would like to see them more often.

**JONES' HARDWARE**
EDITORIAL

Basketball season is well under way with both the teams having won enough games to give a very good showing when the teams play at home. These home games have an admission charge of ten cents, only one-tenth of a dollar. If you want to see a real clean sport, played by the denizens of Duvall, come to these ball games.

EDITORIAL

We have a very enthusiastic crowd of students who want to go to Seattle to play basketball; yet when it comes to paying their dues so that the students can pay for these trips, they just seem to forget about the games. They can only remember their stomachs! What's the matter students? Can't you stay away from hamburgers and pop long enough to save up 25c.

END OF SEMESTER
by Milo Clark

The semester ends J n. 21, 1938. A new ruling states that students may be excused from final examinations in courses in which they have a "B" average or better, providing that students have no unexcused absences and no infractions of good school citizenship.

This semester's activities included an all school play. The proceeds went to the Boys' and Girls' Clubs. The Boys' Club received seventy per-cent of the proceeds and the Girls' Club thirty per-cent. This unequal division was because of the fact that the boys sponsored the play.

The proceeds of the Faculty play were given to the student body, to aid the activity program.

WHAT THE BOYS are DOING in SHOP

In High School Manual Training, the following projects are under construction:

Gene Clark—bedside table
Milo Clark—kitchen stand
Roger Luncan—chest of drawers
Lyle McFall—foot stool
Alex Stokes—radio table
Roy Gustafson—smoking table
Ray Nelson—end table
GRADE NEWS

1-2

The first grade has lost a pupil, Jimmy Sener, moved to Maple Valley. We are sorry to lose him.

The first grade wrote a story together about the things each one received at Christmas. Our big book of stories is getting quite full.

Because so many girls have new dolls, we are planning to have a doll's tea-party.

3-4

We started out to make 'Wash-Up Charts' on Jan. 3rd. We received a small box of Lifebuoy soap with them. Each week we keep clean, we are to receive a gold star.

Our plants are growing very well. Soon we expect to have a hyacinth blooming in our room. Betty Sener moved away and we miss her very much. She went to Maple Valley.

Martin Hannenquist has been absent for two days. We wish he'd come back.

Duvall H.S. negative team composed of Catherine Ransom and Mildred Doughty, and coached by Miss Trumpen, won its first decision Thurs. from the affirmative team, Bothel.

GRADE NEWS

5-3

We had to learn the poem named, "Aladdin." It is about a poor boy who built "castles in Spain" in his imagination. He worked hard and grew rich. Then he had no more castles in Spain.

Thursday in art we made stick figures. We made them in running, walking, sitting, and all positions possible. We had lots of fun making them. After we drew them we cut over them with colored crayon.

The fifth and sixth baseball players have broken about three study hall windows and can't play there till the janitor puts some screen over the windows.

The bus was late one night and we got here at 6 o'clock. Water leaked into the gas tank and prevented the motor running properly.

7-8

Since the new year our study program has been changed about completely. We are not studying Civics and the State of Washington.

We are all sorry that Richard Fuller has moved away from Duvall.

In art, Wednesday, some very original drawings of Jack Frost were made. Some are quite artistic and others are amusing.
PRACTICE SCRIMMAGE
With TOLT

On the twenty-first of December
the Duvall second team and first
team went to Tolt to play a game of
scrimmage with Tolt High School.
The two Coaches, Mr. Reesch and Mr.
Thomast coached from the sideline.
The second team played more that
afternoon than the first team.

FIRST TEAM vs. TUALCO
at MONROE

On December twenty-seventh, the
Boy’s First Team journeyed to
Monroe to play a second game with
the Tualco Grange team. The game
was very fast-moving. The final
score was in favor of the Tualco
team, 29 to 22.

AG. GAME at DUVALL
by
Juni Holcomb

On the night of January 11, at
Duvall, the Ag. boys of Monroe
played the Ag. boys of Duvall at
basketball. It was a tough game
and although Duvall fought hard,
Monroe came out on the long end of
the score, it was, 14 to 22.

DUVALL v. SIXTOMISH
Jan. 21, 1938
Girls and Boys game.

NEW SUITS for TEAM

The boys’ Club decided to get
five new basketball suits for the
first team and a new pair of trunks
for Ed McMahon. They decided to the
second team and should get the suits
of the first team so they will have
better suits.

GIRLS BELLEVUE GAME
by
Eilene Nelson

December 21, 1937, the girls’
first team, a few subs and three
boys with a coach journeyed to
Bellevue for a good game of basket-
ball.

Although the girls seemed to be
at the short end of the score
throughout the game, it was reported
one of the best games, the Duvall
girls ever played.

The line-up was as follows:
Mae Snelstra-------------Forward
Betty Williams-------------Forward
Eileen Nelson-------------Center
Anna Carlson-------------Forward
Jewell Pierson-------------Guard
Catherine Ransom---------Guard
Ruth Carlson and Edith Hanson
were Subs.
Mae Snelstra made 18 points and
Betty Williams 2, giving us a score
of 29 to 39.

SEEN OFF AND ON
My what a smile on Ervin's face lately. He has been seen hard at work. My I My! How come? How about it Norma?

Ray and Mae sitting together on the bus.

Wayne's two-year-old sense of humor getting the best of him.

Ray making a resolution not to tease Mae anymore.

Ray breaking his New Year resolution not to tease Mae anymore.

Anthony making up his English work. Why?

Jim trying to escape doing his French by arguing with the teacher. (What's the matter? Work too hard for the Hooty Owl?)

Fans receiving a baby bottle. (Don't lose it Hans.)

NOISEY REPORTER
The nosy reporter sees all and hears all.

Elsie was seen giving Hans a picture with the promise of a graduation picture for it. Now don't forget the promise Hans, cause that would break the girl's heart.

Elsie Kain must be slipping. Duke has been around the river road quite a bit lately. Too bad Elsie.

OH! DOCTOR
Dear Dr.
How can I win Betty W. away from Big Brother?

Roy

Dear Roy:
Well Betty has a younger sister too, hasn't she?

SKYKOMISH GAME
On Friday night the boys first team went to Skykomish to play. We left the School at 5:30 and arrived at Sky at 7:30.

At the beginning the Duvall boys started with a bang and got a 4 point lead, but this lead was soon cut down by the shooting of Valentine and Gibbons of Skykomish.

Ray Nelson was taken out of the game in the first few minutes with a sprained ankle.

After Duvall's 4 point lead was cut down, Skykomish led the rest of the game and at the final whistle the score was 18 to 37 in favor of Skykomish.

2 lbs. Fresh Ground Hamburger 33¢
Boiling Beef-------------------15¢/lb.
DEBATE
by
Elsie Kain

On January 13, the Debate team of Duvall High School won its first debate. This debate was held at Duvall against Bothell with Duvall on the negative side.

Mildred Doughty and Catherine Ransom made up the negative team for Duvall.

On January 20, the team again set out to conquer, and North Bend was their opposition. With the kind help of Mrs. Jenne, the debaters arrived at North Bend again to win, this time on the affirmative side.

Eileen Nelson and Mary Jane Miller were the affirmative debaters.

The teams have two more debates with the same girls on the negative side, but Elsie Kain will take Eileen Nelson's place on the affirmative side. This is due to the fact that both of the girls are taking debate on the affirmative side, and each must give a debate.

CAMP FIRE NEWS
by
Ruth Marshall

A Camp Fire meeting was held January 10, 1938, in Miss Poyhonen's room. There were several girls who took Wood Gatherer's Rank. The girls who passed are as follows: Clara Povers, Ruth Marshall, Le Verne and Lavae Hobson.

At our last meeting, January 15, we decided to have a hot dog sale, Friday, January 21, 1938.

We are going to get our ceremonial gowns soon.

DUVALL GIRLS vs. SKYKOMISH GIRLS

On the night of January 21st the Duvall girls played the Skykomish girls. After a fast and furious game the Duvall girls came out victorious with a score of 37 to 17. Mae Spoolstra again was high scorer with 28 points to her credit. The rest of the points were made by the other capable forward, Betty Williams. The girls played well, both defensively and offensively.
SEEN OFF AND ON:

Bothell debate timekeeper sitting with Eileen.

Jim playing with paper dolls. And what dolls!

Josephine writing letters. Who is the lucky guy; Jo?

Boys in Botany Class going swimming while looking for specimens.

Eileen flirting with Scott Wallace. Pick on someone your own age.

Jim taking a shower with his tennis shoes on.

Me feeling blue because Ray was absent from school a day last week.

Jewell Pierson and Jim Bow having a swell time after basket-ball game.

Ervin sobbing because of the absence of Norma.

Ray wearing Mae's pin.

Anthony moaning over the lost pin.

Betty feeling low because Roy was absent Friday.

NOISEY REPORTER:

The noisy reporter sees all and hears all.

Two boys were seen by the noisy reporter building fires last week to keep warm. Was it really awfully cold boys? This note was found by the noisy reporter;

Dear Loise,

Will you go to the game with me tonight? I will be up at 7:30.

Love,

Loise.

OH! DOCTOR!

Dear Doctor;

You know, sometimes I think you are crazy and then other times I know it.

James Francis

Dear Jim;

Do you mean it?

GIRLS PLAY BELLEVUE AT DUVALL

On the night of January 11th, the Duvall girls met the Bellevue girls on the home floor.

The girls played a second team game. Duvall had three Bellevue girls on its team due to a lack of Duvall substitutes. This second team game was considered a practice game. They all played very well and the final score was 18 to 22 in favor of Bellevue.

The first team game was very exciting, Bellevue came out on top in the long end with a score of 14 to 24.

The subs used were Ruth Carlson and Elsie Klein.

THE AG. GAME

On the evening of Thursday, January 27, the Monroe Ag boys and the Grange journeyed to Duvall for a basketball game. When the game was over, it was found that the sides were even, with each one a victory and each one a loss.

The Monroe Ag. boys won with a score of 24 to 15, while the Duvall boys came out on top in the Grange game, with a score of 29 to 25.

*****

Be on the lookout for the next big event which will be announced in some future issue.

SKYKOMISH BOYS PLAY AT DUVALL
BY
Alex Stokes

The Skykomish boy's team came to Duvall on Friday, January 21st, and played the Дuvall boys' game of Basketball.

A very fine crowd turned out and was cheering the home team on.

The game was very rough and both teams fought hard. The score was very close in the first half, but in the second half the Skykomish boys pulled ahead to win 23 to 12.

Many of the children in our room have had bad colds. Some were out several days recovering.

We are trying to improve our posture. We play a game that helps correct poor posture.

Some of the second-graders are learning the right foods to choose for proper meals.

3-4

We all received new English copy books yesterday.

Martin has read the most books this year having read twenty-two books. Ellen and Ward are second with thirteen books a piece.

For two Fridays we have been artists drawing and coloring pictures on paper twenty inches long and seventeen inches wide.

Tuesday, Eldridge played "America" on the piano.

We have one of the mats on our looms finished.

The sixteenth was Clifford's birthday.

Our hyacinths are about to blossom. We expect a pink one, a blue one and a white one.

Martin went fishing Wednesday but he said the minnows kept pulling off the bait.

The fifth, sixth, seventh and eighth grades are going to sing for the high-school. They are going to sing "Sing Me A Song", "Slumber", and "Shipbuilding." They are going to sing on Friday, January 21, at one o'clock.

For art the fifth and sixth grades made stick figures. They are very funny. We also made stick figure stories with out words. We made four pictures on each paper.

The fifth grade boys have been playing baseball with the sixth grade boys. Two games were played and the sixth grade boys won both games.

7-8

The junior high school has a basketball which is for their own exclusive use.

The seventh and eighth grade boys are planning to play Woodinville in the near future.

Clyde Kain injured his ankle and is out of school. We hope he will be back soon.

Seen at the game: Duke with his spotlight on the gals.

Two lousy yell-leaders.

EDITORIAL

Most students want to get good grades. At the beginning of this new semester let us consider just how we should go about securing this worthy objective.

Set aside a certain part of the day for studying. If we do not accomplish our tasks in school, take them home and finish them. We can also set aside a certain part of the evening at home to finish our lessons.

Pick a quiet, well ventilated place to study. Before you start studying gather together all the necessary materials. When one keeps getting up and hunting for these materials it disturbs oneself, as well as others. Begin work on time, concentrate and read carefully and thoroughly all your work.

Let's take a few of these hints and try to study a little harder during our new semester.

(Cont. from Page 2, Col 2.)

We had to hold our pencils above our desk until he gave the signal to start. We were given six minutes to finish each test.

Most students found that the test was very easy.

WHAT THE CLASSES ARE DOING

The following is a list of the present class activities.

The Freshman and Sophomore English-Reading short stories, on "Men and Good Will."

Junior English-conversation and letter writing.

French I-completed fifth unit tests.

French III-starting imperfect tense.

Bookkeeping-test on work at the close of the fiscal period.

General Science-starting building construction.

Botany-studying Green Algebra and commercial microscopes.

Freshman Home Ec.-taking cooking.

Advanced Home Ec.-sewing child garments and working on art project.

World History-studying 17th and 19th century period.

Algebra-learning methods of factoring polynomials.

Physics-completing division on sound and reviewing semester work.
The student body of Duvall High School enjoyed listening to Dr. Norcross who spoke on behalf of peace. He is a member of the National Council for Prevention of War.

He told us not to condemn anyone because his particular country was at war.

When the war between the Japanese and Chinese began three Japanese boys were found drowned in a dock in their uniforms. A note was pinned to their shirts saying, "We will not fight the Chinese, because they have never done anything to us and we won't kill them because there is no hate in our hearts toward the Chinese.

Mr. Norcross said that many times war wasn't the fault of the common people it usually was the fault of the governments forcing them to fight.

He also said not to believe all the propaganda one hears in war time.

He told about the untrue stories that were published about the Germans during the World War. He mentioned the ones about the Germans cutting off the hands of the Belgian children and the Germans boiling the bodies of their soldiers to make fertilizer. Investigations were made and these stories were proven untrue.

The reason Mr. Norcross gave for the Japanese starting war with China was that the Japanese do not have room for their people to live and raise crops too, so they started search for more land. They also desire raw materials for their factories.

After Dr. Norcross's speech, the attitudes of many students were changed, and many have a fuller understanding of the economic causes of war.

STUDENTS GIVEN STANDARD TESTS

by Lois Stanfield

The students of Duvall High School are to be given a series of standard tests. They started to take them Monday Jan. 24. These tests are being given to compare our school with other schools and to see how well instructions can be followed.

The tests deal with English and Arithmetic. There are two or three different ones for each subject. Practically all of them had ten questions with a couple of examples at the top of the page.

The tests are in a small book. On the front page is the students name, grade, birthday and classification. Mr. Jenne showed us what we were supposed to do before each test. Cont. on Page 3, Col. 2
"SILENT ARMY"

"Silent Enemy," was a movie given in the gym on Tuesday, February 1, telling about the Indians' chief enemy--hunger. It showed the Indians hunting for food. They failed after awhile to secure food, so they decided to go North where the caribou run. On the trail North, many of the tribe died. The Chief decided to go up to the top of a mountain to pray for food. The Chief became ill from exposure and fasting and died. The medicine man a wicked, sly fellow, persuaded the tribe to offer their prospective leader for a sacrifice to their gods. They started to burn him, but he was saved by a run of caribou.

There was also an entertaining Kut and Jeff comedy. There was a good turn out and about $8.00 was received.

NEW BOOKS FOR HIGH SCHOOL LIBRARY

Have you noticed the gay array of book covers on the Study Hall bulletin board? The questions you probably are asking are: "Where did they come from? What are they about? How many are there, and are they good reading?"

The answers are: "There are sixteen books which were purchased with the fund of our library. The books are very interesting and most enjoyable to read."

Just to give you an idea of what is in some of the books here are a few with the summaries:

You have probably noticed a large blue cover with the words, "The Wonder Book of the Air" printed on it. This book is about airplanes and some great fliers. Many of these men have risked their lives for aviation. We take trips with them and find out how a ship runs, what makes her go, and how they are made.

The book "The Citadel" by A.J. Cronin is about a doctor's struggle to keep honest in his profession. This struggle is the main theme of the book.

Many of you have read a few of the books so why not glance at the bulletin board to find out which one you want to read next.

DEBATE

Duvall won again! Mildred Doughty and Ethelene Ransom put up a very good case for the Kirkland debate team Jim Greedy and Bill Biggs to disprove.

Duvall upheld the negative side, while Kirkland had the affirmative side.

The Duvall debate team has been victorious over Bothel, North Bend and Kirkland. Their last debate was held at Bothell, Feb. 10, with Bothell coming out on top.
S.A.A. MEETING

After the usual business meeting, we were amused by an exaggerated version of the training room on the day the paper comes out.

Miss Terweon and Miss Larson portrayed the roles of the resentful typists who must work overtime figuring out the meaning of people's names. Mr. Roesch filled his customary place of trying to do at least six things at once. Mr. Jenne added to the burden by taking Mr. Roesch's job of beating out rhythm for the typists (and such rhythm it was!) In the end, they all gave up the struggle, tore up the stencils, put their poor spinning heads an inch higher, and walked out.

SCOUTS ATTEND CHURCH

This week was National Scout Week. To especially mark the week the boys from the Monroe district gathered at the Duvall M.E. Church for services.

The speakers included Mr. Thomas Goodwin of England who told about Scouting days in that country. He gave an account of his boyhood experiences in the Second Troop organized in 1908.

The second speaker was Mr. George Tenney, field organizer for the Everett Area Council. He gave a summary of the activities of the Ev-
erett Area Council during anniversary week.

Mr. C.F. Jenne, Monroe District Scout Commissioner, summarized the accomplishments of Scouting in the past year and presented the Scouts who have obtained the various ranks. Among the ranks were one Life Scout and two Eagle Scouts, representing the highest rank in Scouting.

The Reverend J. Pindleton gave a very interesting talk on "Scouting for Character," pointing out many specific acts of courage by Scouts prepared to meet emergency.

ALL BROTHERS

The ground hog is a timid soul. When winter days are chilly, He snoozes snugly in a hole, Which shows he's not so silly. He leaves it when a hint of spring Makes little sparrows twitttery, And if his shadow looms, Poor thing It makes the ground hog jittery.

So scared plumb stiff in every limb Back to his den he hurries, and pulls the hole in after him To calm his fears and worries. We think it queer that he should flee When skies are turning sunny, and yet the things we do-- Are--every bit as funny.

"MUMPS"

The mumps epidemic has come to an end!

After several weeks of absence, Roy Gustafson is back in school. He was the only one who had mumps, but we can't see how others missed getting them from being in such close contact with Roy.

We hope no one else gets the mumps.

The boys in our room are planning a Valentine’s Party for next Monday. This year we made a big valentine box because the one we had last year was too small. We made cut-out dolls to put on our own valentines last Friday.

Our room liked the moving picture show so much we made a story about it. It will be printed and put in our big story book.

Virginia and Carol Jensen have left Duvall to live in Bothell. We are sorry they have gone.

We brought our four week wash up charts back. Everyone so far has a gold star for each week.

We are making Lincoln pictures of black and white paper.

We had a contest to see who could write their name the best. It was so close that we couldn’t decide who had the best writing.

Andrew Z. had the mumps. He was out for two weeks. He is back again.

Betty Larsen, Oliver Power in the sixth grade are on the honor roll. David Juhne, John Rootpinder, Iris H rt, and David Kettle are on the honor roll out of the fifth grade.

We are learning two new songs in Music.

We are making Valentines for school. We are also making up verses.

The boys are going to play the girls in basketball.

We had snow for two days. The boys and girls were having snowball fights.

An unusually large number of students earned positions on the honor roll the second term.

Girls Play Tolt

by

Anna Carlson

Tuesday night ten girls a couple of boys, Miss Larsen, Mr. Reisch, and Dane Thayer journeyed to Tolt to play the Tolt girls a game of basketball.

In spite of the fact that two of the first team players were not playing and we had no substitutes the girls made a good showing.
The line-up for the entire game was as follows:
Forward-Mae Spoelstra
Forward-Betty Williams

Cont. in next col.

LONG ROAD TO INDEX

Friday, Feb. 4, was a busy day for six girls of D.H.S. It seemed impossible to find a way to Index. The girls couldn't ride on the bus. They were disappointed because they were very anxious to see the game. Only one of the girls could drive, and she didn't have a driver's license.

It seems that fate was with them because Mike Clark missed the bus and took all six of them with him.

These Beautiful girls, namely, Betty Williams, Jewell Pierson, Rolanda Williams, Edith Hanson, Eileen Nelson and Mae Spoelstra, yelled the boys on to victory.

DUVALL GIRLS ATTEND DEBATE TOURNAMENT
by
Mary Jane Miller

Friday morning at 7:00 A.M., Mildred Doughy, Mary Jane Miller, Elsie Kain, Catherine Ransom and Eileen Nelson accompanied by Miss Trompen and Mrs. Jennie started for Tacoma, to enter the state-wide debate contest held there.

The girls participated in six debates, five of which the Duvall team lost and one was forfeited to them.

The team came prepared with just one eight minute constructive speech and they thought their downfall had come when it was learned that two eight minute constructive speeches were needed. Miss Trompen came to the rescue and they got through the debate without further delay.

The team didn't go with the idea of winning, but the purpose in mind was to secure practice in debating.

All the debaters enjoyed the banquet and the plays given for their entertainment by the college. When the debaters from Duvall learned that they were not in the finals, they spent an enjoyable afternoon at the Washington State Historical Museum and the radio station K.V.I.

We all greatly appreciated the cooperation of Mrs. Jennie in driving her car to Tacoma for us. If it hadn't been for her kindness we would have found it impossible to attend the tournament.

GIRLS CLUB PARTY

On the night of Feb 14, much noise greeted St. Valentine in the Gym. Soon the talking subsided to be replaced by the noise of running feet in "Flying Dutchman". They settled down to a quiet game of winkwau which sent many hearts aflutter. More games came up when all of a sudden the welcome words of "Come and get it" were heard.

The refreshments were served in the Home Economics room. As soon as the dishes were washed the school became ghostly quiet. Everybody had gone home.

DEMOLAY at DUVALL

The Seattle DeMolay boys came to Duvall on the night of Thursday, Feb. 10, in order to resume last season's basketball conflict.

At the start of the game Duvall pulled into the lead with baskets by Stokes and Bow. The score rapidly mounted as both teams started a high speed offense. However close checking toward the end of the first half kept the score below twenty points.

At half time Duvall lead DeMolay by one point. The score then was DeMolay 17-Duvall 16.

At the start of the second half DeMolay started checking all the way down the floor. With some effective rebound work they were able to score eight points before Duvall made a basket. Duvall seemed to tire under the fast pace set by the DeMolay players. The final score was 39-28.
CAMP FIRE NEWS
by Ruth Marshall

The girls decided at our last meeting on Feb. 15, that Tuesday, Feb. 22, we would hike out to Cherry Creek and cook our dinner.

On February 11, 1938, the girls gave the Boy Scouts a party. Everyone had a good time.

We are all glad to have Margaret Chipman to assist Mrs. Beck in guiding our group. With two such competent leaders we ought to make real progress.

P.T.A.

A group of women interested in forming a Parent-Teachers Association held a meeting on the afternoon of Feb. 17. Forty-five parents were present. The purpose of the meeting was to organize a Duvall P.T.A. unit in order that the school and community might be drawn closer together.

Three officers elected to serve:

President——Mrs. H. Wallace
Vice Pres.—Mrs. T. Roetcisender
Secretary————–Mrs. Clayton
Treasurer——Mrs. Peterson

After the meeting tea was served in the Home Economics room.

DEBATE BANQUET and PLAYS
by Eileen Nelson

Friday evening about six o'clock in Tacoma, the Duvall debaters went to the House of Commons, at the College, for the banquet given to honor those participating in the tournament.

During the banquet the different large schools gave yells. Duvall, not wishing to be left out gave a rousing yell for their school.

After we had finished eating some of the college pupils gave a program, and the high schools all sang songs.

We then went to the College where four one act plays were presented for our benefit, by the college students. They were very good and were enjoyed very much.

TRAVELING MUSEUM
by Margaret Vanhulle

The traveling museum came to the school, Friday the 11th. The museum showed a monkey that looked like a skunk, snakes, a mud turtle, and a mud shark. The Museum also showed a peacock and many other animals.

The grade and high school students found this show very interesting.

LADIES AID AT MRS. HARRY MILLER, THURSDAY MARCH 12
Spring Fever and Studies

"Ah, Spring is in the air again! What a lovely time; I could have been roaming the countryside instead of studying this English! These are probably the thoughts of many students these days.

I noticed a sleepy appearing chum who seemed to be thinking of nothing in particular. The teacher also noticed him and asked him to answer a question on the board. Caught unawares, he jumped and explained, "Steelheads." He then realized his error and admitted he did not know the correct answer.

Poor fellow! We all know how he felt, because at some time or other at this time of the year we have fallen into the same trouble of "Spring Fever."

DUVALL vs. INDEX
Tonight 8:00 P.M.

DEBATE TEAM VISITS MUSEUM

On Saturday, February 12, the debate team wanted to see the big city of Tacoma. Mrs. Jenne suggested that they visit the Washington State Historical Museum. All agreed to this. A whole hour was spent roaming among historical relics. There was a fifty-year-old music box made by hand in Geneva, Switzerland. It played six tunes with a dainty, delicate harmony.

Ezra Hecker's old wagon, boots, and oxen were viewed with interest; but a mummy which was over 1,000 years old took the honors. He had finger nails and toenails. The wrappings were coming off and all we could see was skin and bones.

The hope of every debater is to go again and spend a longer time in the beautiful city of Tacoma.

JOHN DEER'S SHOW

Four shows given by the John Deere Co. were witnessed by the Ag. students. Three of the shows were to demonstrate new John Deere tractors, while the fourth was a humorous picture.

After the shows five prizes were given away to the crowd. Ray Nelson, the lucky boy, won a flash light.
We are studying the music of different countries over the radio broadcast on Thursdays. We know about six different countries now. They are the Scandinavian countries, Spain and Holland.

Sadie DeJong has returned to school after several days absence. The Second Grade boys are having an arithmetic contest with the girls. So far, the boys are ahead.

Our daffodils are out and we're surely enjoying them. There are six more buds. We are still waiting for our pink hyacinth.

Pearl came back to school on Tuesday. We were surely glad to see her. She didn't get the mumps after all.

We're going to make badges for Washington's Birthday. Vera Lane moved down on the river road. She likes to ride on the bus.

We have an exhibit of Washington pictures in our room. Last week we had a Lincoln exhibit.

DUVALL Vs. INDEX

Tonight 8:00 P.M.

The mothers came to school Thursday, Feb. 17. They came to visit the grade school. They visited from 2:00 o'clock to 3:00 o'clock. When it was 3:00 o'clock, they went downstairs for a P.T.A. organizing meeting.

We made some valentines and we made stick figures on the front. We made a verse to put inside.

The teachers are reading a new book to us the "Boy Scouts on the Trail."

We made pictures of Abraham Lincoln. We put a verse under each picture. The verse was, "All that I am, or hope to be I owe to my angel mother."

We have three new pictures in our room. One is a seashore scene. Another is a flower garden. The third is a mother bear and her two cubs.

For art on the 16th we drew reproductions of famous characters from the Comic Sections of different papers. Some of them looked very much like the real McCoy, while others were hard to recognize.

THE DUVALL STATE BANK

Member Federal Deposit Insurance Corporation.

We issue bank drafts payable in all parts of the world. They are convenient to use, and the rates are very reasonable.
The Boy's first team of Duvall journeyed to Seattle the evening of Tuesday, February 14, to see Washington State and Oregon State College play a very fast and exciting game of basketball. The score was; Washington 40, Oregon 30.

ATHLETIC FIELD TO BE IMPROVED

Some day soon the boys are going to get a car with a trailer and haul sand to fill sacks for the baseball diamond. Tennis courts, jumping pit and horse-shoe pits will also be fixed. They are intending to make the old tennis court into a badminton court.

THOUGHTS ON THE BASKETBALL SEASON

Once more our basket-ball season is drawing to a close. Although we usually upheld the small end of the score, we have had the pleasure of playing and have learned to take defeat with a smile.

I think our players should be complimented. Didn't they show good sportsmanship by turning out for this sport? What kind of a team would Duvall have had if this sportsmanship was not shown at all? Also the coaches should be thanked for the patience and consideration they have shown the players.

Thus I believe most of us agree we have had a really successful basket-ball season.

DUVALL VS. TOLT
Seen off and on:

Margaret VanHolle and Virginia Close falling for the busdrivers.

Ruth Marshall receiving letters from her unknown sweetheart. (Who is he Ruth?)

Roy and Ray not dreaming. (Your missing something, boys!)

A boogie man chasing Ruth Marshall to school the night of the party.

Miss Trompon winking at the boys the night of the party.

Mildred and Betty dropping Home Ec. (What’s the matter girls can’t you stand your own cooking?)

Lois making the cake for the Basket-ball Banquet. (I hope it doesn’t make anyone sick!)

Eileen sewing for her “hope-chest.”

Catherine losing her voice.

Jewell and Eileen becoming good friends.

A new senior. One of the good old gang is back.

Jewell acting as Hans’ honey to aid him in retrieving his ring from Bessie.

---

NOSEY REPORTER

What is this we hear about Gus, Ray and Eileen becoming cousins? We always wondered why they acted as they do? We are now beginning to see light.

Have you noticed a certain freshman girl and the Cherry Garden Bus Driver? The Nosey Reporter has.

So Hans has still got that old fondness for Kate in his heart. We see he escorted her to the DeMolay Game at Seattle.

Elsie must have lost her stuff. Because it appears that Duke is very much interested in another certain girl. Tough luck, Elsie.

SCHOOL ELECTION

The annual school election for Duvall District #14 comes Saturday, March 5. Polls will be open from 1 p.m. to 5 p.m. One Board member will be elected for a 3 year term, and a 5 mill special levy will be voted upon.

The levy is necessary because of the decrease in valuation this year from $63,000 to $713,131.

The services of the school have been continually expanding for many years. Transcription of pupils has been extended, new departments of instruction added and health and sanitation promoted. If the levy carries, none of these services will be curtailed.

JUNIOR-SENIOR-PLAY CAST

"Second Story Peggy" by thergeen K venaugh is the play which has been chosen by the Juniors and Seniors for their annual stage production. The exact date on which the play is to be given is, as yet, undecided. Present plans call for the production around the first of April.

Johnny Brown is to be student director. Ed Carlson and Eric Carlson are stage managers.

The cast is as follows:

Mrs. Dalrymple--------Joyce Ellsworth
Billy D. rand--------Hans Homann
Daisy-----------------Jewell Pierson
Murphy-----------------Wayne Miller
Helen Renderson-------Anna Carlson
Kenneth Sterling-------Frank VanHulle
Peggy----------------Mildred Doughty
Dexter----------------Jim Bow

SCHOOL ELECTION

At the election held last Saturday, Mr. J. own was reelected to the Board for a 3 year term. It was felt that his active and faithful service that past 3 years justified his return. The defeated candidate, Mr. Kelly, polled a good vote, and is to be commended for his interest in this worthy field of unpaid public service.

The $2 mill levy carried, and the people of this district are to be praised for their support of any proposition within reasonable ability to pay; conducive to better educational opportunity of our boys and girls.
FRESHMAN ENTERTAINMENT
by Edith Hanson

The Freshman entertained the student body last Friday afternoon. Everyone enjoyed the entertainment.

The outstanding performance was a Misset Dance, followed by three little songs. The dancers were Mary Jane Miller, Elsie Kain, and Josephine Hart. They were dressed in attractive little costumes.

There was also a paper sack contest and a prize given to the one who could draw the most pleasant face on the paper sack. Charles Scott was the lucky boy to whom the prize was given. The prize was a beautiful ever-sharp.

Alex Stokes entered another contest and for allowing Antony to smudge his face with black, received a looking glass. Edith Wilson is now in possession of the looking glass.

CAMPFIRE NEWS

On Washington's birthday the campfire girls accompanied by Margaret Chipman and Miss Patterson hiked out to Cherry Creek. Fires were built under poor conditions as it rained. The menu consisted of "angels on horseback" and roasted weiners. On the way back, by the kind permission of Mr. Walker, we were allowed to play in the Barn.

MUMPS

Four new cases of "Mumps" were reported over the weekend. The School and the Health Dept. request the cooperation of homes in isolation and reporting of all cases, and strict observance of regulations. Quarantine period is from 16-21 days, and 1 week after all swelling has disappeared. Well children in the household may attend school first 12 days of incubation period. Children who have had mumps may attend school regularly.

DIPHTHERIA

School and Pre-school children and adults will have an opportunity to obtain immunization at the hands of Dr. Hart from the C. Health Dept. on M.r. 24 at 9 A.M. All who are not already immunized are urged to avail themselves of this opportunity at no cost of money or pain.

CLEAN-UP DAY, MAR. 19

Is your refuse ready to be picked up by the town truck on Saturday, M.r. 19th? Will you help to make your part of the town more pleasant and beautiful?

Basketball Conversation before the Index Game

"Ha, ha, Stokes you and Roy, aren't going to be able to shoot in the game with Index," shouted Ray.

"If I can't shoot I won't play," replied Alex with a whine in his voice.

Roy laughingly added, "That would be mean of Coach not to let Stokes and me shoot. He would be a monkey, because they are crazy people."

Alex, sadly remarked to Bow, "Let's go ask Coach."

"Hilar, Coach! Aren't Stokes and Roy going to be able to make any baskets against Index tonight?" Jim asked.

"Well, how should I know?" replied the Coach.

Roy, beginning to get tears in his eyes, explained that he could make all the points tonight.

"That's tough, Gus! You don't need to cry about it," added Stokes.

"Ha, ha, I didn't say that you couldn't play. Now go back and dry your tears Alex and we'll let you shoot tonight," laughingly replied the Coach. Then for the first time that morning Alex was able to force out a smile,
GRAGE NEWS

1-2

There are two new pupils in our room. Diane Lundbom is in the second grade and Hans Vodier is in the first grade. Diane came all the way from Minnesota.

We have learned a new song, called "The River".

Last week we cut out red tulips in our art period.

3-4

Our pink hyacinth turned out to be the prettiest.

The Fourth grade won the spelling contest. The third grade is to give them a treat. We are starting a new one.

All but one of our seven daffodils are in bloom.

We learned a new song called "Pussy Willows."

Some of Miss Wilson's children sang for us Thursday. We're singing for them Friday.

We're trying hard to have the right slant in our writing.

We are going to paint for art this week.

GRAGE DANCE

DUVALL STUDENTS SEE LOVIE

Tuesday, March 15th, the students saw a movie dealing with international trucks. It illustrated how the different parts were manufactured.

The second feature was taken by one of Mr. Burt's agriculture classes. The city of Duvall appeared on the screen for a few moments, Myers Cafe and Anderson's garage was recognized.

Parts of Coulee Dam were shown and much of "ah-ing" and ph-ing was heard when a part of a
The Nosey Reporter grows nosier. The following note was found by the Nosey Reporter the morning of Feb. 28. (Lyle was home with the mumps at the time.)

Dearest Betty,

Sorry not to have written sooner but there doesn't seem to be anything to say.

If you win the basketball game tonight and wish I could be there so I could yell.

Love,

Lyle.

Said off and on:

Rolanda having an eighth grade admirer.

Chickens in the Home Ec. room.

Miss Trompen chewing big, black coughdrops and sniffing in a big handkerchief. (Too bad, Miss Trompen! You're not the only one.)

World History class meeting off and on in the English room because chocolate cake smells "too" good.

Ervin Stokes and Anthony Vanhullie getting candy from the eighth grade girls.

Margaret and Virginia turning into old maid gossips.

Rolly trying to beat Betty's time. (How about that Betty?)

Roy writing Snipe a letter telling her about the note she wrote to Ocky.

Boys taking their Spring Vacation lying in the ferns.

***

EMPLOYER. (To applicant) "Where did you work last?"

PADDY. "I worked for Smith and Jones."

EMPLOYER: "Why did you leave them?"

PADDY: "Sure, ma! I couldn't stand them fightin', so I just couldn't."

EMPLOYER: "What? Do you mean to say that Smith and Jones don't get along well together?"

PADDY: "They were always fightin'!"

EMPLOYER: "That certainly surprises me. What do they quarrel about?"

PADDY: "Well, half the time Smith fought wid me, an' the other half o' the time Jones fought wid me. I just couldn't stand it an' I quit."

NEXT 6G JUL 11

IN 33-52 LOR PIANO
JUNIOR-SENIOR PLAY

Come all you who are faithful to
good old Duwell High and witness the
hit production of the season, "Second-
Story Peggy" To be given by the Junior
and Senior classes at eight o'clock,
Friday, April 1.

This play has delightful characters
such as, Mrs. Delaney, a sweet talk-
ative woman over 40, played by Joyce
Ellsworth.

Next we have Billy Durand played by
Hans Homann, a good looking young man
of 24, and opposite him Peggy, played
by Mildred Doughty, a pretty girl of 16.

The comedy part is portrayed by two
policemen, Jim Bow as Dexter and Wayne
Miller as Murphy, the sweetie of Daisy,
the stupid Swedish maid, who turns out
to be pretty smart. She is portrayed
by Jewell Pierson.

A picture of the "idol" rich is added
by Helen Henderson, a good-looking, sociali-
ate portrayed by Jenny Brown. Kenneth
Sterling, her fiance, a well-dressed
sophisticated man of about 30, is played
by Frank Venhulle.

The play is a comedy in three acts, in
which there are several touching love
scenes and several grudings by Detective
Dexter.

So all you want a real evening's en-
tertainment, come to the Duwell Gym,
Friday night, April 1, 1938 at 8:00 P.M...
MOTHER-DAUGHTER BANQUET

Tuesday, March twenty-second, a general get-together of the mothers and daughters of the High School was held in the banquet room.

The menu consisted of chicken a la king, (in patty shells), mashed potatoes, buttered peas, perfection salad, muffins, jams, butterscotch pudding, cookies, coffee and milk.

The program was begun with everyone singing "We're Here for Fun" and "Here's My Hand." A "Welcome to Mothers" was given by Elsie Rain and a response to the welcome by Mrs. Miller.

Jane Brown gave a review of the Girls' Club Activities. Eileen Nelson followed with the athletics "version" of the Girls' Club. Mrs. Gainor amused us with "A Frenchman's Version of The Spy" and the Fly. Miss Trenholm then presented the award letters to the girls on the debate team. Kathryn Scoulstra sang a solo "Mother Mine" followed by "Row, Row, Row Your Boat" sung by everyone. Arnold, more entertaining than ever, amused us with "Sorrow of a Cotton Heart" with the aid of Miss Thompson. The banquet was brought to a close with "Till We Meet Again" sung by all those present, including the cooks.

DON'T FORGET JUNIOR-SENIOR PLAY APRIL 1.

CAMP FIRE NEWS

The Camp Fire Girls are going to Grand Council March 19, 1938.

Last Tuesday Mrs. 3 oh gave membership to all the members to remember her by. Betty Jennet won a leather photograph album for attending all the meetings and attending the most. Wednesday we planted a shrub called Scotch Heather. It was for the Birthday dinner. It is a very pretty example of imported Scotch Heather.

TYPING

Due to the changes adopted by the National Association for the purpose of making speed tests more practical, this year's "run" of beginning tutors have not, as yet, attained the level of their 1936-1937 predecessor.

In the English "run" this year the following students have achieved good results:

Jewell Pearson 45
Joy Brown 38
Hildred DuHait 34
Catherine Rain 32
Eileen Nelson 32

All students (eleven in number) are required to gain and to retain a speed of 30 words per minute by the end of the school year.
The Students of Duvall High have long been interested in a stupendous race. Breathless silence hung over the school and gym the night of March 2, when Duvall played Redmond. Was it to be Jim or was it to be Stokes? The high point in the end of the basketball season is to be the winner. Jim Bow was short then, but the winner will be decided when Duvall plays Monroe.

Let's take a look at Jim and some of his cronies in Study Hall.

"Gee, if I don't win that race, I sure can't race you guys again."

"Aw, heck, you get it cinched, Jim."

"Well, I don't know. You see, Stokes is pretty good, and with me giving him the tip off, he'll make the first 5 shot."

While with Stokes' friends and sympathizers, Stokes starts the chorus then by mentioning the fact that he likes vanilla ice cream. Another chimp adds, "I'll feed the ball to you, for half of that ice cream."

After which Alex says, "He thanks, you see I want to do this honestly."

The outcome of this race is a matter of import needs Mr. Restack, our 9th and 10th, promises the winner a quart of ice cream. Who will win?

**Editorial**

Were it not for activities other than classes, school would be nearly as it is sometimes thought to be. The number and success of activities is determined solely by the students. The student who is benefited most and receives the most pleasure from these activities is the individual who is willing to work for the greater accomplishment of the group.

Because of a slight personal sacrifice on the part of five girls on the school debate team this year these girls were rewarded by receiving practical experience which will be beneficial in later life.

Other activities may be just as successful if each participating student puts forth an effort.

Most of the children who have been out with the mumps have returned to school.

We have a jar of poly-worss to watch. We hope some of them will turn into frogs. Several children have found trillums in the woods.

Delores Clayton has moved back to Portland. We are sorry to lose one of our first-graders.

Three people in our room now have book books of their own.

3-4

We made a border for our room. The background is black. On it we have pasted different colored paper tulips and butterflies.

Last Friday we painted castles with big yellow moons behind them.

We made up a song called "Spring." Each of us made up one measure and we all planned the words. We're going to sing it for Mr. Jenne.

Eldridge moved away and we miss him.

We have poly-worss in our room.

We are anxious to see our report cards which come out next Wednesday.

"What's the most you every got out of your car?"

"Six times in half a mile."

Their are three pupils out now in our room that have the mumps. One came back today.

Betty Larsen is back to school now. She is all over the mumps and just as jolly as ever.

Bernice is coming to school, if the nurse says she can. She has written some interesting letters to the fifth graders.

The fifth and sixth graders drew birds for art. They drew tigers, sparrows, mocking birds, cardinals, finches, cuckoos, buntings and flycatchers.

The fifth and sixth graders have three jars of frogs eggs.

One jar has hatched out poly-worss.

7-8

We have lost several students from our room. Geraldine and Hazel Spalding moved recently.

Hildred Spalding is returning to Pulling, Evelyn Cable is going to Ellensburg and June Anderson is returning with her parents to Montana. Her sister Lenore however, is remaining here. This reduces our enrollment to 30.

Teacher. "What does a busy bee teach us?"

Boy. "To be industrious and not get stung."

Jewell joining the F. F. A. Oh well--it's a cute pin!

Ed chiseling on Roy. Those boys are ambitious--Spoolstres live a long way out.

Hans emphatically telling Miss Trompen how to spell "ed".

SECRET ABBREVIATIONS:

Hans: To yell in a public library.

Catherine: To become a good quack.

Betty: To have an accent like Gerbo (look out Roy).

Edith: To weigh 250 pounds.

Ruth M.: To be an opera singer.

Charles: To have a 1936 Chrysler.

Jewell: To keep a certain former out after 2:00 a.m.

Doughty: To be a high-point forward

Adolph: To be a midget in a side-show.

Ruth C.: To have strawberry shortcake every meal.

Stokes: To be a Loesty Owl.

Jim: To live where there are no telephones.

Miss Trompen: To be Arnold's leading lady.

Virginia: To be a fan-dancer

Mr. Roesch: To spend a week in Topeka, Kansas.

Mary Jane: To trip aoker-faced undertaker.

Rolanda: To live on 40¢ a week.

Eric: To find just one guy that wouldn't sell for fun.

Flinksy: To be World's Heavy-weight Champion.

Joyce: To commit suicide to see what it feels like.

Mr. Jenne: To catch the biggest fish in Puget Sound.

Roy: To take an Eighth Graders in pairs.

Roy: Isn't got any.

Bessie: To be a nurse.

Beckie: To be an artist or a tap-dancer.
SEATTLE TOURNAMENT

After basketball season, Duvall received an invitation from the Y. M.C.A. to attend their Senior High School Tournament, in Seattle, on March 10, 11, and 12. Most schools in King County and surrounding territory with a total enrollment of less than 200 students were invited.

Duvall entered the first day of the tournament playing against Wash. on. Being outclassed in size and with young Stokes having a very bad day, the Duvall quintet came out on the short end of a 50-16 score.

Duvall's next opponent was the Seattle Pacific College freshmen. Duvall got off to a slow start, and at half time was trailing 17-5. But in the second half they really went to town. Basket after basket was put in till the game ended with the score 23-20 in favor of the Seattle Pacific College freshmen.

The scorer refused to count one of Mike Clark's baskets, much to his consternation.

The crowd on the whole was very kind. They cheered Duvall continuously, and after the game complimented the boys on their excellent display of sportsmanship.

Don't forget
Junior-Senior Play
April 1st

B.S.E.H. BANQUET

On the night of March 3, in the banquet room at 8:30 o'clock, a Basketball Banquet was held. The objective was to give the awards to the first two boys and the first two girls. This banquet officially closed the basketball season.

Girls who received awards were:
Ellen Nelson, Captain
Mae Suckstra
Betty Williams
Jewell Hokenson
Anna Carlson
Catherine Hansen
Ellen Nelson could not attend the banquet because of mumps.

Boys who received awards were:
Alex Stokes, Captain
Roy Duncan
Jim Bow
Roy Gustafson
Mike Clark
Lyle McCull

The program included the group singing such songs as "Our Team Will Shine Tonight," and "Team Perfection," Jewell Hokenson sang solo, "You're a Sweetheart," and Catherine Hansen gave a recitation, "Dearest Friend." Miss Larsen sang solo, "A Heart Full of Love."

The banquet was climaxed by Miss Larson of Mr. Hensack presenting the awards to the teams.
INDUSTRIAL TRIP

On Wednesday March 30, the Duvall High School, accompanied by the Seventh and Eighth Grades went on an excursion to Seattle. Both the buses were taken.

Our first stop was at the Washington Glass Cutting Co. We watched the men make designs on the glass with miniature grindstones. From there we went to the Washington Furniture Manufacturing Co. We observed furniture of all kinds in all stages of construction. Next we visited the Isaacson Iron Works. Here we saw how iron ingots are heated and pressed into desired shapes.

After our lunch, the boys visited the S. S. Alaska, while the girls went to the Cooking School at the Music Hall Theater. We arrived home at 3:30.

JUNIOR-SENIOR PLAY

In spite of mumps the play "Second-Story Peggy" was given on April 1. Our burly policeman stuck his billy-club through the door, and the detective turned roaster and crowed. The best comedian of all was Frank Vanhulle; he did nothing but walk through the doorway, and he got a laugh. His black mustache was really quite becoming with his blonde hair.

Due to the mumps epidemic a smaller crowd than usual attended. The gross receipts amounted to $25.55.

ACTIVITY IN HOME-ECONOMICS CLASSES

At the end of the school year there will have been five banquets served in the high school banquet room. Two banquets have already been given, one for the basketball teams and the other a Mother and Daughter Banquet. The three to follow are a Father and Son Banquet, a dinner for faculty, board members, and their wives, and the traditional Junior-Senior Banquet.

The responsibility of preparing and serving the food rests with the Home Economics department, under the supervision of Miss Larsen. Along with routine textbook study it has been necessary for the cooking classes to practice each dish to be served at the large dinners. Careful preparation and much practice has made for excellently cooked food; besides the girls are receiving fine experience along practical lines.
The next dramatic production is to be "Aunt Cindy Cleans Up" presented by the students of Duvall High School. The play is scheduled for about the middle of May.

The cast includes the following students:

Claire Harlow--Elsie Kain
Kester Hart--Mildred Doughty
Biff Budkins--Jim Bow
Lotus Clayton--Bessie Trim
Sabine Clayton--Joyce Ellsworth
Aunt Cindy Timkins--Catherine Ransom
Colby Magnet--Roger Duncan
Mrs. Jennie Druson--Jenny Brown
Marcella Drewson--Mary Jane Miller
Parker Tubbs--Wynell Miller
Ripley Harlow--Frank Vanhulle

MUMPS

There has been a number of new cases of the mumps. You old mumps have been having a swelling time lately. The following students are the unfortunate ones who suffer from large heads! Ruth Carlson, Eric Carlson, Ruth Marshall, Mary Jane Miller, and Edith Ransom.

Eric seems to be turning out to be a cook from the latest news dispatches. He has made large quantities of muffins. Tsk Tsk such a way to spend ones' spring vacation!

INOCULATION

On Monday, the 28th, the students of the Duvall Grade School and High School were inoculated for diphtheria.

The service is given free by the County Health Department to all students who wish to take advantage of the opportunity.

The inoculation doesn't have as bad an effect as vaccination. There were 40 children that took advantage of this free offer.

Scientific investigation has shown that there have been no fatal cases of diphtheria among those inoculated.

MODEL HOME

"Gee, that's a cute little house! What is it a barn?" Those are the immortal words spoken by Joyce Ellsworth about a model home used in the Junior-Senior play.

The house was put together by many laborers.

Eric Carlson built the frame of the house from a cardboard box.

Hans Herrmann added his bit by putting the gable and porch on.

Miss Trompen put the fence around the porch.

Frank Vanhulle supplied the chimney.

Jewell Pierson, with a very little help from Mildred Doughty painted the house.

EDITORIAL

by

Jenny Brown

"Who didn't have a good time on our Industrial trip? No one!"

Everyone knows there are different ways to secure knowledge. The three most important ways are:
books, experience, andobservation.

One field trip equals a day in school. We see what we have read about before and are better able to understand the knowledge we have acquired beforehand.

It is nice to know how the everyday necessities and our luxuries are made. One important thing we learned was the manner in which manufacturing by piece work is carried out. We saw how each one completes his little part in the making of a product, and thus how each one fills his little niche in the world.

(Con't in next column)
GRADE SCHOOL NEWS

1-2

Almost every one in our room now has a kite to fly. Bill made frames for us and we covered them and put on the tails ourselves. Then we made up a story about it and drew pictures.

Since Easter is so close we have begun to make Easter pictures. We made a long row of brown bunnies with pink ears.

Jimmy Rootiscroeder is our librarian this week and Eugene Powers is the paper monitor.

3-4

Everyone's wheat is growing now. Lois Miller's came up first. It is very interesting to watch it grow.

For art last Friday we made pictures of bunnies. Vera Lane and June Brown are still absent with mumps.

The fourth grade has new readers and the third will have new ones, too, on Tuesday.

We had fun playing jokes on one another April Fool's Day.

The third grade is ahead in the spelling contest.

ALL SCHOOL PLAY
FRIDAY, MAY 13.

5-6

The pupils on the honor roll in the fifth and sixth grade room are as follows:

Sixth Grade
- Bette Larsen
- Fifth Grade
- David Jemne
- Shirley Gockerell
- Bernice Vanhulle
- Iris Hart
- Betty Bennett
- David Knittle

Botty Bonnot and Oliver Powers are out with the mumps.

We have two new girls in our room. Their names are Arlene Riley and Shirley Johansen.

7-8

The Honor Roll for the last period included:

Seventh Grade:
1. Scott Wallace
2. Kenneth Bennett

Eighth Grade
Elbridge Gockerell and Noah Brown tied for first place.

2. Clara Powers
3. Daisy Frankie
4. Bill Ransom
5. Maxine Close

We welcome Dorothy Riley, who came from Sultan, to our eighth grade. Charles Vodder has moved to Woodinville.

THE DUVALL STATE BANK

Member Federal Deposit Insurance Corporation.

We issue bank drafts payable in all parts of the world. They are convenient to use, and the rates are very reasonable.
MONROE VS. DUVALL

On Tuesday March 29, the Duvall boys journeyed to the Monroe gym, only to go down to defeat. In the first team game the score was 54 to 21, while in the second-team game it was 50 to 10.

The Monroe rooters were entertained by an acrobatic feat accomplished by a Duvall girl in a successful attempt to recover her sweater from the gymnasium floor. The grand stand is five feet from the floor.

BASEBALL DIAMOND REPAIRED

The baseball diamond under went a general repair Thursday afternoon.

Mike Clark, with the help of Roy Gustafson, Ray Nelson, Roger Duncan, Ed McMahon and Fran Van Hulme, hauled gravel and gave the diamond a good coat.

Mr. Roesch came over Saturday and finished the job by fixing three seams for the bases. He also cut the grass on the infield.

(Con't. from page 3 col.2)

- Why when he sees what I do in the Monroe game he will be ready to thumb a ride on the hobby horses backwards. That guy should have turned out for dominos in the first place."

--After all this cackling they both tied. My, oh, my!

BASEBALL SEASON

The baseball season will open as soon as the weather permits. Duvall intends to play Tolt, Fall City, Redmond, Index, and other towns in the vicinity.

The coach will schedule games by telephone so they will not have to be postponed due to bad weather.

VOLLEY BALL TOURNAMENT

This tournament is organized for the purpose of providing a rainy-weather pastime. The tournament includes the boys and girls of the high school, and the boys and girls of the 7th and 8th grades. The tournament is arranged so that it enables the high school girls to earn points toward their Girl's Club Pins. When 500 points have been earned, the girls are entitled to this pin.

In fair weather, everyone plays outside, but on rainy days nearly everyone wishes for something to do. This tournament is under the supervision of Miss Larsen.

****

"Could I ask you something?"
"Sure, und if I don't know I will misinform you."
"Why do dey put so many holes in der limburger cheese?"
"Dot's to let der smell out."
SEEN OFF AND ON

Betty and Lyle on the back end of Scott's Ford. Wasn't it a trifle chilly?

Mildred enthused about the volleyball tournament while Anna remarks casually: "Why can't we play basketball?"

Jim bidding his Brutus an affectionate good-bye.

Jim, Joker, and Wayne being enticed by a pretty waitress to drink half a dozen milk-shakes.

A number of girls with their noses in notes. I wonder who they were from?

Wayne trying to bribe the typists.

Mildred liking volleyball because she's on the first team.

All the boys looking out of the window at Garbo. (?)

Jim running after a cat in Seattle and finding a mess of kittens.

Everybody picking up souvenirs on the Industrial trip.

NOSEY REPORTER

Several boys have been talking about joining the Navy. I wonder if they overheard Mac say she was going to marry a sailor.

Can you imagine Eileen and Mac living alone 100 miles from nowhere? The Nosey Reporter can't either. But they say they are.

Betty's memory must be getting worse everyday. On a request to introduce her friend in English class, Betty had forgotten the girls' name.

The Nosey Reporter has been wondering how Ray tells one Hobson from the other. You had better watch them Ray, they are tricky!

OH! DOCTOR!

Dear Doctor;
How can I prevent those Juniors from printing my personal affairs in the Hi Times? Betty W.

Dear Betty;
Don't lose the notes which you receive from your boyfriends. Watch those butterfingers!
D. Doctor

AUNT CINDY CLEANS UP
by
Bessie Trim

On Friday, May 13, the Duvall School will present one of the most hilarious, rip-roaringest farces ever written. Aunt Cindy, an eccentric old maid who detests men, is played by Catherine Ransom. No one could do better.

Elsie Kain portrays excellently, the part of Claire Harlow, a young girl who longs for romance. Lotus Clayton, Claire's chum that "Doesn't Like Men" is played by Bessie Trim.

Mildred Doughty as a young country girl, Hester Hart, and Jim Bow as her typical smalltown Romeo, Biff Budkins, are more comical that ever.

Roger Duncan acts the part of Colby Magnet, a young man in love, as no one else could.

Mrs. Dawson, a woman that has her nose in everyone's business, is portrayed by Jenny Brown.

You will get many laughs from Mary Jane Miller's "You said a mouthful." She is the young daughter of Mrs. Dawson.

Wayne Miller does nicely with the part of Parker Tubbs (Tubbsey), a washing machine salesman.

Once again we have Frank Vanhulle as the non-pecked husband, Ripley Harlow. His wife is played by Joyce Ellsworth, who is Sabine Clayton. Many exciting and humorous incidents are woven into this exciting play.

You will explode when you see Biff Budkins eat a bar of soap and foam at the mouth.

There is never a dull second when "Aunt Cindy Cleans Up."

EXHIBIT

The annual school exhibit will be held on Friday, May 6, 1938, at 7:30 P.M.

There will be a one act Fashion show presented in the gym, by the Freshman and advanced Home Economics classes.

Following the Fashion show Elsie Kain will sing "Slumber Song" accompanied by the Glee Club, followed with "Where did you get that Hat?" sung by the Glee Club. Catherine Ransom is going to sing "Estrellita."

The Glee Club will end their performance by singing "Largo" from Opera Xerxes.

The grade school will present "LazyTown," an operetta. The characters are as follows: Muna-Clara Roetcisoender; Mamma-Jean Lyon; June-June Brown; Snitzey-Donelda Owens; Baby Doll-; Witch-Iris Hart; Peter-Elbridge Gockrell; Slim-Gordon Sinn; Patch-Clarence Zylstra; Tubby-Bill Ransom; Lotchin-Daisy Franky; Gretchin- Betty Larson; Tina-Virginia Gockrell; Lena-Clara Powers; Nollie-Miller Bros.; Papa-Noch Brown.

(Please turn to page 2, column 1)
EXHIBIT
(Con't. from page 1)

After the operetta the class work will be on display in the school building. You will find in the first and second grade rooms art work for the year and stories the youngsters made up about their activities.

The third and fourth grades will show you sand tables, pine cones, pictures, and weaving. On to the fifth and sixth grades, and you will see art work, maps, constructions, and a file showing the year's work of each child. We are sure you will be glad to see what the seventh and eighth graders have been doing the past year.

Come up one flight of stairs to see an excellent display of their daily work.

In the high school Home Economics room, you will find laboratory experiments, and see what the World History class has been doing.

The Freshman Home Economics class will show you some individual projects. The advanced Home Economics class will make a comparison of home-made and store cakes.

The Girls' High School health class will let you have a look at their individual projects.

In the shop, you will see a number of wood-working processes demonstrated. (Con't. in next col.)

SPRING FEVER

Spring is here! That season just after the winter months is indeed hard to take. This is well shown by some of the students of Duvall High. It makes one lazy. Can this queer malady be licked? Of course it can! Just think of the grades on exam day. That is enough to cure anybody. If this fails, try taking up some sport. Exercise invigorates one as sulphur and molasses did our parents and grandparents. Both your body and spirit will feel better. Try it. Those marks in the old grade book will start coming up. End this school year with good grades. It will give both you and your parents a feeling of satisfaction.

BASEBALL GAME

On Thursday afternoon at 1:30 p.m. 11 boys left Duvall for Fall City to play Baseball. Fall City had different rules that we were playing so we, like little gentlemen, played their rules.

In the first game Duncan made our one and only run. The score at the close of the game was 4 to 1.

In our second game we did a little better. Gustafson scored twice while Miller and Bow each had a run to their credit. The score of this game was 4 to 3 in Duvall's favor.

After the game Wayne suggested, among other things, that the Fall City High School boys fill in the ditch that crossed the outfield. Duncan's only suggestion was to the coach.

"Coach," he said, "why don't we fill Wayne's pockets with gravel and put him in the ditch?

BOY SCOUTS

On Friday, April 15, a group of Boy Scouts consisting of Alex Stokes, Elbridge Gockerell, Bill Ransom, Bill Hynes, Gordon Sinn and Charles Scott accompanied by Mr. Jann, went into the Y.M.C.A. in Everett to pass their First Class swimming requirement. We are pleased to say that everyone passed.

Cigarettes

Tobaccos at

BILL SINN'S
Several children in our room went to see the picture Snow White. Then everyone wanted to play the story. We are collecting all the pictures we can find about the story.

Dick and Elbridge Walker brought some Easter eggs to school with Happy Easter in two different languages written on them.

Jimmy Roetsisoender and Sanford Chapman came through the floods in a wagon in order not to spoil their perfect attendance records.

Our room made a jungle sand table. We are also making a Dutch village. They are for the exhibit on May the 6th.

Clifford and Richard Dixon were the only two children in the third grade who were able to come to school on Monday. The flood kept the rest at home.

Maris Gaffney of Tacoma visited us on Monday. She is in the fourth grade.

We each received a big Easter egg Friday. We received them for being able to write a certain number of words from the word Easter.

There are seven children from our room that are absent. We all hope they return soon. They are absent on account of the flood.

Our proverb this week was "True courage is cool and calm" by Shaftsbury.

The fifth and sixth grade made rabbits for art. The rabbits have flown off their heads. They each have a cane in their hands with some bushes under them.

The sixth grade boys are making a large map of the United States.

No News This Week.

MUMPS

Miss Trompen came down with the mumps about a week ago, when we began to think the mump epidemic had come to an end.

In the absence of Miss Trompen, Mrs. Judd, of Seattle, has efficiently carried on.

We all expect Miss Trompen back next Wednesday.

DON'T FORGET ALL SCHOOL PLAY

FRIDAY, MAY 13, AT 8:00 P.M.
BASEBALL NEWS

Last week the boys started playing baseball with turnouts on Monday and Wednesday. Those on the first team are: Roger Duncan, Roy Gustafson, Jim Bow, Alex Stokes, Ray Nelson, Frank Van Hulle, Wayne Miller, Eric Carlson, and Junior Holcomb.

We played 2 games Friday with Fall City. As the result of this game, the batting averages are as follows:

- Duncan----000
- Gustafson-000
- Bow--------000
- Clark-----000
- Stokes----250
- Nelson----000
- Vanhulle---000
- Miller-----250
- Holcomb----250
- McMahon----000
- Carlson----000

PING PONG

The boys are holding a ping pong tournament. The tournament is to be played in seventh periods every Tuesday and Thursdays.

There have been two matches played thus far. The first match between Abel Ludler and Charles Scott was won by Charles Scott. In the next set Junior Holcomb defeated Ervin Stokes.

The rest of the tournament will be played soon.

***

CHERRY VALLEY GRANGE

Meets 1st and 3rd Wednesdays of each month.

VOLLEYBALL

On Monday, April 11, the boys played the girls a fast game of volleyball.

Everything started well! Then Mr. Roesch came up to serve. His accurate placements resulted in the boys winning the first game.

In the second game the girls served first (but to no avail). The boys chuckled and served. The members of the girls' team began wishing for wristbands. After a whirlwind of serves, the girls were again left far behind.

The teams again changed sides. Heated fire came from both sides, but in no time at all the boys had gained 15 points.

Girls, after losing three games in succession to the boys' team you may be sure that the boys feel proud of themselves. Next time let's show the boys what a real game volleyball IS!

ADDING MACHINE DIFFICULTIES

Your reporter interviews Miss Elsie Kein before Bookkeeping class in regard to reported trouble with the new electric calculator:

Miss Kein: Well, it was like this. I sat for fifteen minutes punching the keys of the calculator trying to add a simple column of figures. I must have added it a million times and every time it came out wrong.

Reporter: Are you sure it was the calculator?

Miss Kein: Oh, don't be so silly, of course it was. Mr. Roesch then examined the machine, and found, to his amazement, that the machine would not register the sum of 490.

Reporter: What is going to be done about all this?

Miss Kein: Naturally the machine will be either replaced or repaired. And while that is being done, the bookkeeping class will have to fall back to caveman days and use mental gymnastics to add columns as long as Adolph's arm. But who cares about an old adding machine anyway—I can tell you something much more interesting.

Did you hear the news about Mildred and—(At this point your reporter made a hasty retreat for the exit. When there is work to be done it has to be done. Your reporter is only interested in facts. He does not collect gossip.)

SEEN OFF AND ON

Anthony wishing for a new pair of legs Friday at the Fair. That's too bad, Anthony—now if you can't walk you should crawl.

Mr. Jenne teaching the History Class how to read.

Ray hunting deer (or deer). He says blondes are preferred.

Mike picking on triplets down at the Portland Fair.

CHANGES IN THE GYM

Much to the delight of the participants of gym sports, it has been discovered that the floor of the gymnasium has been ruled for deck tennis, volleyball, tennis, and badminton.

Although deck tennis and badminton are just being introduced to this school, it is almost certain that they will be met with approval.

During the summer Bill McCormick reset the ceiling lights. This makes the floor much lighter, particularly near the baskets, and improves the general appearance of the gymnasium.

GIRLS BASEBALL

The girls have been meeting out on the ball diamond every Tuesday and Thursday for a rousing game of baseball. Stakes are usually chosen, but lately the different classes have been playing.

Two games were played between Fresh-Junior and Sophomore-Junior. The Fresh-Junior won both of the games, by a large margin. Two games were also played between Fresh-Sophomore and Junior-Junior. The Junior-Junior team held the highest score on both of these games.

Volley Ball and Basket-ball will be started as soon as the weather does not permit us to play baseball.

THE HORSE LAUGH

Ray "Joker" Nelson, walks to the mound with the deliberate stride so characteristic of the pitcher. Slowly and with great care he takes his preliminary windup. Then with a motion almost too fast for the eye to follow, he pitches overhand to the plate.

Eric "Deadpan" Carlson, grasping the bat tightly, stands in the batter's box. Not a muscle moves as the ball sails past him down the line. He smiles as he hears the umpire call: "Ball four, take your base." By the time Deadpan reaches the first sack he is laughing fit to bust, for Joker Nelson has just walked in the fourth consecutive run.

A CORRECTION (?)

Before typing the sports article "The Horse Laugh", this reporter showed the copy to Ray Nelson. Ray was very put-out by the whole affair.

"That article is a blasted lie, I never walked in 4 runs it was only 3."

Eric Carlson, who was washing dishes in Chemistry class, refused to comment. ***

CHERRY VALLEY GRANGE

No. 287
Maureen Knight has come back from the hospital. We are glad she is better.

We had our picture taken with Miss Leyde's room this year. Shep, Elbridge's dog, is in the picture too.

We have a new bat to play ball with this year.

The fourth grade have been building an Indian village in the sandtable. They made real birch bark canoes like the Indians had. Jim Knight made them for us. He has a birch tree near his home.

We have two gold-fish in our room. One of them is part white.

We have written a Constitution for our room. We are trying to be good citizens.

Our monitors for this week are Leona, Clara, Lois, Pearl, and Lee.

We had our first meeting of our Citizenship Club last Friday. Every person in our room did something for entertainment. The very first thing we did was to say our pledge which is: "I want to be a happy, useful citizen. I must act wisely in school, at home, playing, working, eating, or talking. I must learn how to choose the good and how to avoid the bad."

The officers elected were, Shirley Gockerell-President, Kenneth Trim-Vice-President, David Jenne-Secretary, Betty Bennet-Program Chairman.

The following are excerpts from compositions written about the fair: "In the University of Washington booth there was a map of the state of Washington showing the counties and flowers or shrubs of each county."

"Each county of Washington had an exhibit consisting of vegetables, fruits and dairy products."

"In the center of the track they had 2 young elephants performing tricks. Among the funny things they did was the Hula-Hula. A trainer put a grass skirt on one and played London Bridge is falling down."

"In the aquarium there were nice big trout that would make a nice meal."

Notice: Skating Party has been postponed until Nov. 4.

Students! Take heed! One month of school has passed. Another month and then—we know only to well. Yes, it is the report cards. We shall gaze upon the inscriptions with awe. Are they good or bad? Have we been missing 20 words in French quizzes? Have we handed in E papers in English? Those who have—well, Dad still has the old razor strap and the woodshed is close at hand.

Don't let your past grades decide your fate. One month of good grades will raise the report card grades no end, and, Oh boy! what a relief it would be to know that you would be going to the woodshed only to bring in the wood.

PARTY

The Freshman party for the High School, September 23, was much enjoyed by those fortunate ones present.

Mr. Roesch started the entertainment with a rousing game of volley ball. After this we played that old stand-by, "Flying Dutchman". Following "Flying Dutchman" was "Two-Deep", "Last Couple Out", a relay with match boxes on our noses.

Around nine o'clock we went to the Home Economics room for refreshment of sandwiches, cookies, and grape juice. Following the refreshments, those who wished to go home went; and those who wished to stay went over in the gym where "Winkum" was played until the party broke up at 10:30 P.M.

Our sincere thanks to you, Freshmen, from the rest of the High School, for the lovely party.

SENIOR PLAY

The name of the Senior Play will be "Billy's Goat." The play books have been sent for and the play will be given sometime in November.

Miss Palmer will coach the play. The stage manager and the prompter have not been chosen.

THE WASHINGTON STATE THEATER

The Washington State Theater is producing a play called "On Stage", Oct. 31, in Snoqualmie. "On Stage" is a combination of three plays. One is "The Happy Journey," by Thornton Wilder. It is a play wherein the actors and audience create through the imagination the magic of a fine theater. It is highly amusing.

The second play is "Red-Head Baker" by Albert Maltz. This play is about a boy who was a school hater, and how he was saved from the reform schools.

The third is a scene from "Search" a play developed by a class in creative writing in West Seattle High School.

The students interested will know more about this play after Mr. Ottenheimer gives a talk Friday, October 21.

CHEMISTRY EQUIPMENT

The new chemistry equipment came last week and there was quite a time getting it arranged. A few things did not come so the class has to wait awhile before they start having experiments.

As soon as the rest of the equipment comes, the class will start their laboratory work.

The Junior-Senior Banquet was held in the Banquet Room on the 24th of May at 6:00 o'clock.
The menu consisted of: fruit cocktail, mashed potatoes and gravy, meat loaf, corn, lettuce and tomato salad, pickles and olives, chocolate cake, vanilla ice cream, and coffee or milk.
The toastmistress was Mildred Doughty.
The seniors gave their speeches and the Juniors gave their responses.
Miss Trompen had her faithful puppet, Arnold, along.
The Banquet Room was decorated with the class colors, orchid and gold.

**BOY SCOUTS AND CAMP FIRE GIRLS**

In order to raise funds for the Boy Scouts and Camp Fire Girls a dinner is planned for Tuesday night, June 7, in the Grange Hall.
You can not afford to miss this, the most delicious dinner of the year!
Look at these attractions:
A complete full course dinner cooked by the mothers of Duvall.
Serving is from 6 to 8 p.m.—Courteous, pleasant service is assured all who attend.
ENTERTAINMENT: SIX REELS OF MOVIES starting promptly at 8:15.
A worthy cause that needs your support. Two splendid organizations of young people, the Boy Scouts and the Camp Fire Girls, cannot build for tomorrow without your funds today.
For fifty cents the evening is yours—dinner plus movie. If you are of High School age the charge is only twenty-five cents.
The dinner that YOU cannot afford to miss is to be served at the Grange Hall 6 to 8 p.m., Tuesday, June 7.

**GRADUATION**

Graduation is to be held June 1 at 8 p.m. in the Duvall High School Gymnasium.
The High School graduates are:

- Hans Hoellen
- Jewell Pierson
- Noah Brown
- La Verne Hobson
- Jean Lyon
- Ren Rootcisender
- John Spoolstra
- Lenora Anderson
- Dorothy Riley

STUDENT FALLS IN WELL

"Help! Help!" Shouts and squalls of horror were transmitted over the air waves to the ears of those present at an after-play practice gathering at the home of Mildred Doughty. Amid the shouts were faintly heard the barks of Mildred’s aged and toothless dog. We members of the party rushed madly into the yard to witness Jim Bow in dire distress. He had been chased by the dog and in his extreme fright had fallen into a thirty-foot well. But we must be truthful! Several feet from the top were some boards thin, old boards it is true but they prevented our hero from reaching the dreadful black depths of the thirty-foot well. (Some say it was thirty-two feet.)

OH DOCTOR!

Dear Doctor:
How can I keep those infernal girls from robbing me?
Wayne Miller

Dear Wayne:
Don’t bring your Model T.
Dear Doctor

*****

It has been proved that a cross-eyed teacher can make twice as many children behave.

SEEN OFF AND ON

Jewell giving Joker a black eye.
Secrets being revealed in the “String Game” at the party.
Charles Scott showing off when he lost a tire.
Abel and "Ants" getting tough with each other.
Ruth Marshall winking at Milo Clark.
Adolph and Abel, tall and short, sharing their wealth, a candy bar.
Lyle going to Tolt to see "Oswald Rabbit."
Edith walking to Duvall with Hans.
Suzie, (Junior) catching flies.
Virginia throwing raisins down Frank’s neck.
Margaret Vanhulle worrying over her boy friend Jack J.
Jim and Doughty agreeing.
Mr. Roesch missing the party. We wonder why?
Frank Vanhulle falling on his face catching a soft-ball.

DUVALL PLAYS TOLT

On Tuesday April 22, Tolt arrived in Duvall with the intention of cleaning house on the local baseball team. Tolt got off to a very good start; but after several innings the Duvall team gained confidence and also several runs.

Duvall's fielding was not exceptionally good, but it did serve the noble purpose of holding Tolt's runs down to a mere three. Duvall finished with fourteen runs.

Mr. Rosch, on the whole was highly pleased with the boy's excellent team work and consequent good showing.

LINEUP
Roger Duncan-6 Alex Stokes-S.S.
Roy Gustafson-P Frank VanHulle-B.
Jim Bow-1st B. Harry Holcomb-EF
Ed McMahan-S.F. Wayne Miller-C.F.

FALL CITY GAME

April the 29th Fall City came to Duvall to challenge our boys in a baseball game. Fall City came our on top 11-7 but it was a good game, due to the fact that Duvall lacked three of its players.

The Duvall players were Roy Gustafson, Alex Stokes, Jim Bow, Noah Brown, Wayne Miller, Junior Holcombe, Ed McMahan, Lyle McFall and Ray Nelson.

GIRLS' SPORTS

Due to the fact that some of the girls are afraid of stubbing their toes, the Duvall High School girls will very undoubtedly go without having a baseball team. The season is getting too late anyway and besides it might wreck the girls' manicured fingernails. But girls you are missing something. Just think of playing Tolt and seeing Oswald Rabbit.

COURT of HONOR

On May 3, Boy Scouts from Monroe, Wagner, Skykomish, and Duvall held their last Court of Honor for the school year in the Duvall Methodist Church.

Each Scout present went up for some Advancement in rank. The Duvall boys who gained Honors were as follows: Alex Stokes, First Class; Bill Hynes, Cooking-Merit Badge; Charles Scott, Firemanship-Merit Badge; Gordon Sinn, Elbridge Gockerell, Bill Ransom and Oliver Powers, Second Class.

After the Court Mr. Tenney entertained the audience with a one reel film showing the Boy Scouts in action at Camp Kalceen.

The Duvall Scouts were fortunate in being able to win possession for one year of a Scout Picture awarded by the Council to the troop having the most visitors present.

Our room has been busy working on an Indian wigwam. We made patterns of Indian designs and painted them on with calcame. When our wigwam was finished we found that eight people could sit in it.

A new boy has come into our room from Tolt. His name is Billy Pennington.

We are still waiting for our polywogs to turn into frogs. They have not lost their tails yet.

We have two new girls in our room! Now we have 14 in the room. We have some Dutch people on our windows and we have a Dutch sand-box.

Our room is all mixed up on account of the operetta. Ellen is writing the news today and Martin is helping her.

Martin is ahead on the library reading. He has read 50 books.

We are having an Operette the sixth of May. We enjoy our rehearsals very much. It is going to be a comedy.

The Duvall boys of the 5th and 6th grades are going to play a game of baseball with Novelty. It is going to be played on May 11, 1938.

EDITORIAL
All eyes looked into those of the boy standing behind the empty chair. Silence reigned and then all of a sudden there was a slam-bang and a clatter of chairs. A game of "Wink 'um" was underway. "Ah, Heck!" I guess I have to shut both eyes now because I can't wink, and the fellow on the other side of the circle has my girl." The game was a success because everybody participated, all attention being fixed in enraptured silence on the eyes of the keeper of the empty chair.

But the scene changed. A game of hand-baseball was noisely organized. Amid the "barking" of baseballs against wooden walls, and the shouts of students bent on their own pursuits, the voice of the organizer was drowned out. At this time the only ones who were enjoying themselves were the selfish individuals who were disregarding every one else's feelings. The game was not a success until these individuals were properly squelched by those who were willing to work for the fun of the group.

Which case applies to you? Did you help the party to be a success?

BOARD-FACULTY DINNER
On Tuesday, April 26, the board and faculty gathered at a dinner given in their honor.

There were fourteen guests attending. They were: Mr. Roosoh, Mr. N.M. Brown, Mr. and Mrs. Burt, Mr. and Mrs. Owen, Miss Foyhonen, Miss Larsen, Mrs. Ranson, Miss Kroutzberg, Mr. McCormick, Miss Wilson and Mr. and Mrs. Jenne. We regret to state that Miss Trompen was unable to attend.

The menu consisted of breaded veal cutlets, apple and cheese salad, baked potatoes, radish flowers and olives, chocolate pie, and coffee.

Between courses they had an enjoyable program. Miss Larsen sang two numbers, "There's a Gold Mine in the Sky," and "The Boat Song."

The latter composition was composed by Mrs. C. Wright of Cherry Gardens.

EXHIBIT
by
Anna Carlson

The annual school exhibit will be held Friday, May 6, 1938 at 7:30 P.M.

The grade school will present an operetta, "Lazy Town". This production will include students from all the grades. There will be a fashion show and several songs, sung by the different girls. A P.T.A. meeting will be held.

The Home Economics Department, in addition to exhibits mentioned in our last issue, will show a chart illustration each of the four banquets that have been given, showing the placecards, color scheme, menu, and program.

The English Department will exhibit several compositions and comic posters illustrating rules of grammar. Two letters, written from foreign countries by foreign students, will be exhibited by the French classes.

Each grade school teacher will exhibit her class' work of the year consisting of art work, maps, sand tables, stories, and pictures. Come, one and all, and enjoy yourselves and show the students that you appreciate their work.

DON'T FORGET ALL-SCHOOL PLAY
FRIDAY, MAY 13

PULLMAN TRIP

The sun shone calmly down on Duvall High School the morning of Thursday, April 28, The door opened quietly and two stealthy students crept in, and took their places in the silent study hall. Where was all the hilarious laughter and joking befitting such a lovely spring morning? Every mind was speeding over hill and dale on the Great Northern Empire Builder, to the land where the lonely jack-rabbits hop over the somber sagebrush--Pullman.

Three boys, dear to the hearts of three darling damsels of Duvall High, had departed Wednesday night for the Agriculture trip to Pullman; namely: Roger Duncan, Mike Clark and Frank Vanhulle.

They judged approximately 16 lean and lanky cows. Seriously though, the trip was worth while because Mr. Burt's classes ranked sixth in the cattle judging contest. They attended three meetings in which were discussed farm problems. They also attended the conference banquet. The intervals between were spent in swimming, eating, and sleeping.

Mike and Frank returned on the train, while Roger returned to our fair city in the Agriculture bus.

SCHOOL EXHIBIT TONIGHT
1939 GRADUATES

Front row: Anna Carlson, Jenny Brown, Nell VanBeizen, Mildred Doughty
Back row: Mr. Jenne, principal, Jim Bow, Eric Carlson
THE OPENING OF SCHOOL

Duvall School opened Tuesday morning, September 6, with a total school attendance of 146.

50 pupils are enrolled in High School. According to class they are divided as follows: 20 Freshmen, 11 Sophomores, 13 Juniors, and 6 Seniors.

The High School teachers are: Miss Palmer, Miss Preston, Mr. Roesch, and Mr. Jenne.

The grade school has an enrollment of 96. According to grades there are: 16 in the first grade, 14 in the second grade, 14 in the third grade, 9 in the fourth grade, 8 in the fifth grade, 13 in the sixth grade, 12 in the seventh, and 11 in the eighth grade.

The grade school teachers are: Miss Wilson, Miss Leyde, Miss Passage, and Miss Poyhonen.

SCHOOL FIRE

On Monday, August 29, the school building caught fire; fortunately, however, it was put out in a few seconds with the aid of a fire extinguisher. The hero that used the fire extinguisher so effectively was none other than Bill McCormick.

The fire was caused by a spark from the gravel igniting with the tar and the roof paint.

NEW TEACHERS

We have four new teachers with us this year. They are Miss Preston, Miss Palmer, Miss Leyde, and Miss Passage.

Miss Preston teaches Geometry, Chemistry, Home Economics, Botany, and is also the Girls Athletic Coach. She attended the University of Washington last year. Before coming to Duvall she taught in Eastern Washington near Spokane.

Miss Palmer teaches English, French, Music, and is the Librarian. She attended the University of Washington last summer. Before assuming her responsibilities here she taught two years at Vaughn Union High on the Olympic Peninsula.

Miss Leyde teaches the third and fourth grades. She graduated from Seattle Pacific College. Miss Leyde is from Duvall.

Miss Mary Passage teaches the fifth and sixth grades. She is a graduate of Bellingham Normal School.
P.T.A.

The Duvall P.T.A. met October 12th in the High School. The meeting began with everyone's joining in community singing led by Miss Palmer.

The minutes of the last meeting were read and approved.

Mr. Jenne gave a report of the last meeting of the Planning Council.

Miss Wilson's room received the prize for having the most parents present.

It was agreed that the next meeting would be held on the second Wednesday night in November.

Miss Adams from Harborview Hospital gave a very interesting talk on the care and prevention of diseases and accidents of children. Much benefit was derived from the information which she gave.

SCHOOL PICTURES

The school pictures, taken this year by Mr. Dedrick of Tacoma, were very good. A picture was taken of the entire high school and one each of the Junior and Senior classes. The price of each picture is 15¢.

The Honorable John F. Coffey Will Discuss The Power District Question... At The Grange Hall - 8:F.M.

Thurs. - Nov. 3.

INTERVIEWS

We interviewed the great Jim Bow of the Senior Class and Jim likes school. He takes Chemistry, French, Civics and History; but the reason he goes to school is to play football and because his father says he has to.

After Jim gets out of high school he is going to go to the Oregon State College to learn how to fix telephones.

CAMP FIRE NEWS

The Camp Fire Girls gave a party Friday night for the new members. Our group now consists of the following girls: Mary Jane Miller, Peggy Miller, Betty Larson, LaVerne Hobson, La Verta Hobson, Virginia Gockerell, Lila Haywood, Shirley Gockerell, Joanne Gockerell, Clara Powers, Betty Bennett, Ruth Herman, June Brown, and Ellen Jenne.

They all reported a very nice time and everyone had plenty to eat including Rags (the dog).

GOCKERELL vs. CARLSON!

(Cont.)

does the same.

Both started for the ball and when the smoke cleared we had 1 upperclassman and 1 lower classman lying upon the ground.

Result: Gockerell went home for 3 days and Eric for the afternoon.
A FACULTY PARTY
(continued)

Two very merry groups departed from the schoolhouse at about 4 P.M. Miss Leyde in her Chevrolet coupe acted as one chauffeur, and Mr. Jenne performed similar duties in his more magnificent Hudson Sedan.

At 4:15 the party reached the start of the Cherry Creek trail. Parking the cars was a simple task, so too, for that matter, was the first mile of the three mile hike. The weather was magnificent, nothing it seemed could be better. A deer and three Upland birds were sighted by Mr. Jenne and Mr. Roesch. So much Ohing! and Ahing! was going on concerning the beauties of the autumn foliage, that one or two missed the opportunity of judging the size of the deer or guessing at the number of birds.

The last two miles up to the falls, although comparatively level, was a trifle rough underfoot; but not enough to dampen the spirits of the faculty. With words of encouragement and a helping hand now and then they made the final stretches in excellent time.

At twenty minutes to six the party had their first view of the falls. Mr. Roesch was so enthralled that he offered to jump over; but Miss Poyhonen an expert in child physiology, pointed out how much he would be missed by his pupils.

The gentleman in question, now wishing to disappoint his students, tossed over a few apples instead.

After a very rapid survey of the falls, the faculty took one glance at the setting sun and fled for home and dinner.

By six forty five the following fact was evident: (1) the last two miles of trail would have to be followed in complete darkness.

And along the trail the night air was punctuated with such well-known remarks as "Wait for me", "Please Mr. Jenne, don't go so fast," "Where is the trail," and "Look out for the log."

Despite all the noise some progress was made. Mr. Jenne, in the lead carefully felt his way until, all unknowingly, he walked out on a bridge. Then without mentioning the fact, he quietly stepped off into space. After a moment a female voice, tremulously asked, "Are you hurt, Mr. Jenne?" "No" replied Mr. Jenne, "but my heel is up around my neck."

At seven-thirty the hungry and somewhat exhausted teachers reached the road. With the thoughts of dinner to spur them on, the party made the last four miles to Duvall as fast as safe travel would permit.

It is easy to predict that the next faculty gathering will be held indoors where the old pioneer spirit need not be exerted to the full.

DON'T FORGET GRANGE CARNIVAL SAT. NOV. 12, 8 P.M. ADMISSION 5¢-BOOTH
BOY SCOUTS

On Saturday, October 15th, Mr. Roesch, Scoutmaster, and 14 boys of Troop No. 61, took a hike to Cherry Creek Falls.

The first part of the trip was comparatively calm and peaceful.

Leaving the car at Farrol's place, the boys started on the three mile trek to the falls. Excepting for the fact that two of the scouts nearly lost themselves in the brush, the group made exceedingly fast progress.

While dinner was being prepared at the falls, Mr. Roesch offered a prize to the patrol that could cook the best meal. It thereupon became the Scoutmaster's unfortunate duty to taste everything prepared by the would-be cooks. After some haggling among the contestants Mr. Roesch deferred the awarding of the prize until the next scout meeting. At the conclusion of the cooking contest the boys undertook a little signaling with flags. Elbridge Gockerell and Alex Stokes ranked highest in the sending and receiving of messages.

A two-and-a-half-hour stay at the falls was a sufficient time to enjoy dinner and to tramp over the surrounding countryside.

The afternoon was still young when the enthusiastic group of scouts returned to Duvall. According to the boys everyone had "one swell time!"

The only question remaining to be answered is, "When do we go on our next hike?"

SENIOR PLAY

Henry Carter runs his business, that of selling carpet tacks, but his family is beyond him. His daughter, Violet, is movie-struck and on the verge of eloping with a director. His daughter, Midge, is a publicity hound intent on annexing the world's record for engagements to prominent or notorious men, ranging from South American explorers to the latest pugilistic champion. Her present heart-throb is a currently popular poet, Angel, who is inspired by April showers and spring gardens. Henry's wife is interested in dinners and parties, the larger and more expensive the better. Even Boulah, the maid, who should have been drowned at birth; but someone overlooked the matter, gives Henry many moments of grief.

On a dreary April day, when the family is particularly upsetting, Billy Hay comes to sell Mr. Carter a radio program... and stays to become the father of the entire family for a month. Henry leaves for a vacation of peace and Billy... but why tell all. Come and see for yourself the results of this experiment.

GRADE NEWS
1-2

All of the first graders were examined by Doctor Yowell last week. Most of their mothers were present to learn the results of the examination.

Jimmy thought the Doctor had taken out his tonsils when his throat was examined.

Our sand-box has been turned into a sea now. We have several boats to sail. Two of them are stern-wheelers.

Bobby Lane has returned to school after being absent for a week.

Roy brought a bat to school for us to watch. We cut out pictures of it.

3-4

Robert Perkins brought some gourds to school. Two of them are varnished. They are very pretty.

Our room made ghosts. We tore them from white paper and pasted them on black.

We have a Halloween calendar on our blackboard.

Jim Knight was absent yesterday. Our monitors this week are Janet, Carl, Betty Jean, Jimmy and Margaret. Two 4th grade students are writing letters in Geography about their trips across our country.

GRADE NEWS
5-6

We have been learning more about modern science.

For our club meeting Friday, we are having a talk on radium by Shirley Gockerell, taken from the book of knowledge.

We have been writing letters and learning how to punctuate them.

Today, October 18, we made envelopes and wrote either a real address or one we made up. We are now studying business letters.

7-8

We have elected new officers for our Friday afternoon meetings:

President—Virginia Gockerell, Vice-President—Morey Schosbeck, and Secretary—Glenn Miller.

Flash! One of our classmates received publicity over the radio and press. Oliver Powers turned out to be the hero. While he was going to a friend’s house he heard two men apparently fighting over something. He heard one say, “It’s hidden over there.” Later he found some dynamite hidden under the bridge.

Oliver says that one newspaper gave him credit for being 12 years old and another 21, while in reality he is 14.

Eric Carlson-----------October 28

SKATING PARTY--NOV. 4

INTERVIEW

In an interview with Rolanda Williams the following information was obtained.

Rolanda is a Sophomore. She takes four subjects: General Business, Civics, Botany and English. She also takes Physical Education. Rolanda's three major hobbies are, learning to play the piano, reading, and riding a bicycle. She expects to enter the University of Washington as soon as she leaves high school.

She would like to become a nurse.

Gockerell vs. Carlson

A few days after the thrilling football game between O.S.C. and U.W., we had a similar episode in our own little school.

It started thusly: 3 husky upperclassmen and a Freshman were to play a game of football against 1 Senior, 1 Sophomore, and 3 Freshmen.

Quoth Gockerell, "I am going to be on the winning side for once." He started for the 3 upperclassmen.

Said Carlson, "I will show you how O.S.C punts." He lifted a tremendous kick into the air, the football went straight up.

Gockerell decided to show him how U.W. catches punts, but Eric decided to show him how U.W.

CHERRY VALLEY PLANNING COUNCIL WILL MEET NOV. 23.
Troop No. 61 is off to a good start on another year's program of work and fun. Mr. Roesch is continuing his services as scout-master and he has a following of 12 eager scouts. The troop reorganized its patrols since former patrol leaders, Bill Ransom and Noah Brown, resigned. Alex Stokes and Elbridge Gockerell are to be the new Patrol Leaders of the Turtle Patrol and the Arrow Patrol respectively. The following boys are active Scouts at present: Charles Scott, Kenneth Bennett, Oliver Powers, Ed Ross, Noah Brown, Elbridge Gockerell, Alex Stokes, Paul Sinn, Gordon Sinn, and John LeRoy.

The Troop members are at this time busy learning to signal with flags, using the Morse code. Noah Brown and Gordon Sinn are making packboards, and others will undertake the same project in the near future.

The entire troop will appear in new uniforms in the near future. The Troops Committee will assist boys in the purchase of these splendid uniforms. The Committee is composed of Messrs: J.I. Miller, C.A. Funk, Rev. Pendleton, Dr. Baisden, C.F. Jenne, and N.A. Brown, Chairman.

A TRIP TO PORTLAND

Roger Duncan, Anthony Vanhulle, Ervin Stokes, and Milo Clark (your correspondent,) members of the Duvall Ag. Class left the school on the morning of September 30th bound for the Portland International Horse Show. Transportation was provided from Monroe High School by Mr. Squib, Monroe High School Superintendent, who drove the Ag. bus.

After a journey of about two hours, we arrived in Olympia. We stopped over there and went into the Capital Building for a short tour of inspection. A guide took us up 149 steps to the top dome of this .7 million dollar structure. After this enjoyable but short stop we went on to Portland.

As it was getting close to evening the first thing that we did was to find a place to "park" for the night. We found an ideal location called the Interstate Cabins, just inside the city limits. Rates were low and the accommodations were excellent.

From the Interstate Cabins we went to an Ag. meeting at the Temple Hall located in downtown Portland. Directions for the judging to be held the next morning were given to us at that time. In addition to the serious side of the program, the individuals in charge presented us with fine entertainment. Although the musical selections were good, the act that had the boys rolling in the aisles was a play entitled "The Schoolmaster."

The festivities held in the Temple Hall concluded our activities for the first day. In the next issue of the "Hi Times" we shall conclude the story of our Washington-Oregon travels.
FRESHMEN HUMOR

Has anyone noticed that queer group of specimens sitting on the left side of the study hall as you enter. Maybe you've been wondering what they are. Freshmen? Yes, that is it—and pretty green too.

The way they rush around all the time you'd think they were going somewhere. They might be—but only to English. That will end as the year rolls by and they'll probably all be late to class.

Those study hall doors sure seem to upset them—yes, and the other classes too—on the floor. Of course we don't expect the Frosh to come in the right door the first week, but after that—oh, I wonder if they ever will learn.

But never fear my young ones. Once we were all young—and Freshmen too!

SEEN OFF AND ON

Margaret and Wayne—making eyes.

Rolanda still flirting with John.

Several Froshmen girls late to school.

Some one spying on Josephine. My, my, Josie!

Roger not being seen uptown as much lately.

Gus and Roger playing with Rags.

A sleepy farmer in school.

A new Freshman baseball pitcher with control.

Jewell downhearted about a farmer boy.

Mr. Roesch teaching Deck Tennis to two "frosh."

Mae's cousin wanting to join the French Class.

Sophomores thinking they will win the supremacy contest.

Alex learning to dance. (Hows Bessie for a teacher, Stokes?)

John LeRoy learning his lesson Tuesday noon.

Mr. Roesch making the French class work.

Milo Clark watching the P.E. class at Monroe. What's the matter Milo "aren't the girls at Duvall good enough?"

Eileen riding up to school every noon. "Boy what class!"

Mr. Roesch catching no fish all day Saturday.

HIX'S MARKET

BOY'S SPORTS

For the first of the year the boys will play hard baseball out of doors and team games requiring a fine degree of skill will be played indoors when the weather becomes disagreeable.

During the second semester the boys will seek to top last year's basketball honors.

In brief they will play about four full months of basketball.

In addition to the major sports of baseball and basketball minor sports such as deck tennis, badminton, and volley ball will be encouraged.

NELSON-DUNCAN FUED

A feud rivaling that of the Martins and the Coys has been going on between the baseball teams of Battling Joker Nelson and Gentlemen Roger Duncan of Duvall High School.

In spite of the underhanded tactics of the Nelson team, Duncan's boys have taken the four game series.

Mr. Duncan gave out the information that the superlative pitching of Noah Brown was the deciding factor that held them in the winning column.

Mr. Nelson would not talk to your reporter.

GIRL'S ATHLETICS

The girl's enthusiasm this year is shown by the fine games of baseball they play every Tuesday and Thursday.

Until the weather prevents us, we will continue to play outside games for our P.E.

SUPREMEY CONTEST

On Friday, Sept. 9, 1938, the supremacy contest between the Sophomores and the Freshmen was held.

Much to everybody's surprise, the Sophomores won. They were victorious in all but two events. Gene Clark, apparently taking the burden for the Sophomores, was high point man.

Point Score: Freshmen-50
Sophomores-75

NEW BUS DRIVERS

As school started we discovered that the Novelty bus was painted yellow. We've also discovered that there is two new bus drivers. Glen Leyde drives the Valley bus, and Rex Hendee drives the Cherry Garden bus.

EDITORIAL

Once again the schoolbell calls us back to the little old schoolhouse on the hill. For some of us it is the start of our high school career, while for others it is the finish.

Whatever our actions and attitudes of the past have been, let's work and get something out of our school experience.

With about twenty new students and two new teachers we have an excellent opportunity for making new friends and contacts.

We can make this a successful year if we all cooperate; and if we all work together and play together, we will be successful.

AGRICULTURE BOYS GO TO MONROE

The Agriculture boys are taking Agriculture in Monroe this year. The boys go to Monroe in Mr. Jenne's car. They leave the schoolhouse at 10:14 A.M. and return at 12:15 P.M.

THE AG BOYS SEE YELLOWSTONE

The Ag boys left Monroe at ten o'clock, August 21. They took the big International school bus from Monroe and left over the Snoqualmie Pass for Yellowstone. Eighteen lucky Ag boys took this educational trip. Three boys from Massey Rock, two from Duvall, and thirteen from Monroe.

The boys had a dollar a day to spend for food. They ate what they cooked, if they could.

Mr. Burt drove the bus. The first stop was made at Spokane. They drove, on the average, better than three hundred miles per day.

(Con't page 4)
Sixteen children entered the First Grade this year, making thirty in our room. Seventeen are boys and thirteen are girls.

Elbridge Walker brought his turtle to school. We watched him snap at his food and hide under his shell. Then we wrote a story about him and drew some pictures.

We wrote a letter to Maureen Knight who is sick at the Orthopedic Hospital.

Arthur Knittle has been getting a ride to school every day because of a burned foot.

We have 23 pupils in our room. Fourteen in the third grade and nine in the fourth grade.

The fourth grade is studying about maps in Geography.

The fifth and sixth grades have organized a Good Citizenship club.

This week's program includes a science talk by David Jenne. John Connelly brought us a huge wasp's nest. David is giving us a talk about wasps.

There are twenty-three children in the seventh and eighth grades. There are twelve in the seventh grade and eleven in the eighth grade. There are four new ones in the seventh grade and one in the eighth.

Those in the seventh include Wayne Clark, Loren Sinn, Dolores Lucero and Glen Parkens, and in the eighth grade, Lila Haywood.

We have selected two baseball teams. Antoine Marty is captain of one and Glenn Miller is captain of the other.

The boys saw Old Faithful and other gysers. They saw every animal to be seen not counting themselves. An old grizzle and one cub was shot forty yards from their camp.

They came back over the Blue Mountains along the Columbia River. They arrived home for a square meal, Wednesday morning, August 31.

"All Do"
S.A.A. NEWS

The officers of the S.A.A. are as follows:
Mildred Doughty-------President
Eric Carlson-------Vice President
Jenny Brown-------Secretary
Anna Carlson-------Treasurer

The dues for the year are 25¢ or 15¢ a semester. The first meeting of the year was held on September 9.

SENIOR CLASS NEWS

The Senior Class, with their advisor, Mr. Jenne, elected the following officers:
President-------Eric Carlson
Vice President--Nellie VanBiezen
Secretary-------Jenny Brown
Treasurer-------Anna Carlson

We talked about our Senior play and decided to give it this fall as the first major event of the year. We are busy looking over the various play books, trying to select a good play.

JUNIOR CLASS NEWS

The Junior Class had election of officers. Those who were elected were:
President-------Mae Spoelstra
Secretary & Treasurer-------Kathryn Spoelstra

We talked about parties, Junior play, and other activities.

SOPHOMORE CLASS NEWS

The following officers were elected by the Sophomore class:
President-------Junior Holcombe
Vice President-------Edith Hanson
Secretary & Treasurer-------Elsie Kain

It was decided to meet twice a month and the dues were placed at 15¢. Miss Preston is the class advisor.

ANNOUNCEMENT

Miss Preston states that there are a number of potholders, aprons, towels, and other cooking equipment left by last year's students in the Home Economics room. Also personal basketball equipment—shoes, socks, shirts, shorts, etc., left in the girl's lockers in the gym. If these things are not called for in a few days they will be destroyed. Better come and get your belongings before it is too late.

FRESHMAN NEWS

The Freshman held their first class meeting last Friday. Amid much noise and excitement we finally elected the following officers:
President-------Noah Brown
Vice-President-------John LeRoy
Sec. & Treas.—Ron Roetisoender
Representative—Elbridge Gockerell

SENIOR PLAY CAST CHOSEN

HALLOWEEN PARTY

THRILL! FUN! SURPRISES! ALL of these were found at the Sophomore Masquerade Party on Monday night, October 31.

If you wanted to have your fortunes told, to discover the mystery of the black cat, or to see the life of a ghost all you had to do was to buy a ticket, put on a costume and enter the back door of the gym.

Tickets were five cents but those "in the know" brought some extra pennies for those delicious doughnuts and superb cider. There were other exciting surprises and everyone present reported a hilarious evening.

Thanks, Sophomores, for your splendid party!

The cast for the senior play, "BILLY'S GOAT," to be given Nov. 31, has been selected by the coach, Miss Palmer, and consists of the following seniors and juniors:

Eric Carlson-------Henry Carter
Jewell Pierson------Violet Carter
Mildred Doughty-------Beulah
Jenny Brown----------Mrs. Carter
Kathryn Speelstra------Miss Davis
Nellie VanDieren------Miss Cool
Jim Bow----------------Billy Hay
Eileen Nelson--------Madge Carter
Lyie "CF II"--------Arthur Angel
Roger Duncan--Harold Hollinghead

The play is a farce comedy, the plot concerns the efforts of Billy Hay to manage a family and what a family. What he does and how he does it will provide you with many laughs.

THE WASHINGTON STATE THEATER

The Washington State Theater production "On Stage" was given on Monday, Oct. 31, 1938, at Snoqualmie, at one o'clock.

Admission, twenty-seven cents, was the only charge.

A FACULTY PARTY

As part of the newly inaugurated program for faculty entertainment Miss Poyhonen, seventh and eighth grade teacher, and Miss Wilson, primary teacher, proposed a faculty hike to Cherry Creek Falls for Tuesday afternoon, October 18.

The idea, brilliantly conceived, was well received by the other faculty members. Mr. Jenne volunteered to guide the party, and Mr. Roesch decided that he had best come along and see the fun too. Other faculty members making up the pleasure jaunt were: Miss Heyde, Miss Passage, and Miss Preston.

(Con't. on page six.)
In an interview with Rolanda Williams the following information was obtained.

Rolanda is a Sophomore. She takes four subjects: General Business, Civics, Botany and English. She also takes Physical Education.

Rolanda's three major hobbies are, learning to play the piano, reading, and riding a bicycle.

She expects to enter the University of Washington as soon as she leaves high school.

She would like to become a nurse.

GOCKERELL vs. CARLSON

A few days after the thrilling football game between O.S.C. and U.W., we had a similar episode in our own little school.

It started thusly: 3 husky upperclassmen and a Freshman were to play a game of football against 1 Senior, 1 Sophomore, and 3 Freshmen.

Quoth Gockerell, "I am going to be on the winning side for once." He started for the 3 upperclassmen.

Said Carlson, "I will show you how O.S.C. punts." He lifted a tremendous kick into the air. The football went straight up. Gockerell decided to show him how U.W. catches punts, but Eric decided to show him how U.W.

(cont. P.5)
GRADE NEWS

1-2

All of the first Graders were examined by Doctor Yowell last week. Most of their mothers were present to learn the results of the examination.

Jimmy thought the Doctor had taken out his tonsils when his throat was examined.

Our sandbox has been turned into a sea now. We have several boats to sail. Two of them are stern-wheelers.

Bobby Lane has returned to school after being absent for a week.

Roy brought a bat to school for us to watch. We cut out pictures of it.

3-4

Robert Perkins brought some gourds to school. Two of them are varnished. They are very pretty.

Our room made ghosts. We tore them from white paper and pasted them on black.

We have a Halloween calendar on our blackboard.

Jim Knight was absent yesterday.

Our monitors this week are Janet, Carl, Betty Jean, Jimmy and Margaret.

Two 4th grade students are writing letters in Geography about their trips across our country.

GRADE NEWS

5-6

We have been learning more about modern science.

For our club meeting Friday, we are having a talk on radium by Shirley Gockerell, taken from the book of knowledge.

We have been writing letters and learning how to punctuate them.

Today, October 18, we made envelopes and wrote either a real address or one we made up. We are now studying business letters.

7-8

We have elected new officers for our Friday afternoon meetings: President-Virginia Gockerell, Vice-President-Lorey Schosbeck, and Secretary-Glenn Miller.

Flash! One of our classmates received publicity over the radio and press. Oliver Powers turned out to be the hero. While he was going to a friend's house he heard two men apparently fighting over something. He heard one say, "It's hidden over there."

Later he found some dynamite hidden under the bridge.

Oliver says that one newspaper gave him credit for being 12 years old and another 21, while in reality he is 14.
BOY SCOUTS

On Saturday, October 15th, Mr. Roesch, Scoutmaster, and 14 boys of Troop No. 61, took a hike to Cherry Creek Falls.

The first part of the trip was comparatively calm and peaceful.

Leaving the car at Farrel's place, the boys started on the three mile trek to the falls. Excepting for the fact that two of the scouts nearly lost themselves in the brush, the group made exceedingly fast progress.

While dinner was being prepared at the falls, Mr. Roesch offered a prize to the patrol that could cook the best meal. It thereupon became the Scoutmaster's unfortunate duty to taste everything prepared by the would-be cooks. After some haggling among the contestants Mr. Roesch deferred the awarding of the prize until the next scout meeting. At the conclusion of the cooking contest the boys undertook a little signaling with flags.

Elbridge Gockerill and Alex Stokes ranked highest in the sending and receiving of messages.

A two-and-a-half-hour stay at the falls was a sufficient time to enjoy dinner and to tramp over the surrounding countryside.

The afternoon was still young when the enthusiastic group of scouts returned to Duvall. According to the boys everyone had "one swell time!"

The only question remaining to be answered is, "When do we go on our next hike?"

SENIOR PLAY

Henry Carter runs his business, that of selling carpet tacks, but his family is beyond him. His daughter, Violet, is movie-struck and on the verge of eloping with a director. His daughter, Madge, is a publicity hound intent on annexing the world's record for engagements to prominent or notorious men, ranging from South American explorers to the latest pugilistic champion. Her present heart-throb is a currently popular poet, Angel, who is inspired by April showers and spring gardens. Henry's wife is interested in dinners and parties, the larger and more expensive the better. Even Boulah, the maid, who should have been drowned at birth, but someone overlooked the matter, gives Henry many moments of grief.

On a dreary April day, when the family is particularly upsetting, Bitty Hay comes to sell Mr. Carter a radio program... and stays to become the father of the entire family for a month. Henry leaves for a vacation of peace and Bitty... but why tell all. Come and see for yourself the results of this experiment.

A FACULTY PARTY
(continued)

Two very merry groups departed from the schoolhouse at about 4 P.M. Miss Leyde in her Chevrolet coupe acted as one chauffeur, and Mr. Jenne performed similar duties in his more magnificent Hudson Sedan.

At 4:15 the party reached the start of the Cherry Creek trail. Parking the cars was a simple task, so too, for that matter, was the first mile of the three mile hike. The weather was magnificent, nothing it seemed could be better. A deer and three Upland birds were sighted by Mr. Jenne and Mr. Roesch. So much Owing! and Ahing! was going on concerning the beauties of the autumn foliage, that one or two missed the opportunity of judging the size of the deer or guessing at the number of birds.

The last two miles up to the falls, although comparatively level, was a trifle rough underfoot; but not enough to dampen the spirits of the faculty. With words of encouragement and a helping hand now and then they made the final stretches in excellent time.

At twenty minutes to six the party had their first view of the falls. Mr. Roesch was so enthralled that he offered to jump over; but Miss Poyhonen an expert in child physiology, pointed out how much he would be missed by his pupils.

The gentleman in question, now wishing to disappoint his students, tossed over a few apples instead.

After a very rapid survey of the falls, the faculty took one glance at the setting sun and fled for home and dinner.

By six-thirty the following fact was evident: (1) the last two miles of trail would have to be followed in complete darkness.

And along the trail the night air was punctuated with such well-known remarks as "Wait for me", "Please Mr. Jenne, don't go so fast," Where is the trail," and "Look out for the log."

Despite all the noise some progress was made. Mr. Jenne, in the lead carefully felt his way until, all unknowingly, he walked out on a bridge. Then without mentioning the fact, he quietly stepped off into space. After a moment a female voice, tremblingly asked, "Are you hurt, Mr. Jenne?" "No" replied Mr. Jenne, "but my hoel is up around my neck."

At seven-thirty the hungry and somewhat exhausted teachers reached the road. With the thoughts of dinner to spur them on, the party made the last four miles to Duvall as fast as safe travel would permit.

It is easy to predict that the next faculty gathering will be held indoors where the old pioneer spirit need not be exerted to the full.

DON'T FORGET GRANGE CARNIVAL SAT. NOV. 12, 6 P.M. ADMISSION 5¢-BOOTH
P.T.A.

The Duvall P.T.A. met October 12th in the High School. The meeting began with everyone's joining in community singing led by Miss Palmer.

The minutes of the last meeting were read and approved.

Mr. Jenne gave a report of the last meeting of the Planning Council.

Miss Wilson's room received the prize for having the most parents present.

It was agreed that the next meeting would be held on the second Wednesday night in November.

Miss Adams from Harborview Hospital gave a very interesting talk on the care and prevention of diseases and accidents of children. Much benefit was derived from the information which she gave.

SCHOOL PICTURES

The school pictures, taken this year by Mr. Dedrick of Tacoma, were very good. A picture was taken of the entire high school and one each of the Junior and Senior classes. The price of each picture is 15¢.

The Honorable John F. Coffey Will Discuss The Power District Question . . . At The Grange Hall - 8:F.M. Thurs.-Nov. 3.

INTERVIEWS

We interviewed the great Jim Bow of the Senior Class and Jim likes school. He takes Chemistry, French, Civics and History; but the reason he goes to school is to play football and because his father says he has to.

After Jim gets out of high school he is going to go to the Oregon State College to learn how to fix telephones.

CAMP FIRE NEWS

The Camp Fire Girls gave a party Friday night for the new members. Our group now consists of the following girls: Mary Jane Miller, Peggy Miller, Betty Larson, LaVerne Hobson, LaVeta Hobson, Virginia Gockrell, Lila Haywood, Shirley Gockrell, Joanne Gockrell, Clara Powers, Betty Bennett, Ruth Herman, June Brown, and Ellen Jenne.

They all reported a very nice time and everyone had plenty to eat including Rags (the dog).

GOCKERELL VS. CARLSON

(Cont.)

does the same.
Both started for the ball and when the smoke cleared we had 1 upperclassman and 1 lower classman lying upon the ground.
Result: Gockrell went home for 3 days and Eric for the afternoon.
SENIOR PLAY

On Friday, November 11, in spite of the bad weather and outside interests, quite a few people ventured forth to witness the supercolossal production of the Senior Class, "Billy's Goat."

The leading roles, Madge Carter and Billy Hay, were played by Eileen Nelson and Jim Bow, respectively.

Eric Carlson gave an excellent performance in the character of Henry Carter, a harassed businessman. His wife, Mrs. Susan Carter, was aptly portrayed by Jenny Brown.

Mildred Doughty, as usual, played the dumb maid who should have been drowned at birth.

Others among the cast were Jewell Pierson as Violet Carter; a sophisticated society siren; Lyle McCall as a handsome, starving poet; Roger Duncan as an English man-about-town; Kathryn Spoelstra and Nellie VanBiezen as two capable secretaries.

Play proceeds amounted to $25 after all expenses were deducted.

HONOR ROLL

The following students, with grade averages of B or better, have made the honor roll:

**Freshmen**
- Daisy Franke
- Elbridge Gockerell
- Noah Brown

**Sophomores**
- Bernice Bright
- Josephine Hart
- Harry Holcombe

**Juniors**
- Kathryn Spoelstra
- BeSSie Trim
- Margaret VanHulle

**Seniors**
- Jenny Brown
- Mildred Doughty

DUVALL vs. SNOQUALMIE

Thursday night at the Duvall Gym the Duvall basket-ball team edged out a strong quintet from Snoqualmie.

Although it was the first game of the season, play was very fast though at times a bit ragged. Throughout the entire game the teams were never separate by more than five points. When the horn sounded ending the contest, the score was tied: 23-23.

In the overtime period Duvall made four points, while Snoqualmie was only able to add 2.

The final result was Duvall 27, Snoqualmie 25.

In the second team game, Snoqualmie was victorious by 4 points, the final score being Duvall 16, and Snoqualmie 20.

**First Team Lineup**

DON'T FORGET DUVALL vs. NORTH BEND, MONDAY, NOV. 21, 7:30 P.M. ADM. 10¢
EDITORIAL

The last few school functions have shown a decided decrease in the number in attendance.

These functions, believe it or not, are very good entertainment. To those interested in sports, we have some very wild and woolly basketball games, packed to the last second with plenty of action. We may have a small team, but they certainly know how to get in there and fight.

For those interested in less active entertainment, we have the plays by the different groups. The plays are of exceptionally good quality, and generally far exceed expectations.

We ask you as members of this community to come out and support your own school.

NOTICE

Cherry Valley Planning Council will meet Wednesday, November 23, 1938.

BOY SCOUTS COURT OF HONOR

The next court of honor will be held at Wagner's Mill on Tuesday night, November 29, 1938. The following Scout's will go up for advancements: Alex Stokes, Noah Crown, John LeRoy, Gordon Sinn, Paul Sinn, Charles Scott, Elbridge Cockerell, Bill Hynes, Kenneth Bennett, Oliver Fowers, Dan McGinnis, and Clyde Kain.

The purpose of a Boy Scout Court of Honor is to show the public what the Scouts are doing. It also shows that the Scout is doing what he set out to do.
GRADE NEWS
1 - 2

Twenty-one children in our room were vaccinated for Small Pox this year. Only one person has not been vaccinated. We are proud of our record.

Several people have been out of school with bad colds.

Shirley Bennett brought her kitten to school so we could watch it. We wrote a story about it.

3 - 4

We have a new boy in the third grade. His name is Lawrence Rogers. We are learning a Thanksgiving song.

In our Science lessons we have been studying about animals that burrow in the ground and how they are fitted to live under the ground. This week we are learning about water animals and how they move about.

We carved animals out of soap. Three people in our room were vaccinated. They were Billy Stuart, Dorothy Terpstra, and Genevieve Pennington.

GRADE NEWS
5 - 6

The pupils of the fifth and sixth grades are planning a Thanksgiving Basket. Each person contributes something from home. They are giving it to someone that hasn't as much as we have.

We have changed the seating of our room to try out a sight-saving scheme. The seats run diagonally in order that the light may fall more equally across the desks.

We are giving a Thanksgiving Day play Wednesday, November 23. The seventh and eighth grades are coming in to see it.

7 - 8

The pupils on the honor roll in the seventh grade were Betty Larsen first, Dolores Lucero second, and Oliver Powers third.

The pupils in the eighth grade were Lila Haywood first, Scott Wallace second, Kenneth Bennett third and Foggy Miller fourth.

We are pleased to welcome Betty Larsen back to school. Betty was in the hospital recovering from an appendicitis operation.

We are playing basketball in the gym during rainy weather.

Miss Poyhonen, our teacher, makes an excellent coach.
FACULTY INTERVIEW

In a recent interview of the various teachers, your reporter finds that underneath their classroom armor they are very human, with certain likes and dislikes.

Miss Wilson's hobbies, for example, are dogs and sports. She doesn't care for shows, so does not have a favorite actor. Her favorite book is Vandercook's "White Magic." She has taught here four years, coming here from Renton. Her home is in Seattle. Her pet peeve is noisy little boys, and her favorite sport is football.

Miss Leydo favors hiking and she, too, doesn't care for shows. Her favorite book is "The Good Earth." This is her first year of teaching, and she is from our town, Duval. Alarm clocks are her pet peeve and bike riding her favorite sport.

Miss Passage whiles away her leisure time at sewing. She enjoys musical comedies and her favorite book is "Forsythe Saga." This is her first year at Duval. She came from Seattle where she was a substitute teacher. Her pet peeve is "sassing" and her favorite sport is golf.

Among several hobbies, Miss Poyhonen picked amateur photography as her favorite. Her favorite show is "Lost Horizon," and her favorite book is "World's Illusion".

This is her eighth year here. She formerly taught at East Stanwood and her home is in Winlock. Rude children are her pet peeve and her favorite sport is a toss-up between tennis and swimming.

Miss Preston's favorite hobby is studying liverworts. Every Saturday, she journeys to Seattle to the University to find out more about them. Her favorite show is "Mr. Deeds Goes to Town," and "When We Were Very Young" takes the lead as her favorite book. This is her first year at Duval, but not her first year of teaching. Her home is in Seattle. Her pet peeve is getting up in the morning. ("I can't see why school can't start at noon," she sighed.) After little thought she chose swimming as her favorite sport.

Mr. Roesch spends his leisure time at fishing. He picked "Street Scene" as his favorite show and "Faust" as his favorite book. This is his third year at Duval, coming here after teaching in Idaho. His home is in Tacoma.

Classmates, here's a tip--Mr. Roesch's pet peeve is students coming late to class, so let's be on time in order to keep him in good humor. Basket-ball is his favorite sport.

Mr. Jenne's present, foremost hobby is a collection of international relations. He very seldom

(Cont'd on page 8)

NOTICE

A Supplemental Hot Lunch will be available to all pupils on or about the 28 of November.

A P.T.A. Sponsored Project with W.P.A. Assistance.

Your cooperation is courteously requested.
GIRL'S BASKETBALL

Once again the girls are off to a good start with approximately eighteen girls turning out for basketball. It seems there are so many good players (for a change) that it is hard to pick a first team. However the following have been chosen:
Guard--------------Jewell Pierson
Guard----------------Anna Carlson
Center----------------Eileen Nelson
Side Center--------Edith Hanson
Forward-------------Mae Spoelstra
Forward------------Betty Williams

Subs are as follows:
Forward----------Nellie VanBiesen
Guard-------------Virginia Close
Center----------Rolanda Williams
Side Center-------Maxine Close

Letters have been written to Index, Skykomish, and Tolt for games. As yet no games have been definitely scheduled.

YELL LEADERS

In order to give that old school spirit more vim and vigor four yell leaders were elected at the last regular S.A.A.A. meeting.
The new yell kings for the remainder of the school year are; Eileen Nelson, Rolanda Williams, Roy Gustafson and Ray Nelson.

DUVALL vs. TOLT

On Tuesday, Nov. 15, the Duvall basketball squad visited the Tolt gym, and what a visit that was! The Frosh, playing their first game away from home, were hopelessly outclassed by the Tolt second and Frosh teams.
Result: Duvall 5, Tolt 32.
The first team game, as expected was an exceedingly fast contest. At half time the score was tied; 8-8.

During the third and fourth quarters, the Tolt squad poured on the heat. The Duvall boys melted away under the torrid pace. Rebound work, which was good during the first half, was exceedingly poor during the second half. Offense timing became muddled, and the defense and offense "breaks" became the property of the demons from Tolt.
Sad to relate, the final score was Tolt 25, Duvall 10.
"Oh boy," said Ray Nelson, at the conclusion of the contest, "Just wait until those boys come up and play in our cracker box. We'll sure give it to them hot."

PERFECT ATTENDANCE

The students who had perfect attendance in High School for the first nine weeks are:

Noah Brown       Ren Roetcisoender
Edward Ross       Gordon Sin
Harry Holcombe    Alex Stokes
Adolph Schosbock  Gertrude Ahl
Maxine Close      La Verta Lokson
Irene Vanhulle    Dorothy Riley
Edith Hansen      Kathryn Spoelstra
May Spoelstra     Jenny Brown
Anna Carlson      Josephine Hart

First and Second grade students who had perfect attendance for the first nine weeks are:

David Harder      Robert Hatton
David McCallum    Roy Jenne
Sammy Rupard      Arthur Knittle
Jimmy Roetcisoender  Lois Raboin
Richard Bennett   Arthur Proffitt
Sanford Chapman   Ucona Bennett
                     Jean Fortman

Third and Fourth grade students who had perfect attendance for the first nine weeks are:

Robert Biemaemen  Carl Herman
Jimmy Roetcisoender  Lee Brown
Gennevicve Pennington  Lois Miller
Leona Roetcisoender  Eugene Powers
Dorothy Terpstra    Robert Perkins
Bertha Zylstra      Billy Stewart
Barbara Jenne       Carolyn Knittle
                     Margaret Kelly

Fifth and Sixth grade students who had perfect attendance for the first nine weeks are:

David Jenne       Bernice Vanhulle
David Knittle     Ellen Jenne
Johnny Roetcisoender  Iris Lert
Kenneth Trim      Ruth Horman
Andrew Zylstra    June Brown
                     Betty Bennett

Seventh and Eighth grade students who had perfect attendance for the first nine weeks are:

Kenneth Bennett   Scott Wallace
Glen Miller       Bill Trulson
Loroy Miller      Lila Haywood
Maury Schosbock   Paul Sinn
Gerald Williams   Arlene Riley

"IT NEVER RAINS"
by Aurania Rouverol
Junior Class Play

We of Monroe High School have entered into advertising agree­ments in an effort to promote better inter-school feeling and to in­crease the patronage of other schools for our plays, dances, and other functions, while in return, we will increase theirs.

From our understanding we would say "It Never Rains", the play reviewed below, is a good play and would be worth seeing. It is the Junior Play, which will be held in the Monroe Union High School Auditorium, Friday, November 18 at 8:00 p.m. Admission-27¢.

"It Never Rains" is the story of two married couples and their young­sters, a son and a daughter, who meet and fall in love, of course. The action and scene are in California, and much of college atmosphere as well as domestic life has seeped into its gay three acts.

Members of the cast have fine histrionic opportunity in this new­est of Miss Rouverol’s plays, while the comedy is recommended to boys and girls of all ages, especially from six to seventy, who still get a romantic kick out of that grand old love song of living for love.

As long as dramatists continue to write plays like "It Never Rains," we can find nothing ailing with the American Theatre. It’s now and well worth your patronage.

"It Never Rains" played out three theater leases in New York, so great was its popularity, and is now continuing its run to unabated patronage.

Mr. Morris Summers, of the drama division, is directing the play. With an excellent cast, he promises a very fine play this year.

A Students Reply

Question: "why are there two high tides on the earth at the same time? General Science Student: Because the moon can’t pull hard enough the first time, so in order to raise two high tides its got to pull twice."
SCHOOL LUNCHES

The school lunchroom opened on Monday, November 28, and now seems to be going very smoothly. Miss Preston is in charge of this undertaking.

Mrs. McNary and Mr. Lucerio are the capable cooks.

The Freshmen girls are working part of the noon hour to help the cooks. They are co-operating very well.

The high school starts eating at eleven-thirty, and the fifth, sixth, seventh, and eighth grades begin at twelve o'clock.

The first and second grades are served in their room at eleven-thirty and the third and fourth grades are served in their room at twelve o'clock.

This project is to continue until the end of February.

FREE CORRESPONDENCE COURSES

The Duvall library has received a list of free correspondence courses from the Adult Education Division of the Works Progress Administration. These courses are free to any adult between the ages of sixteen and one hundred. Among the courses listed are: home nursing, nutrition, story writing, journalism, mathematics, accounting, history, physics, business administration, vocational guidance, agriculture, gardening, geology for miners, and many others.

Anyone interested may get information and application blanks from the library. The library is open on Wednesdays and Saturdays from two-thirty to four-thirty.

Remember these courses are free.

WEDDING BELLS

At last the great secret has been revealed. Jewell Pierson was given away in holy matrimony on November 1 to Wilfred Gieving. The matter was kept a secret until December 2, and then the great news swept through the school building like a flash. Everyone was congratulating and wishing the bride a lot of happiness.

The newly-married couple are living in Duvall where they will remain indefinitely. Jewell has been a student at Duvall for the past four years. She came from Port Orchard when she was a Frosh.

Wilfred Gieving moved to Duvall approximately two months ago. His former home was in Redmond where he worked on a dairy.

The Students of Duvall wish to congratulate them and hope they will be happy in the coming years.

GRADE SCHOOL CHRISTMAS PROGRAM

The seventh and eight grade students are presenting a play entitled "The When Do-It School Entertained".

The students who do the entertaining are: Virginia Gockerell, Virginia Peterson, Clyde Kain, and Scott Wallace.

Those who come to be entertained include, Lila Haywood, a widow with six children. The children are to be played by, Arlene Riley, Glen Perkins, Leroy Miller, Kenneth Bennett, Wayne Clark and Raymond Landers. Grandma Peggy Miller arrives with Grandpa Paul Zylstra. Betty Larsen, as Kaziah Kite, spurns the attentions of Dick, Glen Miller.

CONTINUED on PAGE 2:
EDITORIAL

Why is it that twenty freshmen cannot put out a six page school paper? Is it that the mental capacity of each is not enough to write less than a 100 word article? Is it that they are such babies that they cannot work together long enough to put out a paper? Or is it the lack of efficient leaders? Such are some of the questions that are being asked by the members of the Junior-Senior English class when they were asked to publish this issue of the school paper. The juniors and seniors really don't think that the freshmen are incapable, but they wonder if the freshmen couldn't take time away from their chattering long enough to cooperate with each other in the future.

S.A.A.

The S.A.A. held a meeting Dec. 2 in the assembly room. Names were drawn for Christmas and the freshmen class was appointed to decorate the Christmas tree. A committee from the student body, and the members of the senior class were appointed to entertain the student body at the next S.A.A. meeting.

On December 23 the presents will be given out and the entertainment given.

Our vacation will begin December 23 and end January 3.

GRADE SCHOOL CHRISTMAS PROGRAM (Cont.)

Aunt Liz suffering from "rheumatiz" will be portrayed by Dolores Lucero. Others in the cast include Antone Marty, Bill Trulson, Loren Sinn, Oliver Powers, Paul Sinn, and Gerald Williams.

The fifth and sixth grades are giving a play entitled "Scrooge's Christmas" from Dickens's "Christmas Carol".

The third and fourth grade are presenting a play entitled "A Christmas Surprise".

The first and second grades are not going to have a Christmas program, but expect to have a Christmas tree and a party.
SCHOOL INTERVIEWS

Roy Gustafson's pastime is duck hunting without getting any ducks. He seems to take to red heads for girls and he says he has six of them. Boxing is his hobby. His favorite subject is basketball and his favorite saying is "No."

The next two are the Spoelstra girls, Mae and Kate. Mae's pastime is swimming while Kate likes to sleep. They both like dark haired boys. Kate says her pet peev is Ray. Mae's is being teased about Ray. Mae likes English while Kate is fond of French. Mae likes to tumble for a hobby while Kate takes to singing and piano playing.

Jim Bow was the one I ran into next. He has a sense of humor, and his pastime is dominoes, and his hobby is horse doctoring. As for girls, Jim likes towheads. His favorite subject is U.S. History and his famous saying is "Ah shucks weren't nothing."

Next is a cute little blonde by the name of Nellie, when asked for a famous saying she shouted "Bill". Her pastime is reading, her hobby is tumbling. She likes blondes for boy friends and says she only has one. Now her pet peev is Model A Fords, and I understand Bill has one.

How we will have a teacher, Mr. Roesch. His pastime and hobby is fishing, his pet peev is students missing waste paper baskets with bits of paper. Mr. Roesch says he is too old for girls, but he says he would like one that was rich. His favorite subject is Economics.

DUCK HUNTING

Duck season has closed and more of the students are back in school. Some of their reports were as follows: Ray: "I was out all day and didn't get a thing but wet feet." Roy: "They must have seen me coming." Lyle: "I didn't get a duck."

Finally one day Ray came to school and boy! was he happy! When asked about his exuberant happiness he exclaimed "I got a duck."

Roy bought three boxes of shells and got three ducks.

Lyle was successful in getting three ducks all in one day.

Mike and Shorty were out almost all the time, but how many ducks they found is as yet an unsolved mystery.

NEW HOME ECONOMICS ROOM

All of Miss Preston's classes that have been held in the Home Economics Room are now being held in the Agricultural Room. The Home Economics Room has been used as a lunch room since November 28.

Miss Preston's only complaint is the restlessness of some of the girls during shop period.

GRADE NEWS

1-2

On National Book Week we had a reading contest in the second grade. Eight people read books during the week.

Since we eat our lunches in our room at two big tables we have been talking about table manners. Each day we choose a child who makes the best impression at the table.

We have three pots of bulbs to watch grow.

Two new girls are enrolled in our room. One is a second-grader and the other is in the first grade.

3-4

The third grade made Santas. They have a big mustache and red caps.

We are singing Christmas songs now.

We have some Christmas pictures up in our room.

Our health chart for this month is a Christmas tree. We are putting bright colored stars on it.

The fourth grade is studying about rubber in Geography.

NOTICE: The Duvall P.T.A. will meet Wednesday, December 14, at 2:30 P.M. in the school gymnasium.

GRADE NEWS

5-6

We are having a contest between the boys and girls in our room to see who can sell the most Christmas Seals. The losing side gives a treat to the winners. The boys are ahead—Come on, Girls!

The boys in grade 6 are preparing a world trade map to show from what countries our own state of Washington imports materials to keep its industries going, and in what countries its products must be sold to keep its factories busy.

We are "dressing" our room for Christmas. Come up and see us some time.

7-8

The seventh and eighth graders wrote some original Christmas stories. However, they proved too long for publication. We hope that's the reason they were rejected by the honorable editor and his staff.

We are planning to entertain ourselves with a little Christmas play. Everyone will have a part in it.

Some of the boys have learned to play badminton. They like the game very much.

We are enjoying art work very much. Our teacher always gives us something interesting to draw.

MacDOUGALLS
Coming: Index Game! Coming!

Listen! Be sure and circle the 16 of December, for on that night your Duvall teams will meet the Index teams on the home floor. Three games will be played and all in one night: the girl's first team, the girl's second team, and the boy's first team.

This will be the girl's first game of the season and they're out to win.

Come and support your teams and at the same time enjoy three games of basketball.

The date is December 16, the price is 10¢, and the time is 7:30 P.M.

Tolt-Duvall Town Team Game

On Nov. 25, 1938, five stalwart Tolt town team basketball players came down to play our town team. Never before was such a thrilling game played in the Duvall gym.

Drama! Action! Thrills! All were found in this wild game.

It was so fast that Roy Gustafson who officiated on the court, had a hard time keeping up.

Very fine defensive and offensive playing was displayed by both teams, but Tolt proved to be the better team, winning by a score of 57 to 25.

Notice: Duvall V.S. Skykomish at Skykomish, December 19, 1938.

Snoqualmie v. S. Duvall

Two Duvall teams left Duvall at 6:30 P.M. in two cars to battle the Snoqualmie huskies on November 23, 1938.

Duvall's second team started out with a bang by potting two baskets while Snoqualmie didn't pot any. But Snoqualmie found themselves and commenced sinking baskets from all angles. The Duvall second team fought with great spirit but ended on the short end of the score, which was 24 to 36.

The first team of Duvall also led at the start of the game, but Snoqualmie also went ahead soon in the first quarter and stayed ahead for the rest of the game. Although Duvall boys were much smaller than the Snoqualmie boys they put up a good fight. Duvall did not play as good a game of ball as they might have, but the team played with good spirit. They also ended on the short end of the score, which was 21 to 36.

Duvall Hi-Town Team

A game between the Town Team and Duvall Hi Teams was played on the Tuesday before Thanksgiving.

The high school boys showed the town team what they were made of and came out on the long end of the score which was 75 to 27.

Ho Hum! 14 days 'till vacation!

GIRL'S CLUB PARTY

The girl's club held their annual Christmas party Wednesday, December 14. Due to the cold weather and various other reasons only 11 girls came out.

The party was off to a good start with a scavenger hunt. The girls were divided into three groups and they started off in high spirits. After finding several clues gone and school house locked with the prize inside, the girls were quite tired. But then Jean Lyon climbed in a window and unlocked the door to let the best group find the prize, which was a box of chocolates.

The girls rested a few minutes and then set out to bring good cheer by singing Christmas carols. After carolling for about an hour the girls met at Miss Preston's, where hamburgers and chocolate were served. Gifts were exchanged and the girls departed for home.

CONCERT NOTICE

A musical concert will be presented by the staff of the Smith School of Music and Arts in the Duvall gym, Tuesday evening, January 24.

The proceeds are to be used for the purchase of instruments for an orchestra in the Duvall school.

Complete details will be given in the next issue of the Hi Times.

DEBATE

A meeting was held Friday, December 16, in Miss Palmer's room, for those interested in debate. Students turning out for debate are: Jenny Brown, Elsie Kain, Clara Powers, Bernice Bright, Joyce Barker, Gertrude Ahl, Ruth Marshall, and Daisy Franke.

The National High School debate topic for this year is: Resolved: That the United States should establish an Alliance with Great Britain. The debates will be held in January and February. We are all looking forward with interest to the opening of the debate season.

CHRISTMAS PROGRAM

Old Saint Nick received a hearty welcome Friday afternoon at 12:30 P.M. in the high school assembly room. The chairman of the welcome committee, Rolanda Williams, presented a musical reading typifying the fellowship of Christmas. The high school responded by singing Silent Night, It Came Upon A Midnight Clear, and Joy to the World.

The entertainment and display of spirit seemed to be highly pleasing to Saint Nick. The old gentlemen showed the kindness of his heart by giving each student a gift package and a bag of candy. "To all," said Saint Nick, "I wish a MERRY CHRISTMAS and a HAPPY NEW YEAR."

MR. JENNE'S
CHRISTMAS MESSAGE TO STUDENTS

Christmas is an event to which young and old alike look forward. To most students it is the happiest occasion of the year. It offers to the scholar an opportunity of rest and refreshment after the anxieties and labors of a busy fall season. To the indolent and lazy it will lack considerable of its thrill, since rest is non-existent unless it follows work. Perhaps the fireside is the most popular place at this season. The close circle of family and friends, the visiting, the recreator, the music, the gifts given and received, and the strange mixture of joy and gladness accompanied by the almost universal goodwill, all go to make Christmas worth while.

But Christmas should mean more than all that. We would be missing the most beautiful aspect of the occasion if we failed to cultivate unselfishness, human sympathy and kindness, goodwill, and devotion to the One in whose name we cele-

brate at this time. Such a Christmas will not become a let-down on December 26, but will bring happiness. Students, may this Christmas bring you each and all joy and happiness.

HAPPY BIRTHDAY TO

Bessie Trim----------------Dec. 4
Noah Brown------------------Dec. 5
Jean Lyon-------------------Dec. 27

EDITORIAL

Once more we come to this red letter day of the year-Christmas. For most of us it is a season of joy and merriment, and it is with anticipation that we look forward to the home gathering of friends and loved ones.

But after our holiday dinner and a week in which to overcome the effects of it, let us remember that we must say good-bye forever to this old year with all its trials, sorrows, and joys, and look with the eagerness of a child to the new year. And with this same eagerness, let us resolve to deepen our character and lives so that when 1939 had grown old and bent we may again say "Oh well, it was a pretty good year at that."

CLASS NEWS

At the senior class meeting we planned our entertainment for the S.S.A. We discussed whether or not to buy sweaters instead of jewelry, but there seems to be some disagreement on the subject, which as yet has not been settled. Another plan discussed was a snow hike on snow shoes.

The freshmen and sophomores are planning Christmas baskets to be given to the needy. The juniors seem to be running out of ideas as they haven't been doing anything of late.

SKATING

Now that there is some ice, the main sport is ice skating for some of the people in Duvall.

As yet the ice is not very good but it is alright for us amateur skaters. The lake where most of us skate is located just below the bridge going across the valley. We hope the ice will continue so Duvall students may enjoy skating during the holidays.

BOY SCOUTS

Five of the boy scouts now have uniforms. They are: Alex Stokes, John LeRoy, Oliver Powers, Gordon Sinn, and Noah Brown.

SENIORS ENTERTAIN S.S.A.

On Friday, December 16, the high and mighty seniors entertained with a series of side-splitting acts.

In the month of June, Eric, a lovely young lady, dropped his dainty handkerchief which was rescued by Jim, a gallant young man. In July we see them strolling along, arm in arm, with an umbrella over their heads. In August, the lovers were followed across the stage by the stern and faintly smiling preacher, Mr. Jenne. One year later we see the Mr. pushing a baby carriage. And many years later we see several half-grown, rosy-faced kids, but still the Mr. is pushing the baby carriage.

Following this was a dialogue by Jim and Eric in which we found out that Eric's brother hadn't eaten in New York for two weeks when he was in Boston.

This concluded the program and after the business meeting the juniors were appointed to entertain at the next meeting.

DUNCAN OWES SCHOOL

Wednesday, December 15 was the last day Roger Duncan came to school. He is going to stay at home and work on the farm.

GRADE NEWS

1-2

For our Christmas Party we made up a play of our own. Robert Hatton was Santa Claus and Rae Lane was Mrs. Santa. We decorated the Christmas tree ourselves this year. Each one exchanged a gift with someone else.

Wanda Sargent is a new pupil in our First Grade.

Emmet Knight has been librarian for the past week and Louise Hammerquist the grounds monitor.

We sang Silent Night and Luther's Cradle Hymn in the lower hall on Monday.

3-4

We are giving a play, "A Christmas Surprise." We are inviting the 1 and 2 grade children to see it.

In our room we have some pretty clay to play with. It is pink, green, yellow, and blue.

Our room made red and green candles for our windows.

We have a small Christmas tree on our table and a large one in the front of the room. On our tree we have the decorations which we made. It has lights on it.

Our Narcissus is in bloom. It has two blossoms and smells very sweet.

5-6

The boys and girls of grades 5 and 6 are giving a play taken from Dicken's Christmas Carol. The characters in our play are:

Scrooge, David Knittle; Visitor, Shirley Gockerell; Nephew, Martin Hammerquist; Fairy, Ellen Jenne; Fanny, June Brown; Donelda Owen; Mrs. Cratchit, Betty Bennett; Martha, Bernice VanHulle; Bob Cratchet, Kenneth Trim, Peter, Andrew Zylstra, Belinda, Iris Hart; and Tiny Tim, Allen Rogers.

We invited the parents to come. It was given Thursday afternoon. We changed the name of our club from Good Citizenship Club to Honor Club.

We made some make-believe trees that were very colorful. They made sparkling center pieces for the table.

7-8

We entertained the fifth and sixth grades on Friday with our Christmas play. In the cast we forgot to include Maury Shosboek the musician who played "Jingle Bells" and "The Bear Went Over The Mountain."

Antone Marty and Oliver Powers served as Santa Claus for our room on Friday.

Wednesday and Thursday we sang for the other rooms.

DUVALL vs. INDEX

On the evening of December 16, the mighty Duvall basketball team met the Index team.

The Duvall boys played a good fast game, but couldn't seem to get ahead of the other team during the first half of the game. Per-haps it was the encouraging yells of their school mates that led the boys on to Victory. For in the last half of the game the quintet sped up and always kept their score a little ahead of the Index boys.

When the final whistle blow, our own Duvall team led with a score of 25 to Index's 11.

SKYKOMISH GAME

At 7:15 Duvall left for Skykomish with the big bus. There were two games played, one with the girls and one with the boys. The girls played first and did very well against the Skykomish girls who were very fast and sure shots. The boys' game was next and was not a very good game as far as Duvall's playing was concerned. The score was 35-22.

On the way home we stopped in Monroe and had something to eat. It was a tired bunch of boys and girls that arrived in Duvall at about 12:30 A.M.

DUVALL GIRLS vs. INDEX GIRLS

The Duvall girls played their first game of basketball on Friday December 16. The first team girls played the first half and in the second half all second team girls except the center and one guard were put into play. After a few minutes of playing the star forward was put back in the game. The score at the end of the game was Duvall 62, Index 3.

MONROE vs. DUVALL

On Tuesday, December 13, Monroe High paid a visit to the local gym. Although they had a squad of twenty players, they lost both games of the double header.

In the first game the Duvall Frosh outplayed the Monroe Frosh, the final score being 26-16.

In the second game Jim Bow, Duvall center, sparked Duvall to a 37-17 win over the quintet from Monroe.

The fact that Monroe played in the local "cracker box" may have something to do with their defeat. In any event, they are out for revenge when Duvall goes north to the "big city."

It's funny but all the nations are preparing for a war which none of them claims it wants.
SEEN OFF and ON

Jim betting Anna $10 that he would never get married.

Eric portraying the part of a lady very well.

Eileen wishing the school would put signs on the doors.

LaVerne and John LeRoy always together.

Rolanda having a wonderful time decorating the Christmas tree in study hall.

All the little girls wearing bows in their hair lately.

Kathryn always looking for Roger. Do you really miss him?

Rolanda finding a little boyfriend.

Betty talking.

Lyle, the humor editor, going on a "strike."

Roy trying to make a hit with Nellie.

Roy and Ray sitting on the sidelines Friday night. How was ice skating boys?

NOSEY REPORTER

The nosey reporter has been wondering if everyone has noticed that little romance between Margaret and Alex. Everytime Alex is mentioned Margaret shyly drops her head and looks so disgusted. But Alex only grins and says, "What's the matter, are you jealous? More power to you, Alex!

Bill Hynes had better take my advice and quit flirting with all the girls around school. It seems that Jean Lyon does not like flirts. We think that is a swell romance between Ray and Mae. It appears as though they are afraid of each other, for all the way to Sky and back they hardly spoke a word. Or maybe it is so bad that they just can't talk anymore. Oh, well, we all fall in love at one time or another.

Si:"Yes, sir, as sure as I sit here now, I shot that old double barrel at that flock of ducks and I brung down five of them."

Zeke (unconcernedly) "Didn't I ever tell you about me huntin' frogs the other night? I fired at one, and five hundred croaked."

NOTICE: School will convene on Tuesday, January 3, after the Christmas vacation.

MacDOUGALL MERCANTILE

A MERRY CHRISTMAS

and

A HAPPY NEW YEAR
CHRISTMAS VACATION

Christmas vacation started at 2 o'clock, Friday, December 22 for the students of Duvall School. From all reports we gather that old Santa was very kind-hearted and everyone had a very merry Christmas.

A survey among the students reveals how differently each one spent his vacation. Here are a few: Ray went bear hunting, but the bears must have heard him coming because he didn't see them. Eileen walked down to see our friend Roger. Jim says he burnt himself, but I wonder. Alex and Roy spent their time sleeping; and last but not least we find that Mr. Roesch put new electric wiring in his garage, two new lights in the basement and fixed the kitchen floor by putting in steel beams. In addition he made numerous social calls in Seattle, Tacoma, and Olympia.

All in all, everyone had "one swell time," and returned on Tuesday, January 3, 1939 to ponder once more over the old school books.

JUNIOR PLAY

A committee consisting of Ray, Bessie, and Lyle, have been chosen to pick out a play for the Junior Class.

The play will be presented some time in March.

The proceeds will be used to cover the cost of the Junior Senior Banquet.

JUNIOR ENTERTAINMENT

Friday, January 6, the Junior Class presented their most colossal entertainment for the benefit of the student body.

To start things rolling, Kathryn played a piano solo. The second and last bit of entertainment— which was a skit entitled "One Among Many," was enacted by Alex Stokes and Lyle McFall. Alex upon trying to digest three pieces of banana and win $5 from Lyle got the giggles and couldn't talk, eat, or do anything else. To make matters worse, Lyle also began to giggle.

The boys got a laugh out of the student body, and that is all that is necessary. So we will say they performed their duty very well.

DEBATE

The debate teams for this year have been chosen as follows: Negative Main Speaker, Clara P. Negative Rebuttalist, Gertrude A. Affirmative Main Speaker, Elsie K. Affirmative Rebuttalist, Bernice B.

The schedule for this year's debates are; Duvall Negative vs. Bellevue, January 12, at Duvall. Duvall Negative vs. Vashon, January 19, at Duvall. Duvall Affirmative vs. Bothell, January 26, at Bothell, and Duvall vs. South Kitsap, February 2, South Kitsap.

The question to be debated is: Resolved: That the United States Should Establish an Alliance With Great Britain.
New Year's Activities

New Years' comes but once a year so everyone is interested in how others spend this red-letter day. Here are a few ways in which various individuals enjoyed this holiday.

Miss Palter, after much thought remembered that they had friends in over New Year's week-end. They all enjoyed a lovely dinner in the afternoon. Miss Palter spent the evening reading.

Beckie Trim with a group of friends and relatives hiked to Cherry Creek Falls in the afternoon. "It didn't take us as long as it did the teachers, either," she remarked. They spent the afternoon playing different games.

Her evening was somewhat spoiled by the fact that she had to take care of her sick niece.

Mr. Roesch spent, as usual, a very conservative New Year's Eve. Not being used to staying up later than 10:00 p.m., he was forced to remain in bed a little bit longer New Year's morning.

(Continued on Page 6)
STUDENT INTERVIEWS

Once more your reporter is on the job, interviewing various students and trying to determine why the "thing, talk, and act" as they do.

We find Adolph's favorite subject is English. Work is his hobby and baseball his favorite sport. When asked his favorite show he replied that he hadn't seen enough shows to bother with. His pet peeve is studying History, but blondes seem to console him because they are his choice among girls.

Betty's pleasure comes with the 10:15 bell as French is her favorite subject. Betty, too, prefers blondes, but I understand that it must be a "dark blond". Reading is her hobby and basketball her favorite sport. "They'll Never Forget" is her favorite show and her pet peeve is Rolanda wearing her clothes. (Take notice of this, Rolanda.)

Ruth Carlson's favorite subject is General Business (it must run in the family), and hiking her hobby. Swimming is her favorite sport, but shows don't rate with her. She prefers dark-haired boys but says they must be honest.

Our friend Ray enjoys History the most of all his subjects. His hobby is hunting while football is his favorite sport. He has no favorite show but Sonja Ronie is his favorite actress, (Eileen says it's because she reminds him of Mae.) Girls must be blond and good looking says Ray. A sister is his pet peeve.

GUESS WHO?

She's dark, is quiet and is a member of the junior class.
She is active in all sports, especially basketball, where she plays forward.
She is secretary of the Girl's Club and does her job exceptionally well.
During 4th period every day you will find her in study hall usually busy doing work for Miss Wilson.
Can't you guess who?

Who is that little boy you'll always find on the basketball floor? He plays forward and does very well too, for such a little person.
Why, those baskets just go in right and left. The girl's think he is a pretty good referee too.
If you want to get his goat all that need be said is, "Maggie."
Surely you know who this is,

NOTICE OF MEASLES

One case of measles has been reported and efforts are being made to prevent the spread of an epidemic. The cooperation of all is necessary in order to watch for first symptoms and to guard against sending measly pupils to school.
On Friday, January 5, the first games of the new year were played. If they have any bearing on what the rest of this year's games are going to be like, the two Duvall teams are not going to have such a bad time of it.

The second team started the first game of the double-header with a bang, and ended up by beating the opposing Ballard Merchants to the tune of 30 to 18.

The first team, out to show up the second team, put up a rousing good game and at the half-time led the boys from Ballard by a good ten points. Those ten points were not quite enough, however, and when the final whistle blew the score was tied 27 to 27.

Five minutes overtime was allotted the two teams, and what a five minutes! It was jam-packed with action, yells and points. Ballard proved the better of the teams in the end with a score of 35 to 32.

Alex Stokes, coming up from a two game slump, was high point man with 15 points to his credit. Jim Bow trailed second with 12.

GIRLS BASKETBALL SCHEDULE

The Duvall girls will play at Index on January 27.

The Slykomish girls will come to Duvall to play two games on February 10.

Games will also be scheduled with Toit and the Girl's Town Team.

BASKETBALL TOURNAMENT

Because the Duvall High School squad displayed such excellent sportsmanship at the last Washington Prep Invitational Tournament, the boys have been invited to participate again this year. All games are played in the Y.I.C.A. gym in Seattle.

Only schools that have an enrollment of less than 200 may engage in competitive contests.

This year the tournament will be held during the early part of March. On the basis of last year's record the Duvall squad should be able to hold their own against the majority of high schools that will participate.

GIRL'S TOWN TEAM

On Monday, January 9, the Town team Girls held their first practice in the Duvall Gym.

In addition to alumni of the school, three teachers, Miss Wilson, Miss Leyde, and Miss Poyhonen took part. Among the alumni present were: Oleo Michelson, Lilly Taylor, Evelyn Larsen, Kathleen McMahon, and Ethel Schuler.

The girls are willing and (Con't. on Page 5, Col. 2)

JONES DRY GOODS

Now is the time to make some new QUILT3 or COMFORTERS.

We have the CHINA COTTON and WOOL MIXED BATS.

Also coverings of PRINT and CRETONNES.
GRADE NEWS

1-2
We have learned some new songs and poems. Next week we will all read our favorite poems on Audience Reading Day.

Four seats are empty since Richard and Uconna Bennett moved and Sammy and Peggy are sick. We hope they will get well soon.

More than five pictures have been painted on our new easel with the calcamine paints.

3-4
Betty Jean has a broken collar bone. She did it during vacation. She has to wear a brace across her back.

We all had a nice vacation.

We have some seeds planted in a jar. We can see the roots growing down and the stem growing up out of the dirt. They are bean seeds and some of them are getting leaves on them. Our Science lesson is about seeds and how they grow.

We have a new health chart. We have a snowmen on it.

The children who have birthdays this month are Dick Walker, Robert Parkins, Janet Owen, and Lois Miller.

We are having an attendance contest between the girls and the boys. The girls beat last month and are ahead of the boys for this month.

5-6
We are all sorry that June Brown is out of school with the measles.

Loraine has come back to this school. She is in the fifth grade.

We are exchanging our books and games to play and read during the rainy days. We all enjoy them very much.

7-8
We are happy to welcome two new students to our class. George Luxmore has entered from Quillayute and Helena Farrell rejoins our ranks after an absence of some four years. Both of the new students are in the eighth grade.

Last week Mrs. Trulson entertained all of the seventh and eighth graders at a very lovely party. Games of various types were played and delicious refreshments were served. This was the first of a series of parties planned by members of the P.T.A. for the seventh and eighth grade group.

NEW YEARS' ACTIVITIES (Cont.)

However, he was able to keep a dinner engagement in Olympia in the early afternoon. In the evening he attended an excellent show entitled "A Man to Remember." He reports a very enjoyable day.

Dorothy Riley went to Sultan in the morning. In the afternoon, after a very satisfying dinner, she went roller-skating with her aunt. She went to a show that evening and then to bed.

Miss Preston had guests at her home in Seattle on New Year's Eve. She enjoyed a swell chicken dinner at the home of relatives, "and can my aunt fry chicken," she sighed. A group of them went from one relative's home to another visiting as they went.

Josephine Hart didn't enjoy the first part of the day because she was so hungry thinking of the fried chicken. When the call, "Dinner is ready," came she was more than ready. Friends spent the day with them and they enjoyed visiting and trying their hand at typing. In the evening they all went to a show.

Mr. Roesch: "What is a geyser?"

Buster: "A waterfall going up."

DUVALL-VASHON DEBATE

On Thursday, Jan. 17, at 2:00 o'clock, the Duvall negative debate team met the Vashon affirmative team at Duvall.

The question was, "Resolved: That the United States Should Establish an Alliance with Great Britain."

Although we lost the debate, our team, consisting of two inexperienced Freshman girls, Clara Powers and Gertrude Ahl, should be complimented on the improvement they have made since the last debate, and on the way they met their older and more experienced opponents.

As the judge pointed out, if the girls hadn't been quite so meek and lady-like, they would have had a better chance for victory.

An interesting point stressed was, if the United States and Great Britain were joined by an alliance they would control over 60% of the world's trade, which would hinder the aggressor nations.

Don't forget girls, "it isn't whether you win or lose that counts, it's how you play the game." The student body and the faculty are proud of you.

GIRL'S CLUB CONFERENCE

Wednesday, Feb. 1, Jenny Brown, Betty Williams, Eileen Nelson and Miss Preston journeyed to Snoqualmie to attend a supper, and the second meeting of the "Associated Girl's Club Council."

The council was formed in order that girls from different schools could get acquainted, and to exchange ideas for club meetings.

NAZARENE VS. DUVALL HI

Friday 13, the Monroe Nazarenes came to the Duvall Gym to play two games.

Only seven men came from Monroe but from the viewpoint of the spectator each equaled almost two of our boys. This highly touted team that has been winning from some of the best teams in these parts, received the surprise of their life when those "small" Duvall Boys held them down to a 21 to 20 score.

This game, the second of the New Year, was another fast, action packed contest that thrilled the spectators. This may not seem the case from the low score but when you see that Roy, who usually has either none or only one foul had three against him you can imagine what it was like. The ball was hurried from one end of the court to another with amazing rapidity. Never was it in the hands of one player more than a few seconds. A free shot by Roy Gustafson was thought to have tied the game in the closing minutes but it was found not to be so. However, the matter is still disputed.

CONCERT

On Tuesday, January 24, the Smith School of Music and the Elk's Lyric Chorus of Everett presented a concert in the Duvall High School Gym.

The program consisted of six instrumental numbers by the stringed quartet and seven well arranged songs by the Lyric Chorus.

Although the crowd was disappointingly small, those who attended were very well pleased with the entertainment.

EDITORIAL

Like the bits of picture puzzles-
That you try to fit together-
So each and every student
Has his part in saying whether--
The "school spirit" of the high school
Shall be strong and well directed.
So the school's good points are many
And the faults can be corrected.
So don't forget the next time,
You say we have no fun---
It's very likely possible that.
You may be the one--
Who hasn't wanted to give time, talent, zeal, or work.
Too bad if it can e're be said
That you're the one to shirk.
And, speaking of school spirit
(I'm sure you, too, have thought it)
The one who gives it nothing
Is the one who "crabs" about it.

COMING EVENTS

Duvall vs. Tolt Tuesday, Feb. 7.
Duvall vs. Skykomish girls Feb. 10.

REPORT CARDS

Looking around Wednesday afternoon you might have seen a little excitement. You might have seen faces expressing complete satisfaction and then again some might have stressed deep disappointment.

For Wednesday was the day report cards were handed out.

Next semester, I am sure will be used to much more advantage.
There will be higher grades and more studying. Come on, let's see if we can't make the Honor Roll.

Those on the Honor Roll this semester were:

Wildred Doughty Josephine Hart
Jenny Brown Harry Holcome
Bessie Trim Noah Brown
Margaret Vanhulle Daisy Franke
Elbridge Gockerell

MOTION PICTURE

On Monday afternoon Jan. 30, at 2:15, the students of the Duvall school were entertained by a movie depicting the life of Abraham Lincoln. In addition to the main feature, there was a Mickey Mouse Comedy. The hour and a half show was enjoyed by all students attending.

DON'T FORGET DUVALL vs. TOLT,
TUESDAY, FEB. 7.

BOY SCOUTS

A Boy Scout Court of Honor was held at Monroe January 26, 1939. Four boys were up for advancement. They were Gordon Sinn, Noah Brown, Oliver Powers, and George Luxmore. Two more scouts also have uniforms. They are Paul Sinn and Elbridge Gockerell.

The scouts expect to take a hike to Lake Margaret on the first Saturday that weather permits. Prizes will be awarded for the best cooking.

STUDENTS LEAVE

Monday, January 23, Edith Hanson spent her last day of school with us. Edith came to Duvall when she was in the eighth grade from Eastern Washington. She has moved to Marysville where she will go to school.

Ray Nelson also said good-bye to Duvall School, last week. He is working at the Van Biezan farm. We are going to miss these students, who were both very active in sports, and hope they will come back and visit us.

JUNIOR PLAY

The Junior play has been selected. The title is "One Summer Night."

DEBATE

The Duvall debate team traveled to Bothell Thursday to debate the affirmative side of the question:

Resolved: That the United States should form an Alliance with Great Britain.

The Bothell negative team, consisting of Tom Tooney, main speaker, and Frank Seely, rebuttal speaker, was awarded the decision by Mr. Baisler of the University of Washington speech department.

Duvall was represented by Elsie Kain, affirmative speaker, and Bernice Bright, affirmative rebuttalist, who were accompanied by Duvall's negative team, Gertrude Ahl and Clara Powers.

After the debate, Mr. Baisler discussed this debate and then told us about the new kind of debate that is being used at the University. It is called the "Problem Solving" debate. Each team is composed of three members. Mr. Baisler also said that the University had stopped having decision debates because it was felt that winning the debate had become more important than debating itself.

Tuesday, we will debate the affirmative side of the question with Tahoma High School in Maple Valley.

Thursday, the affirmative team will go to Port Orchard.

"ALL DO"

DUVALL LADIES AID

Will meet at C. A. Funks in the afternoon of February 9. Of interest to all will be Mrs. Hix’s account of her trip back East.
DUVALL vs. BALLARD

Friday, January 20, the Ballard Merchants traveled to Duvall to play their return game with the High School. On the previous meeting the High School won the second team game and lost the first team game only after a hard fought five minutes overtime period.

Although the second team was sparked by long shot artist Ren Roetscinder, they lost to the tune of 30 to 17.

The first team, having lost Ray (Joker) Nelson from their ranks, were swamped under a barrage of points fired by the Ballard boys. The final score was 33 to 23.

Jim Bow was the outstanding player from Duvall; he broke through a tight zone defense to emerge high point man with 12 points to his honor.

TOLT EAGLES vs. DUVALL

The Tolt Eagles very confidently came to Duvall, ready to have a little fun playing the Duvall Hi's team. They got a big surprise when the Duvall basketeers started pouring the points in from all angles. After recovering from the surprise, they also started to bombard the old bucket. Although Tolt had the height, Duvall got its share of rebounds. After a five minute overtime period, Duvall lost by 1 point, the final score being 55-54.

INDEX vs. DUVALL GIRLS

After a long and tedious trip to Index, the Duvall Girls Team met the Index Girls for the first time on the Index court. It was a little after 8 P.M. when Duvall arrived at the gym.

Being the two teams together, the casual observer could see that Duvall was easily outweighted. This was offset by the speed and experience of the smaller Duvall team.

Chief attraction of the game was the superlative playing of Mae Spoelstra, who lived up to her nickname of "Dead Eye." She swished the basket for a total of 40 points. She was aided in her bombardment of the basket by such stellar players as Eileen Nelson and Betty Williams, whose fast passes were another bright point in Duvall's game.

Eleven substitutes kept the Duvall ranks plenty fresh, while only one was in evidence on the Index side. This accounts for the fact that Index was so tired and is also a potent factor in that they were on the short end of a 45-5 score.

TOWN TEAM vs. HIGH SCHOOL

Monday, Jan 20, the Duvall Girls trounced the Town's girls team 37 to 25.

Duvall Ekes Out Tolt

On February 7, Duvall's traditional rivals, Tolt, arrived to play the annual basketball game in Duvall's gym. The games, as the others that have been played in this gym with Tolt, were close.

Duvall, having its usual trouble with score keepers, was marked down with 26 points instead of the 29 they actually had; Tolt was thought to have been victorious with 28 points to their credit. The points in question were made by Alex Stokes. He was fouled while in the act of shooting, but the ball went through the hoop. The points were not counted by the scorekeepers, nor did they record the free shot made immediately after the fouling. Stokes was credited with two points for the game instead of 5.

NOTICE!

Our apologies, Tolt, for the mistakes of our score keepers.

The game, featuring the "behind the back" passing of Tolts Stromer, provided much excitement for the spectators.

Jim Bow starred for Duvall; he swished the basket for 10 points.

Public Forum

On Wednesday, February 22, at 8 P.M., a public forum will be held in the Duvall gymnasium.

The purpose of this get-together is to discuss current economic and political problems that are of vital interest to the citizens of Duvall.

The program was arranged through the efforts of Mr. Philip Bow.

Debate

February 2, the affirmative debate team journeyed to South Kitsap to debate the question, "Resolved: That the United States should form an Alliance with Great Britain."

Duvall was represented by Elsie Kain, constructive speaker, and Bernice Bright, rebutalist. They were accompanied by the negative team, Gertrude Ahl and Clara Powers, with their Coach, Miss Palmer.

South Kitsap's negative team was composed of Ant Bradley, constructive speaker, and Bill Wischhoeffer, rebutalist. The judge was Mr. Armstrong, the president of the Associated Student Body at the University of Washington.

Duvall was acclaimed the winner! Everyone had a very good time; and, though it was the first time three of the girls had ever been on a ferry, no cases of seasickness were reported.

We would like to thank the faculty and the student body for their support. They have certainly been very encouraging.

New Curriculum

The Social-Vocational Civics class, comprised of Sophomores, Juniors, and Seniors, is now taking up the different phases of vocations.

The first part of the semester has been dedicated to case study on character and reputation.

This course may be adjudged as one of the most valuable in this school.

EDITORIAL

Basketball season is for the most part almost at an end. Many games have been played and Duvall has won a good percentage of these games.

We would like to state that the community has certainly helped to make these basketball games possible. The people have stood by us in a splendid manner and given us encouragement, and steady support.

These are essentials that are very much in need for a good basketball team. If a team wasn't encouraged and urged on, they would not see much in playing. They wouldn't work nearly as hard and practice half as much without this boosting and rooting from the people on the sidelines.

They also need equipment and without the co-operation on the part of the citizens the teams would have to do without these really necessary items.

So, we would like to take this opportunity to thank the community for their steady backing and for the interest they have shown.

WHAT THE CLASSES ARE DOING

The Home Economics girls are all very busy making dresses. If anyone was to step into the Home Ec room during third period they would hear something like this: "Miss Preston, this machine won't work." "Miss Preston, how does this sleeve become attached to the blouse?" "Miss Preston, must I do this seam all over."

The girls are really doing some very nice work. The dresses are about half done. The trend seems to have been toward dirndles.

The boys of the Manual Training class are on the most part completing their second projects. Some articles that are made and are being finished are as follows: Loyal Bright is finishing up a kitchen table. Clarence Zylstra has almost completed a magazine rack made of gumwood. John Spoelstra completed an oak end table, while Gordon Sinn completed an oak library table and is now finishing up a gumwood chest of drawers. Noah Brown is also finishing a chest of drawers. Ed Ross is still working on his stationery box of black walnut. Ren R. is now assembling his smoking stand of gumwood, and John LeRoy is making a bedside table. Bill Hynes is making a folding ironing board and Elbridge Gockerell has completed two projects, a bedside table and a wall rack.

DUVALL GYM, ADMISSION 10¢
BOY SCOUTS

The Boy Scout activities have been very quiet for the last few weeks. Last Thursday the Scout meeting was postponed, the cause was the light snow we had. The boys enjoyed an evening of sliding instead. In the near future the next Court of Honor will be held in Duvall, and we hope to see many of our boosters from Duvall there to help us win the picture which hangs in the school office.

SKATING PARTY

The second skating party of the year will be held at the Silver Lake Rink, Friday February 24.

Due to the tremendous popularity of the last party we anticipate the largest crowd that has yet visited Silver Lake from the Duvall school. At the present time no one knows definitively whether one or two buses will be taken. Mr. Roesch is endeavoring to secure private cars to transport some of the students. However if adequate arrangements cannot be made with private owners both school buses will be utilized. A minimum charge of 5¢ per person will be made in order to defray operating expenses.

Students are urged to sign up at once for this skating party.

NEW TYPE OF DEBATE

The student body had quite a thrill Friday listening to a new type of debate demonstrated by Professor W.W. Bird and four students from the University of Washington.

This type of debate is established in several schools and may be in this school next year.

OPERA

Saturday, February 11, several teachers and other residents of Duvall journeyed to Seattle to see the opera, "Il Trovatore," which was presented by the San Carlos Opera Company.

Those attending were, Miss Elsie Lyde, Miss Palmer, Miss Preston, Mr. and Mrs. Jenne, Mr. and Mrs. Jones, Ralph Lyde, Irma Lyde, Vernon Owen, Joe Dougherty, Donald Funk, Gerald Funk, Miss Burley, Lois Michelson, and Cleo Michelson.

A very enjoyable evening was reported by all.

After the opera was over Mr. Jones treated the members of the Duvall Choir to a very enjoyable after-theater repast at the Coon Chicken Inn.

Duvall Phone 292
For Valentine’s day we had a valentine box and exchanged valentines. Elbridge Walker was the post-man. Four small children came to visit. We also made valentines for our mothers. Two daffodils bloomed on time for Valentine’s Day.

Sammy Rupard came back to school on Monday after being absent for some time.

We just finished reading a good book called "Walter the Lazy Mouse." It was about a mouse who learned to work hard.

We are planning poetry books in the fifth grade entitled, Signs of Spring. Sharp-eyes are a very necessary requirement.

The boys traveled to Maltby February 3 for a hard fought basketball game in which they were victorious to the tune of 16-14. On February 8, they won from Woodenville after two overtime periods. During the first three periods neither team was able to find the basket. In the second overtime period two sensational shots by Duval tied and won the game. These were made by Glen Miller and Paul Zylstra.

The girls lost a close game to the Freshmen, 8-0. The towering height of the Frosh team was too much for the girls.

Friday, February 10, the Skykomish girls came to Duvall to play two games of basketball. At about 7:30 you would have seen the second team of Duvall girls meeting their opponents, to fight a hard game. It looked at first as though they might give the honors to the Sky girls, but with a little assistance from the first team they rose victorious to the tune of 18 to 12.

No sooner was this game over when the first team came running out on the floor, looking very confident and at ease. They started out with a bang and held the higher score throughout the game.

The score showed the girls had made considerable improvements in their team since they played Sky at the first of the season. The score at this first game was 18 to 12, in Skykomish's favor, giving them a lead of 6 points. Our score in the Duvall gym was 29 to 12. Giving our girls 17 points more than Skykomish.

GRADE GIRLS vs. FROSH GIRLS

At noon on February 8, the Frosh girls played the seventh and eighth grade girls. The score was 8 to 0 in favor of the Frosh, who were larger and had more practice.

DUVALL WHIPS WASHINGTON PREP

On the afternoon of February 3, Washington Prep of Seattle came to Duvall for Duvall's first day game of the year.

The Prep boys were large but Duvall faced them without the least fear. They held them down to a score of 37 to 23, Duvall in the lead.

Points scored by the Duvall boys were: Stokes 14, Brown 6, Bow 8, Gustafson 3, and Carlson 6.

The substitutes used in the game were Clark and Roetcisoender.

COME and SEE
"The Magic Marvels of the Age."
LECKVOLD ENTERTAINS

On Tuesday February 28th at 8:00 P. M. Leckvold, the magician, presented his famous show in the Duvall Gymnasium.

To start out the proceedings, Mr. Leckvold produced from an empty box a dozen colored handkerchiefs. Next in order was a card trick. Seven playing cards, with Mr. Leckvold's assistance, were used to tell a story of a young married couple receiving their pay check. The lady took the pay check and went down town to spend it. The pay check was only seven dollars and there were a lot of things to buy. The wife bought a yellow dress, a yellow hat, a yellow pair of shoes, and a black purse. In the end after making all these purchases she still had seven dollars.

The last thing on the program was the cave of horrors. The magician went out in the audience and secured a large handkerchief. Then all the lights were dimmed.

Mr. Leckvold tied a knot, which resembled a head, with the handkerchief. Next he used some hokus pokus and the handkerchief started walking around and going up in the air. He called his little spook Joe and seemed to enjoy the spook's company so much he even kissed it. Finally all the lights were put out and weird creatures danced in the air.

This concluded the show. The magician said he enjoyed being here very much except for the missing that seemed to originate from the back of the gym.

JUNIOR PLAY

One of the most entertaining plays ever scheduled for this community is now being produced by the junior class of the Duvall High School.

Drama! Mystery! Comedy! All are wrapped up in the exciting play, "One Summer Night."

Such renowned actresses as Eileen Nelson, Bessie Trim, Mildred Doughty and Kathryn Spoelstra are included in the all star cast. The only male member of the cast who has had any stage experience is Lyle McFall.

The entire Junior class will take part in this production. Those who will be acting on the stage for the first time are: Alex Stokes, Adolph Schosboek, Margaret Vanhulle, Roy Gustafson, Mae Spoelstra, Milo Clark and Betty Williams.

GIRLS BASKETBALL

The high school girls have had a very strong basketball team this year. So far they have played six games, and lost one.

The girls lost their first game of the season to the very competent Skykomish girls. The Duvall sextet has won two games from Index, two from the town team and one from Skykomish.

The final two games of the season will be played with Bellevue. As the team from over Lake Washington way has an excellent squad, we can expect two exciting contests.

EDITORIAL
The members of the U.S. Civics class would like to take this opportunity to express their appreciation to Mr. Jenne and the School Board for allowing us to visit the State Capitol.
For most of us, this was our first opportunity to visit the Capitol building at Olympia. We visited many departments of the state and much interesting and valuable information was gathered concerning the actual procedures of government.
The information we acquire in class from our Civics book, now seems much more realistic since we actually saw the business of the state conducted first hand by our elected legislators.
Again we say "thanks" to those who made this trip possible.

The stage managers for the Junior Play are: Eric Carlso; Noah Brown and Gordon Sinn.

NEW BUS DRIVER
Mr Otis Lamb is the new valley bus driver. He is taking the position of Mr. Glen Leyde, who has moved to Seattle.

PLAYFIELD IMPROVEMENT
On Friday March 3, five Duvall high students: Jim Bow, Eric Carlson, Roy Gustafson, Lyle McFall and Milo Clark hauled sand for the baseball diamond.

BASEBALL
Mr. Roesch has purchased new baseball equipment to supplement that already on hand.
First turnout is set for Monday, March 27.

FLU
The "Flu" epidemic that has been sweeping the nation has not gained a strong foothold in the Duvall school. Only 2 mild cases are reported.
Each day Mr. McCormick sprays all the rooms with disinfectant.

Our electric score board is in operation once more, thanks to the efforts of Mr. Jenne.

GRADE NEWS

1-2

Rae and Bobby Lane moved into Seattle last week. We were sorry to lose them.
Louise Hammerquist is our librarian and Sammy Rupert is the grounds monitor.
We have read another good book about a mouse called Runzel Punzel.
Each child in our room made a calendar for March.

3-4

We have a new boy in our room.
His name is Ben Vanderwerf. We also have a new girl in the fourth grade. Her name is Mary Goffkin.
We have four new library books which we are enjoying very much.
Lee Brown brought a toy tractor and truck to school which we are using to play in our sand table.
Each day we have a new memory verse on our blackboard.
Miss Leyde is reading "The Littlest Rebel" to us. It is a very interesting and exciting story. We like it very much.

Don't forget the Green Lake A.C. vs. Duvall boys, Tuesday, March 14.

GRADE NEWS

5-6

We have a new boy in our room. His name is Neal Vanderwerf. He is in the sixth grade.
We are very sorry that Martin Hammerquist has left our school. He moved during the week-end.
We have two double daffodils. They are very pretty.
Our cupboard windows are covered with the flower called flag.
We are taking up birds for our nature study. We gave reports on them in each grade. In art we drew pictures of birds for our nature study.

7-8

We are sorry to see Arlene Riley move to Fall City. There are only seven girls in our room now. We will miss her in basketball especially.
On Wednesday, March 1, 1939, at noon the seventh and eighth grade girls played the Freshman girls a game of basketball. The score was 6 to 5 in favor of the grade school girls.

Don't forget, Bellevue High School girls vs. Duvall High School girls, tonight at 7:30 P.M. in the Duvall gym. Admission 10¢.

SKATING PARTY

Friday, February 24, Duvall High School students and several Cherry Valley Grade School students journeyed to Silver Lake for an evening of skating.

For the first time in the history of Duvall, both buses were used to transport the students to the rink. We were worried for a while as to whether or not we could get the necessary number for a reduction in admission. To get this reduction, we had to have 50 skaters in the party. Although there were not enough students attending to make up the required number, the alumni of the school were on hand and with their assistance, we were able to make up the necessary minimum.

No accidents were reported, with the exception of a few floor burns and bruises.

The only comment necessary to express how much of a success the party was can be found in the question all students are asking: "When do we go again?"

OLYMPIA TRIP

On March 7, the upperclassmen spent a very enjoyable day in Olympia. The weather, quite contrary to tradition, was perfect.

Three private cars were taken on this trip, Mr. Brown's, driven by Mr. Jenne; Mr. Spoelstra's, driven by Ted Spoelstra; and Mrs. Jenne's, driven by Mrs. Jenne.

The cars were to meet at the old capitol building, but only Mr. Jenne's group showed up. They looked over the building and, when they came out, met the other two groups hunting for them.

They then went to the new capitol and sat in on part of the morning session of the house.

After tiring of this, Mr. Jenne secured permission from the Building Superintendent to climb the tower of the Capitol Building. This climb was accomplished by a ride on the elevator and then ascending an innumerable no. of steps.

Appetites had been worked up after the long climb, so the groups adjourned to lunch.

After lunch the school visited Governor Martin and witnessed a case being tried by the Supreme Court. The Senate was visited next, and a page boy took the class through all the Senate chambers. They then sat in on part of the Senatorial session.

Duvall was not the only school to have a class at Olympia. Orting, Stevenson, and Bothell were also there. Part of the noon period was taken up listening to the Bothell band play some numbers. Duvall thinks the band is really high class, and wishes them luck in securing funds for their trip to the San Francisco World's Fair.

TCOWN TEAM vs. DUVALL GIRLS

Monday, February 27, the Town team women met the High School girls to play their second game of basketball. The town team was at quite a disadvantage. Three of their best players could not turn out for this game. But those remaining put up a brave fight and made it look like they might have a chance.

Several minutes of ball were played before a score was made. Then, low and behold, the Town team sunk the first basket. However, the High School Girls soon got their bearings, and really showed those town team women how to play basketball.

After a six quarter game the score was 13 to 32 in favor of the High School.

The girls would like to thank those few boys who were so opposed to the game. They showed their real colors by impressing us with their poor sportsmanship. Thanks, boys!

GRAD.GIRLS vs. FROSH GIRLS

On Wednesday, noon, March first, the grade school girls started the month out with a bang by beating the High School Frosh in a game of basketball.

Although the Grade School girls were short on height, they were certainly long on spirit. (Cont. next col.)

Keep up the good work, girls. There is no question that you will soon be able to give the town team a good game.

Oh yes, the score: Grade School 6, High School Frosh, 5.

DUVALL vs. PLYMOUTH CHURCH

Duvall was the host to the Plymouth Congregational Church, February 23, 1939.

After the way the second team was trimmed by what was thought to be the Church's second team, the Duvall boys were expecting to get tramped upon in the worst way. The Church boys took an early lead, but Duvall soon found that they weren't so good. Our boys started to go to town, but that early lead was too much.

When the final whistle blew, Duvall had again lost another game by 1 point. The final score was 24 to 23 in favor of the Church.

The seconds, playing the Green Lake A.C., who were masquerading under the name of the Plymouth Congregational second team, came out on the short end of a 29 to 14 score.

DUVALL vs. WAGNER

On Tuesday, February 28, Duvall took a triple header from the Wagner Boy Scouts.

The scores were; Duvall Grade 12 Wagner 6, Duvall Seconds 18, Wagner 7, and Duvall First 42, Wagner 17.

SCHOOL BOARD ELECTION

As a result of the annual school election held on Sat. March 4, Donald Owen was reelected for a 3 year term.

COMPLETE SERVICE FOR YOUR CAR

ANDERSON’S GARAGE
"ONE SUMMER NIGHT"

Now it can be told! What? Why the cast for the junior play.

We have Adolph Schosboek making his stage debut in the role of Wimple Loudermilk, a simple farmer; Mildred Doughty takes the part of his better half, Matilda like a duck takes to water. Lyle McFall portrays the snoopy reporter to a high degree of perfection. Mae Spoelstra, playing Mrs. Thunderly, will exhibit her prowess as a wrestler. Bessie Trim and Margaret Vanhulle form the mysterious element when they disappear suddenly. They appear in the play as Mrs. Thunderly's nieces, Betty and Edith Waring. Alex Stokes, also on the stage for the first time, brilliantly performs as Sam the village colored boy. Jenny Brown and Betty Williams are the beautiful but very dumb school teachers, who innocently complicate matters. Doctor Blutch and Miss Twitchell known to you as Milo Clark and Kathryn Spoelstra, give medical aid to the hard working detective, Mr. Atkins, played by Roy Gustafson.

Admittance is only 27¢ for adults and 16¢ for children.

The place is the Duvall gym and the time is 8:00 P.M. Friday, March 31.

Come early and bring your family and friends.
Baseball season is again here. With it arises the problem of--How to raise money to buy bats and balls. Two solutions have been offered.

One is this: Each boy will contribute a specified sum of money to a baseball fund, and if the bats broken and balls lost by the individual who breaks a bat or loses a ball shall submit ½ the purchase price to the fund.

The other solution: Last year the Sunday baseball games that were held drew large crowds. If the games were held again this year and upon the passing of a hat, those of the crowd who are interested in the baseball games should give a sum of money, whether large or small, the proceeds could be used to purchase these necessary items.

If the reader comes to a conclusion as to which method he would prefer, or if another solution is found, please notify the editor of this paper. All ideas are welcome.

CALENDAR

Novelty A.C. vs Duvall Town Team
Fri. Mar. 24, Novelty Gym.

Boy Scout hike Saturday, Mar. 25.

Junior Play, Fri. March 31.

Spring vacation, April 1-9.

During the past week, Duvall's up and coming baseball team has broken three bats, knocked the covers off two baseballs, and lost 1 ball over the right field fence.

Now that one school lunch is over for the year, Miss Irster's class have moved from the shop edition back to the Home Economics Room.

The tennis courts should be ready for use within the next three weeks.

League baseball games will not be scheduled this year. The S.A.A. cannot afford to meet the transportation expense.

Basketball season was officially closed in Duvall when on Friday, March 17, the Novelty A. C. defeated the town team 41-40.

The girl's town team basketball game with Monroe faculty scheduled for Monday, March 20, was canceled by Monroe.

Due to play rehearsals the Gym is closed to all evening basketball until after the 14th of April.

The date of the junior play, "One Summer Night," is Friday, March 31. Do not miss this excellent production.

Total expenses for the Duvall basketball team during their three day play-off in the Seattle "Small High School Tournament," was $5.00.

Ten students are taking Violin and Guitar lessons every Monday afternoon. The instructor is from the Smith School of Music. Excellent progress is reported.
Grade News

1 - 2

Thirteen people in our room received toxoid inoculation for diphtheria. All except two children have taken it.
Sanford Chapman brought some new stamps for our stamp collection. We have a stamp for the World's Fair at San Francisco.
Three children have had birthdays this month.
Dorothy Roorda is a new pupil in our room. She came from Ilwaco.

3 - 4.

We have a border of daffodils on our blackboard.
The children who have birthdays in this month are: Leona, Clara, Ben, Dorothy, Lawrence, and Floyd. Two of these were on St. Patrick's Day. They were Floyd's and Lawrence's.
The third grade are making Eskimo books for Geography.

Duvall vs. Bellevue

Playing their next-to-last basketball game of the season with the strong Bellevue team, Fri., March 10, the Duvall girls were defeated in 2 games. The scores were: First team, Duvall 12, Bellevue, 24; second team, Duvall 4, Bellevue, 28.

Grade News

5 - 6

Miss Passage read the books called "The Son of Tarzan." She is now reading "The Beasts of Tarzan." They are very good books.
We already have eight bird nests, we are trying to find more. We have looked very hard for an oriole nest, but have not yet found one. We soon will be going on our nature hikes just as soon as the weather is better.
We have a new girl in our room. Her name is Mary Roorda. She is in the sixth grade.

7 - 8

Last Wednesday the 7th and 8th grade boys defeated the Tolt boys 34 to 4. Glen Miller was high point man.
For art last week we made designs of women's new spring hats. Some of them are very comical though not any more extreme than the real ones.

Seen off and on

Miss Poyhonen wearing shamrocks in her hair.
Billy's voice changing to a high C.
Two girls taking singing lessons. Maybe they need them. Who knows?
DR. NORCROSS VISITS SCHOOL  
By Anria Carlson  

Monday morning, March 13, the High School and the 7th and 8th grade students enjoyed another educational lecture by Doctor Norcross, a member of the Council for the Prevention of War. 

Dr. Norcross, formerly a pastor of a church in Oregon, resigned his position to take over this work because, as he explained it, "If we can't keep America out of war, what else matters?" 

At the very beginning of his talk he asked us to think—really use our heads and think about the situation of the world today. "You know," he said, "90% of the people don't think, 8% think they think, while only 2% really do think."

He pointed out to us that there are twenty-five essentials that a nation must have in order to become a world power. Of these, Britain and United States have 20 each, whereas Japan has only 6, Germany 5 and Italy 4. It is his opinion that we could stop these so called aggressor nations if we, who have plenty, would seek to build up trade relations with them. "Let it be better if it must be that. Anything is better than war." These countries must have these essentials and if they can't get them any other way, they'll endeavor to take them by force. "When people are hungry, they will fight."

In conclusion he asked us to learn to respect the rights of others. This grand country of ours hasn't always kept her hands clean. We have absolutely no reason to look down on Japan, Italy or Germany because they have tried to get their essentials by the wrong method—namely, war.

We, the students of Duvall, with our teachers, greatly enjoyed your discussion, Dr. Norcross, and we sincerely welcome you back anytime it is convenient for you to come.

DUVALL vs. SEATTLE PILGRIMS  

On Saturday March 11, Duvall defeated the Seattle Pilgrim Church 41-30 in one of the hardest fought basketball games of the season.

For a while during the game it looked as if Duvall was going to lose but in the last quarter the boys snapped out of it and piled up a big lead.

Roy Gustafson was high point man with 15 points to his credit.

GREENLAKE DEFEATS DUVALL  

The Greenlake A.C. defeated Duvall March 14, only after the first string was pulled at the half because of the tournament the next day. The second team played good ball but lost 26-22.
TOURNAMENT

On Wednesday, March 15, a convoy of basketeers, consisting of Alex Stokes, Jim Bow, Noah Brown, Roy Gustafson, Eric Carlson, Lyle McVall, and Milo Clark, accompanied by Mr. Roesch, their coach, went to Seattle to try their luck in the annual Washington Prep Invitational Basketball Tournament.

The tournament, held in the Y.M.C.A. Gym, was for schools with under 250 students.

Duvall's first game was with Federal Way, a new school from near Tacoma. Duvall took an early lead and kept it throughout the game. In the fourth quarter Jim Bow went out of the game on fouls. The game was full of action, two long shots by Gustafson at the start of the game put the crowd in favor of Duvall. The final score was 28-24.

The second game was slated with Foster, a team that took second place in their district meet. The boys left Duvall at 11:30 A.M., and a long detour had to be made before they reached Seattle. The second game was another action-packed game that thrilled the spectators. Foster outplayed Duvall the first half, and although Duvall made the better showing all through the third and fourth quarters, they couldn't overpower that lead Foster had piled up. Fouling again hit the ranks of Duvall's quintet, and Noah Brown and Roy Gustafson went out with 4 personals apiece. The final score was Foster 41, Duvall 28.

The last game was played with Roy, and what a game! Again Duvall was outscored in the first half, and, although they made 4 points more than the opposition during the last half, they lost to the tune of 38-25.

After each game the boys went swimming in the warm waters of the Y.M.C.A. swimming pool. This was thoroughly enjoyed by the boys, as was the attempts to "picket the pickets" in front of a gas station, and the stopping at the Siberian for "eats."

RETURN GAME WITH BELLEVUE

On Friday night, March 10, the Duvall Girl's Teams journeyed to Bellevue to play a return game as well as the last game of the season.

Though they had little hopes of winning, they set out determined to play their best.

Three of the first team girls were not playing and this handicapped them a great deal. However they started out playing hard and ended up the same way. The final whistle left them on the short end of a 6-44 score for first team and 3-41 for second team.

JUNIOR PLAY

Friday night, March 31, the Junior Class presented their play, "One Summer Night."

The play was a huge success. The performance of every actor was exceptionally good.

The attendance at the play was the greatest in three years. The total net proceeds were $43.71.

It is only right to take this opportunity to thank those who helped make this play such an outstanding success.

Our thanks go to the public for their support, to the actors for their hard work and evening of entertainment, and last but not least, to the Junior Class advisor, the author and director of the play, Mr. Winston L. Roesch.

AG. TRIP

Anthony Vanhulle and Ervin Stokes will leave for the State College at Pullman on Sunday, Apr. 24. Free tickets for the trip have been furnished by the Great Northern Railway. Room and board have been provided for them at the college.

The purpose of the trip is to attend the agriculture meeting, held annually by Washington State College.

The boys will be shown about the college. They will also partake in some cattle judging.

The return trip will be made on April 30.

MINSTREL SHOW

The Duvall Civic Club will present its minstrel show, "The Lady Minstrels from Dixie" tonight at the school gym at 8 o'clock. The cast includes the outstanding talent from the local community.

Members of the cast are: Mrs. Weber, Mrs. Bennett, Mrs. Schuler, Mrs. Hix, Mrs. Bredenburg, Mrs. Miller, Mrs. Wallace, Mrs. Lamb, Mrs. Gockerell, Mrs. Quale, Mrs. Herzog, Mrs. Proffitt, Miss Preston, Mrs. Beisden, Mrs. Anderson, and Velma Hix. Additional entertainment will be supplied by Mrs. Wright, Kathryn Speeister, the Fuhriman Children, Mrs. McCormick, Miss Hix, Miss Passage and Mr. J. Wallace.

Outside talent includes a tap dance by Mary Lou Duve, Joyce Anderson and Avabel Brumbaugh.

The show promises to afford a full evening of fun, laughter and good music. Put aside your cares for the evening and come to laugh with "The Lady Minstrels from Dixie."

The admission will be 27¢ for adults and 16¢ for all children and high school students.

BOY SCOUT NEWS

On May 2, the Duvall Boy Scouts are giving a dinner for committee men of the troop. The dinner will be at 6:00 P.M. and followed by a Court of Honor, which will enable us to win the picture given for the largest attendance. It will be held at the M.E. Church.
The upperclassmen will visit Seattle Friday, April 21, in order to gain first hand knowledge concerning the operation of industrial concerns and public institutions.

Ren Roetcisoender is back to school after working on his fathers' farm for a week.

Mr. Jenne attended the Inland Empire Educational Convention in Spokane during spring vacation. He reported an interesting meeting.

The boys are trying to promote Sunday baseball games between the High School team and the Town Team.

Chemistry class recitations are now being held in the Home Economics room. However, experiments are still carried on in the Lab.

A shelf has been set aside in the library for the use of the Vocational Civics class. Books on reserve include "Manners for Moderns," "Becoming a Writer," and "Finding a Job."

Roy Gustafson now arises at the crack of dawn. He is the new milker for Arthur church on the Unger Farm.

The High School girls are going to have a Play Day at Bellevue in the near future.

Mrs. Wilfred Gievings, the former Jewell Pierson, visited school April 13.

Although considerable improvement has been made on the school grounds, we still dislike to see uncut grass and ill kept tennis courts.

What do the students do about this? NOTHING! They sit around, twiddle their thumbs and say, "Let Bill do it." What kind of spineless creatures are they? Have they no pride in their Alma Mater?

The teachers are trying to remedy this situation. They are proclaiming a campus day in the near future, probably around the first of May. But they can't do everything. The students must help by cutting the grass, planting shrubbery, repairing the tennis courts, and fixing the baseball diamonds.

Come on, students! Let's make this campus the pride of Snoqualmie Valley.

CALAEDER

Civics class, trip to Seattle, Friday April 21.

Redmond at Duvall, girl's baseball, Thursday April 27.

Tolt at Duvall, girl's baseball, Thursday May 4.

Grade School Operetta, Friday May 19.

School Exhibit, Friday May 19.

Town Team vs. High School, Sunday.
SENIOR INTERVIEW

We have six seniors that will graduate this year. They are Mildred Doughty, Jenny Brown, Nellie Van Biezen, Anna Carlson, Jim Bow; and Eric Carlson.

When Mildred graduates this June she is going to San Francisco to visit her aunt. She also intends to take a trip to the Worlds Fair. She will be in California two months, but she doesn't know what she is going to do when she returns.

Jenny Brown is planning on taking a trip to New York to visit her grandmother. She doesn't know how long she intends to stay but it will be for quite a length of time. When she returns she is not sure what she will do.

Nellie says that when she graduates she will just stay home. She might change her mind before long but she doesn't know exactly what she wants to do.

Anna is planning to continue to stay in Duvall and vicinity. She can't make up her mind to exactly what she wants to do.

Jim plans to go to the University of Washington. He is going to take up Journalism or Civil Service.

Eric also is going to go to the University. He is going to take up engineering. It will be necessary for him to work for a year or two before he goes.

BASEBALL GAME

Thursday, April 13, the girls opened the baseball season by playing a seven inning game with Bellevue.

The game started at approximately 3:20, and our girls got off to a good start by making a score of 6 runs in the first inning.

During the fourth inning something happened to the Bellevue girls for in place of 1 run they had 8. From then on the visiting team really showed us they could play, while our home team got worse and worse.

The final score was 13 to 22 in Bellevue's favor.

GROUND IMPROVEMENT

During the spring vacation Bill McCormick laid drainage tile in the ditch on the south end of the play field. In addition he seeded the plowed ground on the east end of the school grounds. The edge of the flower beds have been boarded, and the beds themselves will be filled with fresh soil. Finally, Mr. McCormick worked on the tennis courts. He expects to have them ready within three weeks.

The lawn on and around the baseball diamond was cut on Saturday, April the 15th. New bases were also made and put in place. The diamond is now ready for those Sunday ball hawks.

"ALL DO"
GR\\DE NEWS

1-2

Thursday is "Poem Day" in our room during language period. We learn new poems and read the poems we like best. We are working for good expression.

Last week we made calendars for April.
Billy Pennington and David Harder have birthdays in April.
Each one in the room has a turn to lead the class in flag salute on Friday.
The second grade has been taking speed tests in reading. Most of the children have improved their speed for the month.

3-4

We have two new children in our room. They are in the third grade. Their names are Jean and Frank Akers.
Bertha and Pearl brought an Orioles nest to school. It is not at all like the robins nest that Leona brought.
Some of the frog eggs have hatched and now we have some tadpoles.
The third grade has new Readers. In our room we have a rock that the Indians used to grind their corn with.
Now that the weather is nice, we spend almost all of our free time out of doors.

7-9

The 7th and 8th grade boys and girls each have a new baseball.
Those on the honor roll in the eighth grade are as follows:
Lila Haywood Scott Wallace
Peggy Miller
Kenneth Bennett Virginia Peterson
Those in the seventh grade:
Dolores Lucero
Betty Larsen
Oliver Powers

DON'T FORGET MINSTREL SHOW TONITE

$9.95 Terms
GIRL'S BASEBALL

For the first time in the History of Duvall, the girls have gone in for baseball in a big way. Although they have had very little practice it looks as if they have a fair chance, in playing and holding their own against other schools. Those on the first team are:

Catcher-------------Betty Williams
Pitcher-------------Eileen Nelson
First Base--------Rolanda Williams
Second Base--------Maxine Close
Third Base--------Virginia Close
Short Stop---------Ruth Carlson
Short Field--------Mae Spoelstra
Right Field--------Beulah Trim
Center Field------Margaret Jahnulle
Left Field---------Elsie Kain

The girls schedule for games is as follows:
Bellevue at Duvall-----April 13
Duvall at Tolmie--------April 20
Redmond at Duvall-------April 27
Tolmie at Duvall--------May 4
Duvall at Bellevue-------May 11
Duvall at Redmond-------May 18

Mr. Jenne who was suffering from a bad cold last week has been forced to remain in bed the last four days. We expect him back to school on Monday.

The faculty have been doubling up on some classes while waiting for Mr. Jenne to return.

SPRING VACATION

Spring vacation started for the students and faculty of Duvall School on March 31, and came to an end Easter Sunday, April 9.

Though the weather was fairly uncertain, from all reports everyone enjoyed his vacation immensely. In a survey of the High School students and faculty we find that each one had his own way of spending his time.

Here are a few: Rolanda escorted a University magazine salesman about the neighborhood, Virginia went up to see Ruth Carlson, Josephine fought with her sister, Ruth Marshall worked at MacDougall's, Mildred "worked and worked and worked until she was glad when school started again," (However, we didn't find out what she 'worked at) Mr. Roesch helped alter a kitchen, Mae and Kathryn planted gardens, Roy slept, Alex hauled manure, Elsie papered her room, Jenny and Nellie housecleaned, and last but not least, Eileen went shopping in Seattle.

And now that our vacation is over let's buckle down and do some real hard work during these last 8 weeks of school. We'll all be amply rewarded because—well, because summer is coming and that means 3 months of vacation instead of 1 week.

BOYS’ CLUB NEWS

The boys’ club held a special meeting the other day to elect new officers and the following were elected: Jim Bow, President, and Roy Gustafson, Vice-President.

The following rules were voted on and passed:

1. All boys who break a bat during a game or practice must pay full purchase price.
2. Any boy losing a ball must pay full purchase price.
3. The boys’ club would pay their own transportation to games away from home.

The boys hope to have a ball game Sunday April 23, with the town team. The game will begin at 1:30 or 2:00 o’clock.

This was the first Boy’s Club meeting held since last fall and it was very much to the boys’ advantage. Meetings are going to be held regularly in the future.

SEEN OFF AND ON

Mike working on Sunday. We wonder why his truck was sitting by a certain town house all day?

Margaret burning brush on the broad acres of the Vanhulle estate.

Mr. Roesch as a painter (?)?

Lyle getting acquainted around Lake Joy.

Buster overjoyed at having Rolanda riding on the Novelty bus.

The boys trying to find out who J.B. is. How about a hint, Kate?

Bill R. coming to school to see Nellie. Was she ever a-twitter!

SATURDAY MORNING
On Friday afternoon, April 28, the high school students enjoyed a talk by Professor Coolridge from the English Department of Washington State College. For the past few weeks he has been visiting the various high schools throughout the State. Though his purpose was to meet with the Seniors and try to encourage their entrance to W.S.C., he very kindly consented to speak to the student body.

Professor Coolridge pointed out to us that our lives are made up of two contributing forces—the things which others contribute, and those which we, ourselves, contribute. "From this we can readily see that that well-known verse, 'Love your neighbor as yourself', means that though we must be concerned about our neighbor's welfare and happiness, that is only half. We must also be concerned about our own and endeavor to build up our lives so that each of us may reach the highest level possible."

He also brought out the fact that though each person has his own point of view, it is well for us to be as broad-minded as possible. If we do this, no matter how limited our conditions of life are, or how handicapped we are in any way, our lives will not be as "narrow as the canyon in which we live."

After this interesting address he interviewed each of the graduating seniors. Although none of the students expect to attend W.S.C., they were visibly impressed by what the State College had to offer in the way of educational opportunities.

On the morning of April 21, the Civics class, consisting of 18 pupils accompanied by Miss Preston and Rex Hendee, made a trip to Seattle to visit institutions of public service. The first stop was made at the Immigration Station. Although there was not a large number of immigrants seeking entry to the United States, a group of Chinese men and women attracted a good deal of student attention. For it was interesting to notice that despite the apparent poverty, the Chinese seemed cheerful and very friendly.

In sharp contrast were the undesirables aliens who were leaving the United States for reasons of illegal entry, improper papers, and acts against the laws of the State and Nation. The official who conducted the group through the station gave some members of the class a thrill when he allowed them to lift a 32 pound gold brick, valued at approximately $13,000.

From the Immigration Station the class went to the County City Building. They were shown through the jail, kitchen, sheriff's office, and the morgue. A special deputy allowed some of the members of the class to go inside the padded cells. Despite the encouraging remarks from some of the upperclassmen, no one cared to stay behind the bars.

After lunch the class returned to the Court House where they took in a Municipal Court where the prisoners were pleading "guilty" or "not guilty." They heard one man sentenced to be deported to England.

NEWS BRIEFS

School alumni are invited to attend the skating party Friday evening, May 12, at the Silver Lake Rink. The bus will leave the school house at 7:00 P. M. Transportation cost is five cents.

The Duvall Ladies Aid will serve a supper Thursday evening, May 11, from 6:00 until 8:00 P.M. at the social hall across the street from the M. E. church. Everyone is welcome.

Anthony Vanhulle and Ervin Stokes returned to school Monday after a week's stay at Washington State College.

Play day for the girls will be held at the Bellevue school on Saturday May 5. At least ten girls expect to attend.

The Fall City high school boys will not play the Duvall baseball team this year.

Baccalaureate Services will be held in the Duvall Church Sunday evening at 8:00 P. M. June 4.

Commencement Exercises are to be held in the school gymnasium on Tuesday, June 6.

Bill McCormick seeded the eastern end of the playfield by hand.

The Duvall Boy Scouts will attend the Ninth Annual Camporee to be held in the Legion Park at Everett on May 20 and 21.

EDITORIAL

During the past school year two educational trips have been taken by the upperclassmen; one to Olympia and the other to Seattle.

The trips were enjoyed by all concerned; and, in addition, the students learned more about governmental affairs than most textbooks could teach them.

The lowerclassmen haven't been on any trips this year. Would they use such a trip as the medium of getting out of work and having a good time or would they attempt to learn something?

Come on, lowerclassmen! Express an interest in such a trip and perhaps the faculty will be impressed enough to allow you to accompany upperclassmen to some institution of interest.

MEASLES EPIDEMIC

Two cases of the measles have been reported in this school district. Members of the Miller family and the Pennington family have been afflicted.

Any other cases should be reported to the school at once so that the proper precautions can be taken to prevent the spread of this disease.

DUVALL CHOIR

The Duvall Choir will present their annual recital on Thursday evening, May 11, in the Duvall Methodist Church.

Mr. Jones, their very able conductor, has prepared a special program which will feature not only the full choir group but also guest artists from Everett, Seattle, and Tacoma.

The members of the choir cordially invite all citizens of the community to attend this special recital.

Faculty members who are taking an active part in the program include: Miss Elsie Leyde, Miss Mary Passage and Mr. Winston Roesch.

In a five inning softball contest held here Thursday afternoon between Tolt and Duvall, the girls from Tolt soundly trounced the local High School girls: 28 to 4.

CIVICS TRIP

(Continued from page 1 column 2)

The class then visited the Art Museum, but could only spend a half hour there as they had to be back at the school house by 3:30.

The Civics class thoroughly enjoyed the trip, though many were disappointed that we did not have time to visit the P.I. office.

COURT OF HONOR

A Court of Honor for the Boy Scouts from the Monroe-Duvall Area was held at the Duvall M.E. Church on Tuesday evening, May 2.

Prior to the court a committee dinner was given in the banquet room of the High School.

Troop 61 of Duvall had a big right. They won the prize offered for the best scout and parent attendance at the last five Courts of Honor. The prize which now becomes a permanent possession of the troop is an excellent picture painted by Norman Rockwell. Troop 61 also increased their treasury by $7.00 when Oliver Power's cake was auctioned off at $2.50; and the proceeds of the banquet were found to total $4.50.

The following scouts were up for advancement: Noah Brown, first class; Paul Sinn, second class; Alex Stokes, merit badge: Civics; Gordon Sinn, merit badge: electricity; Oliver Powers, merit badge: cooking.

### GRADE NEWS

1-2

The second graders have started a weather bureau. The students are recording temperature and weather conditions in special booklets. We are very proud of our Orthopedic bag, so far we have 64.

3-4

We are glad to welcome back Genevieve. She has been absent a week. Our room made May baskets. We took them home to our mothers. We have lilacs in our room. Lois, Eugene, and Jimmy brought them. We are very happy; Miss Leyde is reading us the story of "Billy Wiskers Junior."

5-6

We are going to present our operetta on the 19 of May. We are trying very hard to make it a very successful production. The cast is as follows: Oliver Powers, Hertog enbash; Virginia Gockerell, Vrouw; Lila Haywook, Hilda; Helen Farrell Katrina; Kenneth Bennett, Franz; Betty Bennett, Willhelmina; Glen Parkens, Hans; David Knittle, Bob Yankee.

NOTICE: SKATING PARTY POSTPONED UNTIL FRIDAY, MAY 12.

### SCHOOL EXHIBIT

The annual all school exhibit will be held on Friday, May 19. On display in Miss Wilson's first and second grade room will be charts composed by the children on stories and books they have read. Other attractions are the various art and penmanship booklets that they have worked on throughout the year.

The third and fourth graders, taught by Miss Leyde, will have samples of their art work, specimens of penmanship and booklets of all description, to show those interested in the room.

The fifth and sixth grade room has on display their History and arithmetic booklets, their art work, the room nature study collection, and a showing of the students hobbies.

The seventh and eighth grade will, as usual, offer an excellent arrangement of art pictures depicting the various aspects of social customs. In addition, student papers showing a portion of the work accomplished during the year will be prominently placed so that parents and friends may have an opportunity of seeing what John or Mary have achieved during the year.

NOTICE: SKATING PARTY POSTPONED UNTIL FRIDAY, MAY 12.

DUVALL vs. TOLT

On Thursday, April 20, the girls went to Tolt to play a rather slow uneven game of soft ball. The Tolt girls proved to be the better players throughout most of the game. They played exceptionally good ball, while Duvall seemed unable to get started. The final score was Tolt 22 and Duvall 2.

The Duvall team will be out for revenge when Tolt plays their return game here on May 4.

DUVALL vs. REDMOND

On Thursday afternoon, April 27, the Duvall girls went to Redmond to play another scheduled soft ball game.

At the start of the game their spirits were high and they seemed very confident that they would come through with their first victory of the season. The girls played exceptionally good during the first five innings. Then something happened—either to Duvall or maybe to Redmond. Because in the next inning the Redmond team made 20 runs and nothing could be done to stop the rally until it was too late. After this sudden uprising on the part of their opponents, the Duvall girls gave up all hope and proceeded to play the remainder of the game in a mental daze.

The final score, much to the (Continued next column)

SUNDAY BALL GAMES

Two ball games between the High School and the Town Team have been played on the last two Sundays.

The High School batteries for the first Sunday game were Nosh Brown, Roy Gustafson, and John LeRoy, catcher.

The pitching duties for the Town Team were taken over by Carl Baker, Roy Fillmore, and Carl Rosen. The star of the ball game was Carl Rosen, the sensational curve ball artist, from the Novelty Hill District. He struck out 14 batters and in general had a very successful day.

The final score was 11 to 4.

The second game showed a decided improvement on the part of the High boys. There were more hits and less errors. Carl Rosen again pitched for the Town team and added the scalps of a few more of the High School boys to his long collection of strikeouts. Final score Town team 7 and High School 3.
GRAD NEWS

7-8

Peggy Miller has been out of school. Her sister has the measles. Miss Hagist, county supervisor wants us to send some of our art work to the San Fransico Fair. Some of the try-outs for the operetta parts were so close that it was necessary to flip a coin. Scott Wallace lost out to Oliver Powers in this manner, Scott claims he's never lucky.

SATURDAY MORNING
LETTER AWARDS

On Friday, May 12, at the afternoon assembly, letter awards in basketball and debate were made by Miss Palmer, debate coach; Miss Preston, girl's athletic coach; and Mr. Roesch, boy's basketball coach.

Clara Powers, Gertrude Ahl, Elsie Kain, and Bernice Bright, all underclassmen, won debate letters.

Mae Spoelstra, Betty Williams, Anna Carlson, Virginia Close, Rolanda Williams, and Eileen Nelson received the coveted D for having played the required number of quarters in scheduled first team basketball games.

Alex Stokes, Roy Gustafson, Jim Bow, Eric Carlson, Lyle McFall, Milo Clark, and Noah Brown, members of Duvall's best boy's basketball team in 3 years, won their award on basis of active participation on the first team.

OPERETTA AND EXHIBIT

The grade school operetta, "Windmills of Holland" will be presented tonight at 8:00 o'clock. Practically all students in the grade school have an active part in this production.

From the dances arranged for the lower grade students to the dialogue composed for the more mature upper grade students the show promises to be as pleasing in variety as it will be in performance. There is, of course, no charge to this school function.

As an additional treat after the show, the Home Economics class is serving cake and coffee to all those who wish refreshments.

(Continued on Page 3 Column 1)

SKATING PARTY

On the evening of Friday, May 12, a bus load of 32 students, accompanied by Mr. Roesch and the bus driver, Mr. Lamb, started for the Silver Lake Skating Rink.

Students were enjoying the ride when they were alarmed to hear a distinct "knocking" in the engine of the bus. Much speculation as to what was the matter followed. The bus limped into Woodinville and the services of a garage mechanic were procured. He immediately discerned that a valve spring was broken. Groans went up from the students. The question was: Would they be able to go on to Silver Lake? For a time it seemed that they might have to spend the rest of the night in Woodinville, but with the combined efforts of Mr. Roesch, the garage mechanic, and the bus driver, repairs were easily completed. The bus moved without further delay to the Skating Rink.

This troublesome interlude was soon forgotten in the fun and excitement of skating. The sound of the electric organ and the sight of skaters whirling around the floor set everyone's spirits soaring and soon the floor was packed. Few mishaps were noticed although practically all the students enjoyed a spill or two.

Even though Mr. Roesch was able to talk the proprieter in keeping the rink open 15 minutes after usual closing time, some students were disappointed that they could not stay later than 11 o'clock.

The ride home was beset with more motor trouble but no one seemed to mind. As one student put it: "The sooner the next skating party, the better."
EDITORIAL

The 2nd semester has passed very rapidly and now we are on the last three weeks of school.

To some students it is but an insignificant matter, of little importance. To some it need not be anything else but that; that is, if they have kept their grades where they should be. But to others it should be three weeks of the hardest work of the year. If the grades on the daily work are low or if there is make up work to be done, it should mean added work and less loafing in study halls.

For the freshmen, much will depend on these last three weeks. They have come a long way in their first year of high school. How will they stand? Will they pass from lowly freshmen to sophomores with honors or will they just get by?

Will the sophomores and juniors be passing with flying honors in their next step to graduation or will they have to look forward to taking 5 subjects to make up for a lost one?

Think, students! How do you stand? Go to your teachers and find out! Then try to bring your grades up higher, at least to passing.

The Boy Scout Troop has purchased two new army shelterhalf tents for their over-night camping trips. The total cost was $11.00.

NOW BRIEFS

The Senior Class is busily engaged in writing their essays which will be given at Commencement Day exercises on June 6.

The Junior class will decorate for baccalaureate.

The Duvall Hi S.A.A. has reached a new low. The amount on hand is $3.00.

Standardized objective tests have been given to all students for the purpose of making comparisons with other schools in the U.S.

Several High School classes have been preparing this week for the annual All-School Exhibit, to be held tonight.

Several girls have been practicing baseball at noontime. Their batting and catching abilities are improving rapidly.

John LeRoy, a freshman, left school Monday, May 15.

The Boy Scouts who made an overnight camp at Lake Margeret last Saturday were; Gordon Sinn, Paul Sinn, Oliver Powers, and Bill Hynes.

The Duvall Methodist Church Choral-Choir will give a concert-recital in the church, Thursday Evening, May the 25th, at 8:15, assisted by "out-of-town" talent.

No admission charge; but a silver offering will be taken for the benefit of the choir expense fund.

Gordon Sinn, Noah Brown, Oliver Powers, Elbridge Gockerell, Ren Roetgisoender, Bill Hynes, Glen Miller, and Roy Miller, have been working evenings in the shop in order to complete their projects for this year.
OPERETTA AND EXHIBIT (Cont.)

Student school exhibits will be found in all the grade rooms and in most of the high school.

The Home Economics class will present their fashion show in conjunction with the grade school operetta.

The boys in shop are hoping to complete most of their projects in time for the first visitor on Friday afternoon. Besides seeing excellent student exhibits in the shop, Mr. Jenne promises to unveil for school patrons, his unfinished masterpiece, the Chime Clock.

All teachers will be present to help the community become better acquainted with the school and to answer any questions concerning personal student problems.

TOLT vs. DUVALI

Tolt defeated Duvall on Wednesday afternoon May 17, by a score of 9 to 2.

Duvall with Roy Gustafson, and Alex Stokes, pitching; and Eric Carlson catching, were no match for the Tolt battery. Patrick, pitching for Tolt, struck out the first three batters to face him. From that time on he had the game all wrapped up and ready to take home.

Duvall's infield, with the exception of Lyle McFall at second base, helped the cause along by contributing a total of 12 errors, and allowing 5 unearned runs.

SCOPHOMORE CLASS TRIP

At 8:30, on the morning of Saturday, May 13, eight girls of the Sophomore class and Miss Preston, class advisor, left for Seattle on an all day field trip.

They arrived in Seattle at 10:15, and after some discussion they decided to go down town shopping for an hour or so.

At twelve o'clock they went up to visit the KOMO broadcasting station. A very charming lady guide showed them through the studios and control rooms. They were introduced to Cowboy Joe, and he invited them into the studio to listen to his broadcast.

From the studio the girls went to Volunteer Park to eat their lunch. It was so enjoyable in the park that the girls stayed until 2:30.

The biggest thrill of the day came when the girls went down to the Crystal Pool and went swimming. They stayed in the pool about 3 hours.

The girls arrived home about 8 o'clock, still somewhat excited and thrilled over their busy day.

The girls all had an exceptionally fine time only they deeply regreted that Daisy Franke's tennis racket was lost at Volunteer Park.

Tolt will play a return game with Duvall at Duvall on Wednesday, May 24. With a new batting order and more confidence the boys should do better.

GRADE NEWS

5-6

We have started to put up our exhibit. We hope everyone who comes will enjoy it.

The sixth grade boys are finishing the Geography map, showing imports and exports of the state of Washington. Kenneth Trim and David Jenne are working on it. We hope it will be finished for the exhibit.

Friday, May 12, we had a Mother's Day program. Bernice Vanhulle gave the origin of Motherhood. Others gave poems and stories. Our operetta will be ready to give Friday night.

7-8

We are very sorry to hear that Peggy Miller has the Measles. She will be back at school on the 22nd of May.

The seventh and eighth grades are going to have a track meet on June 4th. Among the girls Virginia Gockerell and Betty Larson are the favorites. Those favored among the boys are: Anton Marty, Glen Miller and Paul Zylstra.

The School District is purchasing a new power mower. Bill McCormick advises that as soon as he cuts and trims the lawn with this new machine it'll be as neat as a golf course.

Duvall Phone 292
DUVALL vs BELLEVUE

On Thursday afternoon, May 11, the Duvall girls went to Bellevue to play another game of softball. The Bellevue girls made a total of six runs during the first and second innings while Duvall was only able to register 1 run. The Bellevue team, which has only been defeated once, held the lead throughout the game. At the end of the seventh and concluding inning the score was 18 to 2 in Bellevue's favor.

Next Thursday May 18, the girls play their last game here with Redmond. Come on girls, let's really play to win this last game of the year!

BOY'S BASEBALL TEAM

At present there are some 14 boys turning out for baseball. The line up is as follows:
Eric Carlson-------------Catcher
Roy Gustafson-------------Pitcher
Jim Bow-----------------First Base
Lyle McFall-------------Second Base
Alex Stokes-------------Third Base
Ed Ross-----------------Short Stop
Noah Brown-------------Center Field
Harry Holcombe----------Left Field
Elbridge Gockerell------Right Field

New bats and baseballs have been purchased and two games have been scheduled with Tolt. Although the baseball players are inexperienced, they are playing a good brand of baseball.

GIRL'S PLAY DAY

On Saturday, May 6, 15 girls left Duvall for Bellevue in order to participate in a Play Day. They left the school at 9 o'clock and arrived at Bellevue about 10 o'clock. The first activity was a guessing game. About one hundred girls from different schools got together in the gymnasium. They had to guess the names of 65 advertisements, cut from magazines and which were pinned on the backs of the contestants.

After this escapade the girls went to eat their lunch. During lunch they were entertained by 3 girls from the University who demonstrated archery shooting.

After this the girls went back in the gym. Each different school had to give a skit. Duvall introduced a school assembly skit which was very well received by the group.

The activities for the afternoon were: baseball, kick ball, volleyball, basketball, relay races, and dancing.

At 4:30 the girls departed for home. Although they were tired, everyone reported a swell time.

HOE-DOWN

In an effort to chop out Canadian Thistles 6 boys armed with hoes and under the direction of Mr. McCormick slaved away Tuesday afternoon on the new seeding plot located to the East of the ball diamond.
roy working on the farm again.

Mr. Roesch washing dishes after the Faculty dinner.

Lyle refusing to accompany Eileen on the skating party with the excuse he was afraid of a certain 8th grader.

Rolanda cutting a picture of Frank Stanbury out of the P.I. "Huh," said Jim, "he isn't so swell looking".

Student Body waiting for the Faculty to entertain.

Hans Romann masquerading as a junk dealer and visiting school.

Bessie Trim visiting Alex Stokes.

Mr. Brown complementing Betty and Eileen on their serving at the banquet.

Anthony VanHulle cutting the school lawn for 50¢.

Tuesday evening, May 2', at 7:30 o'clock, the annual Junior-Senior Banquet took place in the Banquet Room at the High School. The banquet was scheduled to start at 6:30 but due to the absence of Mr. Roesch, who was spending his time in the ditch up in Cherry Gardens, the banquet was postponed for one hour.

Everyone had plenty to eat. The menu consisted of pineapple juice, roast pork, mashed potatoes, gravy, peas, corn, milk, and ice cream.

Due to the fact that it was so late when the banquet started the program was cut short. Much to the disappointment of Nellie Van Piezen and Jim Bow, they were unable to give their speeches. Mae Spoolstra welcomed the Seniors to the banquet, while Eric Carlson gave the Senior Responce. Kathryn Spoolstra honored us with a musical selection.

At 5:30 the group left the school for Kirkland. Here they enjoyed two good shows, "Everbodies Baby" and "Four Girls in White."

Those that did not attend the show went roller skating in Seattle.

Everyone reported a very good time at this successful banquet.

Commencement exercises will be held tonight in the Duvall Gym at 5:00 o'clock.

The address of the evening entitled, "Buried Treasure in Washington" will be given by Professor Nor Roberts.

On Thursday evening, May 25, the Duvall Choir, assisted by a former teacher from the Duvall High, Mrs. G., and Mr. Volney Pinkerton from Seattle, and Mr. Fisher from the Smith School of Music from Everett presented their annual recital.

A capacity crowd thoroughly enjoyed the excellent interpretation that the choir gave to such numbers as "Sanctus," "I'll Take You Home Again Kathleen," "In the Gloaming", and "Auld Lang Syne".

Particularly pleasing were the guest artists. Their efforts were deeply appreciated by all those that were so fortunate as to attend.

Members of the faculty who actively participated were: Mr. Jenne, Mr. Roesch, Miss Leyde, and Miss Van Rozen.

S.A.A. Election

On Friday, May 2, at the regular S.A.A. meeting, an election of officers was held. Mildred Doughty, who has been president for the past year, relinquished her position to Lyle McFall, who was elected for the year 1939-40.

The other officers elected were as follows: Vice President; Mae Spoolstra, Secretary; Harry Holcombe, and Treasurer; Eileen Nelson.

The officers of last year, Anna Carlson; Treasurer, Mildred Doughty; President, and Jenny Brown; Secretary, should be complimented for the fine work they have done during the year.

EDITORIAL

by Pearl L. Palmer

In just a few days this year's work will have been completed. For some of you this means a vacation with next year still finding you in high school.

For others, this year marks the end of your high school career. What you have accomplished during your high school days will stand as a record in your life.

Perhaps you have made mistakes—it will be unusual if you have not. It is to be hoped you have gained from these mistakes. Life, as you have learned, or will learn, holds a series of mistakes for all of you. It will be to your credit if you will take these mistakes to heart and not despair over them, but discover why you made them and try to avoid making the same mistakes again.

Some of you may continue your formal education. You have a new and exciting life ahead of you. Meet it with your head up and your eyes open. Keep your aims high so you will be able to discard much that is unworthy. Seek eagerly for the knowledge that will make your life valuable to you and to others. Book knowledge alone is not enough. Adapt what you learn to your individual needs. Develop your abilities to the fullest, but remember not to neglect your personality. Keep your interest varied and perhaps one day you will discover that you are one of those lucky people whom the world will respect and admire.

To those of you whose formal (Con't. to next Col.)

EDITORIAL

(Con't. from Col. 1)

education is at an end, remember that knowledge is not a closed book to you. Each day you live you will learn things which could be valuable to you. Do not neglect any opportunity to widen your interest. You too have much to anticipate in life. Do not overlook the many educational aids at your disposal. Make yourself respected citizens and individuals who are capable of taking their place in the life of our country.

Good luck to all of you. May you have a very happy vacation and success in whatever you undertake.

BACCALAUREATE

Baccalaureate Services for the class of '39 were held at the M.E. Church on Sunday evening, June 4 at 8:15 P.M.

The church was tastefully decorated with ferns and yellow iris; green and gold being the senior class colors.

Reverend Pendleton took as his text, "He who seeks to save himself shall be lost." The choir gave several spirited renditions and a special number. Miss Passage sang the difficult piece, "The Lord is My Shepherd" exceptionally well.

There was just one difficulty—the Junior ushers were so enthralled by the Recessional hymn, they completely forgot to usher the Seniors out; and left them standing disconsolately in the front pew. But this minor detail was not noticed by anyone, except the Seniors.

We wish to extend a vote of thanks to everyone who cooperated so thoroughly to make this program a success.
GRADE NEWS

1-2

On Thursday, June 1, we had our last Poem Day. Some of the best poems so far this year were read. Several students had theirs memorized and some gave original poems.

We are very sorry that Roy is moving away and will not be in our class next year.

We counted eleven children who will start in the first grade next year.

3-4

Seven children in our room received certificates for attendance. They are: Barbara Jenne, Margaret Kelly, Dorothy Terpstra, Bertha Zylstra, Carolyn Knittle, Jimmy Roetcisoender, and Carl Herman.

We made all-over designs for art.

Jean is sick with a cold this week.

5-6

The sixth of June we are going on our picnic at Cottage Lake.

Bernice Vanhulle, Iris Hart, Betty Bennett, Ruth Herman, Ellen Jenne, David Knittle, Andrew Zylstra and Kenneth Trim are getting (Con't on next Col.)

GRADE NEWS

5-6

(Con't. from Col. 1)

certificates for being neither absent or tardy for the whole school year.

We went down to the library and got a book for each person in the room to read and report on.

7-8

There are twelve eighth graders graduating this year. Their diploma's are to be presented the same evening as the high school seniors receive theirs.

Last week the seventh and eighth grade boys played a baseball game with the Tolt seventh graders. They were only able to play a few innings, but won, 19 to 7.

Glen Miller, Paul Sinn and Bill Trulson will receive perfect attendance certificates.

SKATING PARTY

Friday evening, May 2, about 26 students left Duvall to attend the last skating party of the year.

The skating party as usual was held at Silver Lake.

Although there was a large crowd present, those from Duvall managed to hold their own.

S.A.A. NOMINATIONS

On Friday, May 19, at the regular S.A.A. meeting, the student body nominated there 1939-40 candidates for the regular S.A.A. officers.

Those nominated for President were: Lyle McFall, Roy Gustafson, and Alex Stokes; for Vice President Eileen Nelson and Mae Spoelstra. Nominees for Treasurer are; Eileen Nelson, Betty Williams, and Bessie Trim. For Secretary we have Harry Holcombe and Bernice Bright.

SCHOOL PICNIC

The date set for the annual school picnic is June 7. The place is Silver Lake.

The committees were appointed at the last regular S.A.A. meeting. Jim Bow, Anna Carlson, and Lyle McFall are on the reservation committee. Those on the food committee are; LaVerne Hobson, Harry Holcombe, Bessie Trim, and Nellie VanBiezen.

The buses will leave the school house about 8:30 in the morning and will return about 4:00 P.M. the same afternoon.

NOTICE: Don't forget your knife, fork, and plate for the school picnic, May 7.

WHY I ENJOYED THE SENIOR TRIP

C.F. Jenne

As senior class advisor I thoroughly enjoyed the privilege of accompanying the class this year on its class trip to Rosario Beach.

Foremost among the reasons for this satisfaction is the fact that the members of the class planned it wisely and adequately and because they demonstrated a readiness to cooperate with each other throughout the planning and execution of their adventure. There was a conspicuous absence of the usual minority with mind set on some pet venture for which the rest of the class cared little. There was good sportsmanship in that whatever the minority preferences might have existed, these did not alter the wholehearted enthusiasm of each class member for the group choice. Not only was the adventure well chosen and planned, but when the responsibilities in connection with supplies were delegated, not one failed to fulfill his obligation.

Further than this, the class deserves mention for its perspicacity in picking a place where all might enjoy themselves to the fullest, not an expensive, tiresome tour, but a camping experience amid the incomparable natural scenery of Puget Sound. This trip will long be remembered by this advisor.

SATURDAY MORNING
DUVALL vs. REDMOND

Wednesday, May 24, the Duvall girls played their last baseball game of this season. This last contest was between Redmond and Duvall, played at Duvall. The girls just couldn’t hold their own against this much more superior team. They did put up a good fight and stayed in the game with a true sportsmanship attitude. But no matter how hard they would try no one could make a single run. The score was 23 to 0 in favor of Redmond.

TOLT vs. DUVALL

Wednesday, May 24, the Tolt baseball team came to Duvall for a return game. Due to the fact that our diamond is much larger than that of Tolt, the opposing players were somewhat handicapped. However, the boys did very well and the first 6 innings went without a score for either side.

In the first half of the seventh, Alex Stokes, pitcher for Duvall, ran into a little trouble and it was not until one man had crossed the plate that he retired the side.

Then Duvall came up. From then on it was their baseball game. Three singles in a row, no outs, and Alex Stokes whammed one against the tennis courts, scoring 2 men.

TOLT vs. DUVALL
(Con't. from previous col.)

and ending the game. The final score was Duvall 3; Tolt 0.

TEennis COURT

Bill McCormick has been doing some very fine work on the tennis court and it is at last ready for use. The ground of the tennis court is as smooth as the gym floor and some very hotly contested games are expected for the future.

FACULTY ENTERTAINMENT

At the last S.A.A. meeting, the long awaited for faculty entertainment was held. Mr. Roesch’s steller rendition of “Imph-m” was received with much applause and laughter from the student body and an encore was in store but the rapid passing of time allowed it not.

Miss Preston and Miss Palmer caused very many red faces when they gave a very humorous poem about the students.

Mr. Jenne postponed his entertainment until next year.

SKATING PARTY

In order to start school activities, a skating party has been arranged. It will be held on Friday, September 22, at the Silver Lake Rink. The alumni of the school have been invited to join the High School students. The large bus will be taken to accommodate approximately fifty passengers. The charge for bus transportation will be five cents and the charge for skates, twenty-five cents.

Make September 22 a standing date for a very enjoyable evening of skating.

NEW CURRICULUM

Considerable change has taken place in the High School course of study since students were preregistered last spring. Three new subjects were added and two dropped. The new subjects are shorthand, public speaking, dramatics and instrumental music. Biology has been substituted for Botany so as to give the students a wider field of study in science. General Science and General Business, which are not offered this year, may be scheduled some time next fall. It has been arranged for the pupils to have physical education every day instead of three times a week. The other subjects remain as they were in last year's schedule, and are as follows: French, English, Home Economics, Typing, Algebra, World History, Physics, Industrial Arts, Bookkeeping, and Social Vocational Civics.

Change in schedule has met with full hearted student approval.

ALL SCHOOL PLAY

Once again an all school play is on the way to production. Mr. Nevitt our new dramatics coach has selected "Mama's Baby Boy," as Duvall's first play of the year. Mr. Nevitt expects to select his all star cast within the next week.

Eleven active parts; seven girl's and four boy's, are available for student tryouts. The girls will have an opportunity to display their dramatic talents in such parts as: Mrs. Shepard McLean, a young widow; Juliet Long, a charming young girl; Mrs. Matilda Blackburn, strong social climber; Sylvia Kline, a romantic young girl; Mrs. Charlot Anglin, a friend of Mrs. McLean; Cynthia Anglin, a mischievous juvenile; and Minnie, a young colored maid.

The boys, not to be out done have strong opportunities for dramatic portrayals, in Luther Long, a widower; Wilbur Warren, young pal of Shephard McLean, son of Mrs. McLean; and in Max Moore, a real estate agent.

Love, drama, mystery! All are mixed into a perfect plot of this three act play. The date of the performance has not been decided as yet. When it is decided it will be posted in the Hi Times.

NEW TEACHERS

Duvall High School has two new teachers: Mr. Swenson, the new Superintendent, formerly of Blaine High School, Blaine, Washington; and Mr. Nevitt, new English and music instructor, who formerly taught at Troy, Idaho.

EDITORIAL

September 5th the doors of the school opened after 3 months of vacation.

To some this means a return to the hum-drum existence of "book learning." To others, it means just a continuation of having a good time.

It should mean neither. It should be a place to increase one's knowledge of higher education not a place to go just to have a good time, and if one would take part in the many activities of this, it would not be a very hum-drum existence because they would forever be looking forward to skating parties, basketball games, school plays, etc.

The thought that should be left with you is this: work hard in studies and enjoy yourself to the utmost in activities without infringing upon the rights of others.

Try it, students! School will seem to be a different place.

CALENDAR

September 22...Skating party.
September 22...Supremacy contest.
September 22...Frrom.-Soph. party.
November (?)...high school play.

NEWS BRIEFS

Edward McMahon, former Duvall HI student, visited school Monday.

Roy Gustafson, last year junior, is now attending school at Mount Vernon.

Monday was school day at the Puyallup fair. The students who attended received credit for having been at school.

The boys were playing football P.E. periods until Alex Stokes had the misfortune to sprain his knee. Football proceedings are now at a standstill.

All persons not having tennis shoes have been advised not to go on the gym floor.

Due to the large number of subjects being taught, the study halls are being operated on the honor system.

The cast of the all school play will include members from all four classes.

High school dues will remain the same as last year, 25¢ for the entire school year.

Three fourths of the student body is going on tonights skating party.

Jeanine White is the new high school librarian.

Grade and high school faculty are becoming experts in the game of badminton.

School visitors this week were: Hans Homan, Cleo Michalsen, Lois Michalsen, and Irma Leyde.
The S.A.A. held its first meeting of the year on Monday, Sept. 11, 1939.

The new president, Lyle McFall, presided.

Because it was found that the Student Body funds were very low, a committee consisting of Eileen Nelson, Rolanda Williams, Peggy Miller and Noah Brown was appointed to meet with Mr. Nevitt in order to select an All High School Play.

The necessity of raising student dues from 25 to 35 cents per pupil was discussed but no definite action was taken.

Class meetings will be held in the future and officers will be elected.

BOY SCOUT FLOAT

On September 16, the Boy Scouts of Duvall took a float to the Monroe Fair. The float represented a camping site in the woods.

The front of the truck was completely covered with small fir trees and boughs. On the back was a tent. In the front of the tent was a small fireplace. Around the body of the truck hung a bunting flag. On the back of the truck, before the fireplace sat Paul Sinn, who was supposed to be roasting marshmallows.

The boys who attended the fair with the float were Paul Sinn, Bill Hynes and Oliver Powers. They were accompanied by Mr. Roesch, the Scoutmaster.

BOY'S BASEBALL

A new backstop for boy's baseball and softball is being erected in the far end of the playfield.

GRADE NEWS

1-2

We have started school this year with twenty-one in our room. Nine are girls and twelve are boys. The first grade have been dramatizing stories and making their own books.

Tom Kelly has been sick at home.

We learned a new song called "A Walk in the Woods".

Reggie Hix has come back to school this year, after dropping out last year.

3-4

We have thirty-one children in our room. Seventeen boys and fourteen girls. There are fifteen in the third grade and sixteen in the fourth grade.

In our sandtable we have two turtles. A large one and a small one. The large one came from the San Francisco fair. His name is "Bob". His shell is painted red. The little one is green. We have not named him yet.

The fourth grade have new History books. They are studying about Indians.

We drew cat tails in our Art class.

5-6

We have started school with an enrollment of twenty pupils. Four new pupils have come from other schools. Irene Willson from Longview, James Anderson from Arlington, Charles Firth from Carnation, and Verne Burge from Seattle. We are glad to welcome these people to our school.

Our library is ready to check books out. Ward Speaker and Verne Burge are librarians for the coming month of October.

7-8

We have thirty pupils in our room this year. There are eighteen students in the seventh grade and only twelve in the eighth. Of the twelve in the eighth grade, but two are girls.

The five students who entered from Novelty are, Vera McFall, Eleanor Schosboek, Grace VanBiezen, Ben Zucati, and Robert Batton.

Wasley Burge entered from Seattle and Helen Elwell came from Oregon.

Glen Miller was elected president of the class, Loren Sinn, secretary, and Betty Larson and Paul Zylstra were elected line monitors.
SEPT. 22, 1939

Hi Times

GIRLS SPORTS

Due to the arrangement of classes there are now two Physical Education classes to cover the Freshmen and Sophomores. Many of the Juniors and Seniors do not have a P.E. class. All the girls get a chance to play basketball in the gym every other day at noon.

We now have a chance to play ring tennis. We are using rope and tape because the regular ring tennis equipment has been lost. It would be appreciated if anyone who knows of its whereabouts would report it:

BOYS SPORTS

For fall activities, P.E. classes have been playing softball, football, and volleyball. The football enthusiasts are getting quite a workout on these warm September afternoons. The catchers do the umpiring, and strangely enough, they call them fair and square.

A few minor injuries among the boys during football scrimmage resulted in the cancellation of this sport for P.E. periods.

The wild and spirited volleyball games that have been played in the gym during rainy days is ample evidence that the boys are learning the fine points of the game.

(Continued next column)

BOYS SPORTS (CONT.)

The "never-know-where it is going" serve of Alex Stokes and Lyle McFall is becoming so complicated that even Alex and Lyle become hopelessly confused by their own actions.

It has been decided to purchase new uniforms for the basketball team. The coach says he is going to buy striped uniforms so as to completely baffle the opponents. As the coach has it, "When they see us on the floor, they'll either run themselves dizzy or laugh themselves sick. We can't miss."

Duvall undoubtedly will have a most unusual basketball season.

CLASS ELECTIONS

The returns of the class elections, held on Tuesday morning, September 19, are as follows: Freshman class: Kenneth Bennett, President; Virginia Peterson, Vice President; Peggy Miller, Secretary and Treasurer. Sophomore class: Johanna Vanderweeef, President; Elbridge Gockerell, Vice President, Noah Brown, Secretary and Treasurer. Junior class: Harry Holcombe, President; Tina DeVries, Secretary and Treasurer. Senior class: Lyle McFall, President; Betty Williams, Secretary and Treasurer.

TORCH HONOR SOCIETY

Mr. Swenson is organizing a Torch Honor Society. The first meeting will be held upon Friday, 9.

Although many High Schools have such a Torch Honor Society, they are not affiliated in any way. However, Torch Honor students are recognized by many business associations and in colleges.

Members are chosen upon a point basis. The major classification is, of course, grades. Minor classifications are student body officials and sports leaders.

GLEE CLUB

Glee club must be a very favorite subject! An extra period a day has been set aside each day for Glee club, making a seven period day. The Glee club consists of all girls, 17 in all; 11 sopranos and 6 altos. They are all very enthusiastic and have been singing "Moon Love," "Thank God For a Garden," and "The World Is Waiting for the Sunrise," very prettily. Mr. Nevitt, the Glee club advisor gives the information that the girls are cooperating splendidly. Here's hoping that the Glee club will remain to be a well liked subject.

A P. G. IN PHYSICS CLASS

Yes sir, it's very annoying. There I was in Physics class, chewing my gum and batting aimlessly at flies, when all at once everyone seemed to have a mild case of insanity. There Mr. Swenson was, writing long multiplications on the board, and everyone else wildly yelling that 7 times 9 was 84. Pretty soon Mr. Swenson came back and inquired, "Have you arrived at any conclusion yet?" Wouldn't that slay you? Imagine asking me had I reached a conclusion yet when I didn't even know what they were concluding! Oh well, you can't always win.

SEEN OFF AND ON

Ray visiting school once in awhile.

Ruth Marshall trying to make a hit with Roger.

Lyle showing his typing ability off to some Freshmen admirers.

A 1937 alumni (Han Homas) visiting school regularly. Who's the main attraction?

Stokes getting into the Fair on children's rates.
FROSH PARTY:

The party started at seven o'clock when Mr. Roesch arrived at the school to unlock the gym. The party was for the Freshmen and Sophomores, given by the Freshmen, but, as in previous years, the entire high school turned out for the event.

The games that were played consisted of volley ball, flying Dutchman, last couple out and wipe-up.

The refreshments were served in the Home Ec Room and consisted of sandwiches, cake, doughnuts and cider.

After everyone had eaten to their full capacity, they returned to the gym to play flying Dutchman. In behalf of the high school, we thank the freshmen for their successful party.

HUNTING SEASON

The members of Duvall's Wild Life Club: Ray Nelson, Anthony Vanhulle, Loyal Bright, and Gordon Sinn celebrated the opening of the fall hunting season by bagging a bird apiece.

On October 1, Ray Nelson, charter member of the club, took a two day vacation in order to chase the elusive deer. He saw lots of signs spent hours tramping through the wet underbrush, and gained, as a result of all this activity, absolutely nothing.

Said President Ray, "I can't decide what I hated the most, losing the deer in the brush, or missing two days of school."

The members of the faculty who greeted the opening of hunting

N. Y. A.

There are 13 students working on N. Y. A. in the Duvall High School. The group is rotated so that each student will have an opportunity to work on alternate months. Two students, Lyle McFall and Eileen Nelson, are the only ones who work full time each month.

By this method the students earn $4.00 a month while employed. So far the arrangement has proved very satisfactory.

Student assignments depend upon teacher needs and student capabilities. An effort is made to give each teacher at least one assistant for the month. Careful time check of all work done is kept by the teacher and by Kathryn Spoelstra, student assistant.

Students actively employed on N. Y. A. are: Ruth Karschall, Eileen Nelson, Rolande Williams, Clara Powers, Mae Spoelstra, Lyle McFall, Joanne White, Bessie Trim, Violet Rodgers, Josephine Hart, Bernice Bright, Ruth Carlson, and Virginia Close.

HOT DOG

On Wednesday, October 4, the Sophomores provided the first hot lunch of the school year. The menu consisted of, "Hot Dog's, 5¢ a piece with plenty of mustard."

Unfortunately they underestimated the capacity of the student body. Every boy in high school bought at least two "red hots" and one grade student, Paul Sinn, ordered all he could eat.

Sophomore girls had to make three trips to town for buns, bread, and weiners.

The net profit was $4.21.

EDITORIAL

Due to an increased number of subjects, some study halls have been left without teachers.

The students who are in these study halls have been, with a few exceptions, very nice about keeping the study hall rules.

However, they must be impressed with the thought that it is their good behavior that makes it possible for the school to run the extra subjects. The violation of study hall rules would make it necessary to incorporate the use of a teacher, made possible only by the dropping of one of the subjects that are in session at that time.

Just remember this, students, and you will find that it is very easy to keep up the well-looked-upon honor system in our school.

CALENDAR

Halloween party Friday October 27.
High School Play Friday November 3.
High School skating party Friday; November 10.
Basketball starts November 6.

NEWS BRIEFS

A new lettering guide has been purchased for the use of the typewriting class.

The girls have suddenly found that volleyball is a very fine sport and many hotly contested games are being held in the gym.

Periods are being rotated to give students time to practice for the all-school play.

A set of encyclopedias have been added to the high school library for the use of students.

Corn for the consumption of students taking hot lunches is being canned at the Redmond cannery.

Only casualty at the skating party was the broken arm of Miss Irna Loyde.

Ervin Stokes junior, has left school. Ervin is going into the wood cutting business.

Badminton as a noon time activity has become very popular. Three to four players can be accommodated on each side.

Mr. Fisher of the Smith School of Music is again giving instrumental music lessons in the Duvall school. His work has proved very popular with the students.
LIBRARY BOOKS IN USE

Among the lowerclassmen, the general trend seems to be toward humor and light fiction. Virginia Peterson favors "Lucy Gayheart," by Willa Cather; Peggy Miller is amused by "The Casting Away of Mrs. Leeks and Mrs. Aleshine," by Frank Stockton; while Gordon Sinn is alternately amused and horrified by Greenwoods, "The Deadly Dawager." Clara Powers is the exception which proves the rule; she delves deep into "The Citadel," by Robert Cronin. She reports that it is a book well worth the reading time of any student.

The upperclassmen are more sterner and dignified; their reading hours are occupied by deep and profound meditation. Mr. Roessch's private library provides most of this weighty brain-food.

LIBRARY BOOKS IN USE (Continued)

says that though the book is written humorously, the condition represented in this saga of the Austrian army may well exist in almost any military force you could mention.

HUNTING SEASON
(Cor't. from page 1)

season with a volley of shots were: Mr. McCormick, and Mr. Roessch. These two noted hunters hung up an impressive record: no deer, one bird, one squirrel, (stray bullet) and two moan dispositions. Said Coach Roessch "I saw something moving in the brush, but I couldn't tell whether it was a student or a deer so I held my fire."

MACDOUGALL'S
FOR
SCHOOL SUPPLIES
Grade Lens

1-2

Peggy Joyce has started the first grade after being in the Orthopedic Hospital with a broken arm. Her arm is still in a cast, but we are glad she can come to school.

When Jimmy Walker was out of school we practiced telephoning to him. We learned what was polite to say.

Bill has made us a new eraser. Now we have two to use for painting our pictures.

Our new library books have come. We are having a good time reading them.

3-4

Robert Brenneman is home ill this week.

Elbridge, Sanford, and Bobby had birthdays last week.

We have lost two girls from our room. Frances and Mary Bucher have moved to North Bend.

We had a bulletin board. On it we put special work which we do and pictures which we bring from home.

Grade News

5-6

We received 14 of our new library books last week Friday.

We have a radio in our room. Bill McCormick made a pen holder to keep our pens in.

We made health posters for art.

Ward Speaker and Vern Burge are the librarians.

7-8

Wednesday, October 4 we had an art period in which we drew Halloween symbols, faces, and figures.

We have been playing volleyball in the gym. The boys and girls have been taking turns.

We held a class meeting Thursday, September 29, in which we had an entertainment and elected the new officers as follows: Paul Zylstra, president; Oliver Powers, vice-president; Glen Parkens, librarian; Eleanor Schosbock, girl's line monitor; Ben Zucati, boy's line monitor; Roy Miller, secretary; and Betty Bennett, as news reporter.

Notice

The Skating Party will be postponed until the Friday after the high school play.
**GIRLS SPORTS**

Miss Preston has given up the first period class group of P.E. girls, which consisted of Juniors and seniors. Very few turned out because they usually had to work.

The girls in the third period P.E. class are playing baseball.

It has been decided that the girls will have the gym, one week, on Tuesday and Thursday, and the next week on Monday, Wednesday and Friday.

Miss Preston plans to get the girls started playing basketball as soon as possible.

---

**BASKETBALL SUITS**

New basketball suits will be purchased for our girl’s first team. The blue and white henceforth will look as neat and trim as any colored poster in Life Magazine.

The cost limit for the new suits has been set at $28.00. Miss Preston has not definitely decided on the material or style of the suits. She will make a thorough investigation before buying. The money will be furnished by the student body.

The grade school boys will be given last year’s second team basketball suits if and when the new suits for the first team arrive.

---

**NEW BASEBALL DIAMOND**

A new baseball diamond for the playing of hard ball is being constructed for the boys. It is directly opposite the softball diamond and is a decided improvement over the old diamond from the point that the ground is flatter and the right field will not be so short. This short right field has, in the past, been the plague of left-handed batters, who seemed to be forever hitting the ball over the tennis courts into the woods beyond.

The infield of the new diamond is as yet rough but plans to spade it up and roll it have been made. The backstop is practically finished and is much larger than the present one.

As a whole, the field holds forth the possibility of being a very fine one, and many interesting games are expected to be held.

---

**SPORTS IMPROVEMENTS**

Noah Brown is constructing locker space for the boy’s first team basketball suits. This locker will be built in the boy’s dressing room.

Lyle McFall has almost completed the bat rack for baseball and softball.

The infield of the new ball diamond will be sanded and then rolled before the bases are placed.
CLASS NEWS

The freshmen are happy. Their party was a big success. Even Mr. Roesch had plenty to eat. Those three freshmen girls: Virginia Cockrell, Virginia Peterson, and Peggy Miller planned the excellent after the game lunch.

The sophomores are rich. All but two members of the class have paid their dues. In addition, the financial gains from the hot dog sale exceeded all expectations.

The sophomores are planning to raise more money than any other class in school. Already they have secured the candy concession for the night of the high school play.

The juniors are sad. Their plan to celebrate on Halloween with an all school party was nipped in the bud when a high school skating party was scheduled for the same night. However the powers that be, have changed the date of the skating party, so the juniors can have their get together on Friday the 27, as previously planned. The seniors are busy. They have more than $26 in their treasury and they are looking for all possible means of spending it. They plan to buy sweaters, pins, pictures, emblems, and of course they want to take a nice long trip. In order to beat out the sophomore class whom they consider to be very low people, the seniors are definitely planning a school play.

LOCAL TALENT RECOGNIZED

Marthe Wiederrecht, a former student of Duvall, has at last received recognition of the wonderful voice that made her prominent in the grade school operettas.

As a guest of the Rhodes Department Store radio program of K.O.L. she was heard by a group of music critics from different parts of the world.

They immediately took steps in her behalf and now she is the possessor of a radio contract to sing the duration of the winter over K.O.L. and a trip to Hollywood in the summer.

Students and residents of Duvall wish her luck on the road to success.

ALL SCHOOL PLAY

The all school play is progressing rapidly under the efficient guidance of Mr. Nevitt. The first act has been completed and Monday will find the cast starting the rehearsals of the second act.

THE ANDERSON GARAGE
S.A.A. NEWS

An S.A.A. meeting was held Friday, October 13. Four yell leaders were appointed. They are: Rolanda Williams, Virginia Gockerell, Noah Brown and Junior Hynes.

The student body is attempting to replenish the treasury in order to buy basketball suits for the girls and to support the debate team.

The juniors have volunteered their help and a "Junior Week" has been proclaimed. A hamburger and hot dog sale is to be held to raise funds.

The other classes will each have their "week" in which to raise funds for the student body.

ASTRONOMY

On Thursday afternoon we had the pleasure of having with us Mr. Harry Johnson a representative of the Brown Foundation of Walla Walla. His lecture on astronomy was made interesting by the most unusual slides that he used to illustrate his talk.

The most interesting part of his lecture was, the information he gave concerning the gigantic 200 inch telescope now nearing completion on Mount Polomac in California. With the aid of this instrument, astronomers will be able to probe far into space for stars not yet discovered.

This telescope, Mr. Johnson stated, will be of great benefit to science when completed.

The entire school from the first grade on through high school had an opportunity to hear the lecture.

DEBATE TURNOUT

There is a very fine turn out for debate this year. Ten girls are trying for places on the squad. They are: Johanna Vanderwerff, Rolanda Williams, Kathryn Spoelstra, Elsie Kain, Virginia Gockerell, Bernice Bright, Gertrude Ahl, Daisy Franke, Joyce Barker, and Clara Powers.

They have been divided into different teams. Those on the negative are: Kathryn Spoelstra, main speaker; Rolanda Williams, rebuttilist; Bernice Bright will act as the substitute. Those on the affirmative are: Elsie Kain, main speaker; Johanna Vanderwerff, rebuttilist; Clara Powers will substitute.

The other two teams who will debate against each other are: Virginia Gockerell, rebuttilist; Joyce Barker, main speaker; Daisy Franke, main speaker; and Gertrude Ahl, rebuttilist.

The question to be debated is: Resolved: "That the Federal Government should own and operate the railroads."

The first debate will take place in the first week of November. This debate will be by the negative team.

Miss Preston, new debate coach, is working hard to train a winning team.

COMMUNITY DINNER

The Duvall Parent Teacher's Association is sponsoring a community dinner at the Grange Hall, Thursday October 26, from 6:00 P.M. on.

Admission will be: Adults 35¢, Children 20¢. Proceeds will be donated to the school for hot lunches.

EDITORIAL

In past years, the Duvall rooting section has been quiet in comparison to those of rival teams.

Is it the fact that the rooters have lost their voices? It's most certainly not a lack of cheer leaders, because they have turned out stellar performances in attempting to get each and every student to air out the vocal cords.

This year, before basketball season, several pep rallies are going to be held in the gym. These are to familiarize students with new and old cheers.

We need your support, students, so attend these meetings.

NEWS BRIEFS

The boys P.E. periods have been turned into a gardeners class. The boys are industriously digging up the infield of the new baseball diamond.

Eileen and Ray Nelson have left school.

In addition to being a very fine athlete, Eileen was treasurer of the S.A.A.

Ray started in basketball and baseball.

Ervin Stokes has gone out of the wood cutting business and returned to school.

Strange to relate, none of the members of the hunting club were absent from school the second day of pheasant season. The reason: The season opened Sunday.

Touch football is being played in the gym by the boys on their noon gym days. The boys have changed the rules.

Jeanne White, who was going to return to Seattle to go to school, has decided to stay here.

Oct. 16 to 20 has been proclaimed Junior Week. They are sponsoring the raising of funds for debate and the purchasing of new basketball suits for the girls.

Many hectic ping pong games are being held by the girls in their leisure moments.
WAR POLL

To get an idea of what the Duval high students think about the war situation, we asked different waiting stations this question: "Do you think that the United States will enter the present European War?"

The majority of students decided in the negative, some couldn't make up their minds, some think we will enter the war, and then there are those who hope we won't get into it.

Elbridge Gockerell replied, "Not a chance while we still have the U.S. Senate." Noah Brown: "No, I don't think so, not after the World War." Peggy Miller says we won't if President Roosevelt has any sense. Virginia Gockerell thinks we positively will not, whether the president has any sense or not.

Kathryn Spoelstra and Tina de Vries both say we will. (Who have they heard talking?) Bessie Trim, Josephine Hart, Irvin Stokes, and Mac Spoelstra declare that we shall stay out. Kenneth Bennet said, "Sure we will get in it, didn't we enter into the last one?" and Pinky Marty answered, "I don't think so, didn't we get stung in the last one?"

We are pleased to note that the majority of the students wish to stay out of the war.

HOORAY! NO SCHOOL MONDAY!

WAITING STATIONS

Bill McCormick, the handy man of Duval Hi, recently completed three waiting stations, which will be placed at various places on the school bus routes.

Each waiting station has seating space for seven students. They are covered with tin and will keep the students dry while they wait for the buses.

It is believed that these stations will reduce the number of colds that are so prevalent during winter months.

We have been reading the book, The Streamlined Pig together. It is very funny. When this book is finished, we will read two books that we liked especially well last year.

Looking through our library, we found many books about the stars. We have learned the names of several stars and found out as much as we could about them before the man lectured on astronomy visited our school.

Jimmy Roetscandoender has been our grounds monitor and Stanley Chapman our librarian.

Tom Kelly drew a picture of a zeppelin for us.

We have a new goldfish. His name is Ike to rhyme with like.

Arthur Profitt broke his arm last Thursday and is not able to come to school this week.

We have a goldfish in the sandbox with our two turtles.

We have been enjoying our recess period by playing with our new playground ball.

We are all learning to play softball. We like this game very much.

Don't forget all-school skating party Oct. 27, 1939.

GIRLS SPORTS

The girls have been playing basketball under the supervision of Miss Preston.

In a few days Miss Preston hopes to have chosen the girls who will play on the different teams.

The girls are very enthusiastic about basketball this year and there are only a very small number that have not turned out. Of course, every one hopes to make the first team, but if they don't make that, they can try for other teams.

GIRLS BASKETBALL SUITS

Blue satin trunks and white middy blouses will brighten and inspire the Duvall girl's athletic teams this year, if sufficient funds can be raised to purchase them. This week the junior class put on a hamburger and hot dog sale to help provide necessary funds, but since part of the money must go to the support of the debate team, it was not enough. It is expected that the other three classes will help in supporting the school debate and athletic teams.

The school spirit, which has already been shown, points to a good year for our competitive teams. We're wondering which team will lead in the good work.

Go to it, classes!

BOY'S BASKETBALL

The basketball suits ordered for the boys first team should be here sometime next week.

The pants and shirts will be royal blue with a small 2 inch white felt letter on the left pant leg and white numbers fore and aft on the shirts.

Gym towels will be furnished for this year's first team after every game.

The first team locker are practically complete and should be ready for use in the near future.

Basketball season for the boys will start Monday, November 6. The first week of the turnout will be devoted to drills and conditioning exercises.

FOOTBALL

For the sake of variety the boy's have turned to touch football during their P.E. period.

Considerable interest is being shown if last Tuesday's contest has any indication.

Two teams were chosen, with Noah Brown and Alex Stokes the respective captains. A wild and woolly game ensued. From the first, it was evident that Stokes' team was hopelessly outclassed. A long pass netted the first score for Brown's side. A second pass by Stokes' side tied the score up but from there on the opposition turned on the heat.
GLEE CLUB

Some girls have dropped from the glee club but the improvement of the voices that remain offset this loss.

Two new songs are being practiced. One is "The Italian Street Song" from "Naughty Marietta" and "Over the Rainbow" from "The Wizard of Oz." Although "The Italian Street Song" is a very difficult piece, the girls are mastering it nicely.

The glee club expects to take an active part in the high school Armistice Day Program.

SCHOOL ACCIDENT

We regret to say that Glen Miller was injured Thursday noon while riding Gerald Williams bicycle down the road toward town from the school house.

While turning the corner at Trulson's, Glen ran into a car driven by Miss Preston.

Glen suffered a broken leg, but even so he never whimpered. His first concern was not his leg, but Gerald's bicycle.

Glen will be out of school for about six weeks.

STUDENT LIBRARY SYSTEM

The high school library has been subjected to another change. A door has been put up and a desk installed.

There has been a student from every study hall assigned as librarian to check books in and out. This relieves the old situation of student having to run all over the building looking for Mr. Nevitt or the student librarian.

Many thanks to the students volunteering for librarian duty.

Judge: Do you challenge any of the jury?

Defendant: Well, I think I could lick the little guy in the last row.

SCHOOL LIBRARY SYSTEM
MAMA'S BABY BOY

Tonight at 8:15, the community of Duvall will have an opportunity to witness the all high school play, "Mamma's Baby Boy," which is being produced under the capable direction of Mr. C. Nevitt.

Students appearing before the Duvall footlights for the first time will be: Antone Marty as Wilbur Warren, Peggy Miller as Cynthia Anglin, Virginia Gockerell as Juliet Long, Billy Hynes as Shepherd McLean, and Jean White as Sylvia Kline.

Student actors, who in the past have performed on the Duvall stage and who tonight will again have an opportunity to display their dramatic talents are: Lyle McFall as Luther Long, Rolanda Williams as Mrs. Shepherd McLean, Elsie Kain as Mrs. Carlotta Anglin, Roger Duncan as Max Moore, Kathryn Spoelstra as Mrs. Blackburn and Betty Nelson as Minnie.

Remember, 8:15 tonight. Adults 27¢, children 16¢.

EDITORIAL

Just around the corner from us is the long-waited for basketball season. This sport is the foremost extra-curricular activity of this school and it is the secret ambition of practically every boy and girl to have a berth on one of the teams.

Of course, some are doomed to disappointment and there'sa tendency of some to give up too easily. Impress upon yourselves that you are playing the game for the sport, keep your heads up, and, most of all, keep trying.

The often quoted phrase, "practice makes perfect" is applicable to players of this sport, and practice goes a long way towards making a good player. Half an hour practice every day might improve a substitute player until he is able to out a "regular" from his berth.

Remember these points, basketballers, and let's see a crew of players turned out to rival the teams of any school.

NEWS BRIEFS

The new basketball suits for the boys first team have arrived.

Several boys were apprehended by Mr. Roesch Halloween night in the act of committing skullduggery on the high school roof.

Although students received wet feet, it failed to dampen their spirits at the junior Treasure Hunt and all involved enjoyed themselves immensely.

Hot lunches are scheduled to commence around the first of December.

Apple week was celebrated at this school by Mr. Swenson passing out delicious Wenatchee apples to the students.

Loyal Bright became the proud possessor of "shiner" as an aftermath of a exceptionally rough football game.

The first team lockers will be ready for use by the start of basketball season.

Student taking debate are working night and day in preparation for the coming November debate.

Mr. O. Nevitt gave a book review before the Civic Club on Nov. 2. The book reviewed was "Reaching For The Stars," by Nora Waln.

Mr. McCormick will install a radiator in the girls dressing room sometime in the near future.

Quarterly exams were held Nov. 1, 2 and 3. Report cards are due Nov. 8.

Mr. Swenson went to Seattle Thursday morning, accompanied by Mr. Donald Owen, school board clerk, on business.

Tuesday's Treasure Hunt was enjoyed by all.
DELEGATES TO U. W.

Four lucky students have been chosen to go to the student conference at the University of Washington.

At first only 2 students were going to go; one boy and one girl. However, at a joint meeting of the junior and senior classes, it was decided that, if the necessary expense money could be raised, an additional boy and girl would be sent.

There was an even five dollars dedicated to the cause, and a quick vote was taken by the seniors. They unanimously agreed to contribute the extra $4, making it possible for the other 2 students to attend the conference.

Candidates were then selected. The students chosen were: Tina de Vries, Alex Stokes, Bessie Trim, and Harry Holcombe.

The staff extends them their best wishes for a good time, and we know that upon their return they will have something interesting to report to the student assembly.

CIVIC IMPROVEMENTS

Mr. Bill McCormack, school janitor, has been working at the Civic Club during the last week in order to provide an efficient heating system, as well as to improve the drinking fountain.

SCHOOL MOVIE

Last Thursday the grade and high school saw the first of a series of sound films given by Mr. Glen L. Jones.

He is associated with the School Movie Circuit which operates in Whatcom, Snohomish, King, and Skagit counties.

The pictures are interesting and are obtainable at very reasonable rates.

Mr. Jones showed five short films: "Mountain Climbing," "Constructing the Panama Canal," "A Sailor's Life," "White Owl's Little Brothers," and "Yellowstone National Park."

Honorable comments on the pictures were plentiful and the students are highly in favor of having them every month.

GRADE NEWS

1-2

Eighteen pictures of the children in our room were sold this year.

The second grade have added three more children. The Hammerquist twins came back after attending the Electron school for some time.

Peggie Hix and Billy Roetcisdender won prizes at our Halloween party. "Almost everyone had a jack-o-lantern. Those who couldn't bring them carried some at school.

Peggie Joyce is back at school, her arm mended."

3-4

We enjoyed our Halloween party very much. Several of the children brought their Jack O' Lanterns, which were made with many funny faces. Each student brought an apple, which we ate from a string. All of us took turns pinning a tail on a cat. Ben received the prize for this game. We also did some stunts and told fortunes. Everyone had a good time.

In our room we had owls and witches on our windows. On the blackboard we pasted some Jack O' Lanterns, owls and witches.

Bring your nickel for hot dogs tonight!

SOFT DRINKS

LUNCHES

MYERS
COMMUNITY DINNER

Hooray! We eat again. Everybody in the entire community, it seems, turned out for the dinner that was given in the Grange Hall Friday, Oct. 27. The turnout was at least twice as large as expected. The meal served was a very good one, and was enjoyed by everyone.

Although ten girls from the high school Home Economics Department did their best to accommodate the crowd, there was such a rush and demand for food that some of the people did not receive immediate service.

This dinner was given to raise money for the school lunch program which will start the first of December.

Approximately $46 was taken in. The committee that sponsored and organized this dinner should be commended for a difficult task well done.

SCHOOL PICTURES

On Oct. 11, grade and high school pictures that were taken the week before by Mr. Dedrick of Tacoma, were received by Mr. Swenson.

The majority of the students were well pleased by the pictures, so well, in fact, that an order for 82 pictures, a total amount of $12.30, was sent.

Eager anticipation is being felt as the students anxiously await the arrival of the photographs.

SKATING PARTY

On Nov. 24, the high school went to Silver Lake on another enjoyable skating party. Although it was first planned to go to a Seattle rink, it was finally decided to go to Silver Lake. However, sometime in the future, a skating party in Seattle will be held.

The trip to Silver Lake was made with but one mishap; that being the instance when the lights went out. Mr. Landers efficiently remedied the difficulty and the bus was soon on its way.

Spills were prevalent among the skaters, but there were no casualties and a good time was had by all.

HALLOWE'EN PARTY

On Tuesday, Oct. 31, the junior class gave an all school Hallowe'en party. The first and major event of the evening was a rousing treasure hunt. Groups were chosen and the first clue was given. From that time on, it was a mad rush to the next clue until all twenty-five clues were found. The last clue was the assembling of a jigsaw puzzle which had the clue on its back. The winning group was: Clara Powers, Bernice Bright, Gordon Sinn, and Nell Brown.

The treasure chest consisted of some candy, gum and money, which was divided equally among the winning group.
SEEN OFF AND ON

A certain lower classman playing football with a certain upperclassman in the wrong gym. Now both boys are doing a little scrubbing.

Juniors not being able to follow their own clues on Tuesday's Treasure hunt.

Gerald Funk unable to outrun Mr. Roesch on Hallowe'en night.

Little Eddie McMahon having an unfortunate meeting with a culvert at the bottom of the school hill.

Why was Roger Duncen's car parked at the schoolhouse until 11:00 P.M. Hallowe'en night without anyone in it?

Who won Duwell's automobile race Tuesday night, the high school, the alumni, or a certain irate car owner?

Two delegates to the U. of W. Conference, Alex Stokes and Harry Holcombe, riding a rumble seat to Seattle in the rain.

Finky Marty acting as stage hand.

A tendency on the part of the play cast to be day dreaming when they should have been saying their lines.

An impromptu audience viewing dress rehearsal.

STAGE CURTAIN

The stage curtain has been dyed green, and will be ready for inspection at the play on Friday night.

The Home Ec. class made the necessary alternations and the Monroe Dry Cleaners did the rest.

THE ANDERSON GARAGE

We have PRESTONE and ZERONE to protect your car from freezing weather.
On the evening of November 9, a reception for the teachers was held at the social hall, across the street from the Methodist Church.

The program consisted of a varied selection of piano and vocal numbers. Mrs. McGormick and Velma Hix sang a duct. Kathryn Spoolstra sang and was accompanied at the piano by Mrs. Wright. Dr. Novitt played two very modern piano numbers. Miss Passage sang and was accompanied by Mr. Novitt. Ralph Loyde sang and in addition gave a humorous reading.

After refreshments which consisted of sandwiches, cake, coffee and punch, there was a general get-together of parents, teachers and friends.

TORCH HONOR SOCIETY

Mr. Swenson has organized an Honor Society in the high school this year. No club of this kind has been organized in this school before.

Positions in the society are determined by a point system taken from major and minor activities.

The pupils having earned the necessary number of points are:

Senior: Lyle McFall
Juniors: Harry Holcombe, Josephine Hart, Bernice Bright
Sophomores: Noah Brown, Gertrude Ahl, Daisy Frenke, Elbridge Gecskorrel, Clara Powers

On Monday, November 20, Duvall's basketball squad played the Snoqualmie Bull Dogs on the local floor.

In the second team game, Snoqualmie's six foot six inch Bashaw proved too much for the Duvall mighty midgets. In a fast but uneven game, Snoqualmie nosed out Duvall by the score of 23 to 20. Bill Rynes and Ron Rectorstarred for Duvall, while O'Neil and Bashaw chalked up the honors for Snoqualmie.

The first team game was an exciting and thrilling contest. Alex Stokes, in a fast break, scored first for Duvall. A moment later Alex, on the same play, made it 24 out of 2. With Duvall leading, Snoqualmie started to speed up the play. Speed was not enough, however, and at half time Duvall led 10 to 6.

In the second half, Duvall was able to stand off the third quarter challenge by the Snoqualmie ball hawks. In the fourth and final quarter Duvall put the game on ice.

Successive baskets by Stokes and McFall proved the deciding factors in Duvall's victory.

The zone defense, set up by Duvall proved too baffling for Snoqualmie. A hard checking Snoqualmie defense proved almost equally as tough for Duvall's new offensive play. The final score was Duvall 16, Snoqualmie 10.

EDITORIAL

The four students who went to
the U. of W. Student Conference
came back with many interesting
things to tell the student body.

Some students seemed to have the
idea that the Duvall representatives
wanted only for a good time and the
money spent on them was wasted. How-
ever, this is definitely not the
case. The talks Bessie Trim, Alex
Stokes, Tina deVries, and Harry Hol-
combe gave to the assembly contained
many beneficial points for the stu-
dents and school as a whole.

Speaking before the Boys' Club,
Harry Holcombe revealed some of the
ideas of other schools' activities
and the boys immediately went to
work on them and have a stellar
campaign outlined for the remainder
of the school year.

The girls' club also have a cam-
paign outlined and now all students
are in favor of sending more candi-
dates to the Conference next year.

CALENDAR

Holidays---------------------Nov. 23-24

Duvall vs. Skykomish--------Nov. 28

Musical Festival-------------Feb. 30

The boys are training fast and fur-
ously for Monday's basketball game
with Snoqualmie.

A new typewriter has been added to
the typing room.

A new basketball is being used by
the respective teams.

The girls are expecting their new
suits at any time.

A movement has been made to advocate
community singing since it was so
well received in the Armistice Day
program.

Kenneth Bennett has been appointed
student athletic manager by Mr.
Roosch.

School hot lunches begin November 27.

A series of speed tests has shown
that this year's typing class is
progressing very rapidly.

Ping pong has become such a favored
sport that another table has been
set up in Mr. Roosch's room.

An accident on the basketball floor
sent Junior Hynes to the doctor to
got three stitches taken in his
tongue and left Bus Rootescondor
with three tooth marks in his arm.

The earthquake left a short in the
electric wiring of the school and
some of the lights could not be
turned out.

Community singing was received with
such enthusiasm at the Armistice Day
program that the faculty is consid-
ering having it often.

The coming of Thanksgiving vacation
next week finds the faculty and stu-
dents who live away from Duvall plan-
ing to go home for the holidays.
On Thursday, Nov. 2, at approximately 3:30 o'clock, Bessie Trim, Tina DeVries, Alex Stokes and Harry Nolcombe, accompanied by Miss Preston, left for the Leaders and Journalists Conference at the University of Washington. After registering, they found the houses at which they were to stay.

That evening at 6:30 P.M. they attended the banquet, where they heard Professor Blankenship and Dean Francis Powers speak, and were entertained by the University Pep Band.

Friday morning they attended the general assembly at Meany Hall. Here they were again entertained by the University Pep Band, and heard two speakers; John Shaw of Wenatchee, whose topic was "A Challenge to Leadership in Secondary Schools," and Ernest Cambell of Seattle, who spoke on "Problems of High School which Seem to be Emerging in the Year 1940." After a short intermission a debate discussion was held.

After the debate discussion and continuing until time for lunch, the students conducted a Campus Tour. Five buses were used for transportation. The most interesting places were the Crew House, Stadium, Pavilion, Museum and the Showboat.

After lunch the boys went to a general session which was followed by discussion groups. Tina DeVries attended the Girls' Leaders Conference and Bessie Trim went to the Journalist Conference.

After dinner the group attended a Movielogue, which showed places of interest on the Campus and around Seattle.

Saturday morning the boys attended the Methods and Exchange Conference.

The closing session was held at Meany Hall just before lunch. Here the delegates heard Herbert S. Little, who spoke on "Democracy at the Crossroads."

The football game between the University and Montana furnished the final and exciting entertainment of the Conference.

The group returned to Duvall at about 10:30 Saturday night.

SCHOOL VACCINATION

High school and grade school pupils were vaccinated for smallpox Nov. 9.

Children of 1-5 years of age were also vaccinated if they had brothers or sisters in the high school.

Almost all students in this school have now been vaccinated and now claim immunity to this dreaded disease.

Miss Passega's room entertained our room last Friday with an Armistice Day program. They read stories and poems.

Roy Jenne answered our letter and told us about his new home. We have finished reading one of our new library books, "The Old Woman Who Used Her Head." It was a funny story.

Jimmy and Tom have been very busy making new shades with our calcemine paints.

Our store is now open for business.

The third grade made health posters last week. They are also making health books.

Robert Bremman is our librarian this week.

Shirley and Eugene were each absent one day because of illness.

The pupils in our room are preparing a Thanksgiving Play. We expect to give it Wednesday, Nov. 22 in the gym. The time is approximately 2:15 P.M.

All the grade school is cordially invited to attend.

GIRL'S BASKETBALL

This year Miss Preston has again chosen a basketball team and she promises more and better games than ever before.

The girls on the team are to have new suits of the school colors. The shorts will be blue satin, with white cotton blouses.

Those on the first team are as follows: Mae Spoolstra and Betty Nelson, forwards; Tina deVries and Rolanda Williams, centers; Virginia Close and Johanna Vanderwerff, guards.

The second team consists of: Maxine Close and La Verte Hobson, forwards; Clara Powers and Elsie Kain, centers; and Irlene Vanhulle and Ruth Carlson, guards. Virginia Gockerell and Gertrude Ahd will substitute.

BOY'S BASKETBALL

The long-awaited basketball season has finally rolled around and is now in full swing. Nearly every boy is turning out and is playing hard in order that he may secure a berth on the first team. The new uniforms, for the first team, serve as a goal toward which the boys will be striving. The players will get plenty of practice this year and the teams should prove a problem to all rivals.

The first game of the year is scheduled for Monday, November 20, (see p. on next column)

(BOY'S BASKETBALL CONT.)

Third Tuesday November 28. The second game is to be played at Skykomish.

ALL SCHOOL PLAY

Although the All School Play, Mema's Baby Boy, was not as well-attended as we had hoped a total of $31.50 was taken in. After all expenses had been deducted the net profit was found to be $26.00.

We hope to increase this attendance for our next play which will be held after the end of basketball season.

Mr. Nevitt is entertaining the play cast at the theater in Monroe on Tuesday evening, November 21.

BOYS' CLUB

On Monday, November 13, the boys' club held its first regular meeting of the year. The officers elected were: Roger Duncan, president; Lyle McFaul, vice-president; and Harry Kelcombe, secretary and treasurer.

With the able assistance of Mr. Swenson, Mr. Roesch, and Mr. Nevitt, several projects were selected for the boys to work on during the year. Some of these projects being entertainment both for the club and S.A. meetings, campus improvements, means of raising money, and advertising for school activities.

The boys have shown much more enthusiasm toward the club than in the previous year and the club should prove very successful.

GIRLS' CLUB

Monday, November 13, the girls held the first meeting of the girls club. We had an election of officers and the following were elected: Betty Nelson, president; Tina de-Vries, vice president; Rolanda Williams, secretary; and Bessie Trim, treasurer.

Dues were set at 15 cents per pupil.

Girls' club activities for the year were discussed. Kathryn Spoelstra and Rolanda Williams were elected to go to a banquet at Tahoma. A discussion was held on the sick room and the girls' dressing room in the gym. The girls plan to clean the sick room and cover the lounge. The monitors appointed to look after the girls' dressing room were, Jeannne White and Johanna Vanderwerff.

The girls' club is going to prepare a basket to be given to some needy family at Christmas time.

SCHOOL BUS ACCIDENT

Last Friday afternoon at about 3:45, the cherry valley school bus collided with a car driven by Bert Rogers of Duvall.

The accident occurred at the west end of the cherry creek bridge.

The windshield of the school bus was shattered, and the two front wheels and the axle were sheared from their supports when the bus hit the lower edge of a bridge truss.

Those injured requiring doctor’s treatment were Rex Hendee, bus driver and Anthony Vanhulle, student.

Pupils on the cherry valley route are going to and from school in a bus loaned by the Monroe Union High School.

DUVALL vs. TOLT

The Duvall team played its first afternoon game of the season with its traditional rivals, Tolt.

The Duvall quintet was out with blood in its eye when a Tolt second team showed up instead of the expected first string. It so upset the boys that their entire game was sloppily played, although they walked over Tolts representatives 25-15.

Alex Stokes again sparked the Duvall team to the win by tallying 12 points.

Duvall now has won two out of three games and with changes of offense and players, hopes to keep in the win column.

DUVALL vs. SKY.

On November 28, the Duvall girls team went to Skykomish to play their first basketball game of the season.

From the first, it was evident that the Duvall sextet was the superior team and outplayed Sky, in all phases of the game. At half-time the score stood Duvall 15; Sky, 9.

Duvall kept playing stellar ball in the third and fourth quarters and although Sky, rallied they couldn’t overcome the lead Duvall had piled up in the first half.

The final score: Duvall 27; Sky, 19.

GIRLS’ CLUB

Stuffed animals and children’s scrap books were the topics of discussion at the girl’s club meeting last Monday.

It was decided that the Duvall girls’ club would join with the girl clubs of other schools in making toys, scrap books, etc., to be sent to orphanages. Plans were also made for a Christmas party on the evening of Thursday, December 21, at the school with caroling throughout the town to follow.

The meeting also brought about the appointing of committees to refinish and clean the rest room off the third and fourth grade room. Plans are made to paint and recover the furniture; and in general, to make it a light, clean and attractively furnished room.

The meeting closed with the drawing of names for the exchange of Xmas gifts.

EDITORIAL

What has happened to our boys' and girls' club? Are they lapsing into obscurity?

Other schools really know that they have such things but here the only time they are heard from are by some chance remark from one of the members or a small item in the paper. Seldom do the members of either club know what has happened in the other club or if they even have such a thing.

The boys' and girls' clubs of other high schools really mean something. They take part in all activities and support school movements. They entertain each other. Each and every club member is conscious of what the other club is doing and is forever thinking of ways in which to outdo it.

These things happen in other schools; they don't in ours. Come on, students, let's start things rolling and have some real organizations.

CALLNDAR

Girls vs. Bellevue----------Dec. 15
Girls club Christmas party-Dec. 19
S.A.A. Christmas Program---Dec. 22
Christmas vacation---Dec. 22-Jan. 2

NEWS BRIEFS

Johnny Spoelstra has decided to continue his education and has again enrolled in our school.

Violet Roers, high school senior, has left school to go into a business partnership with her brother.

One of Duvall's new basketballs was lost on the way home from Skykomish. However, another one has been purchased.

P. E. students not taking up basketball are now engaged in learning the art of fisticuffs.

The girls club has been appointed to entertain the S.A.A. at the next meeting.

All basketball fans were invited free of charge to the Duvall-Tolt basketball game.

March 1, 1940, a musical program sponsored by the grade and high school will be held.

Friday, December 1, Mr. Nevitt attended a curriculum conference in Seattle. His classes were held in the study hall.

Roy Gustafson, former Duvall junior now completing his senior year at Mount Vernon high school, visited school November 22.

Students are now trying out for parts in the high school half of the musical program to be held March 1.

The boys have been playing touch football in the play shed on the day the girls have the gym.

The girls dressing room is being renovated by Bill McCormick.

Kenneth Bennett, high school athletic manager, has built a rack for ping pong equipment.
BUS TROUBLE

Last Monday, Shorty Landers, the valley bus driver, had a very peculiar experience. He started out bright and early to pick up the students on his route. Everything was fine until he reached the home of Antone Marty. The bus just wouldn't run. Shorty borrowed a car and raced to Duvall to get his tools. Then he came back to where he had parked his bus, but it was gone. After a short but frantic search Landers discovered the bus parked around the corner. The bus was in the charge of a few amateur mechanics.

Shorty finally got them out of the way and started to work. Now the question was: What was wrong? Maybe it was the sparkplugs. Out they came and received a thorough cleaning. But sparkplugs or no sparkplugs the bus still wouldn't run.

Next he got a truck to tow the bus down the road. He turned on the key and put the bus in gear. The only result was a tremendous series of reports as the bus backfired. Whereupon the muffler blew off, all the cows on the surrounding ranches started for the barn and a farmer half a mile away stopped his work, took off his hat and scratched his head.

After Shorty had practically exhausted all his patience, he suddenly thought of the distributor (Con't on next col.)

and sure enough, he found that the distributor had been loosened. Inside of five minutes the bus was ready for the road again, thanks to the efforts of our "master" mechanic.

THANKSGIVING CELEBRATION

This reporter went around asking students what they did over the thanksgiving holidays. Of course, they all ate plenty; but some of them did some really surprising things.

Betty Nelson celebrated by going to Seattle. Did you notice her new shoes?

Mr. Rosch installed an outlet and played chinese checkers. Kathryn Spoelstra went to Oak Harbor Thursday and came home Friday. Maurey Schosboek ate and ate and played baseball. Ruth Carlson went to church like a good girl, and shot at targets with her brother's 22. Noah Brown and Gordon Sinn got together and split wood, drank cider and went to a show. Mae Spoelstra went hunting, straightened the edges of the lawn, and did some spading. Elbridge Cockerell went to Seattle and saw the University rally before the Oregon-Washington game.

1-2

Three flower boxes, a bird house and a primary chair have been built by Jimmy and Tom in our room. They are now working on more chairs so that every one in the room will have one to use at lunch time. Every noon we practice good table manners and watch for mistakes children make when eating.

"Waiting for Santa," is the name of the Christmas play we wrote together. It has a frog, a spider and a grasshopper in it;

We are learning a new song called "Jolly Little Man."

3-4

The bulbs which we have planted are now in bud and we will soon have some flowers.

We made cut-outs of "The Three Wise Men."

Floyd brought some Johnny-Jump-Ups to school this week. We were surprised to see them this late in the year.

There are eight boys and eight girls in our room who have not missed any school so far this year.

NOTICE

Ladies Aid Bazaar will be held Thursday, December 14, at the Community Hall at 2:00. Lunch will be served.

GRADE NEWS

5-6

We have organized our room into two teams, the boys against the girls, to sell Red Cross Seals. The girls are ahead now. The contest ends Friday, December 8. Hurry up Boys!

Our all school play is progressing well. We are to choose the people who are giving the final performance this week. Each one takes some part.

We are to begin making our Christmas gifts next week.

7-8

We wrote plays and produced some of them. Each student is not only the author but also the director and producer of his own play. Some of the results were very good.

In art we made a Christmas picture. It was very funny for it showed a thin man carrying an arm-full of gifts, while his very fat wife was carrying one tiny one.

The officers elected for this month were: Wayne Clark, president; Paul Zylstra, vice-president; Shirley Gockerell, girls' line monitor; Paul Sinn, boys' line monitor; and Eleanor Schosboek, news reporter.

Duvall vs. Nazarene Church Thursday, December 14.
DUVALL vs. SULTAN

On Tuesday, December 5, the Sultan basketball team played Duvall in the Duvall gym.

During the first half the Duvall squad displayed an excellent offense and a quick checking defense.

In fact, before the Sultan squad could recover from their surprise, Duvall scored five baskets.

At half time Duvall led 23-5. Sultan, unable to function effectively, was only able to score one field goal.

At the start of the second half the Sultan squad began checking all the way down the floor. Duvall was surprised at this sudden change of events that they passed the ball 2 or 3 times to Sultan, so that the opposition could be sure to score a few baskets.

After tasting blood and really liking it, the Sultan squad started to move. In fact, they moved so fast that the referee couldn't keep up. For the remainder of the game he was always behind by two steps, one body block, one clonk on the head, one hand in the face, one wrist lock, and other assorted tricks.

The game became so rough that Coach Roesch of Duvall started to crawl under the bench for protection. However, he noticed the chairman of the school board sitting near by, so Coach merely sat on his hat and muttered between his teeth.

In the middle of the third quarter, Alex Stokes, Duvall forward .

(Con't. on next Col.)

DUVALL vs. SKYKOMISH

On November 28, the Duvall basketball team journeyed to Skykomish to meet the talented Skykomish cage team.

The first quarter of the game was a very even match with Sky leading by two points at the end of the quarter. The next two quarters were all in Skykomish's favor. At the start of the fourth quarter Sky was ahead 35 to 15. In the last quarter Duvall began to rally, but came far from endangering the Skykomish victory.

The final score was 42 to 26.

DUVALL VS. BELLEVUE

Thursday, December 7, Duvall met Bellevue on the home court in two fast basketball games.

The first game of the evening was by the second teams of the respective schools. The game, although fast, was low scoring and when the final whistle blew, Duvall was on the short end of a 10-16 score.

The first team game proved one of the fastest, most exciting games ever seen in Duvall basketball history. The ball was snapped from one end of the floor to the other at such a pace that forwards Stokes and Olson could barely keep up. Fouls were plentiful and the game was high-lighted by. Jorgenson, Bellevue forward who stumbled over his own feet and fell flat upon the floor.

Mac Spoolstra took high scoring honors for Duvall with 17 points, with Betty Nelson doing her part with 9 points to her credit.

Dawes of Bellevue, scored 16 points, while Jorgenson, the outstanding player of the evening, tallied 13.

Final score:
Bellevue - 29
Duvall - 26

NEW SCHOOL BUS

A new Mercury V/8 is being built in Cleveland, Ohio for District #14.

It will be constructed to Washington state specifications and will hold approximately 28 passengers.

The bus is to replace the cherry gardens bus that was damaged beyond repair in an accident Friday, December 1.

School board members Owen and Miller will go to Cleveland to drive the bus home and expect to arrive in Duvall with the bus before the Christmas vacation.

DUVALL DEFEATS NAZARENES

Wednesday, December 13, the Duvall basketball team won its third straight victory when the Monroe Nazarenes were outscored by a count of 47 to 22.

Although the Nazarenes were victorious over Duvall's second team 42 to 17, they were unable to make much progress against the blue and white first team.

Duvall's new offense proved very effective during the first half as the local squad managed to roll up a 23 to 12 score.

In the third and fourth periods Duvall continued to outplay the former Monroe Hi. players. With Brown and Sinn doing effective backcourt work, Duvall kept the Nazarene fast break under excellent control.

GIRLS' CLUB SKIT FEATURED

Today's high school Christmas program was received by an enthusiastic student body that greeted every comical song and the special feature, "Manners and Modes" with laughter and cheers.

Duvall's famous musical twins LaVerta and LaVerne Hobson opened the program with a spirited piano duet.

Clara Powers next gave an interpretation of the song "Oh, Johnny, Oh". Elsie Kain, Jean Lyon, and Peggy Miller followed with a special arrangement of the song, "Scatterbrain."

In "Manners and Modes" with original dialogue by Elsie Kain and Josephine Hart the girls' club presented the best skit of the school year.

Under the direction of Mr. Nevitt Christmas songs were sung by the assembly. Special vocal selections by Kathryn Spoelstra and Jeanne White of the Christmas favorites, "It Came Upon A Midnight Clear" and "Silent Night" highlighted this section of the program.

As a finale students exchanged Christmas gifts.

HAPPY NEW YEAR
The Duvall-Bellevue girls' basketball game at Bellevue was cancelled because of conflicting dates in Bellevue's basketball schedule.

In order to make more room for the buses, a system of parallel parking is being advocated. No car may park above the walk during school hours.

A boys' glee club has been formed and will take an active part in the March musical revue.

The freshman class decorated the high school Christmas tree.

The sudden rise of the Snoqualmie river resulted in several students from the valley being absent.

The ice skating party was postponed because of inadequate transportation facilities.

LaVerna and LaVeta Hobson will leave for California Friday, Dec. 22.

A faculty Christmas party was held at the home of Mr. Swenson Thursday, December 21.

Several eighth grade boys and Mr. McCormick secured a number of Christmas trees. They were used for decorative purposes in the different rooms.

Rex Hendee, driver of the ill-fated Cherry gardens' bus, is back on the route after a layoff due to injuries received in the accident.

Jeanne White, Gordon Sinn, Alex Stokes and Kenneth Bennett were the Santa Clauses for the Christmas activities of December 22.

The basketball that was lost after the Skykomish basketball game was found by Ruth Carlson at Stewart's Ranch.
TORCH HONOR SOCIETY

The Torch Honor Society, consisting of nine members, met in Mr. Swenson's office Monday noon to conduct their first meeting of the year. Lyle McFall was elected president, Gertrude Ahl, vice-president, and Harry Holcombe secretary-treasurer.

A committee was appointed to change the by-laws of the constitution. Those on the committee were Daisy Franke, Noah Brown, and Elbridge Gockrell.

After the discussion of the buying of plaques and pins the meeting was adjourned.

MUSICAL PROGRAM

The musical program to be given the evening of March 1 may become an annual event if all goes as we hope it will.

In order to prevent this program from being entirely feminine several high school boys have been added to the glee club for the occasion.

This year's revue is to be a glee club concert plus characters, plot, and a stolen necklace. The result is a musical comedy—a REVUE. The songs will range from the classical "None but the Lonely Heart" by Tchaikovsky to an Englishized version of "Hail, Hail the Gang's All Here." The glee club is now working on a new school song written especially for this revue.

The grade school half of this program will be given first, followed by the section presented by the high school.

SCHOOL IMPROVEMENTS

A Christmas wreath and a sprig of holly to Bill McCormick, the school janitor.

He is again doing something for the benefit of the students.

The rickety table that supported the mimeograph machine has been removed and replaced by a new 9 by 2½ table, made by Bill in the school manual arts shop.

He is brightening the typing room and the lab with 9 new indirect lighting fixtures. The wiring has been completed, and as soon as the holders arrive the globes will be installed.

Bill is also building another pin-pong table so that students engaged in playing this sport will have no reason for squabbling over priority rights to tables.

The Boys' Club will sponsor a skating party sometime in January at the Silver Lake Rink.

GRADE NEWS

5-6

The fifth and sixth grades are going to give a Christmas play called "The Three Christmas Wishes."

The characters are: Ward Speaker, Santa Clause; June Brown, Saint Lucia; Joanne Gocke, Mother Brit; Carl Kernan, Eri; Donelda Owen, Kajsa.

We made our own Christmas gifts this year. We also made little Christmas trees.

7-8

Last week we gave our original plays for the 5th and 6th graders.

We sang in the hall for the high school. The songs that we sang were "Silent Night," and Deck The Halls."

In art last week we drew a picture of an old fashioned girl skating. Some of the pictures were very good.

A very clever entertainment was given by John Henry Roetciseender, Robert Batton, and Andrew Zylstra at our last class meeting.

We understand that Glen Miller will be home from the hospital for Christmas. We shall be very glad to have him with us again.
SECOND TEAM TROUNCES GRADE TEAM

On Friday, December 15, the Duvall high school second team met the Duvall grade school for a fast game of basketball.

The second team proved to be the superior team throughout the contest. The outstanding star of the afternoon was Harry Holcombe, who netted 14 points for the high school second team.

The grade school lacked experience and, as was expected, came out on the short end of a 36 to 13 score.

NEW SCHOOL SONG

The glee club, with the assistance of Mr. Nevitt, is singing:

O' er hill, you dares, we'll hit the scout trail,
Duvall High School we'll fight for you.

Then it's hi, hi, ho for the Duvall high school team,
Sing for the pure white and blue,
Where'er you go, you will always know,
Duvall high school, we're fighting for you.

Keep fighting! Duvall High School we're fighting for you.

GIRLS' CELEBRATE ALONE

Tuesday night, December 19, the high school girls held their annual "we want to be alone" Christmas party.

While the boys sat outside and fumed, the girls enjoyed basketball and volleyball behind the locked doors of the school gym.

After an hour and a half of games the girls went to the Home Economics room to receive their gifts, and to enjoy an after-game lunch, which included cocoa, sandwiches, and cookies.

Due to the bad weather the girls who started for the school house and never arrived sang Christmas solos in masculine ears "somewhere" in Duvall.

HOSPITAL GREET STUDENTS

Anthony Vanhulle, who received injuries in the Cherry gardens bus accident, was taken to the Columbus Hospital in Seattle for observation.

Billy Hynes, another Duvall student, was stricken with an acute attack of appendicitis Tuesday night and had to be taken to the Seattle General Hospital, where a successful operation was performed. According to latest reports, he is responding satisfactorily.

High school students wish each boy a speedy recovery.

A certain upperclassman having the door nailed fast behind him as he wandered about in the gym attic. It took a gym squad, a twenty foot ladder, a broken air vent and plenty of acrobatics in order to get him out.

Gordon Sinn, Charles Scott and Guess Who? entertaining the neighbors one night last week.

Pinky and Peggy reading together. Why did they have the book upside down?

Alex Stokes and Lyle McFall in a conference with Mr. Roesch, Mr. Nevitt, and Mr. Swenson. What were they talking about?

Farmer Duncan: "Come on, I'll show you how to milk a cow."
Antone Marty: "Perhaps I'd better start with a calf."

Doctor: "Let me look at your tongue."
Joyce: "It's no use, doctor, no tongue could tell how badly I feel."

Adolph: (In Hix's store) "Is that the head cheese over there?"
Lyle: "No, that is one of Mr. Roesch's assistants."

Mr. Nevitt: "This is the plot of my story. A midnight scene. Two burglars creep stealthily towards the house. They climb a wall and force open a window; the clock strikes one."
Miss Preston: (breathlessly) "Which one?"
DECLARATION

A declamatory contest, sponsored by the American Legion, will be at Fall City or Issaquah during the first part of February. Since the American Legion is an organization that strongly advocates democracy, the topic, "Americanism," is appropriate.

Students entering the contest as representatives of Duvall high school will be Virginia Gockorell, Bernice Bright, Gertrude Akl, Daisy Franke and Rolanda Williams.

The contest will take the form of eliminations and winners of the high school and county preliminaries will go to the district semifinals and from there to the state finals. The student winning the state finals contest will receive as a grand prize, a trip to Washington, D.C. and points of interest around the east.

The girls are preparing for the contest by studying different phases of U.S. History and the U.S. Constitution.

PING-PONG TOURNAMENT

The boys' club is sponsoring a ping-pong tournament for the high school boys.

The first round of the tournament has been played and the winners will play winners until the last two winning boys come together to play the final match that will decide the ping-pong championship of Duvall high school.

The winner of the tournament will be announced in the next issue of the Hi Times.

DUVALL DEFEATS BLACK DIAMOND

Thursday, January 12, the Duvall girls' team traveled to Black Diamond for two rough and tough basketball games.

Leaving Duvall at 5:45, they arrived at Black Diamond at 7:30. The second team, still cramped from the long ride, fell an easy prey to the Black Diamond ball hawks. The final score was Black Diamond 16, Duvall 14.

The first team game, which resembled a match of feminine football, complete with hair pulling, scratching and kicking, was not such a pushover. Duvall led throughout the game, and only in the last quarter did Black Diamond endanger Duvall's lead. Bombarding the basket for successive scores, they narrowed the lead to 3 points, the score at the end of the fourth quarter standing 36-33 in Duvall's favor.

PEP RALLY

A pep rally was held by the student body Tuesday, January 10, to bolster the spirit of the boys who were going to Sultan to engage in a game of basketball with the high school team of that town.

The yells were led by our two yell leaders, Rolanda Williams and Virginia Gockorell. They were inspired with the proper spirit, and even the new "Susie Q" went over good. The new school song was sung at the close of the pep rally.

Mr. Swenson, commenting on the success of this first rally, stated that 15 minutes of cheering did not interfere with school time and more should be held.
EDITORIAL

1940 has begun with a bang and is already on its way. It will be full of activities for all pupils and requires the support of everyone to make each activity a success.

The junior and senior plays will be made successful only by the cooperation of the students for advertising and by their not interfering with the members of the casts as they study their scripts and at the practice sessions in the gym.

There will be basketball and baseball games, also several skating parties. Your good behavior and percentage of attendance will determine whether or not they should be promoted in the future.

Next semester's success depends entirely upon yourselves, students.

NEWS BRIEFS

Students of English III and IV have been searching diligently for topics for the original plays they are writing.

Mr. Roosch is drilling his basketball players on a new play at every possible moment.

Students have been warned to keep away from Fall City to prevent the spread of the measles epidemic that holds sway in that city.

The system of parallel parking that is being advocated around the school buildings has been receiving the cooperation of the motorists who find it necessary to park their cars in the school yard.

Mr. W. A. Brown, Chairman of the school board, accompanied the boys' basketball team on the trip to Index.

Coach Roosch is attempting to schedule a basketball game with the Granite Falls team.

In order to make room for both a junior and senior play, the date set for the Musical Revue has been moved up to February 16.

Mr. Kevitt gave a pipe organ concert for the public at Raymond, Washington December 31.

The arrival of the new bus was delayed because of encountering severe storms on the way.

Ron Rootisoendor was absent from school January 10 because of an abscessed tooth.

Miss Preston attended a curriculum conference in Seattle January 5.

A new microscope has been installed in the typing room.
BOYS' CLUB

On Friday, January 5 the boys' club held a meeting for the purpose of discussing new projects to work on. One thing discussed was advertising for school events. It was learned through students that people knew little about when and where basketball games or plays were to be held. To remedy this the boys purchased a long canvas sign which will be hung between light poles across the main street. The sign will tell the event, time, and place it is to be held.

The sign will be painted by Mr. Michalson.

The boys decided to hold short pep rallies for the whole high school before each game. This should inspire both players and rooters to the proper spirit.

Possibilities for the formation of a lettermen's club were also discussed.

DEBATE

Since the debate group has had but one practice debate this year, they are looking forward towards having more debates before the season ends.

They are now preparing for a debate with Kirkland, to be held the first part of February.

The girls expect to perform before the student body sometime in the near future.

CLASS MEETINGS

Class meetings were held for the first time this year on January 8th during the fourth period.

The freshman class discussed plans for the future entertainment of the S.A.A.

The sophomores industriously devised a method of earning money for their treasury.

Preparations were made by the juniors for the entertainment to be given by them on January 12. Part of the entertainment consists of a play in which all juniors will participate, with the exception of Bernice Bright, who is the manager. In addition to the play, solos will be sung by Elsie Kain and Jeanne White. Also a piano solo will be presented by Tina de Vries.

At the senior class meeting, Kathryn Spoelstra and Alex Stokes were appointed to meet with Mr. Nevitt to select their senior play.

NEW BUS

The long-awaited-for arrival of the new bus has at last materialized, and in the words of the students who had occasion to view its new splendor, "It is a beauty."

The bus, a Mercury V/8, is in a Seattle garage, pending a trip to the Washington State testing station. It will be pressed into service at the soonest possible date.

Two girls from our room have moved away. Wanda Sargent went to Elma and Marlene Rasmussen to Seattle.

A little weather house was given our room. It is supposed to predict the weather. A witch comes out for rain and two children for fair weather.

Each one in the room sang a song for our music test this month.

Our cactus flower came out this week.

3-4

We have two more girls in our room now. They are Jacqueline and Peggy Wright.

Last week in Art we worked with water colors. We painted a squirrel in a tree.

On our table we have some narcissus in bloom.

Jim Knight has had the tooth that he had knocked out in the ‘bus accident replaced with a false one.

Books which were received for Christmas are being enjoyed by all in our room.

Shirley has a new baby brother at her house.

Leona came to school on crutches today. She had an accident with her bicycle.

GRADE NEWS

5-6

We have organized a club called the Termites. The purpose of it is to discuss current events and give programs. Our first meeting will be held this week Friday.

We are making new Arithmetic books to last us the remainder of the term.

Decimal fractions in the sixth grade is proving to be fun to do after all.

7-8

On Friday January 6, we played Index there. On account of having a smaller team, Index came out second best. The final score was Duvall 32, Index 4.

The members of the grade school team are Wayne Clark, Paul Zylstra, Kenneth Trim, Neal Vanderwerff, Roy Miller, Ben Zucatti and Oliver Povers.

Last week for Art we made silhouettes of people in our room. We are sorry to say that we can’t recognize any of them.

On December 24 we lost one of our eighth grade pupils. Glen Perkins moved to Ronton. We were sorry to see him leave.
INDEX vs. DUVALL

The Duvall High School cago team journeyed to Index on January 5, 1940 to engage in a game of basketball.

The Duvall boys proved to be far superior to their rivals by running up a 19 to 0 score for the first quarter and going even farther ahead in the second quarter with the score at half time being 31 to 5. In the final 3rd and 4th quarters, Duvall didn't show the spark that they had shown in the first part of the ball game, but still moved ahead slowly and as the final gun sounded the score was 42-9.

Brown and Stokes were high point men for Duvall with 20 and 10 points respectively and Swanson took the scoring honors for Index with 8 points. Rouse added the additional point by sinking a foul shot.

TOLT DEFEATS DUVALL

Eight Duvall boys travelled to Tolt to engage in a fast and furious basketball game with the boys of that city.

Rivalry was keen between the two teams and each player was out with blood in his eye and fouls came thick and fast. Tolt's fast break and superior rebound work proved Duvall's downfall and came out on the long end of a 29-20 score.

SULTAN OUTSCORES DUVALL

The Duvall basketball team, accompanied by a bus load of enthusiastic rooters, went to Sultan to engage in a return match of basketball with the Sultan high school team.

Although Duvall had won the first game with Sultan earlier in the season, a tight game was expected and so it was. The teams were pretty evenly matched and the ball was snapped from one end of the floor to the other with amazing rapidity.

The Sultan boys jumped to an early 8 point lead that Duvall was unable to overcome.

Hoigeman, Sultan's outstanding player of the evening and high point man for his team, was instrumental in bringing about Duvall's defeat as he took a goodly share of the rebounds and sank 9 points.

Stokes, of Duvall also sank 9 points for his scoring honors for his team.

Final score: Sultan 24
Duvall 18

GRADE SCHOOL vs. INDEX

January 12, the grade school midgets defeated the Index midgets 29-15 before a very enthusiastic crowd of rooters.

Jimmy Rooteisoundar of Duvall was the outstanding player of the evening with his fast breaking offensive playing and infallible guarding.

DUVALL OUTSCORES INDEX

The Duvall high school basketball team, fighting to regain its position in the win column after two consecutive defeats, romped over the weak Index team to a 51 to 15 victory.

Although the Index boys fought valiantly for the first half, and were able to match baskets with Duvall for a short period of time, they soon fell behind, and, at the half-time rest period, trailed by a 27-9 score.

Buster Roetcisoendor led Duvall's scoring attack; he sank a total of 14 points.

Swanson, of Index, again the outstanding player of his team, chalked up 14 of the 15 points scored by his team.

As the final whistle blew, the score stood 51-15 in Duvall's favor.

DO NOT FORGET THE SATING...RTY!!

BELLEVUE BELLES BEAT DUVALL

Monday night at Bellevue the Duvall first and second girls basketball teams and the Bellevue players staged their second games of the season.

The first team game was a hard fight from beginning to end. At the end of the first half the score was 10 to 9 in Duvall's favor but after the rest period, Bellevue shot ahead and ended victorious with a 16 point lead and a score of 33 to 17.

Jennison, the outstanding player of Bellevue, with her height, excellent teamwork and good sportsmanship, was a model for the other contestants.

The second team game also left Duvall at the short end of a 17 to 3 score.

Although the Duvall girls lost, they made a fine showing against a continual stream of fresh Bellevue girls.

MUSICAL REVUE

The cast for the high school Revue was selected by Mr. Nevitt last Monday, January 8. Speaking parts will be acted by Jeanne White, Elesie Kain, Tina de Vries, Kathryn Spoelstra, Virginia Gockerell, Bill Hynes, Maurey Schoesbeck, Kenneth Bonnet, and Ed Ross.

The first rehearsal of the lines was held this week. The glee club has been working on the songs for sometime. Though the date of this program has been moved up, the club will be able to get ready before that time without any difficulty.

DUVALL VS. MONROE

On Tuesday January 16, the Duvall boys' basketball team visited the big town of Monroe to play a terrific game of basketball, but were defeated by the Monroe squad 30 to 22.

The first half Duvall held Monroe in check by leading at half time by the score of 16 to 15. At the start of the second half Duvall started to roll for a very few minutes, and ran the score up to 22-15. But unfortunately, Duvall could not keep up that big lead and soon were overtaken by their rivals and Monroe tied the score with one minute to play. In the last minute Olson of Monroe cannoned a fade away shot to put the game in the bag for Monroe. Brown starred for Duvall with twelve points.

NOVELTY NEWS

A model farm is being made by the first grade. The house and animals have been completed, and the barn is under construction.

The second grade is using a new ring game made by Mr. Homan for number work.

The fourth, fifth, and sixth grade geography classes have started product projects since vacation. Using maps and charts of Europe and the United States, they are fastening the products in their proper place. More products will be added as new sections are studied.

SALES CAMPAIGN

Thursday, January 18, in a seventeenth period assembly, Mr. Roeseck introduced to the student body Mr. Goettel, a representative of the Curtis Publishing Company.

The purpose of his talk was to originate a sales campaign for the selling of magazines. The school was to receive half of the subscription price of all subscriptions sold and prizes were offered to all students selling more than one subscription.

STUDENT BODY PROGRAM

Friday, January 12, the S. A. A. entertainment was given by the junior class.

Jeanne White sang Godard's "Lullaby" as an opening number, followed by a piano solo, played by Tina de Vries. Her rendition of "Manzanilla" was received with much applause.

The main skit was an autograph album, featuring the younger days of our esteemed faculty, had the student body roaring with laughter.

The autograph album was followed by the singing of "Jeanie With the Light Brown Hair," by Elesie Kain.

As a concluding number, the entire student body sang the school song.

SCHOOL SONG

Over hill, over dale, as we hit the scoring trail,
Duvall high school we're fighting for you.

To the end we will give, giving all we have to give,
Duvall high school we're fighting for you.

Then it's hi, hi, ho for the Duvall high school team,
Sing for the pure white and blue,
There or you go, you will always know,
Duvall high school, we're fighting for you.

Keep fighting! Duvall high school we're fighting for you.

(Con't. on page 8)
SALES CAMPAIGN
(Con't. from page 7)

The student body was in favor of the campaign, and Mr. Goettel organized two teams, one blue and one gold, with Loyal Bright captain of the blue team and Rolanda Williams the captain of the gold team. A contest will be held to determine which team sells the most subscriptions.

SEEN OFF AND ON

John Spoelstra muttering to himself as a certain sophomore suddenly captivates Virginia Gockerell's attention.

Clara Powers very embarrassed at the Bellevue game.

Bill Hynes receiving a Christmas card from R. M.

Ed Ross, the woman hater, going all the way to black diamond, just for the ride.

Hans Homann wishing to enroll in the junior class. He wants to take shorthand, typing and to sing in the glee club.

Jeanne White with a tendency towards bumping into some of the boys.

The boys' first team too interested in the Monroe girls' tumbling team behind-the-curtain antics to play basketball.

Buster seen in the company of a certain Monroe blonde Saturday night.

The Duvall boys astonished to find that the Bellevue taxi that followed the bus home after Monday's basketball game was full of boys in the search of "babes."

READ 'EM AND GRIN

Mr. Roosch: "Young man, how many times have I told you to get to this class on time."

Fruin: "I don't know, I thought you were keeping score."

Two lunatics escaped and passed the entrance to a subway.

First Lunatic: "Shall we take the subway?"

Second Lunatic: "Yes, but where shall we put it?"

Farmer Jabber: "I've got a freak on my farm. It's a two-legged calf."

Farmer Cornthassel: "Yes, I know. He came over to call on my daughter last night."

"Who spilled the mustard on this waffle, dear?"

"Oh, John! How could you? This is lemon pie!"

POME

There was a young belle of old Natchez Whose garments were always in patchez.

When comment arose On the state of her clothes; She crawled, When Ah itchez, Ah scratchez!

SEEN OFF AND ON

Gertrude saying she has two prospects. Watch out, boys, it's leap year.

The girls' basketball team very proud over winning a game from the grade school boys'.

Some girls very interested in reading a book titled, "Men are Like Streetcar's."

483
SKATING PARTY

On Friday, January 19, a skating party was held at the Silver Lake skating rink.

Nearly everyone in the high school and a few representatives of the grade school attended.

A class of students from Snohomish and some from Everett were also there, so the floor was unusually crowded. When one person fell at least four or five more stumbled over him.

The owner of the skating rink introduced for the first time in the rink, a step called the bell change. At the sound of the bell the gentleman would leave his present partner and skate on to the next girl and so on.

Everyone enjoyed the trip thoroughly and many asked when the next skating party was to be held.

We have it on very good authority that the next skating party will be held during the last part of February.

HONOR ROLL

The honor roll for the first semester, consisting of students having a "B" average or over, is as follows:

Alex Stokes
Bessie Trim

TORCH HONOR SOCIETY

The Torch Honor Society held a business meeting on Thursday, January 25, at 9:45.

For the second semester of school four new Torch Honor Society members are enrolled, making a total of thirteen members. The new members are: Johanna Vanderwerff, Tina de Vries, Bessie Trim, and Kathryn Spoelstra.

In order to assist in the purchase of membership pins a candy sale was held Thursday night at the basketball game.

DUVALL DEFEATS FALL CITY

In one of the roughest, hardest fought games ever played on the Duvall court, the Duvall high school basketeers were able to defeat the strong Fall City Sharks by a one point margin.

The Duvall boys piled up a substantial lead in the first three quarters of the game, and it was all that saved them from defeat. In the final quarter, Fall City came within one point of tying the score.

As the final whistle blew, the score stood Duvall 28, Fall City 27. Dodge of Fall City sank 19 points to take high scoring honors of the evening, while Stokes of Duvall trailed close behind with 15 points.
EDITORIAL

Since the school boy patrol system in the buses has been abandoned, the conduct of the passengers has not been satisfactory.

Although most high school students know how to conduct themselves in the buses, they fail to realize that it is their responsibility to keep some semblance of order prevalent. The younger school children may have a sharp retort to the person who admonishes them of their misbehavior, but they will almost always stop whatever they are doing and be quiet, for a short time at least.

The school bus drivers are not able to stop to squelch every disturbance and your cooperation will be appreciated.

NEWS BRIEFS

Roy Gustafson, former Duvall student attended the skating party that was held at Silver Lake.

Mr. Roesch is introducing games of badminton and tennis to the high school boys.

The sophomore class is holding candy sales every noon in the Home Economics room.

Basketball attendance has increased since the canvas sign has been hung across main street. The sign designates the time and place of the basketball games. Total cost of the sign was $6.00.

The new bus is being used to transport students to and from basketball games.

The civic club is holding a musical program on the night of Friday, February 9. Everyone is urged to attend.

A short pep rally was held seventh period the afternoon before the Fall City basketball game.

Two new workers have joined the ranks of the N,Y.A. They are Alex Stokes and Elsie Kain.

The debate team will journey to Kirkland February 8 to engage in their first debate of the year.

The flu epidemic that has caused a serious decline in attendance at Tolt, Fall City, North Bend and Skykomish has not as yet paid more than a passing visit to Duvall. The attendance of the high school and grade school is above 90%.

Students have until February 9 to make up incompletes.
STOKES LEADS SCORERS

Up to January 31, 1940, the Duvall basketball team had scored 407 points as against the opponents' score of 309.

Individual scoring honors were shared by Noah Brown and Alex Stokes. Stokes has a game point average of 12.8, followed by Brown with 7.3.

Individual scoring is as follows:

Nazarenes Outpoint Duvall

On January 25, 1940, the Nazarene church of Monroe played a fast game of basketball with the Duvall squad. The game being a wild game with very few points being scored. At half-time the score was 15 to 14, with the Nazarenes having the upper hand.

The second half proved the fateful of Duvall because of their poor passing and ball handling, the local squad fell to a short end of a 20 to 17 score.

Duvall Trounces Wagner

On January 30, 1940, the Duvall squad traveled to Monroe to play Wagner in the new junior high gym. The game was very fast with Duvall proving to have the best offense. By half time Duvall was able to run the score up to 18 to 6.

In the third quarter Duvall slowed down and Wagner started to gain, however Duvall was able to maintain the advantage and the score at the end of the third quarter was Duvall 26 - Wagner 14.

In the fourth quarter Duvall started to move and in 8 minutes they scored 22 points.

Final score: Duvall 48 - Wagner 21.

High point man for Duvall was Alex Stokes with a total of 25.

For the losers, Schimke lead with 8 points.

Girls' vs. F Sonbs

On the night of January 25, the girls engaged in a fast game of basketball with the Duvall reserves. By the time the boys had become used to the girls' rules, the girls had piled up a substantial lead and defeated the seconds 25 - 17.

Duvall Seconds - Fall City

In the first game of January 26, 1940, the second team defeated a strong Fall City second team, to the tune of 22 - 13.

The team showed real first team material and lead the score all the way. The string of Fall City second team substitutes were to no avail and the Duvall boys came out of the fray victors.

Senior Play Books

The seniors have received their play books and, "Don't Darken My Door" is now being cast. This thrilling play is a comedy in three acts, and promises to be very exciting and interesting.

Play practices shall start soon after February 16.

A SPECIALTY
IN QUALITY
LUNCH MEATS
VARIETY SHOW

The Variety Show, a presentation of the Duvall Civic Club, was held on Friday, February 9 in the high school gym.

The Civic Club orchestra, conducted by Mr. Olney Nevitt, opened the program by playing "Hot Time in the Old Town Tonight," Missouri Waltz," and "Jingle Bells."

Second number on the program was a recitation, "Applause, Please," by Scott Wallace, followed by a broadcast of Duvall gossip by "Walter Wincholl," over radio station G.A.B.

A piano solo, "Golliwog's Cake Walk" was given by Mr. Nevitt. Juliet Gainer then gave a reading and there was a dance by Joyce Anderson.

A playlet by several members of the cast and an accordion solo by Jimmy Wallace were very well received. A skit, "The Ladies' Aid" was given by the male members of the cast, who were appropriately dressed for the occasion in skirts and dresses.

Mr. Carlmer Sorensen gave a very humorous monologue, and the orchestra concluded the program by playing "Oh, Johnny, Oh, Johnny," and "Home on the Range."

DR. NORCROSS SPEAKS

Tuesday morning, February 13, the high school and the 7th and 8th grade pupils had the pleasure of hearing a talk by Dr. Norcross who is a member of a foundation for the prevention of war. Dr. Norcross was a pastor during the World War, but gave up this position for his present work.

One important thing he discussed was the apparent cause of war. This cause was the desire of powerful nations to obtain more raw materials. If countries cannot obtain them through trade they will fight for them. Hungry men are willing fighters and are easy prey to a dictator who promises them food if they will follow him. He also told the students not to hate people because of their race or nationality for there are good and bad in all nationalities.

The last ten minutes of the talk were devoted to questions the students and teachers wished Dr. Norcross to answer. At the end of the talk everyone had a little different outlook on the causes and who is to blame for wars.

Everyone enjoyed the talk and would be glad to have Dr. Norcross back again soon.

NEW LIBRARY BOOKS

The new library books, which were received a short time ago, are being thoroughly enjoyed by everyone.

These twenty-one books afford quite a variety. The new fiction books include: "The Gracie Allen Murder Case" by Van Dine, "Men are

EDITORIAL

The method of leaving some study halls without instructors has been dropped, the reason of which you may easily discern.

However, the innumerable tasks of the teachers sometimes make it necessary for them to leave the room. When this happens, what do you do? Do you immediately engage in a loud conversation with your neighbor? Do you attempt to bounce some foreign object off the respective noggin of a friend who is seated several aisles away? Or do you just keep on studying as if the teacher was present?

You may think that you are quite an attraction when you are in the act of creating a disturbance but just stop to think a moment. Have you gained a position on the honor role and are slated to become a member of the Torch Honor Society or are you just "getting by?"

Those who are seen studying have become members of the Society or are on the Honor Roll. The publicity which they receive is for scholastic abilities while the disturber really does not get any publicity. Which person would you rather be?

Calendar

Musical Revue-------------------Feb. 16
Freshmen entertainment----------21
Holiday--------------------------22

NEWS BRIEFS

A dress rehearsal was held Thursday night by the cast of the Musical Revue. The Revue will be held tonight in the high school gym, at 8:00 P.M., no admission fee.

The senior class discussed announcements, speakers, class motto, and colors at a meeting held in the French room, Wednesday, Feb. 14.

The Torch Honor pins are expected to arrive at any time.

The freshmen S.A.A. entertainment, scheduled for Friday, Feb. 9, has been postponed until Wednesday, Feb. 21.

Basketball games that were to be played with Index and Sultan will not played because of the end of basketball season at these schools.

Several students are expected to participate in the declamation contest that will be held in the gym Wednesday, February 28.

Students are requested to consult a librarian before going into the library.

The valley bus has been in the garage the past few days while Mr. Landers repairs the clutch. The emergency bus is again in use.

A class in health education will be conducted every Wednesday for the remainder of the school year. All students not having two credits in this subject are required to attend these classes.

491
NEW LIBRARY BOOKS

(Con't. from page 1)

Like Street-Cars" by Lorimer, and 
"Lost Horizon" by Hilton.

New books of non-fiction are, 
"Revolution of Nihilism" by Rausch- 
ning, and "Stalin" by Souvarine.

It is hoped that more books as 
well as magazines will be added be- 
fore the end of the school year.

MUSICAL REVUE

Who stole teacher's necklace? 
That is the title of the Musical 
Revue which is being presented 
in the Duvall Gym this evening.

There will be no charge for ad-
mission.

Besides the speaking parts which 
will be portrayed by Elsie Kain, 
Jeanne White, Tina de Vries, Vir-
ginia Gockerell, Kathryn Spoolstra, 
Kenneth Bennett, Maury Schosbock, 
John Spoolstra, Loyal Bright, there 
will be solos, duets, choruses and 
a tap dance.

The seventh and eighth grade 
girls are giving their songs in a 
Gypsy setting while the boys are 
performing a group of cowboy songs. 
Both groups are very well re- 
hearsed and an excellent perfor-
mance is expected.

There is no admission, so come 
on, come all, to an evening of 
superb entertainment.

BOTHELL-DUVALL DEBATE

(Con't. from page 1)

Choir.

It was the cross question type of 
debate and the affirmative de-
baters were Johanna Vanderwerff, 
constructive speaker and Bernice 
Bright, rebutallist. The negative 
constructive speaker was Kathryn 
Spoolstra and the rebutallist Ro-
landa Williams.

Although this was a non-decision 
debate, both teams made a very good 
showing.

TORCH HONOR SOCIETY

On February 15, a business meet-
ing was held by the Torch Honor 
Society.

Mr. Swanson invited all members 
of the Society to attend a party 
that will be held on the evening of 
February 21.

A party for the entire student 
body was discussed and will be held 
in the near future. Buses will be 
used to furnish transportation for 
those wishing to attend the party 
and have no other method of getting 
there. Games will be played and 
refreshments will be served after 
the short program the members will 
put on.

It was decided that the Torch 
Honor Society should take charge of 
the bulletin board in the study hall.
Most of the children in our room have been sick with colds, but all are now recovering, due to proper care. We made a chart to remind us how to care for our colds.

On Monday we told stories about Abraham Lincoln and the next day tried to remember the most important facts about him. These we made into a story for Our Book.

Each child got at least one valentine at our Valentine's Day party on Wednesday. In place of a box this year we made a large heart to hold all our valentines.

Our little green turtle died last week. We put him in a box and buried him out by the playground.

This week our goldfish died. We are afraid they caught our colds.

We have had several people absent from our room with colds and flu.

We drew names and gave each other valentines. We had a good time.

Jim Knight brought a mouse to school in a glass jar. We watched him through the jar while he ate some bread.

Our attendance has been very good during the past few weeks of so much sickness. We have never had more than two people out at a time.

We had a very interesting Lincoln's Day program. Each one told something about his life.

A vote of thanks to Bill McCormick for the flower bulbs which we are watching with so much interest. It will not be long now.

The eighth grade has increased by one, Leroy McCurdy. Before coming to Duvall, he attended an Everett school and now lives with Dr. and Mrs. Baisden. However, the seventh grade lost Helen Elwell, who is now attending the Woodinville school.

We have a very original Valentine box made by Paul Zylstra and Leroy Miller. It is a gunnysack decorated with paper hearts.

BELLEVUE DUVALL DEBATE

The two debate teams went to Bellevue on February 8 to engage in their first formal debate.

Due to car trouble, they arrived a little late, but in plenty of time for the non-decision debate.
BELLEVUE vs. DUVALL

On February 5, 1940, two girls basketball teams traveled to Bellevue to play their second game of the season on the Bellevue floor.

In the first game of the evening the Duvall second team came out on the short end of a 28 to 12 score. Bellevue, catching on to Duvall's system of playing, gave the local team an unexpected amount of trouble. Their fast ball handling and excellent checking enabled them to hold a big lead throughout the game.

Mae Spoelstra scored 10 points, to take the scoring honors for Duvall. Jorgensen, again the outstanding player of Bellevue, tallied 20 points.

The final score stood 34-14 in Bellevue's favor.

PING-PONG TOURNAMENT

The ping-pong tournament is at a standstill. The winners are still as follows: for first place, Ed Ross, Loyal Bright; for second place, Elbridge Guckerell, Alex Stokes, Clyde Kain, Ron Roetcisoander, Harry Holcombe and Adolph Schosboek. However we hope to continue soon so as to determine the winner.

Do not forget the Musical Revue tonight at 8:00 P.M.

REDMEN SCALP DUVALL

The Redmond Redmen were the hosts of two teams of Duvall's choice basketeers February 2, 1940.

The Duvall second team, having played but few games on large courts, were swamped by the Redmond reserves to the tune of 27-19.

The first team game was hard fought from start to finish, with the Redmond ball hawks showing their superiority throughout the game.

Rickenbacher and Sentz of Redmond were high point men of the evening with 13 and 10 points respectively. Brown and Stokes of Duvall each tallied 6 counters.

STUDENTS LEAVE SCHOOL

Bill Hynes and Josephine Hart have left Duvall high school, and another student is expected to leave in March.

Bill will attend high school in Lakeview, Oregon, where his mother has taken the position of chief operator in the local telephone exchange.

Josephine, we have heard, has given up school for a definite outside interest.

Ron will attend Snohomish high school for the rest of the school year.

The students and teachers of Duvall will miss these students and wish them the best of luck.

NOSEY REPORTER

The Monday after the Redmond game, we found that Gordon Sinn thought they had some very fine yell leaders at Redmond; he also thinks that four (4) girls were serenading him from the bleachers. Jean L. won't let you out of her sight from now on, Gordon.

What attraction is there at Duvall that kept Jeanne White from completely enjoying her Seattle visit? (It is also rumored that she may change her mind about this, that, and the other thing concerning that Duvall alumnum.

Alex and Lyle wanted to pick the score keepers for the Redmond game. Mr. Roesch consoled them by promising to allow them to pick the ones for the next game. Who will they pick?

Peggy Miller was again observed reading (?) her book upside down. Could she have been thinking of that same Novelty student that Virginia Peterson has been taking pears to?

Virginia: Can you drive with one arm?

Pinky, eagerly: Sure!!

Virginia: O.K. Here have an apple.

Elbridge Gockerell spends most of his fourth period study hall chatting with Irene. What do they talk about?

What happened when you decided to paddle V.G., Loyal? Fun, wasn't it?

We understand that Tina is very well acquainted with the Editor on the Tolt high school paper. Tell us about her, Tina.

Buster is afraid that if he goes to Snohomish Hi, he will have to spend most of his time picking out the best looking girl. "I'll never get any work done," states this.

Mr. Roesch undertook to "show" the first team the other day. They didn't make you very tired, did they, Coach?

Virginia G. was overheard telling a certain junior girl that she will not wed for 8 years. Can we believe it?

WALLACE’S
FRESH FISH
DURING
LENTEN SEASON
BUS ROUTES MAPPED

A map showing bus routes and the location of all students living along the bus routes is now on display in the office.

The project is the work of Mr. Roesch, who first drew section lines and general road lines from county map. Detailed road lines were secured by travelling over each bus route.

The location of students was obtained by computing bus mileage from school house to the residence of each student in the Cherry Gardens, River, and the Novelty bus routes.

Field data was then transcribed to the map with the ratio of 1 to 2.75.

Washable Hampden marking thumb tacks were used to locate students in each section. The family name was then printed in ink on the face of each tack.

Grade students living at any one residence is indicated by the correct number of green tacks, while high school students are indicated by the correct number of red tacks.

This project shows the distribution of students by geographical area and is of decided value in school administrative work.

DECLAMATORY CONTEST

On Wednesday, February 27 at 2:30 P.M., the American Legion oratorical contest was held in the Duvall Gymnasium.

The contestants were Bernice Bright, Rolanda Williams, and Daisy Franke.

Three members of the community acted as judges. They were Mrs. Chesley Funk, Mrs. Haines, and Dr. Baisden.

The order of the speeches was decided by the drawing of lots. Bernice Bright drew the first speech. Her topic was the "Bill of Rights." Rolanda Williams was the second main speaker. Her topic was "Peace."

Daisy Franke, the last contestant, selected "What Americans owe to America," as her main topic.

Each contestant was required to give, in addition to a prepared speech, one extemporaneous address.

The winner, who received a beautiful loving cup, was Rolanda Williams.

The second place award went to Bernice Bright.

EDITORIAL

The librarians, along with Mr. Nevitt, have been working hard to straighten the books in the library and arrange the books in alphabetical order.

All too often these librarians go into the library and find the books and magazines thrown about and the books out of place.

It is not necessary for this to happen. It would take but a moment to replace the magazines and books in their proper places, but some students insist on just throwing them at the desired spot, missing more often than not.

They fail to realize that not only are they making more work for the librarians and cluttering up the library, but injuring themselves. The next time they go into the library, they have to search through large stacks of books to find the one they want. They then blame the librarians for not putting them in their proper place, not thinking that they are responsible for the disorder.

Think of this, students, when you go to turn in a book. Put it where it belongs.

CALLLENDAR

Duvall vs. Monroe--------Mar. 1
Chinese vs. Duvall--------Mar. 1
Torch Honor Party--------Mar. 8

NEWS BRIEFS

Tests in Literature and Physics were given last week.

Betty Nelson, Bookkeeping student, went over the S.A.A. books and found them to be out of balance $3.40.

The Boys' Club has been nominated to give the next S.A.A. entertainment.

Due to the continued efforts of Anthony Vanhulle, the windows of the high school are spotlessly clean.

With basketball season drawing to a close, interest in the sport is waning. However, a few of the students are still interested and have been playing games of riskit among themselves.

Ping-pong is gaining increasing popularity and each noon finds several games going full blast.

The juniors will hold a candy sale at tonight's basketball game. Bring your nickels for delicious bags of homemade candy.

Basketball games originally scheduled with Tolt have been postponed.

Virginia Gockerell will be seated on the sidelines Friday night. She sprained her ankle in a practice game with the grade school Thursday noon.

Private cars will be used for transportation to the Monroe-Duvall basketball game, Friday, March 1.

The girls' basketball team has been practicing two court basketball games in preparation for the Black Diamond game.

First and fourth periods are being utilized by the senior play cast for practice.
TORCH HONOR SOCIETY

The Honor Society pins have come and, of course, are being worn by the Honor students. The sophomores have one-bar pins, the juniors two-bar pins, and seniors torch pins; results: many proud students.

The Society is planning a party to be held in the Duvall High Gym on March 8. This is certain to be a success as there will be plenty to eat and some very unusual entertainment.

The busses will make the usual routes to bring students to the party which, we hope, will make it the biggest and best party of the year.

CLASS MEETINGS HELD

Class meetings were held fourth period, February 25.

The freshman meeting, conducted by president Kenneth Bennett, consisted of a discussion of the practice periods for the S.A.A. entertainment.

The Sophomores decided that they would sponsor a hike to Mount Si sometime in April. It was also decided that they would continue their noon candy sales.

The juniors secured permission to hold a sale of homemade candy between halves of the Chinese game.

The seniors had a report from the announcement committee and decided that they would send for more samples and for graduation speech helps.

SENIOR PLAY

"Don't Darken My Door," the senior play, has been cast as follows: Roger Kent, a bachelor; Alex Stokes; Rosemary Kent, his niece; Kathryn Spoelstra; Tom Garrick, her suitor; Lyle McFall; Poppy Foster, a maid; Bessie Trim; Alex Stubbins, her devoted swain; Adolph Schosboek; Jane Perkins, writer of Romances; Mae Spoelstra; Louisa and Susie Featherstone, maiden ladies; Tina and Vries, and Bernice Bright.

Practices have started, and the play is progressing very nicely.

SHOP PROJECTS SET

The Manual Art boys are hard at work on their shop projects. Students and wood working projects are as follows: Antone Marty, window screens; Raymond Landers, table lamp; Kenneth Bennett, chest of drawers; Ervin Stokes, table lamp; Gordon Sinn, boat; Loyal Bright, maple chest of drawers; Bill Trulson, display board, window screen; Maurey Schosboek, drop leaf table; and Clyde Kain, radio shelf.

GRADE NEWS

1-2

Leonard, Louise and Duane all had birthdays this month.

Elmer Asman is a new pupil in the first grade. There are nine now in that grade.

Sammy, David and Kathryn broke their perfect attendance records by staying out with the flu. Sammy is still in bed, so we have been writing letters and drawing pictures for him.

Lois, Patsy, Stanley and Billy R. still have perfect attendance for this year.

3-4

We have two new bats and a new ball and are now ready for baseball when the weather is better.

The third grade has new readers this week.

Bertha is our librarian.

Elbridge has the measles. Dick had them also, but is now back in school.

We all enjoyed our vacation last Thursday and Friday.

5-6

Our attendance has greatly improved since the vacation.

We are eagerly looking forward to the time when we begin our "Nature Study" hikes.
MUSICAL REVUE APPLAUDED

On February 16, 1940, the high school and grade school combined forces and the outcome was the first all school musical revue in several years.

The grade school boys were the first on the program. They were dressed as cowboys and were seated around a campfire in the woods. They sang several cowboy ballads; "Home on the Range," "Sante Fe Trail," and "Texas Cowboys' Stampede."

The grade girls were dressed as gypsies and sang, "The Gypsy Trail," and "The Vagabond."

The high school glee club presented a play, "Who Stole Teacher's Necklace."

The play was climax ed by the stealing of school teacher Tina de Vries pearl necklace and eventual location of it upon the person of Kenneth Bennett, the hotel janitor, who had stolen the necklace in an effort to raise the money to send his long lost sister, Jeanne White, back to her native country.

Solos were sung by Elsie Kain, Kathryn Spoelstra and Jeanne White. Tina de Vries and Virginia Gockerell sang a very fine arrangement of "La Paloma." Other songs were sung by the entire cast.

Bessie Trim literally stole the show with her excellent tap dancing to the tune of "Alexander's Rag Time Band."

BOY SCOUTS

Troop No. 61 of Duvall has been reorganized into a neighborhood patrol. The patrol consists of nine scouts: Noah Brown, Gordon Sinn, Kenneth Bennett, Oliver Powers, Paul Sinn, Gerald Williams, David Knittle, LeRoy McCurdy, and Loren Sinn.

In a period of one week the scouts raised $15.00 as their contribution to the Everett Area Council. In addition the patrol treasurer has $6.00 on hand.

Two hikes have been taken, one to Harris creek and the other to Echo Lake. Two overnight trips are planned for this spring. The first one will be to Lake Margaret; the other to Lynch Lake which is located above the forks of the Tolt river.

The first Court of Honor will be held at Monroe in the Junior High auditorium on Tuesday, March 12.

Noah Brown and Gordon Sinn will be seeking honors as Star Scouts. Kenneth Bennett, Oliver Powers and Paul Sinn will be up for Merit Badges, while Loren Sinn, Gerald Williams, David Knittle, and LeRoy McCurdy will endeavor to pass their Tenderfoot Tests.

Nosey Reporter

Anthony Vannulle was seen flirting with Mae while she was playing a game of ping-pong. What will Bernice say, Anthony?

This reporter noticed quite a few boys following Joanne White around the school house. What's the attraction? Was she carrying a sack of candy?

Jean Lyon telling Gordon that she wished to see him after school. Gordon explained meekly, "I can't, I have to sweep." (The excuse didn't work.)

Ed Ross still is being teased about being a woman hater. The nosey reporter, is not the only person who wonders about that!!!

Adolph Schosboek seems to have a little trouble in the senior play. This reporter would like to know about it. It wouldn't have anything to do with Bessie would it, Adolph?

The nosey reporter heard of two senior boys being almost beaten by Mae Spoelstra in games of risk it. What's the matter boys, are you slipping?

It's not to bad having a sprained ankle when two handsome boys are willing to carry you home, is it Virginia? (We wonder if there will be an epidemic of sprains.)

Clara Powers was heard saying that she would have to wear black now that Ren is leaving. Why haven't we heard of this before?

Ed Ross was observed in study hall on his knees before Joyce Barker. Come, come, Edward. After all, it is leap year.

Is the leap year angle the reason you are staying out of Ruth Marshall's way, Elbridge?

What two well known upperclassmen signed their names Mr. and Mrs. at a certain Waterless Cooker demonstration? Must the nosey reporter give their names?

Insurance Doctor: "Any insanity in your family?"

Betty: "Well, no, only my husband imagines he is the head of the house."
SENIOR PLAY TONIGHT

Tonight, at 8:00 P.M., the senior class of Duvall high school will present "Don't Darken My Door," a hilarious, laugh provoking comedy in three acts.

The plot is built around the antics of Roger Kent (Alex Stokes) and Tom Garrick (Lyle McFall) as they attempt to provide for Rosemary Kent (Kathryn Spoelstra) a romance such as she has read about in the novels of Jane Perkins (Mae Spoelstra). Jane, who shows up on the scene through a bicycle accident, feels that she must help bring Rosemary to her senses. Poppy Foster, (Bessie Trim) the housemaid, is much in the same state of mind as her mistress and proves a problem for Alec Stubbins, (Adolph Schosboek) her persistent suitor, to solve.

Susie and Louisa Featherstone, (Bernice Bright and Tina de Vries) are always coming in at the wrong moment, and making general nuisances of themselves.

Put on your must-see list this senior class production.

Editorial

The S.A.A. funds have reached an all-time low. Suggestions have been put forward as how to replenish the fund, among them the one that each class contribute a given sum to the treasury. However, upon looking at the class records, we find that the sophomores are the only ones who have the necessary wherewithal. The juniors and seniors, at present without funds, will attempt to remedy this situation by presenting two plays. They will then be able to contribute a part of the receipts to the treasury, if there is enough left over after financing their own needs.

Every extra person at the play means larger receipts and larger receipts mean more money for the S.A.A. so help advertise these productions and bring your family and family friends. You will benefit by it.

Mr. Roesch......................?
BASEBALL SEASON BEGINS

Baseball equipment has been purchased and a new diamond has been constructed to start another season of baseball.

Mr. Roesch is trying to schedule games with other schools. Turnouts will start as soon as the weather permits.

Duvall is looking forward to a successful baseball season.

SKYKOMISH vs. DUVALL

On March 19, 1940, the Skykomish Skyrockets came to Duvall to play the Duvall girls two games of basketball.

The second team game was rather a one sided contest with Sky holding a superior lead throughout the contest. The final score: Sky 31, Duvall 14.

The last game of the evening was a much different ball game with Duvall holding the edge over the Skyrockets until the final whistle blew. The dragon's showed superior passing and back board work that proved to be the margin of victory. The score: Duvall 38, Sky 15.

"Are you sure she intends to marry him?"

"Absolutely! Just the other night I heard her correcting his grammar!"

TOURNAMENT RESULTS

The Duvall boys journeyed to Seattle on Wednesday, Thursday, and Friday, March 20, 21, and 22, to play in the Washington Prep small school invitational basketball tournament.

Duvall's first opponent, Lester was no match for the Dragons, although the quarters were reduced to 5 minutes, Duvall managed to run up a 34 to 5 score with all members of the squad participating.

As a result of the victory Duvall drew Sky, as their next opponent. The zone system employed by Duvall and the ball freezing tactics of Skykomish kept the score in the lower brackets. At half time Sky led 11 to 6. Both teams played poor offensive ball throughout the contest. Rebound work by Sky proved the deciding factor. Final score: Sky 31, Duvall 21.

In Duvall's final contest, their opponent Orting, proved too much for the boys in blue and white. Although Duvall was ahead 9 to 7 at the end of the first quarter, they did not maintain this lead.

In the last half Duvall could not maintain play formation. As a result Orting won a one sided contest 50 to 25.

DON'T FORGET THE SENIOR PLAY TONIGHT

"Don't Darken My Door" 8:30 P.M. Admission 16¢ and 25¢.
GRADE NEWS

1-2

Patsy Joyce and Lois Raboin still have perfect attendance records in our room.

The first grade had fun telling the class about its Easter surprises and writing a story about them.

We had four good library books from Seattle this week. The best ones were Angus Lost, Chee Chee the Duck, and Minnie the Mermaid.

7-8

We are sorry to hear that Andrew Zylstra has the measles. We wish him a speedy recovery.

The honor roll in the eighth grade is as follows:

Dolores Lucero
Betty Larsen
Oliver Powers
Loren Sinn
Paul Zylstra
Gerald Williams

In the seventh grade:

Shirley Gockerell
Ruth Herman
Andrew Zylstra
Neal Vanderwerff
Iris Hart
John Roetcisoender
Betty Bennett
Kenneth Trim
David Knittle.

The fourth grade has new Readers. We each had a baby chicken for Easter. The cat got some of them.

We wrote stories about our chickens.

3-4

Sixteen children in our room have the measles.

Our turtle, Bob, died. Shirley and Dorothy buried him.

The fourth grade has new Readers. We each had a baby chicken for Easter. The cat got some of them.

We wrote stories about our chickens.

WHO IS HE

Dark eyes, the girls declare
Beware his knowing look
He fools the teachers and he'll do the same for you.
It giggles when tickled, but
Girls please don't try for after all he's only small fry.

5-6

We are postponing our Hobby Show until after vacation because so many people are absent.

This will give some of them a chance to do more work on their hobbies.

PHONE 292
STUDENTS ENJOY PARTY

On Friday March 15, the Duvall high school enjoyed its fourth skating party of this school year at the Silver Lake Rink near Everett.

Two buses were necessary in order to transport all who wish to attend, according to Mr. Roesch, more students were taken on this party than on any other during the past four years.

As Friday night at the Silver Lake Rink is open to the public, Duvall had an opportunity to watch some very fancy skaters. Included in this group, of course, is our own dashing Frank Vanhulle, who was doing a spread eagle until two girls from Snohomish came along and plucked his wings. The graceful Antone Marty and Virginia Gockerell showed to other couples how skating should be done. The fancy skating of Harry Holcomb did not appeal to one girl for all she did was shake her head. Poor Harry!

After two and one half hours of skating, the management closed the doors. In doing so they almost left John Spoelstra inside. John, of course, was skating alone.

Probably nothing is more popular with the students than skating parties. So much enthusiasm was generated at Friday’s affair that most of the students wanted to go the next Friday as well.

GIRLS COMPLETE PROJECT

In the last girls’ club meeting held Monday afternoon, it was decided to finish redecorating the rest room.

The painting and calcimining will be completed within two weeks. The couch and chair have been covered with cretonne. A new table will also be installed in order to provide further conveniences.

Also during this meeting the girls elected Tina de Vries to take the place of Betty Nelson. Tina, former vice president, and very active in student affairs is expected to be a very efficient and capable leader.

As an event eagerly awaited, the girls have decided to hold a splash party at the Y.W.C.A. in Seattle on Tuesday, April 9. Although the transportation problem has not been completely settled, it is expected that all girls who wish to enjoy this worthwhile event may have the opportunity to participate.

The cost is expected to be around 16¢.

In addition, the girls are going to assist in the moving of the Home Economics equipment from the room above the shop back to the Home Economics room, as part of their girls’ club activity program.

DON'T FORGET SENIOR PLAY TONIGHT.

OPERETTA DATE SET

The intermediate grades of the Duvall grade school will present their annual operetta on Friday, April 20, at 8:00 P.M.

This year's production, "The Pirates Umbrella," promises to be one of the most entertaining programs produced by either the grade or high school during this school year.

A decidedly novel and engaging form of operetta has been produced by Miss Mary Passage, Director.

The cast will consist entirely of boys, supported by a back stage chorus. The action will take place in front of a new screen measuring 12 by 22 feet, designed for this occasion.

As usual, there is no admittance charge, and all parents and friends are urged to come and see "The Pirates Umbrella" on Friday, April 26 at 8:00 P.M.

SCOLARSHIP OFFERED

A letter has been received by the senior class from the State College at Pullman, giving to a student room rent for one semester at this institution. The student who will receive this award shall be the valedictorian, or, in case she does not accept it, the salutatorian will receive the honor.

STUDENTS WIN HONORS

The honor roll at the end of the first nine weeks period of the second semester contains the names of 17 students. Over 40% of those enrolled in high school had a scholastic standing of B or better.

Highest honors went to Noah Brown, sophomore, with a straight A average in six subjects.

The following students have achieved honor roll standings:

FRESHMAN

NEWS BRIEFS

The Sultan baseball team will play the Duvall nine on Thursday afternoon, April 25, at Duvall.

Friends and alumni of the Duvall school are invited to attend tonight's skating party at Silver Lake. The busses will leave at 7:10; the transportation cost is 5¢.

High school students still absent with the measles are: Raymond Landers, Daisy Franke, Ruth Marshall, and Joyce Barker.

Members of the faculty attended the annual recital of the Monroe Choral Club at Monroe on Thursday, April 18. Two members of the faculty, Miss Jean Wilson and Miss Mary Passage took part in this very excellent recital.

The repair and leveling work on the tennis courts is almost completed. The courts are to be ready for use about May 1, thanks to the efforts of Bill McCormick.

Anthony Vanhulle and Ervin Stokes, stage hands, are making properties for the grade school Operetta to be given next Friday night.

Boat building is assuming major proportions in the Duvall shop. One boat has already been launched and is now riding at anchor in Bill McCormicks' fish pond. The other boat, the property of Gordon Sinn, is still on the ways.

The senior class cleared $32.45 on their play, "Don't Darken My Door."

EDITORIAL

The last few assemblies have been disrupted by students failing to show up or coming in late. A part of each assembly has been taken up by an impromptu check-up on the absent students. Two or three are found in the shop, others in the typing room or running around the building somewhere.

Some have really forgotten that there is an assembly, but others have some weak excuse or none at all for not showing up. They are forgetting that the assemblies are for their own benefit; a place where the activities of the coming week are announced.

So come to these assemblies; first period Monday and fourth period Friday the regular time, and four bells for special assemblies.

Boy Scout Court of Honor------30
BALL HAWKERS' PROGRESS

The new ball field is the scene of much activity during lunch time and P.E. periods. The students through the S.A.A., have purchased enough fielders gloves for every boy in school. As a result there is keen competition for positions on Duvall's small but augmentative baseball team.

The pitching staff, as yet undetermined, seems to center around Harry Holcombe, Alex Stokes, Noah Brown, and Roger Duncan.

Although infield positions are fairly well determined with Elbridge Gockerell holding a fast and at times furious pace at shortstop, and "Lefty" Ed Ross camped at 2nd, the outfield positions are in the process of constant modification. "Bommer Voice" Gordon Sinn and "Studious" Lyle McFall are the outstanding candidates for center and left field. In right field Antone Marty, Ervin Stokes, Loyal Bright, John Spoelstra, and Adolph Schosboek are battling to hold a first team spot.

Games will be scheduled during the month of May, with Monroe and Sultan as promised opponents.

Coffee and cake will be served to the public in the Home Economics room following the Operetta on April 26.

BELLEVUE DEFEATS DUVALL

The girls baseball season opened on Thursday April 18, when the Duvall girls tangled with Bellevue on the Duvall high school soft ball diamond.

The game was a slugfest in which Bellevue hit the ball all over the diamond, to trounce Duvall 8 to 2. Duvall proved to have a lack of talent in batting and fielding. The girls tried hard to make a comeback over their difficulties, but failed to make the grade.

Jean Lyon and Maxine Close scored the runs for Duvall. The losing pitcher was Mae Spoelstra, with Jean Lyon relieving her in the seventh inning.

The girls have plenty of fight and are determined to turn in a win at their next try.

CAMPUS GRASS MOWED

The early spring weather has necessitated the mowing of the school campus. Mr. McCormick, with the able assistance of Alex Stokes and Roger Duncan, has been doing so, for the past two weeks. They have also been rolling the baseball diamond to get it in good condition for playing.

Duvall girls vs. Bellevue, Thursday, May 2.
GRADE NEWS

1-2

Last Wednesday we made an excursion down to look at the Duvall water pump. We saw many interesting things on our way. Our next trip will be up to the Duvall reservoir.

The second grade has learned the days of the week and how to spell them. They are now working on the months and the seasons.

Everyone has returned to school after being ill except Leonard and Elmer.

Two children from Redmond have entered our room.

---

3-4

All the people who had the measles are back and we have had 100% attendance for four days.

We have a new pupil in the third grade. Her name is Delila Follis. We are enjoying our baseball during these nice days.

Delila brought an oriole's nest to school.

Several children brought flowers to school this week.

---

NOTICE!

SKATING PARTY TONIGHT

---

GRADE NEWS

5-6

We are glad that nearly everybody is back at school now.

Marie Coffiken, who has gone to Tacoma, will finish the remainder of the school term there.

Our organized game program for the recess periods proved to be good fun. Everyone enjoyed them today.

---

7-8

The boys' baseball team has played the high school two games this year. The high school's experience and superior playing proved to be greater obstacles than our weaker, less experienced team could overcome, and were as a result swamped under a barrage of runs.

Measles have caused a serious decrease in the enrollment of our room.

Several of the boys have speaking parts in the coming operetta and are studying their lines industriously.

NEEDLES STILL FLYING

Pots, pans and cook books! Even though the sewing room above the shop is empty, and pots and pans clutter in the Home Economics room, do not think for a minute that the sewing machines are silent, or that needles and thimbles aren't in use. Six girls out of the sewing class intend to keep right on sewing until the end of the year, and the girls who are changing are hurrying to finish their garments so that they can start regular cooking classes. Virginia Gockerell and Virginia Peterson are working to finish print dresses. Peggy Miller is completing a play suit. Irene Vanhulle and Maxine Close are making blouses to wear with the skirts that they made earlier in the year. Jean Lyon has finished her red check dress and has been seen wearing it around school now and then during the past weeks. Clara Powers' house coat has been finished and put away for the style show.

The girls who are continuing sewing are in the midst of various articles; two are making white silk blouses; two are making rayon twin dresses, and two are making play suits.

The Faculty are planning a hike to Cherry Creek Falls during the first part of May.

BOY SCOUTS PLAN COURT

On Tuesday, April 30, a Boy Scout Court of Honor will be held in the Duvall Methodist Church at 8:00 P.M. Scouts from Duvall, Monroe, and Wagner will be in attendance.

On Saturday, April 13, the scouts held their first overnight hike of the school year at Lake Margaret. The new scouting equipment, consisting of two tents, was tried out for the first time and proved very satisfactory. While at camp, 2 boys, Loren Sinn and Wayne Clark passed their 2nd class cooking and fire building tests.

All of the boys in the local troop will be going up for advancement in rank or for merit badges at Tuesday's Court. Parents and friends of the scouts are cordially invited to attend.

Three scouts, Paul Sinn, Wayne Clark, and Oliver Powers will be taking their 14 mile hike for their first class requirement on Sunday, April 21.

On Saturday, May 11, the boys will start on their long awaited camping trip to Lynch Lake. This 16 mile hike with one overnight camp will mark one of the high spots of the year's program. The hike has been planned as a "Partner" affair. All camping, packing, and clean up will be done by each scouting unit of two.

The scouts are also planning to attend the Scout Circus in Everett on Saturday, May 4.

THE NOSEY REPORTER

Ed Ross, the woman hater, seems to be missing Ruth Marshall, who is out with the measles. Don't feel too bad, Ed. She'll be back in a few days.

A group of Fall City boys traveled to Duvall during school hours. The nosy reporter wonders what the attraction could be. Do you know anything about it, Rolly?

Bessie Trim believes that she has a real cute boy friend from Redmond. Alex doesn't think so. Well, everyone is entitled to his own views.

Heard around the school is the fact that Elbridge went to visit Irene. Did you enjoy your visit, Elbridge? And what did Gertrude say?

A certain senior girl was seen winking at a freshman boy. We saw you, Mae, who is he?

We noticed that it took Pink a long time to get home after school Wednesday night. Know anything about this, Virginia?

Adolph was seen receiving a very enthusiastic greeting from Peggy. Is there any connection between that and the tears that were rolling down your cheeks in Physics class Thursday, Adolph?

SEEN OFF AND ON

Gordon Sinn in wild pursuit of Kenneth Bennett. Kenny has been intercepting the flood of notes between Jean Lyons and Gordon.

Anthony Vanhulle doing heroic feats on the baseball field whenever he thinks about Bernice Bright. (He fanned out twice yesterday.)

Some students wondering if Mr. Nevitt buying a new car will mean that they will see more of Helene.

Alex, Elbridge and Harry falling for blonde girl at Monroe dime night. (They do not even know the name of the show.)

Virginia Gockerell now paying a great deal of attention to Gordon Sinn and Noah Brown. Well, they say that variety is the spice of life.

Mae giving Kathryn some sisterly advice cut on the baseball diamond.

"AUNT SUSIE SHOOTS THE WORKS"

The junior class will present at 8:15 P.M. tonight, their thrilling three act mystery, "Aunt Susie Shoots The Works."

When Aunt Susie, (Rolanda Williams) shoots the works there is plenty of excitement for everyone including Scarlet the colored maid; (Virginia Close) and her suitor, (Ervin Stokes);

Joy Herbert, (Jeanne White) and Johnny Rogers, (Harry Holcombe) provide a romantic interest while Madame Zola, (Tina de Vries) the mystic medium reports messages from the spirit world.

Omar Graves, (Roger Duncan) and Portia Lark, (Bernice Bright) seek to improve their romance with baby talk.

Other members of the cast who promise to make this play outstanding success are: Laura Dawson, (CONT OF PAGE 3)
The sophomore class has decided to postpone the skating party at Silver Lake on the evening of Friday, May 24.

The Duvall boy scouts will assist in the American Legion Ceremony at the Novelty Cemetery on Memorial Day at 12:15 P.M.

The tennis court is in excellent shape and is available to townspeople any time after 3:30 P.M. on school days. The court is open all day on Saturday.

The date for the Mount Si Field trip has been definitely set for Saturday May 19. The bus will leave the school house at 8:30 A.M. and return at 4:30 P.M.

The Duvall (7-8) grade school softball team will play the Tolt grade school team this afternoon on the Duvall diamond at 2:30.

Final examination schedules have been posted on the bulletin boards. Examinations will take place during regular class periods on Wednesday May 23, Friday May 31, and Monday June 3.

This year's school picnic for grade and high school will be held on the last day of school, June 5. The grade school will go to Cottage Lake while the high school journeys to Silver Lake.

A baseball game has been scheduled with the Monroe high school nine Wednesday, May 22. In the event of rain, the game will be played the following Thursday.

The Torch Honorites are planning a weiner roast, to be held at Lake Margaret Tuesday, May 21.

The tennis court is in excellent condition and are in use at all available times. The players are to be commended for their splendid sportsmanship. They are sharing the courts, tennis rackets, and tennis balls.

The high school is pleased to announce to the townspeople that they may use the courts after school hours. However, they must observe the same restrictions as placed on the high school players.

SCOUTS HOLD COURT

On Tuesday, May 7, a Boy Scout Court of Honor was held in the high school gymnasium. Troops from Monroe, Wagner, and Everett attended the Court.

Scouts who were awarded second class were: Wayne Clark, David Knittle, and Loren Sinn.

Paul Sinn and Oliver Powers were awarded first class rank. Gordon Sinn, Kenneth Bennett, and Noah Brown, received merit badges.

The entire examination was conducted in a quiet, efficient manner.

SCOUTS HIKER TO LAKE

On Saturday morning at 8:30 A.M., Troop No. 61 of Duvall set out for Lynch Lake located in Township 28 N. Range 8E, Section 25.

The scouts rode to Moss Lake, the first stop. From there a three quarters of an hour walk took them to the forks of the Tolt River. The North Fork was too deep to wade so baggage and scouts were taken across (Cont. on page 5)

DUVALL PHONE 292

Duvall Defeats Sultan

On Friday afternoon, May 3, the Duvall nine met and defeated the Sultan baseball team in a wild game by the score of 15 to 12. Sultan used 4 pitchers while Duvall was compelled to employ 5. Errors were numerous as this was the first interscholastic contest for either team. Duvall was off to a big lead in the first inning with a 5 run splurge. Sultan came back in the third and fourth innings to tie the score and in the sixth to take a two run lead.

In the last of the seventh, Duvall chased over 3 runs on a line drive by Ed Ross, second baseman.
1-2

The first graders are finishing up their reading for this year by choosing their own reading material and preparing it themselves.

We have been learning to read simple music in our room.

Last Wednesday we visited the water tank where the Duvall water supply is kept. This trip was a follow-up of our study of the pump.

3-4

Mr. Landers brought us two little goldfish. We have them in a bowl. Each of us received a Red Cross button this week.

The pupils in our room are enjoying the baseball games played in the play periods.

5-6

Our Mother's Day program was very successful. The mothers came and after the formal program upstairs the girls played a rousing baseball game against the boys. Chairs were set out side so that the mothers could view the game comfortably.

Each Mother was presented with a corsage and an address book which the boys and girls made in art.

7-8

The 7th and 8th grade boys played a game of soft ball with the Toll boys Friday. The line-up was as follows:

- Pitcher-------------Oliver Powers
- Catcher-------------Glen Miller
- 1st base-------------Paul Zylstra
- 2nd base-------------Benny Zucati
- 3rd base-------------Wayne Clark
- Left field------------Roy Miller
- Right field----------Andrew Zylstra
- Center field--------Paul Sinn
- Shortstop------------Kenneth Trim
- Shortstop-----------Neal Vanderwerff

VACATION PLANS DETERMINED

- Elbridge Gockeell--Work at Carnation farm.
- Clarence Zylstra----Work home on the farm.
- Ed Ross-----------Not to be quoted
- Bessie Trim----------California Bound
- Alex Stokes---------Shake splitting in Skymish.
- Clara Powers--------Seattle employed.
- Kathryn Spoelstra--Milch cows.
- Maxine Close--------Stay home.
- Antone Marty--------Hollywood.
- Junior Play Cast----On to Broadway.
- Adolph Schosboek----Lelivelt's chief advisor.
- Jean Lyons----------Turkey farming.
- Peggy Miller---------Swimming.

MacDOUGALL'S

SPRAY
IF YOU WANT A GARDEN
WE HAVE SOMETHING FOR EVERY BUG
At the early hour of 7:00 A.M. on Wednesday, May 15, the senior class, accompanied by Mr. Swenson and Bill Rootcisoender, left Duvall unknown to the rest of the school, to go on the annual senior sneak day.

Arriving in Seattle at 9:00, their first stop was radio station K.O.M.O., where they were the guests of the Captain Dobsey program. Thrills were had by all as the Captain announced their presence over the air. After the broadcast, he personally escorted them throughout the various studios and rooms of interest.

Arriving at Smith Tower at 11:30, the group then met Mr. Swenson on the ground floor and the class divided into two groups, part of them going to a show and the rest visiting the curiosity shop.

After the groups met again, it was 12:00 and it was decided that they should go to the Smorgasbord, a distinctive cosmopolitan restaurant in downtown Seattle, for lunch. Alex Stokes, for the first time in his life, had all he could eat.

A bowling alley was visited next and several games were played. Mae Spoelstra proved to be the most adept at this sport, having a higher score than any of the rest of the local bowlers.

After a short automobile ride, the seniors stopped en route to the University of Washington and visited the Times news plant. They were furnished with a guide and examined the building from top to bottom.

At the University of Washington, Vic Richardson invited them to watch the rowing crews practice and secured seats for them in the coaching yachts.

The long boat rides worked up healthy appetites for all and a dinner was consumed before going to Sick’s Seattle Stadium for the double-header between the Seattle Rainiers and Portland Beavers. For further details, see Adolph Schosboek.

The girls, not having anymore baseball games scheduled for the year, are playing tennis in P.E. periods and noon hours.

Although the players are mostly beginners, they are improving rapidly. To date, Tina DeVries and Johanna Vanderwerff are the outstanding singles contestants, while Rolanda Williams and Jean Lyons are taking all comers in the doubles class.

Up and coming players are Mae Spoelstra and Virginia Gockerell.
SPECIAL ASSEMBLIES CALLED

On Thursday morning, May 16, the student body listened to the radio broadcast of President Roosevelt's address to the joint session of the House and the Senate. The problem of national defense was brought clearly to the attention of the students by the President's references to changes in methods of modern warfare.

On Friday morning at 11:00, Dr. Cole of the University of Washington spoke to the student assembly. Dr. Cole showed the importance of careful planning and hard work as cornerstones on the road to success.

Dr. Cole also emphasizes the vital factors of individual training that the small school is able to provide in contrast to the larger educational units that, must, of necessity, solve educational problems of a more rigid system of control and administration.

CLASS BUSY

The freshmen have been discussing and planning ways to make money but as yet they haven't had much activity. Although the sophomores planned two events, a skating party on the 24th and a hike to Mount Si on the 18th, the skating party had to be cancelled because it conflicted with the Junior-Senior Banquet, which is also planned for the 24th.

The juniors and seniors plan to go to Seattle after the banquet and see a Henry Aldrich play. The junior play will be on Friday, May 17. Everyone is anxiously waiting to see it.

Graduation announcements and cards have arrived and are being sent out by the seniors. A commencement speaker has been secured and the program is completely arranged for June 3, 1940.

Come! See! the juniors strut their stuff in their stellar production, "Aunt Susie Shoots the Works," tonight in the high school gym at 8:00 P.M.

Come early to an evening of fine entertainment.

SCOUTS HIKE TO LAKE

(Con't. from page 3)

the river by cable car.

From the forks the boys climbed steep bluffs bordering on the South Fork and after finding an old railroad grade set out on a general compass line for Lynch Lake.

Logging operations on this area had completely destroyed any signs of the old trail. In fact the logging had been so complete that very little was left except old stumps, abandoned railroad grades and fallen timber.

About two o'clock in the afternoon the scouts located Section 25. Unfortunately, however, they came in at the south end of the section. The two scouting parties that set out from the main group reported back within an hour that they were unable to locate the lake.

Cutting back from section 25 the scouts camped that night close to the township line on the South Fork of the Tolt River.

Early next morning the scouts again set out for Lynch Lake and at nine o'clock hiked over a ridge and discovered the lake.

The hike back was made in very fast time and at four thirty on Sunday afternoon the boys reached their starting point at Moss Lake.

DUVALL VS. SULTAN

On May 16, 1940, the Duvall boys' baseball team traveled in a truck to the neighboring town of Sultan, where they engaged the high-school team in a close and exciting baseball game.

In the first three innings each team made one run. In the fourth inning Sultan came up to bat and with a walk and a hit, put two men on second and third with two men out. The next man up hit a hard ground-ball to the shortstop, who made a nice stop but threw it in the ground to the first baseman. Two runners scored. The next man up also hit to the shortstop, who fumbled, allowing another run to cross the plate. The next man up flew out to Ervin Stokes, the right fielder, ending the inning with a score of 4-1.

In the fifth inning Duvall filled the bases and accounted for two runs, making the score 4-3. Two hits in the same inning gave Sultan 1 more run.

A rally by Duvall in the sixth frame tied the game at 5-all but Sultan pulled a squeeze-play in their half of the inning to push over the winning run.

The final score was 6-5 in Sultan's favor.

Shirley of Sultan was the winning pitcher. Stokes of Duvall was credited with the loss.

Judge: "Speeding, eh? How many times have you been before me?"

Lyle McFall: "Never, your Honor. I've tried to pass you on the road once or twice, but my old bus will only do 55."

"You ought to feel highly honored, young man," said the big businessman to the life insurance agent. "Do you know that today I have refused to see seven insurance men?"

"I know," replied the agent, "I'm them."

The barber was dark and swarthy, his eyes black and sparkling. It was evident that he was descended from Latin stock.

"What do you think of the Italian situation?" he inquired of the customer. "What is your opinion of Mussolini?"

"The same as yours," replied the man in the chair.

"But how do you know my opinion?" inquired the startled barber.

"I don't," admitted the man, "but you have the razor."
SEEK OFF AND ON

Nobody missing the seniors when they went on their sneak.

Harry taking Jeanne home after play practice, but he had to contend with Ervin.

Anthony and Bernice enjoying play practice to the fullest, until Thursday and now they aren't speaking, or are they?

The senior sneak proving too much for Stokes, he had to stay home on Thursday to recover.

Ervin with a shiner the next day after he took Jeanne home.

Virginia Peterson continually carrying fruit to Novelty's "Little Boy" White every night on the bus.

Lyle trying to bribe Virginia Close into telling him where she keeps her private stock of champagne.

Jean Lyon riding around on the valley bus.

SEEK OFF AND ON

Kathryn with a liking for R.O.T.C. uniforms and caps.

The juniors bragging to the seniors about waxing and mopping the gym floor for the play. One senior came back with the fact that they didn't have to do that in their play. They knew that the people would look at their play.

The following conversation heard by a reporter:

Pink: Shall we waltz?
Virginia: It's all the same to me.
Pink: So I noticed.

Mae and Stokes fighting all the way back from Seattle after the sneak.

Clara Powers disappointed because she couldn't go with the boys to Sultan to keep score. (What score?)

7 juniors going to Tina's to get one little end table.

Rolanda wondering what size shirt Simmon's wears.

Here's how it happened

BANG

zip (hard ball)

the result
JUNIORS HONOR SENIORS

The seniors were honored by a banquet arranged for them by the junior class, Friday evening, May 24.

The banquet started at 6:00 P.M. and by 7:00 everyone was filled to capacity by the magnificent repast. Jeanne White, accompanied by Tina de Vries on the piano, sang a solo between courses. Mr. Nevitt consented to play his favorite piece on the piano. Harry Holcombe presented the senior welcome and Lyle McFall gave a response.

After the banquet, members of both classes, the faculty, and guests went to Seattle to the Showboat theatre and enjoyed a very fine performance by the University drama class, a Henry Aldrich play, "What a Life."

STUDENT BODY MEETS

The last regular S.A.A.A. meeting was held May 24, fourth period.

After the minutes were read and the treasurers report was given, the chairman of the food committee gave a report. Announcements were called for and the Student Body officials for next year, nominated in a previous S.A.A.A. meeting, were elected.

The following officials were elected:
Harry Holcombe------------President
Roger Duncan-----------Vice President
Tina DeVries------------Secretary
Noah Brown-------------Treasurer

COMMENCEMENT EXERCISES

Commencement exercises will take place the evening of June 4, in the Duvall Gymnasium.

We are very fortunate to have as our main speaker, Carroll Carter, King County Clerk of Seattle, whose topic will be "Then and Now".

The Valedictorian, Bessie Trim, will give an address entitled "Youth Place Today".

Lyle McFall and Kathryn Spoelstra will give salutatory addresses.

We will be favored with two vocal solos by Martha Wiederrecht, a former Duvall student.

HONOR STUDENTS EAT WEINERS

As their last activity of the year, the Torch Honor Society held a weiner roast at Lake Margaret.

Upon their arrival at the lake, the boys went swimming and the girls on a hike. Several long boat rides were taken in the boat that was provided by Mr. Trim.

Mr. Swenson, declaring that he was famished, built the fire and everybody cut toasting sticks and roasted weiners and ate toasted marshmallows until they almost burst.

The evening was warm with a full moon and more boatrides were taken before the group went home.

Final Torch Honor pins will be presented the seniors during commencement exercises Tuesday night.

The society hopes to have many new members next year. A year of activity is being planned.
EDITORIAL

As late as 1933; the Hi Times was a 2 page paper. The ads were spread over the last page, and to the sorrow of the students of that day, there was no humor to speak of. 1934 saw a change of policy and also of typists. Newer style typewriters were purchased and the paper became a four page affair.

The paper remained the same until 1937, when the policy was again changed and the paper became six sheets.

The present paper is of six sheets, but added to the attractions are a humorous series of cartoons, a calendar and News Briefs.

The goal for the future staff is that they will find time to type even-margined columns and have proper sub-titles.

This year's staff would like to thank the students who have been so cooperative in helping us get out each edition. We hope that next years staff will have the same success as we have had and receive the same fine cooperation.

To each and every student, we give our best wishes for a happy vacation.

Commencement exercises will be held in the Duvall Gymnasium tonight.

NEWS BRIEFS

Howard Myers and Edith Hansen, former Duvall high school students, visited us last week.

The skating party that was scheduled for June 1, was postponed because a lack of interest prevailed among the students.

In former years, a collection was taken and ice cream bars for the students were purchased in Everett. This procedure will not be followed this year.

Gordon Sinn, Loyal Bright, Gertrude Ahl, and Daisy Franke are members of the clean up committee for the all school picnic.

The junior class has charge of the decoration of the gymnasium for the commencement exercises, which will be held tonight at 8:00 P.M. Everyone is cordially invited to attend.

The last school week has been Exam. week in Duvall High School. Teachers report that the students are passing with a high average.

Eighth grade graduation ceremonies will be held at the same time the seniors graduate.

Students taking shop must pay for the lumber used in constructing their projects before receiving credit in this course.

Sewing students are requested to take all their material from the Home Economics room.
**HI HIKES TO SI**

On Saturday, May 18, twenty high school students journeyed by school bus to Mt. Si, which is located by road 2½ miles northeast of North Bend. The trip to the foot of Mt. Si occupied the better part of 2 hours.

The twenty mountain climbers, enthused and very eager to reach the summit started up the trail with a dust raising pace. The dust, however, began to settle as Hans Homann, Roger Duncan and Harry Holcombe were out of sight up the trail. The others began to relax. Relaxed students in the state of partial exhaustion could be counted 10 to the first mile and 5 to the next.

Maxine Close, Irene Vanhulle and Virginia Close went a total distance of ½ mile before stopping for the day.

Hans Homann, Duvall graduate, was the first to reach the summit. Others immediately following were Mr. Roesch, Roger Duncan and Harry Holcombe. Half an hour later, 2 girls, Jeanno White and Peggy Miller, reached the summit.

After a short rest in which time several more students reached the top, the group started back down at a much more rapid pace than they had ascended the mountain.

Everybody met at the bus and a tired and dusty group arrived home at approximately 4:30 P.M.

---

**STUDENTS CHOOSE COURSES**

Pre-registration took place this morning. In addition to the classes that were held this year, courses in chemistry, agriculture, second year typing and shorthand, and a 4-H club will be formed.

A new teacher, Mr. Harris, will take the place of Mr. Roesch, who will further his education at the University of Washington.

The basketball team will try to join a basketball league with high schools of surrounding neighborhoods. An attempt is also being made to secure football suits.

---

**SCHOOL PICNIC**

The Duvall high school, accompanied by the seventh and eighth grades, will go to Silver Lake on June 5 for their annual school picnic. Both buses will be used to transport students to and from the lake.

Students will amuse themselves playing baseball, swimming, boating, roller skating and, most important of all, eating.

A picnic lunch of salads, baked beans, sandwiches, jello, cookies and cake will be served at noon by the food committee which consists of Rolanda Williams, Tina de Vries, Johanna Vanderverff, and Alex Stokes. The clean-up committee consists of Gordon Sinn, Gertrude Ahl, Loyal Bright, and Daisey Franke.
GRADE NEWS

1-2

On Wednesday, May 29, the first and second grades entertained their mothers by presenting Hansel and Gretel, a short operetta. The main parts were taken by Ella Lou Firth as Gretel, Walter Johnson as Hansel, Patsy Joyce as the mother, David McCallum the father, and Jimmy Roetsioender, the sandman. Louis Hammerquist, Anna Mae Fortman, Peggy Joyce and Lois Raboin were angels.

The other children were gingerbread men. Sammy Rupart, Jerrold Powers and Duane Terpstra gave short poems.

3-4

We are planning to go to Cottage Lake for our picnic. Lawrence and Beverly have moved away and we have only fifteen in the third grade now.

Our teacher is reading us a book of Grimm’s Fairy Tales. We are all looking forward with much interest to the coming vacation.

In our Science class we are watching an experiment which we have set up to prove that the air contains water.

The third grade is reviewing for their reading lessons.

GRADE NEWS

5-6

Before spring vacation Miss Passage gave everybody a variety of flower seeds to be planted and cared for by the student. All the gardens are progressing well. Such a project takes care of some of the leisure time during the summer. This fall each one is to bring a report of how he disposed of the flowers.

Our lively baseball games continue to be very interesting. We have very promising material for the future along that line.

This ends our school news reports so may we say in closing—a very pleasant vacation to all.

7-8

Tuesday was the last day for the Home Economics girls. Our teacher kindly forgot about our examination for Thursday.

The boys have been playing hardball and the girls have been playing softball.

As the school year of 1940 draws to a close we all look forward to our annual school picnic and then to our summer vacation. We all wish each other an enjoyable vacation, even to our teacher. We are all wondering what our report cards will show.

BALL BOYS BUFFALOED

Duvall was having a very enjoyable time at Monroe a week ago Wednesday afternoon. The day was ideal, particularly for the blue and white; for contrary to pre game opinion the baseball game between Duvall and Monroe had disintegrated into a Duvall track meet. When Monroe was not providing free transportation to first, Duvall took the percentage and hit the ball straight away. With bases loaded in the first of the third and four runs already tallied, Elbridge Gockerell blasted a line drive over the right field fence to make the 8 to 1.

Time was called while the players and a girl on a bicycle searched a polite lady's garden for the missing ball. After ten minutes of investigation and no baseball, the girl on the bicycle went riding down the alle and the boys hiked back to the diamond.

Duvall started in where they left off and again filled the bases. Might Harry Holcombe came to bat. He fouled the second ball pitched over the right field fence and again the search was on, this time to no avail.

Next year the boys promise to bring a dozen baseballs and a ball boy for each ball.

Ervin—a rival with Harry?

Father: "Well, I can't see why you don't like Horace. He's so intelligent—why, he's a walking encyclopedia.
Virginia C: "Yes, but I'd rather have somebody with a car."

Anthony: "How did you enjoy your horseback ride?"
Ervin: "I never thought anything filled with hay could be so hard."

Mr. Roesch: "Can you type?"
Lyle: "Yes, I use the Columbus system."
Mr. Roesch: "What's that?"
Lyle: "I discovered a key and then landed on it."

Father: "Well, Kenny, what did you learn at school today?"
Kenny (proudly): "I learned to say ‘Yes, sir’ and ‘No, sir’ and ‘Yes, ma’am’ and ‘No, ma’am.’"
Father: "You did?"
Kenny: "Yeah."

Mae: "I'm all upset. We had to kill our dog this morning."
Elbridge: "Was he mad?"
Mae: "Well, he wasn't any too well pleased."
NEW PIANO

On Friday, Sept. 20, Roger Duncan took his truck and accompanied by Elbridge Gockerell, Harry Holcomb, and Mr. Swenson went to Seattle and brought back a second hand piano which was in good condition.

This was the piano which Miss Simmons and Mr. Nevitt had bargained for at an earlier date.

The students extended their thanks to the school board for this contribution.

PLAY FIELD

Every week there is a different N. Y. A. student watching playground activities of the lower grades. This lessens the danger of accident among the smaller children. It is enjoyable work for the student and all the grade school children are kept busy playing.

PICTURES

Another way to get out of studies! — Getting class and all school pictures taken. First the first and second grades saw the birdie, then the third and fourth grades and so on to the twelfth grade. A few of the Senior class members were absent so that the taking of this picture had to be postponed until Tuesday, Oct. 1. The pictures taken first were returned on Oct. 1, and were accepted as O. K.

SOPHOMORE ENTERTAINMENT

Last Friday the S. A. A. was entertained by the sophomores. The first number on the program was Mexicali Rose, sung by Virginia Gockerell and Virginia Peterson. Then they had a reading of a play, "Troubles by Mail!" The characters were as following; Mr. Banker--Antone Marty; Mrs. Banker--Virginia Gockerell; Jim, John Spoelstra; Shirley Shirley--Virginia Peterson. Miss Doskocil read the action.

CORN PICKING

Corn picking time is here again. This was evidenced by students going towards Mr. Duncan's corn field with sacks and aprons. Boys volunteered to pick the corn so they could get out of some studies. The corn will be used for the school hot lunches. It was taken to Kirkland where it was canned. A few boys went along to help husk it and according to the evidence on the road they couldn't wait till they got there to get started.

FROSH PARTY

The high school is cordially invited to attend the Froshman party on October 4, 1940. It will be held in the gym, and after the excitement of the games, refreshments will be served in the Home Ec room. The party starts at 7:30 P. M. and all high school students are welcome.
Every school requires a school library, it seems to be an essential fact to a school. Most schools cannot get along without one but our school seems to be different in the fact that we cannot get along with our library. You walk in the door and start moving books out of the way to get in. We know the rules of the library but we would rather ignore them, we would rather just take any book out as we please and then read it and bring it back tossing it on any old shelf.

It would be much better for every one concerned if we used a systematic way of running our library. If we take a book out we should remove the card from the book and place it in the box in the library put there for that purpose. After we read the book it would be far better to put it on the table instead of the first place on one of the empty shelves we see. Mr. Nevitt can then put them back in order the way they were meant to be kept.

Another important factor we should realize is that the library is only a lending library and that books taken out are not meant to be kept. Two weeks is the limit and we should always make sure we do not take too long in returning the books we take out of our library.

**NEWS BRIEFS**

To our typing room had been added another new luxury. We have another typewriter which makes a total of 3 new typewriters this year.

Formerly the boys have all had the privilege of going to the cannery to help with the canning but to make everything fair Mr. Swenson allowed the following four girls to go over to the cannery on Thursday; Tina de Vries, Bernice Bright, Ruth Carlson. They returned all smelling very much like onions or was it vegetable soap?

Ah! Once again as in former years one of the lower classes has had to give a party. Don't forget to-night the fresh are inviting all the high school to their corn squeeze, cider drinking party.

To go along with new chemistry tables have come new equipment for the lab. Many new unbreakable glass tubes and glass containers have been purchased. These always help because in former years some unlucky person was always having to buy new chemistry equipment which they had broken.
LEAGUE OF NATIONS DINNER

The members of the French class, Jeanne, Daisy, Noah, Harry and Bernice and their teacher, Mr. Nevitt, went to Seattle to dine at a French restaurant. They arrived at the Haison Blanche about 7:30. They were given a menu which was printed in French but also had the English translation so that they had an idea what they were eating. Mr. Nevitt, Jeanne, and Daisy ordered a Russian dish called Chicken Pirojki and Harry, Noah, and Bernice had Chicken Raviolis which was an Italian dish. While waiting for their orders they ate bread sticks and butter. They finished their most delicious dinner at 3:30, and then everyone went to see the movie "The Sea Hawk". At approximately 11:30 they came home.

FRESHMEN NEWS

On Sept. 30, the Freshmen held a meeting. They decided to have their party for the high school on Friday, Oct. 4. There was an entertainment committee elected which consisted of Oliver Powars, Phyllis Dubuque and Glen Miller. They also selected a menu for the party and chose a secretary to take the place of Scott Wallace who is absent.

JUNIOR NEWS

You have probably noticed the Junior Class candy sales going on in the hall every noon and those of the class who have attended the sales all agree that business is fine.

The skating party last Friday was a result of the profit they are making.

Here's hoping that they continue to make profits and give parties for the enjoyment of the rest of the school.

SENIOR NEWS

On Sept. 24, the seniors were called to a semi-formal meeting to decide on the class announcements. By deciding on the style of announcements wanted at this time they will be 10% cheaper. The actual printing of the date, class colors, and motto will be done on the announcements next spring.

CARD PARTY

On Oct. 4, at 3:00, the Civic Club will give their first card party of the season. Bridge and pinocchio will be played and refreshments will be served later in the evening. The party will be held at the Library and the admission price is $.25.

GRADE NEWS

1-2

The primary room is very interested in making a farm. June, Stanley, Billie Fortman and Jim have had a nice time making the barn. Peggy Mix, Lois, Nora, Velma and Eddie are making the house. The silo was made by Dennis, Carol, and Barbara. The woodshed was made by Billy Leyde and Jerrold Powers. Jim, Frankie, Jerry, and Peter made the chicken house and Meta and Colleen, the bird house. We also have a pig pen which was made by Jerry and Peggy.

We are all coloring a farmer and his wife. The best ones will be put in the sandtable; the others we will use for a border in our room. We will all help make the animals.

The first grade is learning to count and color by making little squirrels. When five are finished they will be made into a little book and taken home. The second grade has new number books which they enjoy using.

3-4

Billy Roetcisoender thinks it is just the nicest thing to have a new baby brother.

(cont. on the next col.)
GUESS WHO

Each issue of the Hi Times will have a brief description of a senior. See if you can name them.

Today's senior is a black-haired girl with sparkling eyes and a quick manner. She was born in New Mexico in 1923. She came to Duvall as a sophomore in 1938. Before she had attended Roy and Aberdeen schools. She is thinking seriously of becoming a teacher.

Other interesting facts are:
Favorite saying--------Horrors!
Favorite song------Oh Where, Oh Where has my little dog gone?
Favorite class--------French
Pet peeve--Woodpecker Serenade
Favorite Boy Friend------"

4H CLUB

A move has been made to start a 4H Club in this school. Mr. J. A. Johnston, Assistant County agent, gave a speech in which he explained the principles of the club. There will be two divisions, one the junior division, in which boys and girls from 10 to 14 are. The next is the senior for those over 14. Quite a number of students seemed interested and it looks as if this club will go places. The object of these clubs is to associate the children more closely with agriculture.

THE ALL-SCHOOL PLAY?

"Oh Susan"---This dynamic action packed drama will hit the stage Nov. 20. Starring, is Danvers Meredith, alias Johnny Spoelstra who in real life plays a different role, that of a school Casanova. Women are allergic to him but unfortunately he isn't poison to them. Dolores Lucero, who plays his aunt, Mrs. Marion Weatherby, is anxious to marry him off to Janet Dalton played by Virginia Gockrell, who usually gets what she goes after. Also seeking Danvers are Rose and Edith Parsons played by Virginia Peterson and Betty Larson respectively. In league to add interest to the play are "Mame"--Irene Vanhulle, who takes whatever she takes a fancy to, while "Lefty"--Antone "Pinky" Martv, a light fingered young gentleman and their benevolent old man, played by Maurye Shosboek who is the "Old Soak". The previously named 3 are slightly crooked. Among the supporting cast are Jason--Kenneth Bennett and Mrs. Hawks--La Vera Hobson, who love and revere the Merediths. "Oh Susan" is sprinkled with comedy well worth your money.

NEW STUDENTS

Two new students have been added to our high school roll. Charles Scott is a second half sophomore student. Ervin Stokes is a senior.

** TENNIS **

Before the closing in of winter Harry Holcomb, Elbridge Cockereell, Tina De Vries, Johanna Vanderwerff, Ed Ross, and that soap advertisement, George "Lux" more have been getting in tennis practice. Some have been playing part of the time, others more often. Elbridge is getting quite adept at missing the ball by 5 feet. On the opposite team Johanna does the work while George gazes fondly at the girls' baseball team. "Hokum" lines the ball over the fence, while Ross bows low and announces to his fans he is about to try his trickiest play which more often than not goes into the net. This crack team would put to shame Helen Wills Moody and Don Budge.

** SKATING PARTY **

On Friday, 27th, the first school skating party was held at Silver Lake. Most of the students in high school went and a few from grade school. After arriving at Silver Lake, it was learned that Monroe also was there. Although the rink was well-crowded everyone had a grand time with no injuries except traditional blisters and bruises. We all thank the Junior Class for a good time.

** GIRLS' P. E. **

Now that the rain has started the girls and boys are taking turns playing in the gym at noon and 7th period. Basketball seems to be the most popular sport for the girls. The first time out in the gym the girls were very short winded (needing two rest periods in less than a half hour). Of course after the girls get practice, Duvall will be proud of the best girls' team around.

The girls have decided to join the league with the YWCA and Bellevue. The coach, Miss Doskocil, will make arrangements for playing games for the following year. This means that there will be no long trips of 80 miles or so to play a game with Black Diamond or Skykomish but instead the girls will go only to Bellevue and to the YWCA where some games with the Chinese, YWCA, and other teams will be played.

** MORAL **

A teacher put a worm in a glass of water and proudly pointed out that it swam around contentedly. Then she put the worm in a glass of whiskey and in a few moments it shriveled and died. She asked the class to state the moral of the experiment.

Johnnie wrote: If you always drink whiskey you will never have worms.

GLEE CLUB

Every other day in Mr. Nevitt's room there is a loud noise which sounds like a bevy of singing nightingales being turned loose. This flock consists of 14 nightingales. In a few weeks the clear voiced birds will migrate to the Duvall Methodist Church where they will sing, "Glorious Forever."

Some of the other songs being warbled out are Sylvia, The Swan, and Anitra's Dance.

After a few months of practice this little flock will be heard throughout the vale. Starting out in a grand way are Jeanne White and Virginia Close who sang solos at the Grange Hall last Monday night.

TORCH HONOR NEWS

Thursday, Sept. 27, the Junior and Senior members of the Torch Honor Society met for the first time this school year to elect new officers and make plans for entertainment and the initiation of the new members.

Mr. Swenson took charge of the meeting until a president was elected. Johanna Vanderwerff was elected president, Daisy Franke was elected vice-president, and Bernice Bright was elected secretary-treasurer.

The meeting was adjourned and no future date for a meeting was decided upon.

SEEN OFF AND ON

Elbridge and Johanna together quite often lately.

Corky and Noah coming home at three o'clock after the skating party, Friday night.

Virginia C. and Johnny S. holding hands in English class.

Kenneth Bennett acting girlish with a pretty little bow in his hair.

Bernice Bright heard teaching her French Class and teacher the southern language. Some words heard floating around were: "Blinky milk and stobs".

Ruth Marshall seen climbing a plum tree after Fred. (A chicken) Anthony Vanhulle going home to get a pencil for Bernice Bright. (He went after his glasses too.)

Two girls confiding their secrets to Georgie Luxmore, who will never tell, or will he?

That picture in Elbridge's pocket which is very revealing.

Tony: I know a joke you'll never get, dearie.

Bernice: Well, who said I wanted you?
